ASX Announcement

2 August 2021

Square, Inc. announces plans to acquire Afterpay

Brings together two of the fastest growing global fintech companies to advance shared mission of economic empowerment and financial inclusion

SAN FRANCISCO and MELBOURNE, AUSTRALIA - Square, Inc. (NYSE: SQ) (**Square**) and Afterpay Limited (ASX: APT) (**Afterpay**) today announced that they have entered into a Scheme Implementation Deed under which Square has agreed to acquire all of the issued shares in Afterpay by way of a recommended court-approved Scheme of Arrangement. The transaction has an implied value of approximately US\$29 billion (A\$39 billion) based on the closing price of Square common stock on July 30, 2021, and is expected to be paid in all stock. The acquisition aims to enable the companies to better deliver compelling financial products and services that expand access to more consumers and drive incremental revenue for merchants of all sizes. The closing of the transaction is expected in the first quarter of calendar year 2022, subject to the satisfaction of certain closing conditions outlined below.

“Square and Afterpay have a shared purpose. We built our business to make the financial system more fair, accessible, and inclusive, and Afterpay has built a trusted brand aligned with those principles,” said Jack Dorsey, Co-Founder and CEO of Square. “Together, we can better connect our Cash App and Seller ecosystems to deliver even more compelling products and services for merchants and consumers, putting the power back in their hands.”

Afterpay, the pioneering global 'buy now, pay later' (BNPL) platform, will accelerate Square's strategic priorities for its Seller and Cash App ecosystems. Square plans to integrate Afterpay into its existing Seller and Cash App business units, enable even the smallest of merchants to offer BNPL at checkout, give Afterpay consumers the ability to manage their installment payments directly in Cash App, and give Cash App customers the ability to discover merchants and BNPL offers directly within the app.

“Buy now, pay later has been a powerful growth tool for sellers globally,” said Alyssa Henry, Lead of Square's Seller business. “We are thrilled to not only add this product to our Seller ecosystem, but to do it with a trusted and innovative team.”

“The addition of Afterpay to Cash App will strengthen our growing networks of consumers around the world, while supporting consumers with flexible, responsible payment

options,” said Brian Grassadonia, Lead of Square’s Cash App business. “Afterpay will help deepen and reinforce the connections between our Cash App and Seller ecosystems, and accelerate our ability to offer a rich suite of commerce capabilities to Cash App customers.”

Afterpay is an industry leader with a best-in-class product and strong cultural alignment with Square. As of June 30, 2021, Afterpay serves more than 16 million consumers and nearly 100,000 merchants globally, including major retailers across key verticals such as fashion, homewares, beauty, sporting goods and more. Afterpay empowers consumers to access the things they want and need, while allowing them to maintain financial wellness and control. Afterpay also assists merchants in growing their businesses by helping to drive repeat purchases, increase average transaction sizes, and provide their buyers with the ability to pay over time. Afterpay is deeply committed to helping people spend responsibly without incurring service fees for those who pay on time, interest, or revolving debt, and supports consumers in a number of countries across APAC, North America and Europe (including under its Clearpay brand).

“By combining with Square, we will further accelerate our growth in the U.S. and globally, offer access to a new category of in-person merchants, and provide a broader platform of new and valuable capabilities and services to our merchants and consumers. We are fully aligned with Square’s purpose and, together, we hope to continue redefining financial wellness and responsible spending for our customers,” said Anthony Eisen and Nick Molnar, Afterpay Co-Founders and Co-CEOs. “The transaction marks an important recognition of the Australian technology sector as homegrown innovation continues to be shared more broadly throughout the world. It also provides our shareholders with the opportunity to be a part of future growth of an innovative company aligned with our vision.”

For Square, BNPL presents an attractive opportunity supported by shifting consumer preferences away from traditional credit, especially among younger consumers, consistent demand from merchants for new ways to grow their sales, and the global growth in omnichannel commerce. Combined, Square and Afterpay’s complementary businesses present an opportunity to drive growth across multiple strategic levers, including:

- **Enhance both the Seller and Cash App ecosystems.** Afterpay’s global merchant base will accelerate Square’s growth with larger sellers and expansion into new geographies, while helping to drive further acquisition of new Square sellers. Afterpay will expand Cash App’s growing product offering, enable customers to manage their repayments, and help customers discover new merchants when the Afterpay App is integrated into Cash App.
- **Bring added value, differentiation, and scale to Afterpay.** Afterpay will benefit from Square’s large and growing customer base of more than 70 million annual transacting active Cash App customers and millions of sellers, which will expand Afterpay’s reach and growth both online and in-person. Afterpay consumers will

receive the benefits of Cash App's financial tools, including money transfer, stock and Bitcoin purchases, Cash Boost, and more.

- **Drive long-term growth with meaningful revenue synergy opportunities.** Square believes Afterpay will be accretive to gross profit growth with a modest decrease in Adjusted EBITDA margins expected in the first year after completion of the transaction. Square sees an opportunity to invest behind Afterpay's strong unit economics as well as attractive growth synergies, including the opportunity to introduce offerings and drive incremental growth for sellers and increased engagement for Cash App customers.

Afterpay's Co-Founders and Co-CEOs will join Square upon completion of the transaction and help lead Afterpay's respective merchant and consumer businesses, as part of Square's Seller and Cash App ecosystems. Square will appoint one Afterpay director as a member of the Square Board following closing.

Investor Presentation

The companies have published a presentation to provide an overview of the transaction, available on Square's Investor Relations website, investors.squareup.com, and Afterpay's Corporate website at corporate.afterpay.com.

Second Quarter 2021 Financial Results

In a separate press release issued today, Square announced its financial results for the second quarter of 2021, which is available on Square's Investor Relations website, investors.squareup.com.

Conference Call and Webcast

Square will conduct a conference call tomorrow jointly with Afterpay, August 2, 2021 at 5:00 a.m. Pacific Time/8:00 a.m. Eastern Time/10:00 p.m. Australian Eastern Standard Time to discuss this announcement, as well as Square's financial results for the second quarter of 2021. Access to a live audio webcast will be available on its Investor Relations website, investors.squareup.com. An archive of the webcast will be available on the website after the call.

Transaction Terms

Under the terms of the Scheme Implementation Deed, which has been approved by the members of the Boards of Directors of both Square and Afterpay, Afterpay shareholders will receive a fixed exchange ratio of 0.375 shares of Square Class A common stock for each Afterpay ordinary share they hold on the record date (Consideration). Square may elect to pay 1% of total consideration in cash.

