ORDINARY BUSINESS

RECEIPT OF ANNUAL FINANCIAL REPORT

In accordance with the Company's Constitution, the business of the meeting will include receipt and consideration of the Company's Financial Report and reports of the Directors' and Auditor's for the year ended 30 June 2021 (**Annual Financial Report**). You may access the Annual Financial Report by visiting the Company's website www.amagroupltd.com.

Shareholders will be given a reasonable opportunity at the AGM to ask questions and make comments on the Annual Financial Report.

The Company's auditor will be present to respond to any qualifying questions.

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

Background

Pursuant to Section 250R(2) of the Corporations Act, Directors must put to the AGM a Resolution to adopt the Company's Remuneration Report.

The FY21 Remuneration Report is included in the Company's Annual Report. You may access the Annual Report by visiting the Company's website www.amagroupltd.com.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel including for the Directors of the Company.

Shareholders will be given a reasonable opportunity at the AGM to comment or raise questions in relation to the FY21 Remuneration Report.

The vote on this Resolution is advisory only and does not bind the Company. However, the Directors recognise the outcome of this Resolution as an indication of Shareholder sentiment in relation to the FY21 Remuneration Report.

Under the Corporations Act 2001, if 25% or more of votes that are cast at the meeting are voted against the adoption of the Remuneration Report at two consecutive AGM's, Shareholders will be required to vote at the second of those AGMs on an additional resolution (a "**Spill Resolution**") that a future meeting be held within 90 days of the Spill Resolution. At that further meeting, all of the Company's Directors (other than any Managing Director) must go up for re-election.

Shareholders will recall that not more than 25% of the votes cast were cast against the 'remuneration resolution' at the 2020 AGM and therefore, there will be no requirement at this AGM for a Spill Resolution.

Board Recommendation and Voting Intention

Noting that each Director has a personal interest in their own remuneration as set out in the Remuneration Report, the Board recommends that Shareholders vote in **FAVOUR** of this Resolution.

"I am currently the CEO of the Autoco Group which is an umbrella brand that encompasses a variety of automotive businesses such as Autoco Mechanical, Pedders and Bridgestone Select as well as Barlens Event Hire. Since the Autoco Groups commencement, I have built one of the largest privately owned smash repair business in the country, prior to selling the business to AMA. Under this arrangement I established a business with turnover of approximately \$40,000,000 which held a large percentage of AMA's profit over 3.5 years.

I have been involved in the Pedders franchise for over 30 years, quickly becoming the largest franchisee in the Pedders system, boasting 7-8 Pedders stores across the East Coast of Australia at our peak. Additionally, I have established and built the largest privately owned mechanical automotive brand (Autoco) in Canberra, became one of the largest Bridgestone franchises in the country and have built an industry leading logistics and event business- Barlens Events. At its peak the Autoco Group of companies has had over 250 employees and a turnover of approximately \$40,000,000.

I am also Chairman of Azora Developments which is a residential property development company. Additionally, I am a past board member of the GWS Giants, receiving a Life Membership in 2021 upon my departure.

With a rich history in the automotive industry, I myself started out as an auto electrician back in 1980. Since then I have built the Autoco brand and branched out to grow what is now known as the Autoco Group. I have a passion for the automotive industry and am required to continually have my finger on the pulse in order to stay ahead of competitors and keep our businesses thriving.

To read more about my experience and history, check out my LinkedIn profile at <https://www.linkedin.com/in/peter-taylor-aa672682/?originalSubdomain=au>."

Why the Board does not support the election of Peter Taylor as a Director

Board succession planning and director appointments is an ongoing responsibility of the Board, and the Board periodically reflects on its future needs and how those align with the skills and experience currently represented among the Directors.

In considering new director appointments and having regard to the selection criteria adopted by the People, Culture, Remuneration and Nomination Committee, the Board's usual practice is to conduct a search, using professional search firms where appropriate, for the best available candidates with the skills, experience, expertise, personal qualities and attributes to best complement the skill set and characteristics of the existing Directors and enhance Board's overall effectiveness. A threshold requirement is for the skills and experience of any prospective Board member to add to the overall skills and experience of the Board and meet its future needs.

