NOTES

1. Explanatory Memorandum

The Explanatory Memorandum accompanying this Notice of Annual General Meeting is incorporated in and comprises part of this Notice of Annual General Meeting and should be read in conjunction with this Notice of Annual General Meeting.

2. Voting Exclusion Statements

Resolution 1 - The Company will disregard votes cast by a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report, or a closely related party of such a member, in contravention of section 250R or 250BD Corporations Act. Restrictions also apply to votes cast as proxy unless exceptions apply.

Resolution 3 - The Company will disregard any votes cast in favour of Resolution 3 by or on behalf of a person, or any associate of that person, who is expected to participate in, or will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of Shares).

NB. In accordance with Listing Rule 14.11 and the relevant note under that rule concerning Listing Rule 7.1A, as at the date of this Notice of Meeting it is not known who may participate in the proposed issue (if any). On that basis, no security holders are currently excluded.

However, this does not apply to a vote cast in favour of a resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Resolution 4 - The Company will also disregard any votes cast in favour of Resolution 4 by or on behalf of:

- a director of the Company;
- an associate of a director; or
- a person whose relationship with the Company or a person referred to above is such that, in ASX's opinion, the acquisition should be approved by security holders,

who is eligible to participate in the Company's Equity Incentive Plan.

However, this does not apply to a vote cast in favour of a resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or

- the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
- the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

The Company will also disregard votes cast as proxy by Key Management Personnel or their closely related parties in contravention of section 250BD Corporations Act. The Company will also disregard votes cast by or on behalf of a related party of the Company to whom the resolution would permit a financial benefit to be given in contravention of section 224 of the Corporations Act and any associate of such a related party.

For the purposes of section 224 Corporations Act, the Company will not disregard a vote if:

- it is cast by a person as a proxy appointed in writing that specifies how the proxy is to vote on the proposed resolution; and
- it is not cast on behalf of a related party or associate of a related party of the Company to whom the resolution would permit a financial benefit to be given or an associate of such a related party.

3. Who may vote

In accordance with Regulation 7.11.37 of the Corporations Regulations, the Company (as convenor of the Meeting) has determined that a person's entitlement to attend and vote at the Meeting will be those persons set out in the register of Shareholders as at 7.00pm (AEDT) on 26 October 2021. This means that any Shareholder registered at 7.00pm (AEDT) on 26 October 2021 is entitled to attend and vote at the Meeting.

4. Direct voting using the Lumi AGM Online Platform

In light of current public health restrictions relating to the spread of COVID-19 the Company has made the decision to hold a virtual Annual General Meeting. All shareholders will have the opportunity to attend and participate in the 2021 Annual General Meeting online via an internet connection (using a computer, laptop, tablet or smartphone).

Shareholders are invited and encouraged to participate in the Meeting and vote electronically using the Lumi AGM Online Platform. The Online Platform will provide Shareholders with the ability to view and participate in the proceedings of the Meeting by webcast, and to cast their votes during the Meeting.

If Shareholders are unable to attend the Meeting using the Online Platform they are encouraged to alternatively, return the Proxy Form to the Company in accordance with the instructions thereon. Returning the Proxy Form will not preclude a Shareholder from attending and voting at the Meeting utilising the Lumi Online Platform should they elect to do so.

5. Shareholder questions

Whilst shareholders will be provided with the opportunity to submit questions online at the Meeting, it would be desirable if the Company was able to receive them in advance.

Shareholders are therefore requested to send any questions they may have for the Company or its directors at the virtual Annual Shareholders' Meeting to the Company Secretary, Kim Clark by email to kim.clark@boardroomlimited.com.au.

Please note that not all questions may be able to be answered during the meeting. In this case answers will be made available on the Company's website after the meeting.

6. Proxies

A Shareholder entitled to attend this Meeting and vote, is entitled to appoint a proxy to attend and vote on behalf of that Shareholder at the Meeting.

- A proxy need not be a Shareholder.
- If the Shareholder is entitled to cast two or more votes at the Meeting, the Shareholder may appoint two proxies and may specify the proportion or number of the votes which each proxy is appointed to exercise. If the Shareholder appoints two proxies and the appointment does not

specify the proportion or number of votes each proxy may exercise, each proxy may exercise half of the votes held by that Shareholder.