Square has agreed to establish a secondary listing on the Australian Securities Exchange (ASX) to allow Afterpay shareholders to trade Square shares via CHESS Depositary Interests (CDIs) on the ASX. Afterpay shareholders will be able to elect whether to receive the Consideration in NYSE listed Square Class A common stock or CDIs. The CDIs listed on the ASX are expected to be eligible for S&P index inclusion in Australia.

The Afterpay Board has unanimously recommended the transaction to Afterpay shareholders subject to no superior proposal and an independent expert concluding (and continuing to conclude) that the transaction is in the best interests of Afterpay shareholders.

The Afterpay Board unanimously recommends that Afterpay shareholders vote in favour of the Scheme of Arrangement for, among other things, the following reasons:

- **The Consideration represents an attractive premium for Afterpay shareholders.** Based on Square's closing price of US\$247.26 on July 30, 2021, this represents an implied transaction price of approximately A\$126.21 per Afterpay share, and an attractive premium of approximately 30.6% to Afterpay's latest closing price of A\$96.66. This represents an approximate 21.9% premium over the 10-day volume weighted average Afterpay share price, and an approximate 10.5% premium over the 30-day volume weighted average Afterpay share price, each as of July 30, 2021.
- **Afterpay shareholders will receive a fixed exchange ratio of 0.375 shares of Square Class A common stock for each Afterpay share.** Following completion of the transaction, Afterpay shareholders are expected to own approximately 18.5% of the combined company on a fully diluted basis.
- **The scrip consideration allows Afterpay shareholders to participate in the expected benefits of combining the two businesses.**

Afterpay will apply for a ruling from the Australian Taxation Office (ATO) in relation to the availability of scrip-for-scrip capital gains tax rollover relief in regards to the transaction for Afterpay shareholders in Australia. The stock transaction is intended to be tax-free to Afterpay shareholders in Australia, and receipt of confirmation of such ruling is a condition precedent to the transaction.

The transaction is subject to conditions precedent as is customary for transactions of this nature, including, among other things:

- receipt of required regulatory approvals;
- the approval of shareholders of both Afterpay and Square;
- no material adverse effect, prescribed event or breach of representations and warranties in relation to either Afterpay or Square;
- approval for quotation of the Consideration securities on NYSE (Square shares) and ASX (CDIs);
- receipt of confirmation of the ATO class ruling; and

- other customary conditions to a scheme of arrangement such as Australian court approval and an independent expert confirming that the transaction is in the best interests of Afterpay shareholders.

The Scheme Implementation Deed contains customary exclusivity provisions in favour of Square, including no shop, no talk, no due diligence, notification obligations and a matching right. A break fee of 1% of the equity value of Afterpay implied by the Consideration will be payable by Afterpay to Square, and vice versa, in certain specified circumstances.

The full terms of the transaction, including all applicable conditions, are set out in the Scheme Implementation Deed, a copy of which is attached to this announcement.

Indicative timetable and next steps

Afterpay shareholders do not need to take any action at this stage.

A Scheme Booklet containing information in relation to the Transaction, reasons for the Afterpay Board of Directors' recommendation, an Independent Expert's Report and details of the Transaction Scheme will be sent to Afterpay's shareholders in due course. It is anticipated that the Transaction will close in the first quarter of calendar year 2022. These dates are indicative and subject to change.

Without limiting clause 3.2:

- (a) as soon as reasonably practicable after the date of this document, Square shall prepare and file the preliminary Square Registration/Proxy Statement with the SEC and must use reasonable endeavours to complete this filing within 25 Business Days of the date of this document (provided Afterpay has complied with its obligations under clause 5.2(e));
- (b) subject to clause 6.2, Square shall include in the Square Registration/Proxy Statement a statement by the Square Board recommending that Square Shareholders vote in favour of the issuance of the New Square Shares and Square A Shares underlying New Square CDIs to the Afterpay Shareholders in the Scheme;
- (c) Square and Afterpay shall furnish all information concerning itself and its affiliates that is required to be included in the Square Registration/Proxy Statement or that is requested by the other party and customarily included in proxy statements and/or registration statements prepared in connection with transactions of the type contemplated by this document, and each of Square and Afterpay will use all reasonable endeavours to ensure that none of the information supplied or to be supplied by it for inclusion in or incorporation by reference into the Square Registration/Proxy Statement will, at the date the Square Registration/Proxy Statement or any amendment or supplement thereto is filed with the SEC, declared effective by the SEC or mailed to the Square Shareholders or at the time of the Square Shareholder Meeting, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading;

- (d) Square shall consult with Afterpay as to the content and presentation of the Square Registration/Proxy Statement, including:
- (i) providing to Afterpay drafts of the Square Registration/Proxy Statement within a reasonable time prior to the initial filing thereof with the SEC for the purpose of enabling Afterpay to review and comment on the draft document and considering in good faith any timely and reasonable comments; and
 - (ii) providing to Afterpay drafts of each subsequent filing of or amendment or supplement to Square Registration/Proxy Statement within a reasonable time before filing any such revised document with the SEC or disseminating it to Square Shareholders for the purpose of enabling Afterpay to review and comment on the draft document and considering in good faith any timely and reasonable comments;
- (e) Square shall promptly respond to, and use all reasonable endeavours to cause to be resolved, any requests for information or comments from the SEC (including by filing amendments or supplements to the Square Registration/Proxy Statement) in relation to the Square Registration/Proxy Statement at the earliest practicable time;
- (f) Square shall keep Afterpay reasonably informed of any matters raised or comments provided by the SEC in relation to the Square Registration/Proxy Statement, and use all reasonable endeavours to take into consideration in resolving such matters any issues raised by Afterpay;
- (g) if, at any time prior to the Square Shareholder Meeting, any information relating to Square or Afterpay or any of their respective affiliates, officers or directors should be discovered by Square or Afterpay that should be set forth in an amendment or supplement to the Square Registration/Proxy Statement, so that the Square Registration/Proxy Statement would not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they are or were made, not misleading, the party that discovers such information shall promptly notify the other party and an appropriate amendment or supplement describing (or correcting) such information shall be prepared and, following a reasonable opportunity for the other party (and its counsel) to review and comment on such amendment or supplement, promptly filed with the SEC and, to the extent required by applicable law, disseminated to Square Shareholders;
- (h) Square shall file the Square Proxy Statement with the SEC in definitive form and begin mailing the Square Proxy Statement to holders of Square Shares as soon as practicable (and shall use all reasonable endeavours to do so within three (3) Business Days) after the later of (1) the expiration of the ten (10) day waiting period provided in Rule 14a-6(a) promulgated under the Exchange Act without comment from the SEC, (2) the date on which Square learns that the SEC has no further comments on, or does not intend to review, the Square Registration/Proxy Statement, and (3) if registration of the Scheme Consideration is required under the Securities Act, the date of effectiveness of the Square Registration Statement under the Securities Act (such later date, the “**Clearance Date**”);
- (i) If registration of the Scheme Consideration is required under the Securities Act, Square shall use reasonable endeavours to have the Square Registration Statement declared effective by the staff of the SEC

under the Securities Act as promptly as practicable after its initial filing with the SEC and to keep the Square Registration Statement effective as long as necessary to implement and consummate the Scheme;

