## **AMA Group Successfully Completes Institutional Entitlement Offer and Prices Convertible Notes Due 2027**

AMA Group Ltd (“AMA Group”) is pleased to announce the successful completion of the institutional component of its fully underwritten accelerated 1 for 2.80 pro rata non-renounceable entitlement offer (“Entitlement Offer”, and the institutional component being the “Institutional Entitlement Offer”) alongside the successful pricing of the \$50 million offering (“Convertible Notes Offer”) of senior unsecured convertible notes due March 2027<sup>1</sup> (“Notes”).

Net proceeds from the capital raising will be used to permanently repay \$72.5 million in debt facilities and \$69.3 million will be used for the purposes of working capital, liquidity (including for COVID-19 related disruption) and in supporting growth initiatives.

AMA Group CEO, Carl Bizon said:

*“Throughout the Institutional Entitlement Offer and Convertible Notes Offer processes, we were very pleased by the level of support by investors, both for the capital raising, and for our business. It is extremely encouraging to see the level of belief in our business and strategy. We look forward to the future, as the impacts of COVID-19 related restrictions begin to lift and we can turn our focus to the execution of our strategy as we seek to unlock the value inherent in the AMA Group.”*

AMA Group expects the ASX to lift the voluntary suspension and for its ordinary shares (“Ordinary Shares”) to recommence trading from market open today on an ex-entitlement basis.

### **Institutional Entitlement Offer**

The Institutional Entitlement Offer announced on Friday, 10 September 2021 raised gross proceeds of approximately \$53 million at the offer price of \$0.375 per new Ordinary Share (“New Share”) (“Offer Price”). The Institutional Entitlement Offer attracted significant demand and was well supported by institutional shareholders with a take-up of approximately 99.6% by eligible shareholders.

A bookbuild for the Institutional Entitlement Offer shortfall was held through which entitlements not taken up by eligible institutional shareholders, and those entitlements that would otherwise have been offered to ineligible institutional shareholders, were sold to other institutional investors at the Offer Price.

The approximately 142 million New Shares issued under the Institutional Entitlement Offer (including as part of the institutional shortfall bookbuild) are expected to be issued on Tuesday, 21 September 2021 and commence trading on the ASX on the same day. New Shares issued under the Institutional Entitlement Offer will rank equally with existing Ordinary Shares from their time of issue.

### **Retail Entitlement Offer**

The retail component of the Entitlement Offer (“Retail Entitlement Offer”) is underwritten and will raise approximately \$47 million. The Retail Entitlement offer will open on Friday, 17 September 2021 and close on Thursday, 30 September 2021.

<sup>1</sup> Noteholders will have a put option in March 2025.

Eligible retail shareholders will be entitled to subscribe for 1 New Share for every 2.80 Ordinary Shares held on the record date of 7:00pm (Sydney Time) Tuesday, 14 September 2021 for \$0.375 per share ("Retail Entitlement"), representing the same ratio and offer price as the Institutional Entitlement Offer.

Eligible retail shareholders wishing to participate in the Retail Entitlement Offer should carefully read the Retail Offer Booklet which is expected to be despatched on or around Friday, 17 September 2021. Copies of the Retail Offer Booklet will be available on the ASX website and the AMA Group website.

Eligible retail shareholders are shareholders as at the record date who have a registered address in Australia or New Zealand; are not in the United States or acting for the account or benefit of a person in the United States; were not invited to participate in the Institutional Entitlement Offer and were not treated as an ineligible institutional shareholder under the Institutional Entitlement Offer; and are eligible under all applicable securities laws to receive an offer under the Retail Entitlement Offer ("Eligible Retail Shareholders").

Under the Retail Entitlement Offer, Eligible Retail Shareholders that take up their full Retail Entitlement may also apply for additional shares in excess of their Retail Entitlement, up to a maximum of 50% of their Retail Entitlement, at the Offer Price ("Oversubscription Facility"). Additional New Shares will only be available under the Oversubscription Facility to the extent that there are Retail Entitlements under the Retail Entitlement Offer that are not taken up by Eligible Retail Shareholders or would have been offered to non-Eligible Retail Shareholders if they been entitled to participate in the Retail Entitlement Offer.

### **Convertible Notes**

AMA Group has also successfully priced \$50 million of Notes which are convertible into fully paid Ordinary Shares and will mature on 22 March 2027 unless otherwise redeemed, repurchased or converted in accordance with their terms and conditions. The initial conversion price will be \$0.4688 per share, which represents a conversion premium of 25.0% over the Reference Share Price of \$0.375 per Ordinary Share. The Notes were priced with a coupon of 4.000% per annum, payable semi-annually in arrear.

A summary of the key terms and conditions of the Notes is set out in Appendix A of this announcement.
