Nelson Resources Limited (ASX: [ASX]) ("Nelson Resources" or "the Company") is pleased to announce a Renounceable Rights Issue to raise up to \$2 million to fund completion of its current drilling programs and expand upon its exploration programs at its Woodline and Tempest projects. These expanded programs will include additional drilling and geophysics programs to be conducted with the company's wholly owned drilling and geophysics equipment.

Under the offer, shareholders will be offered two New Shares for every seven existing shares held on 26 July 2021 ("Record Date"), with one attaching listed Option, exercisable at \$0.08 and expiring on 31 August 2023, for every two New Shares subscribed.

The rights issue price represents a discount of:

- 20% to the Company's 10 day VWAP of \$0.059; and
- 31% to the Company's 90 day VWAP of \$0.068.

On completion, the Company will be well-funded with up to \$1.8 million available to:

- complete its current drilling programs and expand upon its exploration programs at its Woodline and Tempest projects located at the boundary of the Albany Fraser Oregon and Yilgarn Craton; and
- contribute towards working capital requirements and costs of the offer.

The Rights Issue is open to all eligible shareholders who have a registered address within Australia or New Zealand, and who hold Shares on the Record Date. The Rights Issue will close on 10 August 2021 (unless extended), and eligible shareholders can apply for shortfall in excess of their entitlement. Shareholders can also trade their rights from 23 July 2021.

Mahe Capital advised on the issue and acts as Lead Manager and Underwriter. The issue is partially underwritten to \$1.5 million, subject to certain terminating events at the Underwriter's election (as set out in the schedule).
