— Outlook

Sales Pipeline Primed for Conversion

- Continued flow of enquiries from varying verticals including smart cities, commercial buildings, airports, healthcare facilities, hotels and retail
- We expect pipeline conversion to experience an uplift with accelerating rollouts of COVID-19 vaccines globally
- Both Skyfii Core and CrowdVision sales funnels have steadily increased QoQ
- Skyfii's 12-month rolling qualified pipeline of **\$43.4m** sets a solid foundation for a very strong FY22

12-Month Rolling Pipeline (including CrowdVision)

¹ Client Evaluation is defined as a proof of concept, the customer understands the value proposition of the offering and is expressing interest to proceed but requires more time to evaluate or requires internal budget approval on the proposal before proceeding to contract negotiation.

Outlook & Strategy

Key areas of
focus for FY22:

Continued investment into marketing activities to drive quality leads across all markets and products

Significant focus on key verticals including Airports, Stadiums, Grocery, Corporate Offices, Universities, Schools and Municipalities

Ongoing development and rollout of new analytic products, such as *OccupancyNow™*, to drive new revenue streams

Increased investment into Sales, Support and Services headcount to drive additional revenue growth in all regions

Convert pipeline to deliver ARR ahead of analyst estimates of \$20m

Integration of the CrowdVision technology solution into the Skyfii offering and retirement of the legacy platform
