The Group's revenue growth accelerated in HY2021 as its market share increased in the Australia and Southeast Asian online lifelong learning market.

Strategy

OpenLearning offers a unique lifelong learning platform, encompassing short courses, micro-credentials and qualifications. OpenLearning is building its client base by empowering education providers to operate and enter the online lifelong learning market with a suite of products, including:

- Platform Subscription:** Providing an innovative learning platform and tools on a SaaS model to enable education providers to deliver courses online.
- Program Delivery:** Partnering with top institutions to deliver programs on the OpenLearning platform with capabilities across full spectrum of program delivery.
- Value-added services:** Providing a marketplace and learning design services to clients to drive network effects and accelerate platform adoption.

Directors' Report (Continued)

The Group is successfully capitalising on the accelerated shift towards online education through multi-year agreements with leading education providers. OpenLearning ended HY2021 with 184 Platform Subscription customers and a total of 2.93 million learners and 4.86 million enrolments in courses making it one of Australia and Southeast Asia's largest lifelong learning platforms.

Financial highlights for HY2021

The Company is focused on growing revenue from its Platform Subscription and Program Delivery product lines, together categorised as 'Platform Revenue'. With the introduction of the Program Delivery product line in HY2021, the Group has seen accelerating growth in Platform Revenue:

The Group's gross sales, which includes value-added services increased by 16.6% y-o-y to \$1,761,230 and after deducting revenue shared with education providers, revenue grew strongly by 30.4% y-o-y to \$1,313,839. The Group's cash receipts increased by 39.7% y-o-y to \$2,326,044, as a result of upfront payments from learners and SaaS customers.

Investment in platform and products

The Group is prioritising revenue growth and has continued to invest in its lifelong learning platform and the establishment of the Program Delivery segment, which began generating revenue in HY2021 and includes:

1. **UNSW Transition Program Online**, a four-month direct entry program for prospective international students delivered by OpenLearning in partnership with UNSW Global;
2. **OpenCredits**, a lifelong learning micro-credentialling framework designed to become an industry standard in Australia and Malaysia;
3. **Biomedical Education Skills and Training (BEST) Network**, which enables medical education to be delivered online with a library of 21,000 medical images from leading universities; and
4. **OpenLearning self-service SaaS**, which enables self-service payment and onboarding for education providers to utilise OpenLearning's lifelong learning platform.

Directors' Report (Continued)

To ensure the success of these initiatives, the Group expanded its team and increased its investment in sales and marketing in HY2021. The Group's main operating expenses by function and investments spent were:

	HALF-YEAR ENDED	HALF-YEAR ENDED
	30 JUNE 2021	30 JUNE 2020
	\$	\$
Operating expenses		
Sales and marketing	877,454	682,464

Investing activities		
New programs	349,104	131,876
Total investment in growth initiatives	2,976,506	1,916,792

As a result of these investments, the Group's loss after tax for HY2021 increased by 37.0% y-o-y to \$3,037,234.

Despite the Group's losses, cash and cash equivalents remained healthy at \$5,743,782 as at 30 June 2021 being balance proceeds from a capital raising completed in November 2020.

Conclusion

The Group successfully executed against a number of key contracts during HY2021 thanks to the hard work and dedication of employees and the support of its partners. The directors are grateful for the support of the Company's shareholders and are ensuring that funds are invested prudently.

The directors are pleased to report that investments made in the preceding twelve months in the new Program Delivery segment have already generated revenue in excess of the initial investment and the development of a new computer science program (CS101) is underway. With both components of Platform Revenue increasing in HY2021, OpenLearning is well positioned to capture an increasing share of the online lifelong learning market.

Auditor's Independence Declaration

The lead auditor's independence declaration under s 307C of the *Corporations Act 2001* is set out on page 15 for the half-year ended 30 June 2021.

This directors' report is signed in accordance with a resolution of the Board of Directors.

Notes to the Financial Statements

Half-Year Ended 30 June 2021

1. Summary of significant accounting policies

1.1 Basis of preparation

These general purpose interim financial statements for half-year reporting period ended 30 June 2021 have been prepared in accordance with requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*. The Group is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of OpenLearning Limited and its controlled entities (the 'Group'). As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Group. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 31 December 2020, together with any public announcements made during the following half-year.

Where required by AASBs, comparative figures have been adjusted to conform with changes in presentation for the current period.

These interim financial statements were authorised for issue on 31 August 2021.

1.2 Going concern

The financial statements have been prepared on a going concern basis, which contemplates the continuity of normal business activity and the realization and the settlement of liabilities in the ordinary course of business.

The Group incurred a net loss for the half-year of \$3,037,234 (HY2020: \$2,216,590) and net operating cash outflows of \$2,403,795 (HY2020: \$1,887,178). As at 30 June 2021, the Group had accumulated losses of \$28,074,939 (31 December 2020: \$25,037,705).

As at 30 June 2021, the Group has net current assets of \$3,856,665 (31 Dec 2020: \$7,229,797) and cash and cash equivalents of \$5,743,782 (31 Dec 2020: \$8,595,069).