- (j) Square must convene and hold the Square Shareholder Meeting to obtain the Square Shareholder Approval within 30 Business Days after the Clearance Date (unless prohibited by the SEC, in which case Square shall convene and hold the Square Shareholder Meeting at the earliest possible date permitted by the SEC);
- (k) Square shall not propose any matters to be voted on at the Square Shareholder Meeting other than the matters contemplated by this document in connection with the Square Shareholder Approval (and any matters of procedure to be voted on by the Square Shareholders in connection therewith);
- (l) except as required by law or a Governmental Authority, Square may not adjourn or postpone the Square Shareholder Meeting without the prior consent of Afterpay, provided, however, that Square may, without the consent of Afterpay and in accordance with Square's charter, law and, if relevant, the consent of any Governmental Authority, adjourn or postpone the Square Shareholder Meeting to the extent necessary to ensure that any required (or, as determined by the Square Board acting reasonably and in good faith after consulting with outside counsel and having first consulted with Afterpay, advisable) supplement or amendment to the Square Registration/Proxy Statement is provided to the Square Shareholders, with such postponement or adjournment to extend for no longer than the period that the Square Board determines in good faith (after consulting with outside counsel) is required or (having first consulted with Afterpay) advisable to give the Square Shareholders sufficient time to evaluate any such supplement or amendment so provided or disseminated (provided, that no such postponement or adjournment may be to a date that is after the 10th Business Day after the date of such supplement or amendment other than to the extent required by law); and
- (m) unless this document shall have been terminated in accordance with clause 13, Square must hold the Square Shareholder Meeting pursuant to this clause 3.5 and submit the issue of the New Square Shares and the Square A Shares underlying the New Square CDIs for the approval of the Square Shareholders.

3.6 Waiver of Conditions Precedent

- (a) A Condition Precedent may only be waived in writing by the party or parties entitled to the benefit of that Condition Precedent as and to the extent noted in clause 3.1 and will be effective only to the extent specifically set out in that waiver.
- (b) A party entitled to waive the breach or non-fulfilment of a Condition Precedent under this clause 3.6 may do so in its absolute discretion.
- (c) If either Afterpay or Square waives the breach or non-fulfilment of all or any portion of a Condition Precedent in accordance with this clause 3.6, then:
 - (i) subject to clause 3.6(c)(ii), that waiver precludes that party from suing the other party for any breach of this document arising as a result of the breach or non-fulfilment of that portion of such Condition Precedent or arising from the same event which gave

rise to the breach or non-fulfilment of that portion of such Condition Precedent; but

- (ii) if the waiver of all or any portion of the Condition Precedent is itself conditional and the other party:
 - (A) accepts the condition, the terms of that condition apply notwithstanding any inconsistency with clause 3.6(c)(i); or
 - (B) does not accept the condition, the Condition Precedent or a portion thereof has not been waived.
- (d) A waiver of a breach or non-fulfilment in respect of a Condition Precedent does not constitute:
 - (i) a waiver of a breach or non-fulfilment of any other Condition Precedent arising from the same event; or
 - (ii) a waiver of a breach or non-fulfilment of that Condition Precedent resulting from any other event.

3.7 Notices in relation to Conditions Precedent

Each party must:

- (a) **(notice of satisfaction)** promptly notify the other party of satisfaction of a Condition Precedent and must keep the other parties informed of any material development of which it becomes aware that may lead to the breach or non-fulfilment of a Condition Precedent which it is responsible for satisfying; and
- (b) **(notice of failure)** promptly notify the other parties of a breach or non-fulfilment of a Condition Precedent which it is responsible for satisfying, or of any event which will prevent the Condition Precedent being satisfied.

Failure to provide a notice required by this clause 3.7 will not give rise to the failure of a Condition Precedent or any right to terminate this document.

3.8 Consultation on failure of Condition Precedent

If:

- (a) there is a breach or non-fulfilment of a Condition Precedent set out in clauses 3.1(a), (b), (c), (d), (e), (f), (g), (h), (i), (j), (k), (r), (s) or (v) which is not waived in accordance with this document by the time or date specified in this document for the satisfaction of the Condition Precedent; or
- (b) there is an act, failure to act or occurrence which will prevent a Condition Precedent set out in clause 3.1(a), (b), (c), (d), (e), (f), (g), (h), (i), (j), (k), (r), (s) or (v) from being satisfied by the time or date specified in this document for the satisfaction of the Condition Precedent (and the breach or non-fulfilment which would otherwise occur has not already been waived in accordance with this document),

the parties must consult in good faith with a view to determine whether both parties wish to pursue the Scheme and, if so:

- (c) whether the Scheme may proceed by way of alternative means or methods;
- (d) to extend the relevant time for satisfaction of the Condition Precedent or to adjourn or change the date of an application to the Court; or
- (e) to extend the End Date.

3.9 Failure to agree

If under clause 3.8 the parties are unable to reach agreement or do not both wish to pursue the Scheme in each case within 5 Business Days (or any shorter period ending at 5.00pm on the day before the Second Court Date):

- (a) subject to clause 3.9(b), either party may terminate this document (and that termination will be in accordance with clause 13.1(g)); or
- (b) if a Condition Precedent may be waived and exists for the benefit of one party only, that party only may waive that Condition Precedent or terminate this document (and that termination will be in accordance with clause 13.1(g)),

in each case before 8.00am on the Second Court Date.

A party will not be entitled to terminate this document under this clause if the relevant Condition Precedent has not been satisfied or agreement cannot be reached as a result of a breach of this document by that party or a deliberate act or omission of that party in breach of this document.