The Board, assisted by the People, Culture, Remuneration and Nomination Committee, has carefully considered Peter's nomination in this context as well as Peter's skills and experience. The Board considers that Peter's stated skills and experience would not add to the effectiveness of the Board.

Having regard to the ASX Corporate Governance Council (CGC) published guidelines (4th edition), the Board considers that Peter would not be an independent Director. The Board notes that Peter has a conflict of interest with the Company as he is currently a plaintiff in two separate legal proceedings against the Company as follows:

1. Proceedings in the Supreme Court of Victoria concerning the earn-out amount payable to Peter (or his related entity); and
2. Proceedings in the Magistrates' Court of the Australia Capital Territory concerning a dispute over payments claimed to be owing under Peter's previous consultancy agreement with the Company.

The Board considers the Company has strong defences to the claims and consider it not to be in the interests of the Company for him to be a Director of the Company.

The Board also notes that Peter's statement contains factual inaccuracies. Contrary to Peter's assertion, the Autoco smash repair group that AMA acquired from Peter was not one of the largest privately owned smash repair businesses in Australia and it did not hold a large percentage of AMA's profit. The Autoco business, when acquired, comprised 2 sites and contributes a minor amount (less than 5%) of AMA's profit.

Furthermore, as at the date of this Notice and having regard to the CGC published guidelines (4th edition), the Board has not received all of the information needed to make a determination under Recommendation 1.2, namely checks as to Peter's criminal record and bankruptcy history. If the required information is not received in sufficient time and/or the Board does not assess Peter to be of appropriate fitness and propriety, Peter will not be eligible for election at the Meeting.

In addition, the Board has engaged the assistance of external consultants and is currently undertaking a structured process to identify a suitably qualified independent Non-Executive Director to join the Board in accordance with the above criteria, with an appointment expected in the coming months.

Board Recommendation and Voting Intention

For the reasons stated above, the Board unanimously recommends that Shareholders vote **AGAINST** this Resolution.

The Chairman of the Meeting intends to vote all available proxies **AGAINST** this Resolution.

RESOLUTION 6 – RATIFICATION OF THE ISSUE OF CONVERTIBLE NOTES

Background

On 10 September 2021, the Company announced that it had launched an offering of \$50 million fully underwritten senior unsecured convertible notes due 2027 (**Convertible Notes**). On 13 September 2021, the Company announced that it had successfully priced the Convertible Notes which were subsequently issued on 21 September 2021. The Convertible Notes have a coupon of 4.000% per annum and are convertible into Shares in the Company at an initial conversion price of \$0.4688 per Share.

Why is Shareholder approval being sought?

The Convertible Notes were issued by the Company under the Company's 15% annual securities issuing limit set out in ASX Listing Rule 7.1. Subject to a number of exceptions, ASX Listing Rule 7.1 limits the number of Equity Securities (which includes shares, options over unissued shares, rights to shares and convertible notes) that a listed company may issue, or agree to issue, without shareholder approval in any rolling 12 month period to 15% of the company's issued ordinary shares. However, ASX Listing Rule 7.4 provides that where a listed company in general meeting subsequently approves a prior issue of securities and that prior issue did not breach ASX Listing Rule 7.1, those securities will be treated as having been made with shareholder approval for the purpose of ASX Listing Rule 7.1. The Company is seeking Shareholder approval for the Convertible Note issue for the purposes of ASX Listing Rule 7.4 to enable the Company to retain the flexibility to issue new Equity Securities following the meeting and up to the 15% limit in ASX Listing Rule 7.1, without the need to seek Shareholder approval.

If Resolution 6 is passed by Shareholders, the issue of the Convertible Notes will be excluded from the calculations of the Company's 15% limit under Listing Rule 7.1. If Resolution 6 is not passed by Shareholders, the Convertible Notes will be included in calculating the Company's 15% limit under ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the issue date of the Convertible Notes.

