ASX ANNOUNCEMENT

1 September 2021

LONELY MINE GOLD PROJECT 1ST STAGE DRILLING COMPLETED AT TIBERIUS PROSPECT

HIGHLIGHTS

- ✦ First stage diamond drilling works completed at high-grade Tiberius prospect
- ✦ 8 diamond drill-holes comprising 1236.64m completed

Ragusa Minerals Limited (ASX: **RAS**) ("**Ragusa**" or "**Company**") is pleased to advise that the first stage diamond drilling works at the Tiberius prospect – part of the Company's 100% owned Lonely Mine Gold Project ("**Project**") in Zimbabwe – were recently completed, with 1236.64m drilled at eight priority drill sites.

The Company's technical site personnel are currently conducting core logging and sampling works, with selected samples to undergo laboratory analysis testing.

The Phase 1 diamond drill program targeted the interpreted orebody identified from recent works, comprising geological mapping, geophysical surveying (ground magnetics and induced polarization), surface trenching, and underground rock/channel sampling and mapping.

ASX ANNOUNCEMENT

Ragusa Chairperson, Jerko Zuvela said ***"We are excited to have conducted our maiden diamond drilling campaign at the high-grade Tiberius prospect. The works were conducted very efficiently, expeditiously and professionally led by our local geological team and our independent international technical consultants."***

We look forward to receiving the sample analysis results over coming weeks to assist in determining the success of the drilling program, and the scale and nature of the mineralised orebody identified from our prior exploration works."

ENDS

This announcement has been authorised by Jerko Zuvela, the Company's Chairperson

Ragusa confirms that it is not aware of any new information or data that materially affects the information included in the original market announcement and, in the case of Mineral Resources or Ore Reserves, that all material assumptions and technical parameters underpinning the estimates in the relevant market announcement continue to apply and have not materially changed. Ragusa confirms that the form and context in which the Competent Person's findings are presented have not been materially modified from the original market announcement.

Forward Looking Statements: Statements regarding plans with respect to the Company's mineral properties are forward looking statements. There can be no assurance that the Company's plans for development of its mineral properties will proceed as expected. There can be no assurance that the Company will be able to confirm the presence of mineral deposits, that any mineralisation will prove to be economic or that a mine will successfully be developed on any of the Company's mineral properties.

Competent Person's Statement – Lonely Mine Gold Project

The information contained in this ASX release relating to Exploration Results has been prepared by Mr Jerko Zuvela. Mr Zuvela is a Member of the Australasian Institute of Mining and Metallurgy and has sufficient experience that is relevant to the style of mineralisation and type of deposit under consideration and to the activity being undertaken to qualify as a Competent Person as defined in the 2012 Edition of the Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves. Mr Zuvela is the Chairperson of Ragusa Minerals Ltd and consents to the inclusion in this announcement of this information in the form and context in which it appears. The information in this announcement is an accurate representation of the available data from exploration at the Lonely Mine Gold Project.