3.10 Scheme voted down because of the Headcount Test

If the Scheme is not approved by Afterpay Shareholders at the Scheme Meeting by reason only of the non-satisfaction of the Headcount Test and Afterpay or Square consider, acting reasonably, that Share Splitting or some abusive or improper conduct may have caused or contributed to the Headcount Test not having been satisfied then Afterpay must:

- (a) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
- (b) make such submissions to the Court and file such evidence as counsel engaged by Afterpay to represent it in Court proceedings related to the Scheme, in consultation with Square, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Act by making an order to disregard the Headcount Test.

4 Outline of Scheme

4.1 Scheme

Afterpay must propose a scheme of arrangement under which:

- (a) all of the Afterpay Shares held by Scheme Participants at the Record Date will be transferred to Square Acquirer; and

- (b) each Scheme Participant will be entitled to receive the Scheme Consideration.

4.2 Scheme Consideration

- (a) Subject to and in accordance with this document and the Scheme, each Scheme Participant is entitled to receive the Scheme Consideration in respect of each Afterpay Share held by that Scheme Participant.
- (b) At any time prior to the lodgement of the Regulator's Draft with ASIC, Square Acquirer may elect (**Cash Election**) to change the Scheme Consideration to the Cash Election Payment for each Afterpay Share; plus either:
- (i) where that Scheme Participant is a Share Elected Shareholder, 0.37125 New Square Shares; or
 - (ii) where that Scheme Participant is a CDI Elected Shareholder, 0.37125 New Square CDIs.

Cash Election Payment means an amount in cash, in Australian dollars (rounded to the nearest whole cent), equal to the product of (w) 0.01, (x) the Square VWAP, (y) 0.375 and (z) the exchange rate of 1 U.S. dollar into 1 Australian dollar as of 4:00 p.m. New York time on the Determination Date, as calculated by Bloomberg L.P. or, if not reported therein, another authoritative source mutually selected by the parties.

Square VWAP means the volume-weighted average sales price of a Square A Share on the NYSE for the consecutive period of 5 trading days concluding at 4:00 p.m. New York time on the Determination Date, as calculated by Bloomberg L.P. under the function "VWAP" or, if not reported therein, the comparable function of another authoritative source mutually selected by the parties, and taken to four decimal places.

Determination Date means the trading day on the NYSE determined in good faith by the parties such that the time period from the Determination Date to the Implementation Date is minimized to the extent reasonably practicable, provided that the Determination Date shall be no earlier than the fifteenth trading day and no later than the fourth trading day immediately preceding the Implementation Date.

- (c) If Square Acquirer makes a Cash Election, the parties will work together in good faith to agree the necessary amendments to the Scheme, the Scheme Booklet, and Square Registration/Proxy Statement to reflect the revised Scheme Consideration, including for the purposes of clause 4.8.

4.3 Provision of Scheme Consideration

Subject to this document and the Scheme, each of Square and Square Acquirer undertakes to Afterpay (in its own right and separately as trustee or nominee of each Scheme Participant) that, in consideration of the transfer to Square Acquirer of each Afterpay Share held by a Scheme Participant, on the Implementation Date:

- (a) Square Acquirer will accept that transfer; and
- (b) Square Acquirer will provide or procure as set forth in clause 4.3(c) the provision to each Scheme Participant the Scheme Consideration in accordance with the Scheme; and

- (c) Square Acquirer agrees to cause Square to, and Square will at the direction of and on behalf of Square Acquirer (in satisfaction of Square Acquirer's obligation to provide such Scheme Consideration to the Scheme Participants under clause 4.3(b)), issue the Scheme Consideration in accordance with the Scheme. If Square Acquirer fails to provide direction to Square as contemplated by this clause 4.3(c) (or to have otherwise procured the provision of the Scheme Consideration) within 1 Business Day following the Effective Date, Square Acquirer will be deemed to have provided such direction to Square and Square agrees that it will take the actions required by this clause 4.3(c).

4.4 Scheme Consideration Discretion

With the written consent of both Square Acquirer and Afterpay, the parties may provide that all Scheme Consideration to be paid to Scheme Participants shall be paid in the form of New Square Shares (in which case the Condition Precedent in clause 3.1(r) shall be deemed to be waived).

4.5 Fractional elements

- (a) If the number of Afterpay Shares held by a Scheme Participant at the Record Date is such that the aggregate entitlement of the Scheme Participant to Scheme Consideration comprising New Square Shares or New Square CDIs includes a fractional entitlement to a New Square Share or New Square CDI, the entitlement will be rounded as follows:
- (i) if the fractional entitlement is less than 0.5, it will be rounded down to zero New Square Shares or New Square CDIs; and
 - (ii) if the fractional entitlement is equal to or more than 0.5, it will be rounded up to one New Square Share or New Square CDI.
- (b) If Square and Afterpay are of the opinion (acting reasonably) that two or more Scheme Participants (each of whom holds a number of Afterpay Shares which results in rounding in accordance with clause 4.5(a)) have, before the Record Date for the Scheme, been party to Share Splitting in an attempt to obtain unfair advantage by reference to such rounding, if requested by Square, Afterpay must give notice to those Scheme Participants:
- (i) setting out their names and registered addresses as shown in the Register;
 - (ii) stating that opinion; and
 - (iii) attributing to one of them specifically identified in the notice the Afterpay Shares held by all of them,

and, after such notice has been given, the Scheme Participant specifically identified in the notice as the deemed holder of the specified Afterpay Shares will, for the purpose of the provisions of the Scheme, be taken to hold all of those Afterpay Shares and each of the other Scheme Participants whose names and registered addresses are set out in the notice will, for the purposes of the provisions of the Scheme, be taken to hold no Afterpay Shares. Square, in complying with the provisions of the Scheme relating to it in respect of the Scheme Participant specifically identified in the notice as the deemed holder of all the specified Afterpay Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Participants named in the notice under the terms of the Scheme.

4.6 Ineligible Foreign Shareholders

- (a) Where an Ineligible Foreign Shareholder would otherwise be entitled to receive New Square Shares or New Square CDIs as Scheme Consideration pursuant to clause 4.3, Square Acquirer has no obligation to issue any New Square Shares or New Square CDIs to the Ineligible Foreign Shareholder, and instead (on behalf of and at the direction of Square Acquirer):
- (i) Square will issue to a nominee appointed by Square any New Square Shares to which an Ineligible Foreign Shareholder would otherwise be entitled;
 - (ii) Square will procure that, as soon as reasonably practicable and in any event not more than 15 Business Days after the Implementation Date, the nominee:
 - (A) sells or procures the sale of all of the New Square Shares issued to the nominee pursuant to clause 4.6(a)(i), in the ordinary course of trading on NYSE; and
 - (B) remits to Square the proceeds of sale (after deducting any applicable brokerage, stamp duty and other selling costs, taxes and charges); and
 - (iii) promptly after the last sale of New Square Shares in accordance with clause 4.6(a)(ii)(A), Square will pay to each Ineligible Foreign Shareholder an amount equal to the proportion of the net proceeds of sale received by Square under clause 4.6(a)(ii)(B) to which that Ineligible Foreign Shareholder is entitled in full satisfaction of the Ineligible Foreign Shareholder entitlement to the relevant New Square Shares.
- (b) None of Afterpay, Square or the relevant nominee gives any assurance as to the price that will be achieved for the sale of New Square Shares in accordance with this clause 4.6 and the sale of New Square Shares will be at the risk of the Ineligible Foreign Shareholder.