Specific Information required by ASX Listing Rule 7.5

In addition to the above information and in accordance with ASX Listing Rule 7.5, the following information is provided for Shareholders:

1. **Names of the persons to whom the Company issued the Convertible Notes or the basis upon which those persons were identified or selected:** The Convertible Notes were issued to eligible investors identified by UBS AG, Australia Branch (ABN 47 088 129 13), acting as Sole Lead Manager and Underwriter for the Convertible Notes offer.
2. **The number and class of securities issued:** up to 499 Convertible Notes in denominations of \$200,000 and integral multiples of \$100,000 in excess thereof with an aggregate face value of \$50 million and with a maturity date of 22 March 2027. Each Convertible Note is convertible into Shares at an initial conversion price of \$0.4688 per Share, subject to adjustment in the manner set out in the terms and conditions of the Convertible Notes.
3. **Date of issue:** The Convertible Notes were issued on 21 September 2021.
4. **Issue price or other consideration the Company has received for the issue each Convertible Note:** The Convertible Notes were issued in denominations of \$200,000 and integral multiples of \$100,000 in excess thereof, with an aggregate face value of \$50 million.
5. **The purpose of issue:** The net proceeds from the issue of the Convertible Notes were used and will continue to be used to reduce existing debt facilities and will be used for the purposes of working capital, liquidity (including for COVID-19 related disruption) and in supporting growth initiatives.
6. **The material terms of the Convertible Notes:**
The material terms of the Notes are:
 - a) **Coupon:** 4.000% per annum, payable semi-annually in arrear;
 - b) **Maturity Date:** 22 March 2027 (5.5 years);
 - c) **Investor Put Date:** 21 March 2025 (3.5 years);
 - d) **Conversion Period:** From (and including) 21 September 2022 (being one year after the date of issue) to (but excluding) the date falling 5 business days prior to the Maturity Date;
 - e) **Conversion Price:** The initial conversion price of the Convertible Notes is \$0.4688 per Share. If all Convertible Notes are converted the Company will be obliged to issue a maximum of 128,501,671 Shares prior to adjustment for customary dilutionary events. This will be the case if the conversion date following a change of control were to occur on the 366th day after issue of the Convertible Notes;
 - f) **Conversion Price Adjustments:** Standard anti-dilutive adjustments including an adjustment for dividends paid by the Company. In addition, upon a change of control of the Company, the conversion price will be reduced in accordance with the terms and conditions of the Convertible Notes. The extent to which the conversion price is reduced following a change of control is variable, dependent on the time period between the change of control and the final maturity date of the Convertible Notes.
 - g) **Status:** The Convertible Notes are direct, unsubordinated, unconditional and unsecured. The payment obligations of the Company under the Convertible Notes rank equally with all other existing and future unsecured and unsubordinated obligations (save for such obligations that may be preferred by provisions of law that are mandatory and of general application);
 - h) **Redemption:** Unless otherwise redeemed, repurchased or converted in accordance with their terms and conditions the Convertible Notes will be redeemed at their principal amount, together with any accrued but unpaid interest on the final Maturity Date (22 March 2027); and
 - i) **Listing:** The Convertible Notes are listed on the Singapore Exchange Securities Trading Limited.

The full terms of the terms and conditions of the Convertible Notes are contained in the 'Cleansing Notice and Offering Circular' released by the Company to ASX on 17 September 2021 and can be viewed on ASX's website at <https://www2.asx.com.au/markets/company/ama>.

Board Recommendation and Voting Intention

The Board unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote all available proxies in **FAVOUR** of this Resolution.

RESOLUTION 7 – ADOPTION OF AMA PERFORMANCE RIGHTS PLAN

Background

This Resolution seeks Shareholder approval for the adoption of the Plan and for the issue of Performance Rights under the Plan in accordance with ASX Listing Rule 7.2 (Exception 13(b)).

