

ASX Announcement

CLARIFICATION TO ASX ANNOUNCEMENT DATED 20 JULY 2021

20 July 2021 – Drones-as-a-service provider Delta Drone International (**ASX:DLT**) wishes to clarify the below points with regards to the announcement released earlier this morning and titled “DLT’s Rocketmine Appointed by Anglo American Platinum Group”:

1. The survey mapping, blast monitoring and inspection services, which are the subject of the contract, are to be completed by 31 December 2021; and
2. There are no termination provisions other than standard clauses for non-performance.

This announcement has been authorised for release by the Board of Delta Drone International Limited.

About Delta Drone International

Delta Drone International is a multi-national drone-based data service and technology solutions provider for the mining, agricultural and engineering industries. It provides aerial surveying and mapping, security and surveillance, and blast monitoring and fragment analysis through a fully-outsourced service with AI and fast data turnaround that allows enterprise customers to focus on operations on the ground while Delta Drone International takes care of everything in the air.

It has in-house enabling proprietary technology, an R&D and integration centre and specialist expertise in designing, developing and providing best-in-class autonomous safety systems for commercial drone deliveries, drone flights for crowd monitoring and in urban areas, as well as ‘beyond visual line of sight’ (BVLOS) missions.