- If the Shareholder appoints only one proxy, that proxy is entitled to vote on a show of hands. If a Shareholder appoints two proxies, only one proxy is entitled to vote on a show of hands.
- Where two proxies are appointed, any fractions of votes resulting from the appointment of two proxies will be disregarded.
- A Proxy Form accompanies this Notice.
- Unless the Shareholder specifically directs the proxy how to vote, the proxy may vote as he or she thinks fit, or abstain from voting.
- If a Shareholder wishes to appoint a proxy, the Shareholder should complete the Proxy Form and comply with the instructions set out in that form relating to lodgement of the form with the Company.
- The Proxy Form must be signed by the Shareholder or his or her attorney duly authorised in writing or, if the Shareholder is a corporation, either signed by an authorised officer or attorney of the corporation or otherwise signed in accordance with the Corporations Act.
- If any attorney or authorised officer signs the Proxy Form on behalf of a Shareholder, the relevant power of attorney or other authority under which it is signed or a certified copy of that power or authority must be deposited with the Proxy Form.
- The Proxy Form (together with any relevant authority) must be received by no later than 11:00 am (AEDT) on 26 October 2021 before the time scheduled for the commencement of the meeting (or any adjournment of that meeting).
- The completed Proxy Form may be:
 1. Mailed to the address on the Proxy Form; or
 2. Faxed to Ava Risk Group Limited, Attention Company Secretary, on facsimile number 02 9290 9655.
 3. Voted online via the Company's Share Registry at www.votingonline.com.au/avariskagm2021.

7. Voting requirements

Recommendation 6.4 of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (4th edition) and ASX guidance provide that a listed entity should ensure that all substantive resolutions at a meeting of security holders are decided by a poll rather than by a show of hands. In accordance with these recommendations, the Chair has determined in accordance with clause 14.11 of the Constitution that all resolutions put to Shareholders at the Meeting will be decided by poll rather than by a show of hands.

In accordance with the Company's Constitution and the ASX Listing Rules, each Resolution put to Shareholders at the meeting must be passed by way of an ordinary resolution which requires the Resolution be approved by a majority of votes cast by Shareholders entitled to vote on the Resolution, other than Resolution 3 which must be passed by way of a special resolution in accordance with ASX Listing Rule 7.1A such that the Resolution must be approved by 75% of the votes cast by Shareholders entitled to vote on the Resolution.

8. Corporate Representative

Any corporate Shareholder who has appointed a person to act as its corporate representative at the Meeting should provide that person with a certificate or letter executed in accordance with the Corporations Act authorising him or her to act as that company's representative. The authority must be sent to the Company and/or registry at least 24 hours in advance of the Meeting.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum forms part of the Notice convening the Annual General Meeting of Shareholders of Ava Risk Group Limited (**Company**) to be held virtually at 11:00 am (AEDT) on 28 October 2021.

This Explanatory Memorandum is to assist Shareholders in understanding the background to, and the legal and other implications of, the Notice and the reasons for the proposed resolutions. Both documents should be read in their entirety and in conjunction with each other.

Financial Report

The *Corporations Act 2001* (Cth) (**Corporations Act**) requires that the report of the Directors, the auditor's report and the financial report be laid before the Annual General Meeting.

Apart from the matters involving remuneration which are required to be voted upon, neither the Corporations Act nor the Constitution requires a vote of Shareholders at the Annual General Meeting on the financial statements and reports.

Shareholders will be given a reasonable opportunity at the meeting to raise questions and make comments on these reports.

In addition to asking questions at the meeting, Shareholders may address written questions to the chairman about the management of the Company or to the Company's auditor, if the question is relevant to:

- (a) the content of the auditor's report; or
- (b) the conduct of its audit of the annual financial report to be considered at the meeting.

Note: Under section 250PA(1) Corporations Act, a Shareholder must submit the question to the Company no later than the fifth business day before the day on which the Annual General Meeting is held.

