Board of Directors

Ken Carr

Chairman and Non-Executive Director

Dr Carr (PhD Bus Adm. MBA) is a seasoned, non-executive director

and chair, having held CEO/MD roles in 5 ASX listed companies primarily in the, telecoms, banking, payments and electronic manufacturing sectors and non-executive director roles in 3 others, including 2 as chair.

He is currently chairman of PJJ Group, a leading rural engineering and construction business.

He has formerly held CEO and Board positions on several listed entities, most recently as a director of Bulletproof Limited (ASX:BPF), CEO of Intec Limited (ASX:ITQ), and prior was Managing Director of Rubik Financial Limited (ASX:RFL).

Previously he has held senior executive positions at IBM, AT&T, and Lucent Technologies and British Telecom. His main experience is related to corporate restructuring and transformation, which has included several JVs and mergers and acquisitions in many countries.

Dr Carr left the Board in February 2013 and re-joined Freshtel on 2 May 2014.

Andrew Roberts

Managing Director and CEO

Mr Roberts (AICD) is a business executive / entrepreneur with over 25 years' experience in the IT industry in Australia, New Zealand, Asia Pacific, and the United Kingdom.

He has extensive strategic IT and commercial experience in business aggregation, business analysis/strategy, sales, marketing, professional services, operations and general management.

He has extensive strategic IT and commercial experience in business aggregation, business analysis/strategy, sales, marketing, professional services, operations and general management.

Mr Roberts has direct experience in building and growing IT and cloud-based companies from start-up to sale.

He has previously been a director of Comops Limited (ASX: COM) and was recently head of strategy and cloud operations at Rubik Financial Limited (ASX: RFL).

Mr Roberts was also the deputy chair of the Young and Well Cooperative Research Council, a federally funded not-for-profit organisation focusing on the use of technology to assist well being in young people's lives.

Wendy Tyberek

Finance Director

Ms Tyberek (CA, AICD, BBus) is a chartered accountant with over 25 years experience in financial business management and related technologies in Australia and the UK.

She is a hands-on CFO focussed on achieving results and has extensive experience in leading teams to develop and deliver financially successful technology-based solutions to private and public-sector enterprises.

Wendy is the Finance Director and CFO and leads the finance team for FSG, responsible for the finance, compliance and reporting functions within the group.

Her previous roles have included senior positions with MYOB, Comops (ASX:COM), Solution 6 and Deloitte.

She is a hands-on CFO focussed on achieving results and has extensive experience in leading teams to develop and deliver financially successful technology-based solutions to private and public-sector enterprises.

Mithila Nath Ranawake

Non-Executive Director

Mr Ranawake (BBus, MBA, CPA, FAICD) was elected to the Freshtel board on 23 November 2010. Mr Ranawake has over 20 years of experience in the telecommunications industry in Asia Pacific, Australia, India and China, combined with a strong background in finance, mergers and acquisitions, information systems, sales, change management, strategy and business development acquired across a number of industries.

Mr Ranawake previously held roles as CFO of Konekt Limited, an ASX listed workplace health solutions provider, Consistel Group in Singapore and LongReach Group Limited, an ASX listed Australian telecommunications equipment manufacturer where he was involved in several capital raises and mergers.

He has held senior management positions in Telstra Corporation, British Telecom and Marconi.

Mr Ranawake also has several years of experience in gas, electric and petroleum industries.

Dr Phillip Carter

Non-Executive Director

Mr Carter (PhD, MAppFin, BEng, SFFIN, FAICD) is a joint managing director of Kestrel Capital Pty Ltd.

He has extensive experience developing and financing technology rich industrials in Australia, Europe and the United States of America.

As chairman of Prism Group Holdings, he led the restructure and turnaround of its global operations and subsequent sale of the business to a US competitor, delivering significant returns to investors.

Previously, Phillip headed a leading United Kingdom technology consulting and investment advisory practice and managed the InterTechnology Fund, recognised by the European Private Equity and Valuations Capital Association (EVCA) as one of the most active development capital funds in Europe.

Other current directorships: Kestrel Growth Companies Limited, Tambla Limited and Chant West Holdings Limited.

Our Mission is who we are

Australia's Leading Telecommunications Carrier for rural, regional and remote Australia

We connect the underserved and bridge the digital divide between metro and rural Australia, digitally enabling key industries such as agriculture, agribusiness, resources and mining.

