**Principal activities**

The Group's principal activities are providing affiliate marketing solutions to advertisers and affiliates. There was no significant change in the nature of activities of the Company during the financial year.

**Share buy-back**

There is no share buy-back taken place during the financial period.

**Dividends**

No dividend was recommended by the directors of the Company for the financial period.

**Review of operations**

For the half-year ended 30 June 2021, the revenue experienced a decline of 70.14% compared to the previous half-year to AUD\$1,074,124 from AUD\$3,597,985.

The decline in revenue is primarily due to the global pandemic COVID-19 which has impact the core business income stream of software activation, license rights and program fee from the sign up of new affiliates. The imposed Movement Control Order (MCO) in countries which the Group is operating in has further affected business activities of training and affiliate events which decreased new affiliates sign up.

Despite the performance observed above, the Group has taken the offensive and introduced an economic stimulus package for key stakeholders of affiliates, advertisers and users. Majority of the business activities have been moved online with automation of processes. This strategy is significant in managing expenses during this uncertain time while continuing to stimulate the market. This resulted in the Group's profit after taxation to AUD\$144,184 from loss after taxation AUD\$807,628 in the previous corresponding half-year. The Management has been optimistic that the Group's products and services are well-placed for acceptance more than ever and would contribute positively for the time coming.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF

I SYNERGY GROUP LIMITED

Report on the Review of the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of I Synergy Group Limited ("the Company"), and its controlled entities ("the Group"), which comprises the consolidated statement of financial position as at 30 June 2021, the consolidated statement of profit and loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- (i) giving a true and fair view of the Group's financial position as at 30 June 2021 and of its performance for the half-year ended on that date; and
- (ii) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* ("the Code") that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company would be in the same terms if given to the directors as at the time of this auditor's review report.

Directors' Responsibility for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with the Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

## INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF

### I SYNERGY GROUP LIMITED (continued)

#### Auditor's Responsibility for the Review of the Half-Year Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 30 June 2021 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