Written questions for the auditor must be delivered by 5:00pm on Thursday, 21 October 2021. Please send any written questions to:

Resolution 1: Remuneration Report

The Corporations Act requires that at a listed Company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the Directors of the Company.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 30 June 2021. A copy is available on the Company's website.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

Voting consequences

Under the Corporations Act, if at least 25% of the votes cast on a Remuneration Report resolution are voted against the adoption of the Remuneration Report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of Directors of the Company at the second annual general meeting (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting, at which all of the Directors (other than the Executive Directors) of the Company, would need to stand for re-election.

Following the Spill Meeting those persons whose election or re-election as Directors of the Company is approved by the Shareholders will be the Directors of the Company.

As Shareholders voted in favour of the Company's Remuneration Report at its last Annual General Meeting, the Spill Resolution is not relevant for this Annual General Meeting.

Shareholders should be aware that any undirected proxies given to the Chairman will be cast by the Chairman and counted in favour of Resolution 1, subject to compliance with the Corporations Act.

Directors' recommendation

As the resolution relates to matters including the remuneration of the Directors, the Board, as a matter of corporate governance and in accordance with the spirit of section 250R(4) Corporations Act, makes no recommendation regarding this resolution.

Resolution 2: Re-election of Director – Mr Michael McGeever

Listing Rule 14.5 requires the Company to hold an election of directors at each annual general meeting.

In addition, clause 6.7 of the Company's Constitution provides that, at every annual general meeting, 1/3 of the Directors or, if their number is not a multiple of 3, then, subject to the Listing Rules, the number nearest to 1/3, must retire from office and be eligible for re-election. The Directors to retire in each year are the Directors longest in office since last being elected or re-elected. Between Directors who were elected on the same day, the Director to retire, if they cannot otherwise agree, must be determined by ballot.

In accordance with Listing Rule 14.5 and clause 6.7 of the Constitution, Mr Michael McGeever retires and, being eligible, wishes to stand for re-election.

Mr McGeever has over 35 years' experience in the military, facilities and securities sectors. Prior to his retirement in 2015, Mr McGeever was the Managing Director and founder of Transguard Group LLC, a UAE based security and facilities management company and one of the largest security companies in the world, employing 55,000 staff. Prior to that he held senior positions in a range of security and facilities focussed companies.

Mr McGeever holds a Master of Business Administration from the University of Portsmouth (England).

Directors' recommendation

The Directors (with Mr McGeever abstaining) unanimously recommend that Shareholders vote in favour of Resolution 2.

Resolution 3: Approval of 10% Placement Facility

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting (10% Placement Facility). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity. The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer below).

The Directors of the Company believe that Resolution 3 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

Description of Listing Rule 7.1A

a) Shareholder approval:

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an Annual General Meeting.

b) Equity Securities:

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The classes of quoted equity securities of the Company at the date of the Notice are ordinary Shares.

c) Formula for calculating 10% Placement Facility:

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

A is the number of Shares on issue 12 months before the date of issue or agreement:

- plus the number of fully paid Shares issued in the 12 months under an exception in Listing Rule 7.2 (other than 9, 16 or 17);
- plus the number of fully paid Shares issued in the 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - a. the convertible securities were issued or agreed to be issued before the commencement of the 12 months; or
 - b. the issue of, or agreement or issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;
- plus the number of partly paid Shares issued in the 12 months under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - a. the agreement was entered into before the commencement of the 12 months; or
 - b. the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;
- plus the number of partly paid Shares that became fully paid in the 12 months;
- plus the number of fully paid Shares issued in the 12 months with approval of holders of Shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid Shares under the entity's 15% placement capacity without Shareholder approval; and
- less the number of fully paid Shares cancelled in the 12 months.

Note, that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

d) Listing Rule 7.1 and Listing Rule 7.1A:

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

As at 17 September 2021, the Company has on issue 245,677,667 Shares. As at 17 September 2021, the Company has a capacity to issue a further 32,876,920 securities. Subject to the approval of Resolution 3 this amount will increase to 57,444,687.

e) 10% Placement Period:

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (a) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- (b) the time and date of the Company's next annual general meeting; or
- (c) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if allowed by ASX (10% Placement Period).