The objective of the Plan is to attract, motivate and retain key employees. The Company considers that the adoption of the Plan and the future issue of Performance Rights under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company, provided certain performance and/or service-related conditions have been met.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that an ASX-listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under ASX Listing Rule 7.2 (Exception 13(b)), Shareholders may approve the issue of securities under an employee incentive scheme as an exception to ASX Listing Rules 7.1 and 7.1A. If such approval is obtained, any Performance Rights granted under the Plan would not be counted towards the Company's capacity to issue securities under the applicable 15% issue limit.

Subject to Shareholder approval, this approval would continue for three years, at which time it must be renewed, or it will expire. For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Performance Rights under the Plan to a Director (if Performance Rights will be settled using newly issued shares of the Company).

The Board intends to make regular grants of Performance Rights under the Plan. In the Board's opinion, Resolution 7 will assist the Company in managing its capital requirements efficiently by ensuring that the Company's issue limit is not diminished by issues under the Plan and capacity is available for capital management initiatives and acquisitions, if necessary and appropriate.

Specific Information required by ASX Listing Rule 7.2 (Exception 13(b))

As required by ASX Listing Rule 7.2 (Exception 13(b)), the following information is provided:

- (a) a summary of the key terms of the Plan is set out in Annexure A;
- (b) the Company has not issued any Performance Rights under the Plan as this is the first time that Shareholder approval is being sought for the adoption of the Plan. However, the Company has agreed to issue 2,004,900 and 903,034 Performance Rights under the Plan to the Group CEO, Carl Bizon, subject to Shareholder approval (refer to Resolutions 8 and 9 of this Notice of Meeting); and
- (c) the maximum number of equity securities proposed to be issued under the Plan (in addition to any other employee share schemes operated by the Company) will not exceed 5% of the issued share capital of the Company.

Board Recommendation and Voting Intention

The Board, other than Carl Bizon, unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote all available proxies in **FAVOUR** of this Resolution.

BACKGROUND TO RESOLUTIONS 8 AND 9 – GRANT OF PERFORMANCE RIGHTS TO GROUP CEO

The Company's LTI forms the long-term incentive component of remuneration for Senior Executives and Executive Directors. The LTI is designed to attract, motivate and retain key Senior Executives and Executive Directors and to align the interests of those key Senior Executives and Executive Directors with the interests of Shareholders by matching long-term rewards with the long-term performance of the Company.

Under the LTI, eligible participants are invited to receive Performance Rights in the Company which are subject to long-term performance-based vesting conditions. The number of Performance Rights allocated to each Plan participant is set by the Board based on individual circumstances and performance. Performance Rights are used because they create share price alignment between Company executives and Shareholders, but do not provide Plan participants with the full benefits of share ownership (such as dividend and voting rights) until the Performance Rights vest and Shares are acquired.

The Board is responsible for administering the LTI in accordance with the rules of the Plan and the terms and conditions of the specific grants to participants in the LTI.

RESOLUTION 8 – GRANT OF FY22 PERFORMANCE RIGHTS TO GROUP CEO

Background

In September 2021, the Board approved the grant of Performance Rights, subject to Shareholder approval, to the Group CEO, Carl Bizon as part of his remuneration package for the 2022 financial year (**FY22**).

Shareholder approval is being sought to grant a maximum of 2,004,900 Performance Rights to the Group CEO, Carl Bizon. The Performance Rights will be granted under, and subject to, the Plan which governs the LTI.

Each Performance Right entitles the Group CEO to receive, upon vesting, one fully paid ordinary share in the Company (**Share**) (or a cash payment of equivalent value at the discretion of the Board), subject to the satisfaction of certain performance and service based vesting conditions (**Vesting Conditions**) described below. Shares allocated to the Group CEO on vesting of the Performance Rights will rank equally with other Shares.