4.7 New Square Shares to rank equally

Square covenants in favour of Afterpay (in its own right and separately as trustee or nominee of each Scheme Participant) that:

- (a) all New Square Shares issued as Scheme Consideration pursuant to clause 4.3 (including those issued to CDN in connection with the New Square CDIs) will, upon their issue:
 - (i) rank equally with all other Square A Shares then on issue;

- (b) Subject to, and immediately following, the Effective Date, each equity award corresponding to Afterpay Shares issued under an employee incentive plan operated by the Afterpay Group that is held by a non-employee director of Afterpay (each an “**Afterpay Director Award**”) shall vest in full.
- (c) **Afterpay Employee Options:**

- (ii) Subject to, and upon, the implementation of the Scheme, the unvested portion of each Afterpay Employee Option that is outstanding as of the Effective Date and that does not vest pursuant to the immediately preceding clause shall be cancelled (such portion, the “**Cancelled Option**”) and converted into an option (each, a “**Replacement Option Award**”) covering a number of Square A Shares (rounded down to the nearest whole share) determined by multiplying the number of Afterpay Shares covered by the Cancelled Option by the Exchange Ratio, and with a per share exercise price, rounded up to the nearest whole cent, determined by dividing the per share exercise price of such Cancelled Option by the Exchange Ratio, with such award vesting in equal quarterly instalments over the period of time from the Effective Date through the latest vesting date applicable to such Cancelled Option, subject to the holder’s continued employment by Afterpay or an affiliate through the applicable vesting dates.
- (iii) The Afterpay Board (A) may provide that all vested Afterpay Employee Options (and any other vested options to purchase Afterpay Shares) shall be automatically exercised prior to the fifth Business Day prior to the Record Date, including on a net settlement basis, and (B) shall cause each vested Afterpay Employee Option (and any other vested option to purchase Afterpay Shares) that is outstanding immediately following the Effective Date, including the portion of any Afterpay Employee Option that vests pursuant to clause 4.8(c)(i), that is unexercised as of the Record Date, to expire, lapse and be cancelled for no consideration on such date.

(d) **Afterpay RSU Awards and Afterpay Restricted Stock Awards**

- (i) Subject to, and immediately following the Effective Date, each restricted stock unit or performance right (each an “**Afterpay RSU Award**”) or restricted stock award (each an “**Afterpay Restricted Stock Award**”), in each case, corresponding to Afterpay Shares issued under an employee incentive plan operated by the Afterpay Group, that is outstanding as of the Effective Date, shall vest with respect to a number of Afterpay Shares (rounded up to the nearest whole share) such that the vested portion of such Afterpay RSU Award or Afterpay Restricted Stock Award, as applicable, after giving effect to the vesting contemplated by this clause shall equal a fraction, the numerator of which is the number of full months from the grant date of such Afterpay RSU Award or Afterpay Restricted Stock Award, as applicable, through the Effective Date, and the denominator of which is the total number of months from the grant date of such Afterpay RSU Award or Afterpay Restricted Stock Award, as applicable, through the last vesting date of such Afterpay RSU Award or Afterpay Restricted Stock Award, as applicable, (e.g., 48 in the case of an option that vests in full on the fourth anniversary of the grant date); provided, that such accelerated vesting shall not apply to any Afterpay RSU Award or Afterpay Restricted Stock Award, as applicable, granted after the date of this document, other than the awards set forth on Schedule 4.8(g) of the Afterpay Disclosure Letter, and the unvested portion of such Afterpay RSU Award or Afterpay Restricted Stock Award, as applicable, that does not vest pursuant to this clause shall be forfeited (such portion, the “**Forfeited Full Value Award**”).
- (ii) Subject to, and upon, the implementation of the Scheme, Square shall grant to the holder of a Forfeited Full Value Award who remains employed by Afterpay or an affiliate as of the Implementation Date, an award (each, a “**Replacement Full Value Award**”) of restricted stock units covering a number of Square A Shares or a grant of restricted Square A Shares (in each case rounded up to the nearest whole share) equal to the number of Afterpay Shares covered by the Forfeited Full Value Award multiplied by the Exchange Ratio, with such award vesting in equal quarterly instalments over the period of time from the Effective Date through the latest vesting date applicable to such Forfeited Full Value Award, subject to the holder’s continued employment by Afterpay or an affiliate through the applicable vesting dates.

(e) **Afterpay US Equity Plan**

 - (B) the unvested portion of each Afterpay US Employee Option that is outstanding immediately prior to the Implementation Date, after taking into account the vesting provided under clause 4.8(e)(i), shall be cancelled (such portion, the **"Cancelled US Option"**) and converted into an award of stock options (each a **"Replacement US Option Award"**) covering a number of Square A Shares (rounded down to the nearest whole share) determined by multiplying the number of Afterpay US Shares covered by such Cancelled US Option by the Afterpay US Exchange Ratio, with a per share exercise price, rounded up to the nearest whole cent, determined by dividing the per share exercise price of such Cancelled US Option by the Afterpay US Exchange Ratio, with such award vesting in equal quarterly installments over the period of time from the Effective Date through the latest vesting date applicable to such Cancelled US Option, subject to the holder's continued employment by Afterpay or an affiliate through the applicable vesting dates.

- (h) No later than the Implementation Date, Square shall file one or more appropriate registration statements (on Form S-8, or any successor or other appropriate forms), or utilize a pre-existing registration statement, with respect to the Square A Shares underlying the Replacement Awards, and Square shall maintain the effectiveness of each such registration statement for so long as such awards remain outstanding.
- (i) All payments contemplated by this clause 4.8 shall be made less any applicable withholdings.