Listing Rule 7.1A

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Equity Securities over the 15 Trading Days on which trades in the relevant class were recorded immediately before:
 - i. the date on which the price at which the Equity Securities are to be issued is agreed; or
 - ii. if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the table below. There is a risk that:
 - i. the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date Shareholders provide their approval at the Annual General Meeting; and
 - ii. the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

In accordance with Listing Rule 7.3A.2, the table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- i. two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue to all Shareholders) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' Meeting; and
- ii. two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable A in Listing Rule 7.1A.2		Dilution		
		\$0.24 50% decrease in Issue Price	\$0.48 Issue Price	\$0.96 100% increase in Issue Price

-----------------------	-------------------------	--------------	--------------	--------------

The table has been prepared on the following assumptions:

- i. the Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - ii. none of the 1,968,244 Performance Rights and that the Company currently has on issue are exercised into Shares before the date of the issue of the Equity Securities.
 - iii. the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - iv. the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
 - v. the table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% Placement capacity under Listing Rule 7.1.
 - vi. the issue of Equity Securities under the 10% Placement Facility consists only of Shares.
 - vii. the issue price is \$0.48 being the closing price of the Shares on ASX on 17 September 2021.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement period. The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new business assets or investments (including expenses associated with such acquisition) and/or general working capital.
- The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.
- (e) The Company's allocation policy will depend on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.
- The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:
- i. the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing Shareholders can participate;
 - ii. the effect the issue of the Equity Securities might have on the control of the Company;
 - iii. the financial situation and solvency of the Company; and
 - iv. advice from corporate, financial and broking advisers (if applicable).
- The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.
- (f) The Company sought and obtained approval from Shareholders under Listing Rule 7.1A at the Annual General Meeting held on 29 October 2020. In accordance with Listing Rule 7.3A.6(a) the Company makes the following disclosure:
- Equity Securities on issue as at 29 October 2020 totalled 239,179,464 securities; and
 - The Company has not issued any Equity Securities under Listing Rule 7.1A in the 12 months preceding the meeting.

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3.

Resolutions 4 (a), 4(b), 4(c) and 4(d) - Issue of Performance Rights to Directors

Performance rights confer an entitlement to be issued one Share subject to the satisfaction of any performance criteria on the terms set out in the Equity Incentive Plan (**Plan**).

Subject to the approval of Shareholders, the Company proposes to grant a maximum amount of:

- (a) 167,939 Performance Rights to Mr Robert Broomfield, Executive Director;
 - (b) 200,000 Performance Rights to Mr David Cronin, Non-Executive Director;
 - (c) 200,000 Performance Rights to Mr Mark Stevens, Non-Executive Director; and
 - (d) 200,000 Performance Rights to Mr Michael McGeever, Non-Executive Director.
- (together, the **Directors**).

The price payable for each Share that may be issued upon vesting of a Performance Right is nil.

The objective of the proposed grant of Performance Rights to Directors is primarily to link the reward of Performance Rights to Shareholder value creation and align their interests with those of Shareholders and to encourage the long-term sustainable growth of the Company.

The Performance Rights shall be issued under, and subject to, the terms of the Equity Incentive Plan.

Listing Rule 10.14 provides that a company must not issue equity securities to a director of the company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Equity Incentive Plan after this resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

General Information

Consistent with the accounting standards, the Company discloses the following information concerning the value of the Performance Rights to be issued. A fair value for the Performance Rights to be issued has been calculated using the Black Scholes methodology and based on a number of assumptions, set out below, with an adjustment to the expected life of the Performance Rights to take account of limitations on transferability. This methodology is commonly used for valuing Performance Rights and is one of the permitted methodologies under ASIC Regulatory Guide 76. The Board believes this valuation model to be appropriate to the circumstances and has not used any other valuation or other models in proposing the terms of the Performance Rights.

The Board draws Shareholders' attention to the fact the stated valuation does not constitute, and should not be taken as, audited financial information. The reportable value of the employee benefit expense in subsequent financial periods may vary due to a range of timing and other factors. In particular, the figures were calculated effective as at 01 September 2021.

^(a) The values do not factor in the probability of meeting non-market conditions.