AMA has reviewed its remuneration framework and made changes to the FY22 LTI to enhance alignment between executive remuneration outcomes and the Shareholder experience. The key features of the FY22 LTI that have changed include:

- Re-weighting of executive remuneration mix to reduce the maximum FY22 LTI opportunity for the Group CEO from 150% of fixed remuneration to 100% of fixed remuneration.
- The Earnings per Share (**EPS**) Compound Annual Growth (**CAGR**) condition will be replaced with an absolute CAGR Total Shareholder Return (**TSR**) condition. As Shareholder value creation is one of the Group's critical objectives, the absolute TSR condition is intended to focus executives on driving Company share price growth. The absolute TSR condition will apply to 50% of the Performance Rights.
- The weighting for the relative TSR condition will be increased from 20% to 50% of Performance Rights and the Comparator Group has changed to measure performance against a broader group of companies against which the Company competes for shareholder capital. The Board believes this is an appropriate peer group, given the difficulty in identifying an appropriate number of direct comparators.

It is intended that the FY22 LTI supports the delivery of Shareholder value during a period of uncertainty for the Company. The Company has also made changes to the short-term incentive (**STI**) arrangements for executives to drive a sense of business urgency and introduce deferral into equity (50% of the STI award), to provide executives, (particularly those who have recently joined AMA) with more connection to Shareholders.

The Board will disclose full details of the remuneration review in the FY22 Remuneration Report and continue to consider and revise the terms of the framework to ensure they remain appropriate.

Approvals sought

ASX Listing Rule 10.14 requires the Company to obtain Shareholder approval for the issue of securities to a Director under an employee incentive scheme. The Company wishes to have flexibility to satisfy Performance Rights by way of issuing new Shares or acquiring Shares on-market.

Accordingly, Shareholders are asked to approve the grant of 2,004,900 Performance Rights to the Group CEO under the Plan, on the terms and conditions set out below. Approval of this Resolution will also result in the Performance Rights granted to the Group CEO being included as an exception to the approval requirements of ASX Listing Rule 7.1. This means the Performance Rights granted to the Group CEO, and any other Shares issued pursuant to this approval, will not use up part of the 15% issue limit under ASX Listing Rule 7.1.

If approval is not obtained from Shareholders, the Board will consider whether to proceed with the grant, make the grant on different terms, or acquire Shares on-market (or make a cash payment in lieu of Shares) to satisfy vested Performance Rights.

The Board, other than Carl Bizon, unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote all available proxies in **FAVOUR** of this Resolution.

RESOLUTION 9 – GRANT OF FY21 PERFORMANCE RIGHTS TO GROUP CEO

Background

Shareholder approval is being sought to grant a maximum of 903,034 Performance Rights to the Group CEO, Carl Bizon. The Performance Rights will be granted under the AMA Group Limited Performance Rights Plan Rules.

If Shareholder approval is obtained, Performance Rights will be granted to the Group CEO as part of his remuneration package for the previous 2021 financial year (**FY21**) as announced to the ASX on 1 February 2021. Approval is being sought now, as following completion of the Group CEO's 6-month probationary period, the Board approved, subject to Shareholder approval, a pro-rata Performance Rights opportunity that represents the period he held this position during FY21 (being 1 February 2021 to 30 June 2021). It is proposed that the FY21 Performance Rights be granted to the Group CEO on similar terms and conditions as Performance Rights granted to other participants during FY21, as a means to align this LTI grant with grants made to other members of the Executive team.

Each Performance Right entitles the Group CEO to receive, upon vesting, one Share (or a cash payment of equivalent value at the discretion of the Board), subject to the satisfaction of performance and service-based vesting conditions described below (**Vesting Conditions**). Shares allocated to the Group CEO on vesting of Performance Rights will rank equally with other Shares.

The Board believes that part of the Group CEO's remuneration package should be performance-based and at risk and should involve equity interests in the Company. Performance Rights are proposed to be granted to the Group CEO to align his interests with the interests of Shareholders and focuses on the achievement of sustainable longer-term value creation over a three-year performance period.

It should be recognised that the achievement of these Vesting Conditions will be to the benefit of all Shareholders, and the conversion of the Performance Rights can only occur if these benefits are realised. This approach is consistent with best practice in executive remuneration and corporate governance.

Approvals sought

ASX Listing Rule 10.14 requires the Company to obtain Shareholder approval for the issue of securities to a Director under an employee incentive scheme. The Company wishes to have flexibility to satisfy Performance Rights by way of issuing new Shares or acquiring Shares on-market.