The Group has prepared a cashflow forecast for the next 12 months that indicate risk that the Group may not meet all its payment obligations. However, the directors believe that it is appropriate for the financial statements to be prepared on a going concern basis after consideration of the following factors:

- Increasing traction in revenue growth of the Platform Subscription and Platform Delivery segments with increasing cash inflow from these segments;
- active management of the discretionary expenditure in line with funds availability;
- raising of additional working capital through the issuance of securities and/or other funding.

Accordingly, the directors believe that the Group will be able to continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial statements. In the event that the Group is unsuccessful in implementing the above stated objectives, a material uncertainty exists, that may cast significant doubt on the Group's ability as a going concern and its ability to recover assets, and discharge liabilities in the normal course of business and at the amount shown in the financial statements.

The financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts or to the amounts and classification of liabilities that might be necessary should the Group not continue as a going concern.

1.3 Accounting Policies

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements.

The Group has considered the implications of new and amended Accounting Standards, but determined that their application to the financial statements is either not relevant or not material.

For personal use only

Professional services		
– contractors	211,153	151,378

3. Loss per share

Both the basic and diluted losses per share have been calculated by dividing the loss for the period attributable to owners of the Company by the weighted average number of ordinary shares outstanding during the financial period.

The reconciliation of the weighted average number of ordinary shares for the purposes of calculating the diluted losses per share is as follows:

	30 JUNE 2021	30 JUNE 2020
Weighted average number of ordinary shares for basic losses per share computation	164,024,967	139,794,846
Effects of dilution from:		
– share options issued to convertible note holders	–	3,822,271
– share options issued to advisors	–	366,065
Weighted average number of ordinary shares for diluted losses per share computation	164,024,967	143,983,182

The effects from the potential ordinary shares of the Company arising from the conversion of share-based payments for the current financial half-year ended 30 June 2021 is deemed anti-dilutive. Accordingly, the basic and diluted earnings per share for the current financial half-year are the same.

6.2 Segment performance and assets/liabilities

The Group has identified its operating segments based on the internal reports that are reviewed and used by management in assessing performance and determining the allocation of resources.

The Group has in previous financial periods reported its operating segments on the basis of geographical locations i.e. Australia, Malaysia, Singapore and Corporate (based in Australia). The Group has now revised its reportable operating segments on the basis of revenue and cost originations, as follows:

- Australia
- South East Asia
- Global Platform
- Global Services
- Corporate Overheads

7. Events after the reporting period

No events have arisen that would be likely to materially affect the operations of the Group, or the state of affairs of the Group not otherwise disclosed in the Group's financial report.

8. Contingent liabilities

There has been no change in contingent liabilities since the last annual reporting period.

9. Seasonality of Operations

The Group's performance is generally not affected by seasonality with the exception of the program delivery revenue stream. Program delivery, which comprise the online program management business, is subject to seasonality as revenue is affected by commencement date of the foundation study courses as determined by the education partner.

10. Fair value measurements

The Group's financial instruments consist of cash and cash equivalents, trade and other receivables and trade and other payables. These financial instruments are measured at amortised cost, less any provision for non-recovery. The carrying amount of the financial assets and liabilities approximate their fair value

Directors' Declaration

In accordance with a resolution of the directors of OpenLearning Limited, the directors of the Company declare that:

1. The financial statements and notes, as set out, are in accordance with the *Corporations Act 2001*, including:
 - (a) complying with Australian Standard AASB 134: *Interim Financial Reporting*; and
 - (b) giving a true and fair view of the Group's financial position as at 30 June 2021 and of its performance for the half-year ended on that date;
2. In the directors' opinion there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

In accordance with Section 307C of the Corporations Act 2001, I am pleased to provide the following declaration of independence to the directors of OpenLearning Limited. As the lead partner for the review of the financial report of OpenLearning Limited for the half year ended 30 June 2021, I declare that, to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the Corporations Act 2001 in relation to the review; and
- (ii) any applicable code of professional conduct in relation to the review.

Report on the Half Year Financial Report

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half year financial report of OpenLearning Limited is not in accordance with the Corporations Act 2001 including:

- (i) giving a true and fair view of the Group's financial position as at 30 June 2021 and of its performance for the half year ended on that date; and
- (ii) complying with AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of Financial Report performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the Auditor's Responsibilities section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001 which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Material Uncertainty Related to Going Concern

We draw attention to Note 1 in the half-year financial report which indicates that the Group had incurred a net loss of \$3,037,234 and net operating cash outflow of \$2,403,795. These conditions, along with other matters as set forth in Note 1 indicate the existence of a material uncertainty that may cast significant doubt about the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Directors' Responsibility for the Half Year Financial Report

The directors of OpenLearning Limited are responsible for the preparation of the half year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the interim financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half year financial report based on our review. ASRE 410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including giving a true and fair view of the Group's financial position as at 30 June 2021 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.

A review of a half year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