A significant factor in the determination of the final value of Performance Rights will be the ultimate share price at the date of final performance rights grant (this will be the date of approval by the Shareholders if such approval is obtained). The following table details total employee benefit expense based on the highest and lowest closing prices of the Shares traded on the ASX over the 12 months ending on 01 September 2021.

As such, if it is assumed all other factors are equal, where the share price increases above the \$0.545 disclosed above the final value of performance rights granted will increase, and conversely where the share price reduces the final value of performance rights granted will also reduce.

Mr Broomfield currently receives \$313,228 per annum for his position as Executive Director and Chief Executive Officer. Financial Benefit – Details and reasons

Approval has been sought for the giving of a financial benefit to Mr Broomfield, Mr Cronin, Mr Stevens and Mr McGeever as a related parties, under section 208 of the Corporations Act.

The amount, terms and value (subject to the stated assumptions) of the Performance Rights are set out above.

The reasons for giving this financial benefit are:

- (a) the Company wishes to maximise the use of its cash resources towards other strategic initiatives and equity based incentives;
- (b) the total quantum of Performance Rights to be issued is reasonable in number, and will act as an incentive for future growth of the business;
- (c) Performance Rights are designed to incentivise employees, and in this case, to incentivise Directors of the Company. Performance Rights also act to provide a retention incentive for key employees, such as Mr Broomfield, to facilitate long-term growth;
- (d) equity based incentives assist in the alignment of Shareholders and Directors' interests; and
- (e) the Company believes the associated expense is limited and the nature of the Performance Rights package proposed is commensurate with market practice.

On this basis the Company believes the giving of the financial benefit, as constituted by the issue of the Performance Rights to the applicable Directors is in the best interests of the Company and its Shareholders.

Existing interests and the dilutionary effect on other Shareholders' interests

The effect that the vesting of the Performance Rights will have on the interests of the applicable Directors relative to other Shareholders' interests is set out in the following table. The table assumes no further issues of shares

in, or reconstruction of the capital of the Company during the time between issue and vesting of the Performance Rights and is based upon shares on issue as at 17 September 2021.

Directors' recommendation

The Directors abstain, in the interest of good corporate governance, from making a recommendation in relation to Resolution 4.

Resolution 5 - Return of capital

As announced on 17 August 2021, the Company has entered into a Sale and Purchase Agreement with TTG Bidco Limited, an entity backed by funds advised by Phoenix Equity Partners Limited (United Kingdom), to divest its non-core Services Division, Ava Global DMCC-LLC (**Transaction**).

Under the Transaction, TTG Bidco Limited will acquire 100% of the issued share capital in Ava Global from BQT Solutions, a fully owned subsidiary of Ava Risk Group. The consideration received will be approximately US\$46.4million payable in cash on completion of the Transaction. Of that amount, approximately US\$31.1 million will be retained by Ava Risk Group, and US\$15.3million will be paid to certain Ava Global employees pursuant to accrued entitlements (both FY2021 incentive bonus and exit value calculation) under Ava Global's existing performance incentive plan previously disclosed to the market.

The Company is currently targeting that the Transaction will complete during October 2021.

As advised to the market previously, management and the Board have undertaken a review of the Company's capital structure and capital management strategies. This review had a key focus on achieving the best return for Shareholders, and at the same time, ensuring that the Company has an efficient capital structure and flexibility to pursue growth opportunities whilst maintaining its current credit metrics.

Following the completion of the Transaction, the Company is expected to hold \$40.2 million in excess capital. The Board's intention is to use the excess capital to undertake the following capital management strategies:

- (a) Capital Return to Shareholders: \$39.7 million; and
- (b) On-Market Buy Back: \$1.0 million.

The Company proposes to make a cash payment to Shareholders of 16.16 cents per Share (representing approximately \$39,701,511 as a return of capital (**Capital Return**). The record date for determining entitlements to receive the return of capital is 7.00pm (Sydney time) on 23 November 2021.

