EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement ("**Statement**") accompanies and forms part of the Company's Notice of Annual General Meeting ("**Notice**") for the 2021 Annual General Meeting ("**Meeting**").

The Notice incorporates, and should be read together, with this Statement.

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2021 which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 9692 7222, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company's website: <https://inviongroup.com/asx-announcements/> or via the Company's announcement platform on ASX.

Except for as set out in Resolution 1, no resolution is required on these reports.

Shareholders will have the opportunity to ask questions about, or make comments on, the 2021 Annual Report and the management of the Company. The auditor will be invited to attend, to answer questions about the audit of the Company's 2021 Annual Financial Statements.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's June 2021 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "**spill resolution**") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five (25%) per cent of the total votes cast on that resolution and accordingly, a spill resolution will not under any circumstances be required for this Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Directors Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this Resolution, the Directors unanimously recommend that Shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

Voting Exclusions

Refer to Note 7 for voting exclusions on this Resolution.

Mr Merriel is a non-independent non-executive Director. He sits on Audit and Risk Management Committee and also sits on the Remuneration and Nomination Committee.

Mr Merriel brings deep healthcare sector experience and strong commercial expertise. Robert is a Certified Practising Accountant (CPA) with over 35 years of experience working in medical research (Hudson Institute of Medical Research and Baker Institute), large public healthcare services (Melbourne Health and Southern Health) and commercial organisations (Pacific Dunlop and Deloitte Consulting).

Mr Merriel is currently on the Board of two biotechnology start-up companies, he has been the Director of two Venture Capital Funds and a Director and Company Secretary of several biotechnology focused medical research institute spin-off companies.

Directors Recommendations

The Board (with Mr Merriel abstaining) recommends that Shareholders vote in favour of the re-election of Mr Merriel.

Refer to Note 7 for voting exclusions on this Resolution.

Resolution 4: Appointment of Auditor

Background

In accordance with section 327B(1)(a) of the Corporations Act, a public company must appoint an auditor at an Annual General Meeting where there is a vacancy.

Pursuant to section 328B of the Corporations Act, the Company received a valid notice of nomination which nominated the firm Grant Thornton to be appointed as the new auditors of the Company. A copy of the notice of nomination is set out in Annexure A of this Notice of Meeting.

Grant Thornton has provided the Company its written consent to act, subject to Shareholder approval being obtained, as the Company's auditor in accordance with section 328A(1) of the Corporations Act.

Shareholder approval is being sought to appoint Grant Thornton as the auditor of the Company.

The Board recommends that Shareholders vote in favour of this Resolution.

Voting Exclusions

Refer to Note 7 for voting exclusions on this Resolution.

Resolutions 5(a), 5(b), 5(c) and 5(d): Approvals to Issue of Options to Mr Thian Chew, Mr Alan Yamashita, Mr Robert Merriel and Mr Alistair Bennallack

Background

Resolutions 5(a), 5(b), 5(c) and 5(d) seek shareholder approval for the purpose of Listing Rule 10.11 and all other purposes for the issue of Options to Directors of the Company, being Mr Thian Chew, Mr Alan Yamashita, Mr Robert Merriel and Mr Alistair Bennallack respectively (or their respective nominees), as consideration for 100% of the Director's fees payable to them for the year commencing 1 September 2021. The Directors seek shareholder approval on this Resolution to issue zero priced options in lieu of the Company making physical cash payments for up to 100% of Directors fees payable for that period. The proposed Options would be issued to directors on a quarterly basis at a deemed issue price of the Options to be based on the 14-day VWAP at the respective quarterly issue dates.

The Company is currently reviewing its corporate overheads which includes Directors and management fees in order to maintain cash reserves and ensure that resources including cash are effectively applied as part of cost reduction strategies currently under implementation. The Company is of the view that remunerating Directors by way of equity aligns the interests of shareholders and Directors, while reducing cash expenditure.

ASX Listing Rule 10.11 provides that a listed company must not, without the approval of shareholders, issue or agree to issue equity securities to certain persons, including:

- 10.11.1: related party; or
- 10.11.4: an associate of a related party.

The proposed issue of Options falls within Listing Rule 10.11.1 and/or 10.11.4 above, as the proposed recipients of the Options are Directors and are therefore related parties of the Company. The proposed issue of Options therefore requires the approval of the Company's shareholders under Listing Rule 10.11. Resolution 5 seeks the required shareholder approval to the issue under and for the purposes of Listing Rule 10.11.

If Resolution 5 is passed, the Company will be able to proceed with the issue of Options and the Directors (or their nominee(s)) will receive the value of Options set out in the table below, with the potential increase in their shareholdings as described below.

If Resolution 5 is not passed, the Company will not proceed with the issue of the Options to the Directors, and the applicable Director (or his nominee(s)) will not receive the Options or potential shareholdings as described in the table below and the Directors fees will be paid in cash.

If approvals are given under Listing Rule 10.11, approvals are not required under Listing Rule 7.1. The effect of this is that the grant of those Options or the issue of Shares on the exercise price of those Options will not be included in the Company's 15% annual placement capacity allowed to be issued without shareholder approval under Listing Rule 7.1.

Terms of Options

The terms of the Options are the following:

- They vest immediately upon issue;
- They will be issued at the end of each quarter, in accordance with the terms of the ASX waiver granted to the Company.
- The Options will be issued for nil consideration;
- The Options will be issued in lieu of remuneration. As such there is no issue price for, and the Company will not receive cash from, the issue of the Options;
- They expire on 31 October 2025; and
- Upon exercise, one Option entitles the holder to one fully paid ordinary share in the Company (details of the Options grant for each Director is outlined below):

Resolution	Name of the Director	Nature	Value of Directors fees to be issued as options
Resolution 5(a)	Mr Thian Chew	Executive Chair	\$90,000
Resolution 5(b)	Mr Alan Yamashita	Non-Executive Director	\$54,740
Resolution 5(c)	Mr Robert Merriel	Non-Executive Director	\$49,764
Resolution 5(d)	Mr Alistair Bennallack	Non-Executive Director	\$49,764

The number of Options to be issued to each Director each quarter will be equal to the respective values of each Directors' quarterly fees divided by the VWAP for the 14 days, prior to the issue date of the Options, upon which shares of the Company traded on ASX at the date of the Annual General Meeting (**14-day VWAP**).