Accordingly, Shareholders are asked to approve the grant of 903,034 Performance Rights to the Group CEO under the Plan, on the terms and conditions set out below. Approval of this Resolution will also result in the Performance Rights granted to the Group CEO being included as an exception to the approval requirements of ASX Listing Rule 7.1. This means the Performance Rights granted to the Group CEO, and any other Shares issued pursuant to this approval, will not use up part of the 15% issue limit under ASX Listing Rule 7.1.

If approval is not obtained from Shareholders, then the Board will consider whether to proceed with the grant, make the grant on different terms, or acquire Shares on-market (or make a cash payment in lieu of Shares) to satisfy vested Performance Rights.

Key terms of the Performance Rights

An overview of the key terms of the proposed grant of Performance Rights to the Group CEO under the FY21 LTI are summarised below. Please see Annexure A for a general summary of the Plan.

RESOLUTION 10 – SELECTIVE SHARE BUY-BACK

Background

In August 2017 Stephen James Harding-Smith (**Harding-Smith**) accepted an offer to participate in the Company's Employee Equity Plan (**Plan**). Under the terms of the offer Mr Harding-Smith had a right to receive 206,975 ordinary shares (**Awards**) which were issued for nil consideration pursuant to the terms of the Plan. The Awards were placed in escrow and the earliest date on which they would vest and be released from escrow was four years from the grant date (being 20 July 2021).

Mr Harding-Smith ceased employment with the Company on 10 February 2021 such date being prior to the vesting date for the Awards. As a result, the Awards were forfeited. Accordingly, the Company now wishes to buy-back 206,975 ordinary shares for nil consideration (**Harding-Smith Buy-Back Shares**).

In order to give effect to the forfeiture of the Awards, the Company is required to complete a selective buy-back of the Harding-Smith Buy-Back Shares. Upon completion the Company will cancel the Harding-Smith Buy-Back Shares.

A selective buy-back agreement must be approved either by:

- a) a special resolution passed at a general meeting of the Company, with no votes being cast in favour of the resolution by any person whose shares are proposed to be bought back or by their associates; or
- b) a resolution agreed to, at a general meeting, by all ordinary Shareholders,

or the agreement must be conditional on such an approval.

The selective buy-back agreement entered into between the Company and Harding-Smith is conditional upon a special resolution at a General Meeting of the Company.

The Board has resolved to seek Shareholder approval by way of special resolution at the AGM.

Information to be given to Shareholders

Pursuant to Regulatory Guide 110 issued by the Australian Securities and Investments Commission, the following information is provided to Shareholders:

Total number of shares on issue	1,013,138,894 fully paid ordinary shares.
Number and percentage of shares to be bought back	206,975 fully paid ordinary shares, representing 0.0204% of the current issued capital.
Particulars of the terms of the buy-back	The buy-back is required to complete all the matters the subject of the Deed of Settlement between the Company and Harding-Smith. The buy-back does not require the Company to pay any money to Harding-Smith.
Share buy-back price	No payment is required to be made by the Company.
Reason for the buy-back	To finalise all matters relating to the Deed of Settlement between the Company and Harding-Smith.
Interests of any Director who may participate in a share buy-back agreement	Not applicable.
Financial effect of the buy-back scheme on the Company	As no money is being paid for the shares to be bought back, there is no financial impact of the buy-back on the Company or its ability to pay creditors.
Source of the funds for the buy-back scheme	Not applicable, as no money is to be paid for the shares.
The effect of the buy-back on the control of the Company	There will be no effect on the control of the Company.
If the Company is listed, information about the current share price and any additional information that ASX Listing Rules require to be disclosed	As at 8 October 2021, the closing price was \$0.46 per Share.

Advantages and disadvantages of the buy-back

Advantages: the buy-back does not require the payment of any money by the Company. The buy-back is a formal requirement that will allow the Company to cancel the Harding-Smith Buy-Back Shares.