What we do

Build

We build rural and regional tele-communications infrastructure

Connect

We retail and wholesale internet and other connectivity products

Network

We build and operate a national nbn network

Value Add

We provide managed services

Platforms

We build intelligent automation and orchestration platforms for our own network and the nbn

The Regional Australia Network (RAN)

**FSG's next generation
place based
rural, regional & remote
network**

RAN - What is it?

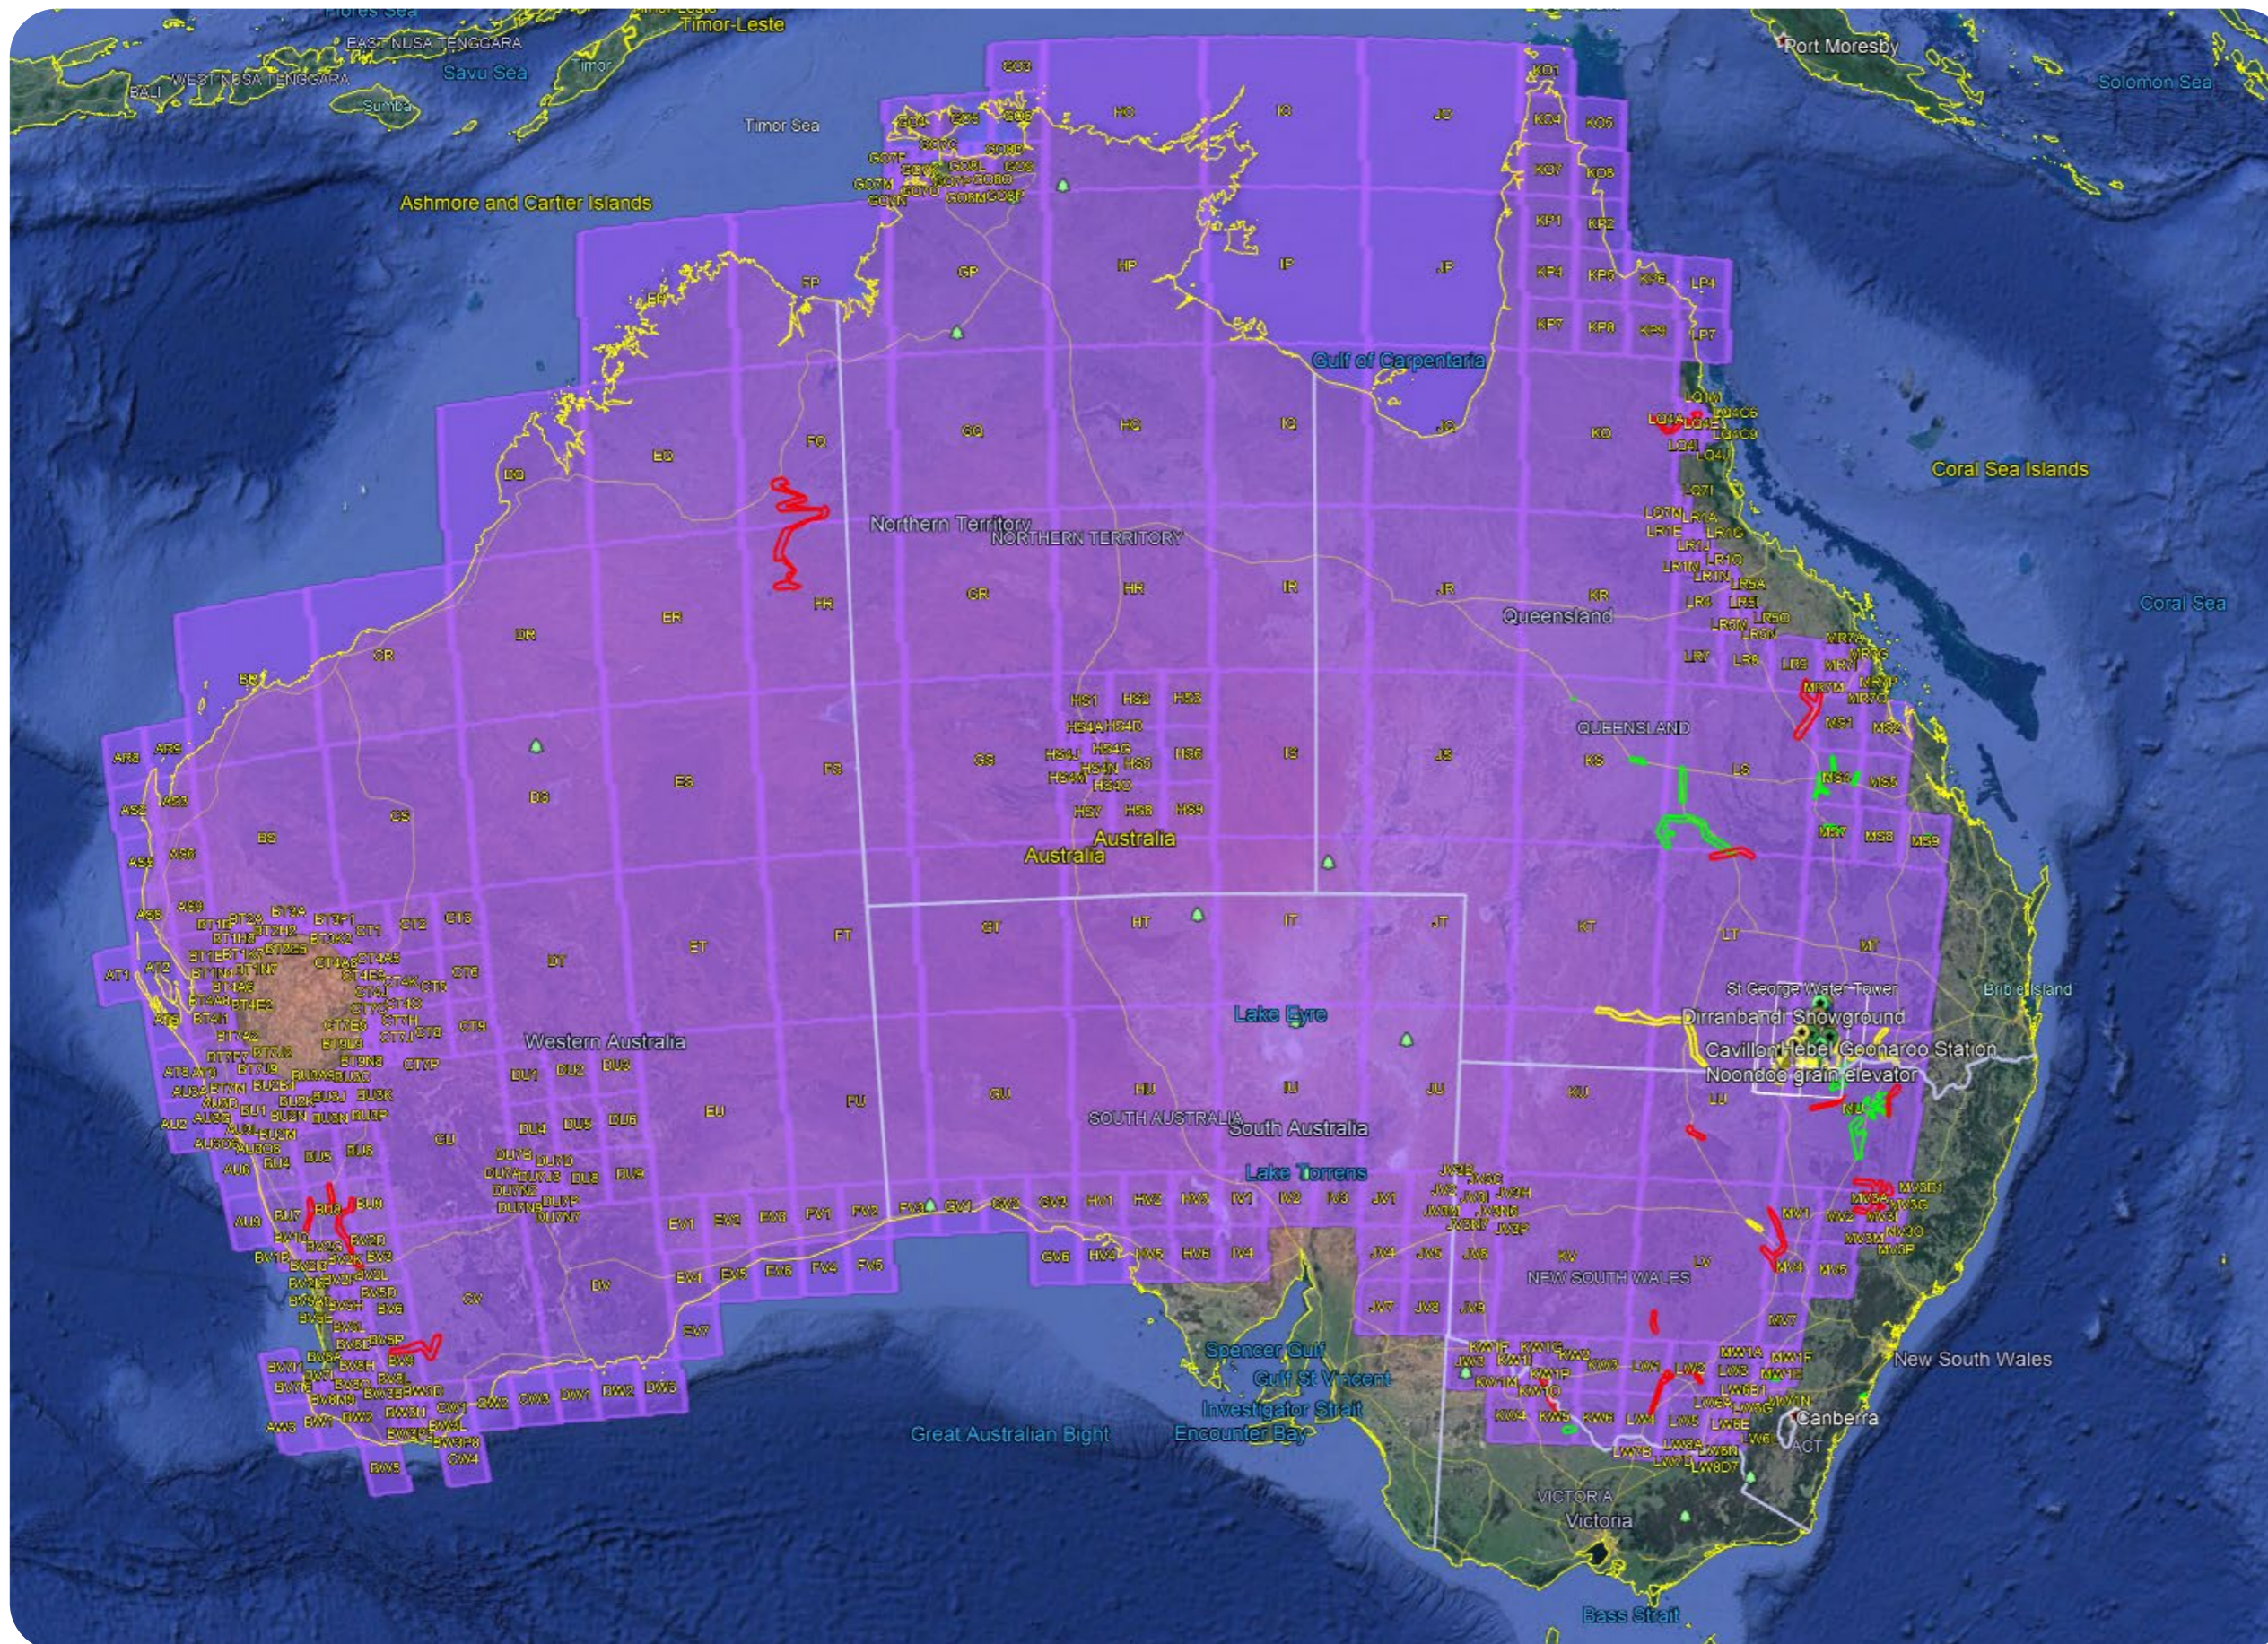

Now

- Fixed Wireless Broadband
- Proprietary
- Unlicensed
- Line of Site only

Future

- Place based network
- 4G/5G
- Mobile Enabled
- Neutral Host Capable
- PSMB
- Industry Standards
- Non-Line of Site capable

5G Spectrum Coverage

- FSG Acquired 5G Spectrum for rural, regional and remote Australia
- Covers 93% of Australia's landmass

RAN - Capabilities

- FW Broadband Internet
- Mobile Voice & Data
- Mobility
- IoT
 - Agtech
 - Mining
- Private Networks
- 4G/5G high speed

RAN - New Revenue Opportunities

Opportunities

- Mobile
- Co-Location
- Neutral Host
- Roaming
- IoT
- Value-Add Services