4.9 United States Tax Treatment

- (a) Each of Afterpay, Square and their respective Subsidiaries shall cooperate and use best endeavours to (i) cause the acquisition of the Afterpay Shares pursuant to the Scheme to qualify as a “qualified stock purchase” within the meaning of Section 338(d) of the Code and (ii) eliminate or mitigate the extent to which payment of the Scheme Consideration is subject to withholding Tax as a result of the application of Section 304 of the Code (including, if necessary, by making a Cash Election pursuant to clause 4.2 and certain Tax elections). For the avoidance of doubt, the parties acknowledge and agree that, after the Implementation Date, Square shall be permitted, in its sole discretion and to the extent permitted by law, to make elections under (A) Section 338 of the Code with respect to Afterpay and its Subsidiaries and (B) Treasury Regulations Section 301.7701-3 with respect to any Subsidiary of Afterpay, which election may be retroactively effective to a date prior to the Implementation Date. None of Square, Afterpay or any of their respective Subsidiaries will take (or fail to take) any action, or allow any affiliate to take (or fail to take) any action, that could reasonably be expected to preclude the elections described in subclauses (A) and (B) of this clause 4.9(a). In the event that Square determines in its sole and absolute discretion to make an election under Section 338(g) of the Code, Afterpay will cooperate with Square in (x) determining if notice under Treasury Regulations Section 1.338-2(e)(4) is required and (y) in completing and delivering the notice under Treasury Regulations Section 1.338-2(e)(4).

9 Exclusivity

9.1 No existing discussions

Afterpay represents and warrants that, other than the discussions with Square in respect of the Scheme, it is not currently in negotiations or discussions in respect of any Afterpay Competing Transaction with any person. From the date of this document, Afterpay will promptly enforce the terms of any confidentiality agreement entered into with a party other than Square in relation to an Afterpay Competing Transaction and will promptly request the return of all Afterpay Confidential Information from that party and terminate its access to any Afterpay Confidential Information on an ongoing basis. 9.5 Exceptions

Clause 9.3 and clause 9.4 do not apply to the extent that they restrict Afterpay or the Afterpay Board from taking or refusing to take any action with respect to a genuine Afterpay Competing Transaction that did not result, directly or indirectly, from a material breach of clauses 9.2, 9.3, or 9.4, provided that the Afterpay Board has determined, in good faith after receiving advice from its financial and external legal advisers:

- (a) that the Afterpay Competing Transaction is, or would reasonably be expected to become, an Afterpay Superior Proposal; and

- (a) continuing to make normal presentations to, and to respond to enquiries from, brokers, portfolio investors and analysts in the ordinary course in relation to the Scheme or its business generally; or

- (d) Without limiting Afterpay's other obligations under this clause 9.7, Afterpay shall keep Square reasonably informed on a prompt and timely basis of the status and material terms and of any material developments, discussions or negotiations regarding any Afterpay Competing Transaction or proposed Afterpay Competing Transaction and the material terms and conditions thereof (including any change in price or form of consideration or other material amendment thereto), within 36 hours after the receipt or delivery thereof, keep Square reasonably informed on a prompt and timely basis as to the nature of any non-public

information requested of Afterpay with respect thereto, and provide information regarding any Afterpay Competing Transaction or proposed Afterpay Competing Transaction reasonably requested by Square.

9.8 Matching right

Without limiting clauses 9.2 and 9.3, during the Exclusivity Period, Afterpay:

- (a) must not enter into any agreement, arrangement or understanding (whether or not in writing) pursuant to which a third party or Afterpay proposes (or both a third party and Afterpay propose) to undertake or give effect to an actual, proposed or potential Afterpay Competing Transaction; and
- (b) must procure that the Afterpay Board does not change its recommendation in favour of the Scheme to publicly recommend an actual, proposed or potential Afterpay Competing Transaction,

unless:

- (c) the Afterpay Board acting in good faith after taking advice from its outside legal adviser and financial adviser of nationally recognized reputation, determines that the Afterpay Competing Transaction constitutes an Afterpay Superior Proposal;
- (d) the Afterpay Board, after receiving such legal advice from its external legal advisers of nationally recognized reputation, determines that the failure to take such actions specified in clause 9.8(a) and/or 9.8(b) would constitute a breach of the Afterpay Board's fiduciary or statutory duties to Afterpay Shareholders;
- (e) Afterpay has provided Square with the material terms and conditions of the Afterpay Competing Transaction to the extent required by clause 9.7(b) and a written explanation as to why it considers that the Afterpay Competing Transaction constitutes an Afterpay Superior Proposal;
- (f) for at least 5 Business Days, Afterpay and its Representatives have negotiated in good faith with Square and its Representatives, to the extent Square wishes to negotiate and make itself reasonably available to negotiate, to enable Square to propose revisions to the terms of this document; and
- (g) upon the expiry of such negotiation period, the Afterpay Board has considered in good faith any binding proposed revisions to the terms of this document proposed by Square, and has determined in good faith, after taking advice from its outside legal adviser and financial adviser of nationally recognized reputation, that such Afterpay Competing Transaction would nevertheless continue to constitute an Afterpay Superior Proposal if such revisions proposed by Square were to be given effect and that the failure to take the actions specified in clause 9.8(a) and/or 9.8(b) would continue to constitute a breach of the Afterpay Board's fiduciary or statutory duties to Afterpay Shareholders.

Afterpay agrees that each successive material modification to the terms of any Afterpay Competing Transaction will constitute a new Afterpay Competing Transaction for the purposes of clause 9.8 and accordingly Afterpay must comply with this clause 9.8 in respect of any new Afterpay Competing Transaction.

9.9 Legal advice

Each of Afterpay and Square acknowledges that it has received legal advice on this document and the operation of this clause.

- (b) **(change of recommendation)** Square validly terminates this document in accordance with clause 13.1(b), except where the relevant change, withdrawal or modification of the Afterpay Board's recommendation is made (i) after the Independent Expert concludes that in the opinion of the Independent Expert the Scheme is not in the best interests of Afterpay Shareholders (other than where the reason for such opinion is an Afterpay Competing Transaction) or (ii) in circumstances arising as a result of Square's material breach of a term of this document;
- (c) **(Afterpay Superior Proposal)** Afterpay validly terminates this document in accordance with clause 13.1(f); or

The parties agree that the costs incurred are of a nature that they cannot be accurately quantified and that a genuine pre-estimate of the costs would equal or exceed the Break Fee.