Disadvantages: as the buy-back is required to complete all matters under the Deed of Settlement between the Company and Harding-Smith, the Board is of the view that there are no disadvantages.

RESOLUTION 11 – SELECTIVE SHARE BUY-BACK**Background**

In August 2017 James Alexander Timuss (**Timuss**) accepted an offer to participate in the Company's Employee Equity Plan (**Plan**). Under the terms of the offer Mr Timuss had a right to receive 206,975 ordinary shares (**Awards**) which were issued for nil consideration pursuant to the terms of the Plan. The Awards were placed in escrow and the earliest date on which they would vest and be released from escrow was four years from the grant date (being 20 July 2021).

Mr Timuss ceased employment with the Company on 17 May 2021 such date being prior to the vesting date for the Awards. As a result, the Awards were forfeited. Accordingly, the Company now wishes to buy-back 206,975 ordinary shares for nil consideration (**Timuss Buy-Back Shares**).

In order to give effect to the forfeiture of the Awards, the Company is required to complete a selective buy-back of the Timuss Buy-Back Shares. Upon completion the Company will cancel the Timuss Buy-Back Shares.

In completing the Buy-Back, the Board is satisfied that the buy-back does not materially prejudice the Company's ability to pay its creditors, as no money is being paid to Timuss.

A selective buy-back agreement must be approved either by:

- a) a special resolution passed at a general meeting of the Company, with no votes being cast in favour of the resolution by any person whose shares are proposed to be bought back or by their associates; or
- b) a resolution agreed to, at a general meeting, by all ordinary Shareholders,

RESOLUTION 12 – SELECTIVE SHARE BUY-BACK

Background

In 2018 the Company acquired all of the shares in several companies from the Vendors. The companies acquired were Mt Druit Auto Body Repairs Pty Limited, Accident Repair Management Pty Limited, Accident Repair Management No.2 Pty Limited and Accident Repair Management No.3 Pty Limited. The vendors to the transaction were Stipe (Steve) Popovic and Biserka (Betty) Popovic as joint trustees for the S&B Popovic Family Trust (**Vendors**).

The Company has been engaged in negotiations with the Vendors throughout 2020 in respect of the operation of the earn-out amount under the share purchase agreement, a consultancy arrangement and other matters relating to the companies purchased.

Negotiations have been finalised with the Vendors and it has been agreed that the Company will buy back for nil consideration, 1,039,501 fully paid ordinary shares in the Company (**Buy-Back Shares**).

In order to give effect to the Buy-Back, the Company is required to complete a selective buy-back of the Buy-Back Shares. Upon completion, the Company will be able to cancel the Buy-Back Shares.

In completing the Buy-Back, the Board is satisfied that the buy-back does not materially prejudice the Company's ability to pay its creditors, as no money is being paid to the Vendors.

A selective buy-back agreement must be approved either by:

- a special resolution passed at a general meeting of the Company, with no votes being cast in favour of the resolution by any person whose shares are proposed to be bought back or by their associates; or
- a resolution agreed to, at a general meeting, by all ordinary Shareholders,

or the agreement must be conditional on such an approval.

The Board has resolved to seek Shareholder approval by way of special resolution at the AGM.

Particulars of the terms of the buy-back	The buy-back is required to complete the settlement arrangements with the Vendors. The buy-back does not require the Company to pay any money to the Vendors.
Share buy-back price	No payment is required to be made by the Company. The consideration for the buy-back is part of a settlement reached between the parties in relation to the operation of the earn-out amount under the share purchase agreement, a consultancy arrangement and other matters relating to the companies purchased. Accordingly, a valuation of the non-cash consideration is not appropriate.
Reason for the buy-back	To finalise all matters relating to the settlement arrangements with the Vendors.

Board Recommendation and Voting Intention

The Board unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution

The Chairman of the Meeting intends to vote all available proxies in **FAVOUR** of this Resolution.

RESOLUTION 13 – RENEWAL OF TAKEOVER APPROVAL PROVISION IN THE CONSTITUTION

Background

Clause 13 of the Company's Constitution contains provisions dealing with Shareholder approval requirements if there was to be any proportional bids (**Proportional Bid**) for the Company's securities (**Takeover Approval Provisions**).

