**About Ava Risk Group**

Ava Risk Group is a global leader in providing security technologies and services to protect critical assets and infrastructure. Its Technology Division manufactures and markets 'smart' fibre optic sensing systems (Future Fibre Technologies) and high security access control and electronic locking products (BQT Solutions). Its Services Division provides secure logistics for high-risk valuables such as banknotes and precious metals (Ava Global Logistics). Its products and services are trusted by some of the most security conscious commercial, industrial, military and government clients in the world.