10.6 Afterpay's limitation of liability

Notwithstanding any other provision of this document but subject to clause 4.2, except for fraud or wilful material breach of this document by Afterpay:

- (a) the maximum liability of Afterpay to Square under or in connection with this document including in respect of any breach of this document will be the amount of the Break Fee; and

11.5 Nature of payment

The Break Fee is an amount to compensate Afterpay for:

- (g) **(consultation or appeal failure)** by either Square or Afterpay in accordance with and pursuant to clause 3.9(a), 3.9(b) or 5.9; or
- (h) **(agreement)** if agreed to in writing by Square and Afterpay.

13.2 Termination

Where a party has a right to terminate this document, that right for all purposes will be validly exercised if the party delivers a notice in writing to the other parties stating that it terminates this document.

13.3 Effect of Termination

If this document is terminated by either party, or if this document otherwise terminates in accordance with its terms, then in either case all further obligations of the parties under this document, other than the obligations set out in this clause 13.3 and in clauses 5.9, 10.2, 11.2 and 15 to 20 (inclusive) will immediately cease to be of further force and effect without further liability of any party to the other, provided that nothing in this clause releases any party from liability in the case of fraud or wilful material breach of this document by such party.

13.4 Damages

Subject to clause 10.6 and clause 11.6 in addition to the right of termination under clause 13.1 where there is no appropriate remedy for the breach in this document (other than termination), the non-defaulting party is entitled to damages for Losses suffered by it and expenses incurred by it as a result of the breach of the terms of this document.

14 Public announcements

14.1 Public announcement of Scheme

Immediately after signing this document, Afterpay and Square will issue a joint public announcement of the proposed Scheme in the form contained in Annexure A.

14.2 Required disclosure

Where a party is required by any applicable law or any Listing Rule to make any announcement or make any disclosure in connection with the Scheme, it must

use all reasonable endeavours, to the extent possible, to consult with the other parties prior to making the relevant disclosure, provided that if such required disclosure relates to any Confidential Information, the terms of the Confidentiality Agreement shall govern.

14.3 Other announcements

- (a) Subject to clauses 14.1, 14.2 and 14.3(b), no party may make any public announcement or disclosure (“**Announcement**”) in connection with the Scheme (including disclosure to a Governmental Authority) other than in a form approved by each party (acting reasonably). Each party will use all reasonable endeavours to provide that approval as soon as practicable. If either Square or Afterpay breaches this clause 14.3, then this clause 14.3 shall not apply to any announcement by the other party in response to such Announcement in breach of this clause 14.3.
- (b) The parties agree that, for the purposes of clause 14.3(a), if a party approves the form of an Announcement, that approval will also extend to any other public announcement or disclosure made in connection with the Scheme that is consistent in tone and substance with all or part of that Announcement.
- (c) Notwithstanding the foregoing, clause 14.2 and clause 14.3(a) shall not apply to an Announcement made in connection with (i) an Afterpay Competing Transaction or Square Competing Transaction or the Afterpay Board or Square Board withdrawing or changing its recommendation in accordance with clause 6.1 or clause 6.2, respectively, (ii) in connection with any dispute between the parties regarding this document, the Scheme or the other transactions contemplated by this document or (iii) the actual or expected financial impact (including earnings guidance) of the Scheme on a party.

15 Confidential Information

15.1 Disclosure of Confidential Information

Square and Afterpay each acknowledge and agree that it continues to be bound by the Confidentiality Agreement and Information Exchange Protocol in respect of all information received by it from the other party on, before or after the date of this document.

16.2 Delivery

Communications must be sent by email to the address referred to in the Details.

If the intended recipient has notified changed contact details, then communications must be sent to the changed contact details.

16.3 When effective

Communications take effect from the time they are received or taken to be received under clause 16.4 (whichever happens first) unless a later time is specified in the communication.

16.4 When taken to be received

Communications sent by email in accordance with clause 16.2 are taken to be received:

- (a) when the sender receives an automated message confirming delivery; or
 - (b) 4 hours after the time sent (as recorded on the device from which the sender sent the email) unless the sender receives an automated message that delivery failed,
- whichever happens first.

16.5 Receipt outside business hours

Despite anything else in this clause 16, if communications are received or taken to be received under clause 16.4 after 5.00pm on a Business Day or on a non-Business Day for the receiving party, they are taken to be received at 9.00am on the next Business Day of the receiving party.

17 GST

17.1 Definitions and interpretation

For the purposes of this clause:

- (a) **"GST Act"** means the *A New Tax System (Goods and Services Tax) Act 1999* (Cth);
- (b) a term which has a defined meaning in the GST Act has the same meaning when used in this clause, unless the contrary intention appears; and
- (c) each periodic or progressive component of a supply to which section 156-5(1) of the GST Act applies will be treated as if it were a separate supply.

17.2 GST exclusive

Unless this document expressly states otherwise, all consideration to be provided under this document is exclusive of GST.

17.3 Payment of GST

- (a) If GST is payable, or notionally payable, on a supply in connection with this document, the party providing the consideration for the supply agrees to pay to the supplier an additional amount equal to the amount of GST payable on that supply ("**GST Amount**").
- (b) Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time as the GST-exclusive consideration for the supply, or the first part of the GST-exclusive consideration for the supply (as the case may be), is payable or is to be provided.
- (c) This clause does not apply to the extent that the consideration for the supply is expressly stated to include GST or the supply is subject to a reverse-charge.

17.4 Adjustment events

If an adjustment event arises for a supply made in connection with this document, the GST Amount must be recalculated to reflect that adjustment. The supplier or the recipient (as the case may be) agrees to make any payments necessary to reflect the adjustment and the supplier agrees to issue an adjustment note.

17.5 Reimbursements

Any payment, indemnity, reimbursement or similar obligation that is required to be made in connection with this document which is calculated by reference to an amount paid by another party must be reduced by the amount of any input tax credits which the other party (or the representative member of any GST group of which the other party is a member) is entitled to. If the reduced payment is consideration for a taxable supply, clause 17.3 will apply to the reduced payment.

18 Costs

18.1 Costs

The parties agree to pay their own Costs in connection with the preparation, negotiation, execution and completion of this document, except for amounts covered by clause 18.2.

18.2 Stamp duty and registration fees

Square:

- (a) agrees to pay or reimburse all stamp duty, registration fees and similar taxes payable or assessed as being payable in connection with this document or any other transaction contemplated by this document (including any fees, fines, penalties and interest in connection with any of those amounts); and
- (b) indemnifies Afterpay against, and agrees to reimburse and compensate it for, any liability in respect of stamp duty under clause 18.2(a).

However, Square need not pay, reimburse or indemnify against any fees, fines, penalties or interest to the extent they have been imposed because of delay caused by Afterpay or an Afterpay Indemnified Party.