The Capital Return is subject to and conditional upon:

- (a) Shareholders approving this Resolution 5;
- (b) there being no material changes to the Company's budgeted financial position at the proposed time of the capital return;
- (c) the Company satisfying section 256B of the Corporations Act on the payment date of the capital return;
- (d) receipt by the Company of a Favourable Class Ruling from the Australian Taxation Office (**ATO**) (the **Favourable Class Ruling**) prior to the Record Date confirming that:
 - The proposed return of capital payment will not constitute a dividend;
 - The proposed return to capital payment will be treated as giving rise to Capital Gains Tax Event G1 in the hands of the Shareholders (where appropriate); and
 - The Commissioner will not make a determination under either subsection 45A(2) or paragraph 45B(3)(b) that section 45C applies to treat any part of the return of capital payment as a dividend: and
- (e) completion of the Transaction.

Payment details

If Shareholders approve Resolution 5, the payments under the Capital Return will be made to eligible Shareholders on the payment date (see the timetable set out below) by direct credit to the bank, building society or credit union account nominated by each Shareholder for receipt of dividends.

Any fraction of a cent payable to any Shareholder in respect of the Shareholder's aggregate holding of Shares will be rounded up to the nearest whole cent.

Shareholders who have not already done so can arrange to have the return of capital paid directly into a bank, building society or credit union account in Australia by contacting the Company's Share Registry on +61 2 9290 9600 before the record date of 23 November 2021.

Reasons for the return of capital

The Board considers that the Company has capital that is surplus to requirements and should be returned to Shareholders.

The proposed Capital Return is being undertaken to return a portion of the Company's excess capital equitably and efficiently to Shareholders.

The Board is of the view that the proposed capital management initiative will ensure that the Company retains an efficient capital structure whilst maintaining sufficient flexibility to continue to pursue growth opportunities and maximise sustainable returns to Shareholders.

The Board considered various options for returning excess capital to Shareholders and determined that the Capital Return is the optimal method for both the Company and Shareholders.

In summary, having regard to the analysis outlined in this Explanatory Memorandum, the Board is satisfied and considers that implementing the proposed Capital Return:

- will not materially prejudice the Company's ability to pay its creditors;
- demonstrates the Company's commitment to maintaining a strong and efficient balance sheet; and
- will leave the Company well placed to pursue its strategic goals,

and therefore, is in the best interests of the Company.

Requirements for the return of capital

The proposed return of capital constitutes an equal reduction of the Company's share capital for the purposes of the Corporations Act. This is because:

- it relates only to Shares;
- it applies to each holder of Shares in proportion to the number of Shares they hold; and
- the terms of the reduction are the same for each holder of Shares.

Corporations Act

Under s246B of the Corporations Act, a company can reduce its share capital if the reduction satisfies three key requirements. Each requirement is set out below, together with a description of how that requirement is met in relation to the return of capital:

The reduction must be fair and reasonable to the company's shareholders as a whole

The Directors consider that the return of capital is fair and reasonable to Shareholders as a whole. All Shareholders will be treated in the same manner and will receive a proportion of the share capital being returned which is equal to their shareholding in the Company.

The reduction must not materially prejudice the company's ability to pay its creditors

The Directors have carefully reviewed the Company's business plan including assets, liabilities and expected cashflows, and believe that the return of capital will not materially prejudice the Company's ability to pay its creditors.

The Directors have also satisfied themselves as to the solvency of the Company following the return of capital.

The reduction must be approved by shareholders under section 256C of the Corporations Act

This requirement is the reason shareholder approval is being sought. In the context of an equal reduction of capital, the return of capital must be approved by an ordinary resolution of Shareholders.

In accordance with section 256C(5) Corporations Act, a copy of this Notice of Meeting has been lodged with ASIC.

Effect on Shareholders

The paid-up capital of the Shares is to be reduced in return for the receipt of 16.16 cents for each Share which a Shareholder holds in the Company. Subject to receipt of a Favourable Glass Ruling from the ATO, the receipt of the capital return payment of 16.16 cents for each Share will trigger Capital Gains Tax event G1 in the hands of the Shareholders (subject to a favourable Class Ruling).

Under Capital Gains Tax event G1, a Shareholder will make a capital gain on a Share if the return of capital payment per Share exceeds the cost base of the Share. The capital gain is the amount of the excess.