The following table sets out illustrative examples of the number of options granted assuming different VWAP for the 14 days, prior to the issue date of the Options, upon which shares of the Company traded on ASX.

Example 14-day VWAP:	\$0.009	\$0.010	\$0.011	\$0.012	\$0.013	\$0.014	\$0.015
Resolution 5(a) total number of options to be issued to Mr Chew over 12 month period beginning 1 September 2021	10,000,000	9,000,000	8,181,818	7,500,000	6,923,077	6,428,571	6,000,000
Resolution 5(b) total number of options to be issued to Mr Yamashita over 12 month period beginning 1 September 2021	6,082,222	5,474,000	4,976,364	4,561,667	4,210,769	3,910,000	3,649,333

Resolution 6: Approval of 10% Placement Facility

Background

Broadly speaking and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that the Company can issue without the approval of the Shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.1A enables an eligible entity to issue up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting (**10% Placement Facility**). An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is, at the date of this Notice, an eligible entity. Note however that if, on the date of this Meeting, the market capitalisation of the Company exceeds \$300 million or the Company has been included in the S&P/ASX 300 Index, then this Resolution 6 will no longer be effective and will be withdrawn.

The Company is seeking shareholder approval by way of a special resolution to have the ability, if required, to issue equity securities under the 10% Placement Facility. The effect of Resolution is to allow the Directors to issue equity securities under Listing Rule 7.1A during the 10% Placement Period (as defined below) without, or in addition to, using the Company's 15% placement capacity under Listing Rule 7.1.

Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of this Annual General Meeting and expires on the first to occur of the following:

- i. the date that is 12 months after the date of this Annual General Meeting;
- ii. the time and date of the Company's next Annual General Meeting; or
- iii. the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period)

The Company will only issue and allot the equity securities approved under the 10% Placement Facility during the 10% Placement Period.

Outcome of this Resolution

If Shareholders approve this Resolution:

- the number of equity securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below); and
- the Company will be able to issue equity securities up to the combined 25% limits in Listing Rules 7.1 and 7.1A without further shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in the Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

Formula for calculating 10% Placement Facility

The maximum number of equity securities that may be issued by the Company under the 10% Placement Facility pursuant to Listing Rule 7.1A2 is calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of fully paid ordinary securities on issue 12 months to which qualifying issues are added and from which cancelled fully paid ordinary securities are subtracted as per Listing Rule 7.1.

D is 10%

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.4.

The ability of an entity to issue equity securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1. The actual number of equity securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue on the equity securities in accordance with the formula stated above.

Type and number of equity securities

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has on issue one class of quoted securities being Shares, as follows:

- 5,539,542,295 Shares.

Minimum issue price and cash consideration

The equity securities will be issued at an issue price of not less than 75% of the VWAP for the Company's equity securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- i. the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the securities; or
- ii. if the equity securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.

Purpose of the funds raised

The purposes for which the funds raised by an issue under the 10% Placement Facility may be used by the Company include:

- i. consideration for the acquisition(s) of the new assets and investments, including the expenses associated with such acquisition(s); and
- ii. continued expenditure on the Company's current business and/or general working capital.

Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the dilution table below.

Shareholders may be exposed to economic risk and voting dilution, including the following:

- i. the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of this Annual General Meeting; and
- ii. the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The dilution table provided below shows the hypothetical dilution of existing Shareholders on the basis of the market price of Shares as at 15 September 2021 (**Current Share Price**) and the current number of Shares for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The dilution table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of Shares the Company has on issue. The number of Shares on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price		
		\$0.0075 50% decrease in Current Share Price	\$0.015 Current Share Price	\$0.030 100% increase in Current Share Price
Current Variable A 5,539,542,295 Shares	10% Voting Dilution	553,945,230 Shares		
	Funds raised	\$4,154,589	\$8,309,178	\$16,618,357
50% increase in current Variable A 8,309,313,443 Shares	10% Voting Dilution	830,931,4344 Shares		
	Funds raised	\$6,231,986	\$12,463,970	\$24,927,940
100% increase in current Variable A 11,079,084,590 Shares	10% Voting Dilution	1,107,908,459 Shares		
	Funds raised	\$8,309,313	\$16,618,627	\$33,237,254

This dilution table has been prepared on the following assumptions:

- The Company issues the maximum number of equity securities available under the 10% Placement Facility;
- No Options are exercised into Shares before the date of the issue of the equity securities;
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of equity securities under the 10% Placement Facility consists only of Shares.
- The Current Share Price is \$0.015 (15 cents), being the closing price of the Shares on ASX on 15 September 2021

Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- (ii) the effect of the issue of the equity securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Previous issues

The Company:

- (i) has not issued, nor agreed to issue, any equity securities under Rule 7.1A.2 in the 12-month period preceding the date of the Meeting; and
- (ii) had not agreed, before the 12-month period referred to in the preceding paragraph, to issue any equity securities under rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Special Resolution

The ability to issue equity securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution. This means it requires approval of 75% of the votes cast by Shareholders present or represented and eligible to vote.

Directors Recommendations

The Directors of the Company believe that Resolution 6 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

Voting Exclusions

Refer to Note 7 for voting exclusions on this Resolution.