A proportional bid means an off-market bid for a specified proportion of the company's securities held by each shareholder in a class for which a takeover bid has been made. It is not a bid for all securities held by all shareholders of that class, only part of the securities each holds.

Part 6.5 Subdivision 5C of the Corporations Act provides that these proportional takeover provisions cease to apply at the end of 3 years from their adoption (or last renewal), but that they may be renewed by special resolution of the shareholders. The Board believes it is appropriate that the Takeover Approval Provisions of the Company's Constitution (clause 13.6) be renewed.

In seeking Shareholder approval for the renewal of the Takeover Approval Provisions, the Corporations Act requires the below information to be provided to Shareholders.

Effect of provisions proposed to be renewed

Clause 13 of the Constitution provides that the Company is prohibited from registering any transfer of shares giving effect to a contract of sale pursuant to a proportional takeover bid (that is, an offer for some but not all of the shareholders' shares in the Company) unless and until after the proposed transfer has been approved by shareholders at a General Meeting of the Company (**Approving Resolution**). The person making the offer for the securities (**Offeror**) (and their associates) cannot vote on the Approving Resolution and the Approving Resolution requires the approval of more than 50% of Shareholders who are entitled to vote at that meeting.

If the resolution is rejected by the holders, then the bid will be deemed to be withdrawn and registration of any transfer of securities resulting from the proportional takeover bid will be prohibited. Acceptances will be returned and any contracts formed by acceptances will be rescinded.

If the resolution is approved, transfers of securities to the bidder will be registered provided they comply with the other provisions of the Constitution.

If no resolution is voted on at least 15 days before the close of the bid, then a resolution to approve the proportional takeover bid will be deemed to have been passed.

Reason for the resolution

Clause 13 of the Constitution is required to be renewed as more than 3 years have passed since the last renewal of the Constitution. Section 648(G)(1) of the Corporations Act provides that proportional takeover provisions such as provided in clause 13 cease to apply at the end of 3 years from their adoption (or their last renewal). Section 648(G)(4) enables shareholders to approve a renewal of proportional takeover provisions.

The Directors believe that Shareholders should continue to have the choice of considering whether to accept a bid for what might become control of the Company without Shareholders having the opportunity to dispose of all of their securities (rather than just some of their securities, as would be the case under a Proportional Bid). To preserve this choice, clause 13.6 needs to be renewed. If clause 13 is renewed and any Proportional Bid (if any) is subsequently approved by Shareholders, each Shareholder will still have the right to make a separate decision whether that Shareholder wishes to accept the Proportional Bid for their own securities.

Awareness of current acquisition proposals

As at the date of this explanatory memorandum, none of the Directors are aware of any proposal for any person to acquire (or increase the extent of) a substantial interest in the Company from its current level.

Advantages and disadvantages of the Takeover Approval Provisions since last renewed

As there have been no takeover bids made for any of the Shares in the Company since the last renewal of the Takeover Approval Provision, there has been no application of clause 13.

Potential advantages and disadvantages of the proposed resolution for both Directors and Shareholders

An advantage to the Directors of renewing the Takeover Approval Provisions is that the Board will be able to assess Shareholders acceptance or otherwise of a Proportional Bid should one be made. Apart from this, there is no specific advantage for Directors, as Directors, in renewing the proportional takeover approval provisions.

As stated above, renewing clause 13 provides Shareholders with the choice of considering whether to accept a bid for what might become control of the Company without Shareholders having the opportunity to dispose of all of their securities (rather than just some of their securities, as would be the case under a Proportional Bid). This should ensure that the terms of any future proportional bids are structured to be attractive to a majority of independent holders. If clause 13.6 is not renewed, Shareholders will not have this opportunity.

On the other hand, it may be argued that the renewal of clause 13 may make Proportional Bids more difficult to succeed and therefore effectively discourage Proportional Bids being made and reduce the freedom for Shareholders to sell some of their securities.