Where the amount of the return of capital per Share is less than the cost base of the Shareholder's Share, the Shareholder can reduce the cost base and reduced cost base of the Share (not below nil) by the amount of their return of capital.

Overall, this will involve the payment of approximately \$39,701,511 by the Company to the Shareholders.

Effect on capital structure and control

After the Capital Return, the Company's share capital will be reduced by approximately \$39,701,511 subject to rounding).

No shares will be cancelled in connection with the return of capital. Accordingly, the return of capital will not effect the number of Shares held by each Shareholder, nor will it effect the control of the Company.

Effect on share price

If the return of capital is implemented, the Shares may trade at a lower share price following the 'ex' date for the return of capital than they would have done had the return of capital not been made. This is due to the return of funds to Shareholders and the consequent reduction in shareholders' funds held by the Company.

Dividends

The Company does not have a dividend policy. Subject to receipt of a Favourable Class Ruling from the ATO, the Capital Return is not a dividend payment.

Shareholder approval and regulatory requirements

The capital reduction is an "equal capital reduction" in accordance with section 256B(2) of the Corporations Act as:

- (a) it relates only to ordinary Shares in the capital of the Company;
- (b) it applies to each holder of ordinary shares in the same proportion to the number of ordinary shares they hold in the Company; and
- (c) the terms of the reduction are the same for each holder of ordinary shares in the Company.

Under section 256C of the Corporations Act the capital reduction must be approved by an ordinary resolution passed at a general meeting of the Company. Resolution 5 seeks this approval from Shareholders.

ASX Listing Rule 7.20 information including effect on capital structure

For the purposes of ASX Listing Rule 7.20, the Company provides the following information to Shareholders regarding the effect of the return of capital on its securities;

- (a) the Company has 245,677,667 Shares on issue as at the date of this Notice. After the return of capital, the Company's share capital will be reduced by \$0.1616 per Share held at the Record Date, which as at the date of this Notice amounts to approximately \$39,701,511 (subject to rounding).
- (b) The capital return will have not effect on the number of Shares held by Shareholders, the paid amount in relation to Shares held by Shareholders or on their proportionate interests in the Share capital of the Company.
- (c) Fractional entitlements will be rounded up to the nearest cent.
- (d) No Shares will be cancelled in connection with the return of capital. Accordingly, the return of capital will not affect the number of Shares held by each Shareholder, nor will it affect the control of the Company.
- (e) The return of capital will not affect the Options and Performance Rights currently on issue by the Company.

Effect on financial position of the Company

The Company, subject to the completion of the Transaction, will have cash reserves which are sufficient to fully fund the return of capital.

Effect on financial position of the Company

Tax Implications for the Company

No adverse tax consequences are expected to arise for the Company as a result of the proposed Capital Return.

Tax Implications for Shareholders

The Company has applied for and expects to receive a draft Class Ruling from the ATO prior to the Record Date for the Capital Return (or an indication thereof), seeking confirmation of the tax implications of the proposed return of capital. The ATO will not issue the Class Ruling in a form that is binding until after completion of the capital return which is standard practice.

The draft Class Ruling Favourable Class Ruling is expected to confirm:

- the return of capital to Shareholders is not a dividend;
- the Commissioner of Taxation will not make a determination under either subsection 45A(2) or paragraph 45B(3)(b) that section 45C of the Income Tax Assessment Act 1936 applies to any part of the return of capital to shareholders;
- Capital Gains Tax Event G1 will apply to the return of capital payment to reduce the tax cost base of each Shareholder's share in the Company. Where a Shareholder's tax cost basis is less than the return of capital amount then a capital gain will arise;
- A foreign resident Shareholder who, together with associates, owns less than 10% of the Company, may disregard any capital gain that arises from the Capital Return; and
- A foreign resident Shareholder who, together with associates, owns 10% or more of the company, may disregard any capital gain arising from the return of capital if the shares do not pass the principal asset test in section 855-20 of the Income Tax Assessment Act 1997.

In the event that a Favourable Class Ruling is not received prior to the Record Date or an alternative Class Ruling is granted on terms that the Directors consider unacceptable, the Directors may elect not proceed with the return of capital to Shareholders.