18.3 Withholding tax

If Square Acquirer (or by Square on behalf of and at the direction of Square Acquirer) is required by any Tax Law to pay amounts to any Governmental Authority in respect of the acquisition of Afterpay Shares from certain Scheme Participants, Square Acquirer (or Square on behalf of and at the direction of Square Acquirer) is permitted to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Participants, and remit such amounts to the applicable Governmental Authority. The aggregate sum payable to Scheme Participants shall not be increased to reflect the deduction and the net aggregate sum payable to those Scheme Participants shall be taken to be in full and final satisfaction of the amounts owing to those Scheme Participants.

19 General

19.1 Variation and waiver

A provision of this document, or right, power or remedy created under it, may not be varied or waived except in writing signed by the party to be bound.

19.2 Consents, approvals or waivers

By giving any approval, consent or waiver, a party does not give any representation or warranty as to any circumstance in connection with the subject matter of the consent, approval or waiver.

19.3 Discretion in exercising rights

Unless this document expressly states otherwise, a party may exercise a right, power or remedy or give or refuse its consent, approval or a waiver in connection with this document in its absolute discretion (including by imposing conditions).

19.4 Partial exercising of rights

Unless this document expressly states otherwise, if a party does not exercise a right, power or remedy in connection with this document fully or at a given time, they may still exercise it later.

19.5 Conflict of interest

Each party may exercise their rights, powers and remedies in connection with this document even if this involves a conflict of duty or they have a personal interest in their exercise.

19.6 Remedies cumulative

Subject to clause 10.6 and clause 11.6, the rights, powers and remedies in connection with this document are in addition to other rights, powers and remedies given by law independently of this document.

19.7 Indemnities and reimbursement obligations

Any indemnity, reimbursement or similar obligation in this document:

- (a) is a continuing obligation despite the satisfaction of any payment or other obligation in connection with this document, any settlement or any other thing;
- (b) is independent of any other obligations under this document; and
- (c) continues after this document, or any obligation arising under it, ends.

It is not necessary for a party to incur expense or make payment before enforcing a right of indemnity in connection with this document.

19.8 Inconsistent law

To the extent the law permits, this document prevails to the extent it is inconsistent with any law.

19.9 Supervening law

Any present or future law which operates to vary the obligations of a party in connection with this document with the result that another party's rights, powers or remedies are adversely affected (including, by way of delay or postponement) is excluded except to the extent that its exclusion is prohibited or rendered ineffective by law.

19.10 Counterparts

This document may consist of a number of copies, each signed by one or more parties to it. If so, the signed copies are treated as making up a single document and the date on which the last counterpart is executed is the date of the document.

19.11 Entire agreement

This document constitutes the entire agreement of the parties about its subject matter and supersedes all previous agreements, understandings and negotiations on that subject matter.

19.12 Further steps

Each party agrees to do anything (such as obtaining consents, signing and producing documents, producing receipts and getting documents completed and signed), which another party asks and considers necessary to:

- (a) bind the party and any other person intended to be bound under this document; or
- (b) show whether the party is complying with this document.

19.13 No liability for loss

Unless this document expressly states otherwise, a party is not liable for any loss, liability or costs arising in connection with the exercise or attempted exercise of, failure to exercise, or delay in exercising, a right, power or remedy in connection with this document.

19.14 Severability

If the whole or any part of a provision of this document is void, unenforceable or illegal in a jurisdiction it is severed for that jurisdiction. The remainder of this document has full force and effect and the validity or enforceability of that provision in any other jurisdiction is not affected. This clause has no effect if the severance alters the basic nature of this document or is contrary to public policy.

19.15 Rules of construction

No rule of construction applies to the disadvantage of a party because that party was responsible for the preparation of, or seeks to rely on, this document or any part of it.

19.16 Assignment

A party may not assign or otherwise deal with its rights under this document or allow any interest in them to arise or be varied without the consent of the other parties.

19.17 Specific Performance

The parties acknowledge and agree that irreparable harm would occur and that the parties would not have any adequate remedy at law (a) for any material breach of this document or (b) in the event that any of the material provisions of this document were not performed in accordance with their specific terms. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent material breaches or threatened material breaches of this document and to specifically enforce the material terms and provisions of this document (this being in addition to any other remedy to which they are entitled under this document or under applicable law). The parties agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to applicable law or inequitable for any reason, and not to assert that a remedy of monetary damages would provide an adequate remedy or that the parties otherwise have an adequate remedy at law.

19.18 Enforceability

For the purpose of this document:

- (a) Afterpay is taken to be acting as agent and trustee on behalf of and for the benefit of all Afterpay Indemnified Parties; and
- (b) Square is taken to be acting as agent and trustee on behalf of and for the benefit of all Square Indemnified Parties,

and all of those persons are to this extent taken to be parties to this document.

19.19 No representation or reliance

Each party acknowledges that:

- (a) no party (nor any person acting on its behalf) has made any representation or other inducement to it to enter into this document, except for representations or inducements expressly set out in this document;
- (b) it does not enter into this document in reliance on any representation or other inducement by or on behalf of any other party, except for any representation or inducement expressly set out in this document; and
- (c) clauses 19.19(a) and 19.19(b) above do not prejudice any rights a party may have in relation to information which had been filed by another party with ASIC or ASX.

20 Governing law

20.1 Governing law and jurisdiction

The law in force in the place specified in the Details governs this document. The parties submit to the non-exclusive jurisdiction of the courts of that place.

20.2 Serving documents

Without preventing any other method of service, any document in an action in connection with this document may be served on a party by being delivered or left at that party's address for service of notices under clause 16.2 or with its process agent.

20.3 Appointment of process agent

Without preventing any method of service allowed under any relevant law, Square:

- (a) irrevocably appoints King & Wood Malleons as its process agent to receive any document in an action in connection with this document, and agrees that any such document may be served on Square by being delivered to or left for Square at the following address:

King & Wood Malleons
Level 61
Governor Phillip Tower
1 Farrer Place
Sydney NSW 2000
Australia

- (b) agrees that failure by a process agent to notify King & Wood Malleons of any document in an action in connection with this document does not invalidate the action concerned.

If for any reason King & Wood Malleons ceases to be able to act as process agent, Square agrees to appoint another person as its process agent in the place referred to in clause 20.1 and ensure that the replacement process agent accepts its appointment and confirms its appointment to Afterpay.

Square agrees that service of documents on its process agent is sufficient service on it.
