iCar Asia Limited enters into Scheme Implementation Deed with Carsome Group Pte Ltd

Highlights

- If the Scheme is implemented, iCar shareholders (other than Excluded Shareholders¹) will receive \$0.53 in cash per share
- Scheme Consideration represents a significant 87% premium to iCar's 1-month VWAP to the last trading day prior to announcement of the non-binding indicative proposal from Carsome
- The iCar Independent Board Committee unanimously recommends that iCar shareholders (other than Excluded Shareholders) vote in favour of the Scheme, in the absence of a Superior Proposal² and subject to the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interest of iCar shareholders (other than Excluded Shareholders)

Overview of the Scheme

iCar Asia Limited (ASX:ICQ) ("iCar" or the "Company") announces that it has entered into a binding Scheme Implementation Deed ("SID") with Carsome Group Pte Ltd ("Carsome") under which it is proposed that Carsome will acquire 100% of the shares in iCar (other than those held by Excluded Shareholders) by way of a scheme of arrangement ("Scheme"). Carsome is a private company incorporated in Singapore, and operates an integrated automotive e-commerce platform across Malaysia, Indonesia, Thailand and Singapore.

If the Scheme is implemented, iCar shareholders (other than Excluded Shareholders) will receive \$0.53 in cash per iCar share ("Scheme Consideration"), valuing iCar's equity at approximately \$238 million³.

The Scheme Consideration of \$0.53 per share represents:

- 87% premium to the 1-month volume weighted average price ("VWAP") of \$0.284 to 9 July 2021, being the last trading day prior to iCar announcing that it had received a non-binding indicative proposal from Carsome;
- 78% premium to the 3-month VWAP of \$0.297 to 9 July 2021;
- an enterprise value⁴ / revenue multiple for the twelve months ending 30 June 2021 of 15.1x; and
- an increase of \$0.03 per share (6%) compared with the non-binding indicative proposal from Autohome announced on 30 October 2020.

Independent Board Committee recommendation

The iCar Independent Board Committee ("IBC")⁵ unanimously recommends that iCar shareholders (other than Excluded Shareholders) vote in favour of the Scheme in the absence of a Superior Proposal and subject to the Independent Expert concluding that the Scheme is in the best interest of iCar shareholders. Subject to those same qualifications, each member of the IBC intends to vote, or cause to be voted, all the iCar shares held or controlled by them in favour of the Scheme at the Scheme Meeting.

¹ When used in this announcement, the term "Excluded Shareholder" has the meaning given in the SID. In summary, it means an iCar shareholder who is a member of the Carsome Group and Catcha (consisting of Catcha Group Pte. Ltd and its subsidiary, ICQ Holdings Bhd).

² When used in this announcement, the term "Superior Proposal" has the meaning given in the SID.

³ Calculated based on 449,830,496 ordinary shares on issue, excluding amounts payable in respect of options and performance rights.

⁴ Enterprise value based on equity value of \$238 million plus net debt of \$2.8 million as at 30 June 2021

⁵ The iCar Independent Board Committee consists of all directors of iCar excluding Patrick Grove and Luke Elliott (having regard to their involvement in the Carsome proposal) as well as Syed Khalil Ibrahim (having regard to his investment in a fund which has a small investment in Carsome) who recused themselves from the iCar Board's consideration of the Carsome proposal.

iCar's Chairman, Georg Chmiel, commented: "The Scheme presents an opportunity for iCar shareholders to realise a significant premium to the value of their iCar shares, while providing the certainty of full cash consideration. The IBC considers this to be a compelling offer for iCar shareholders. In addition, we believe the combination with Carsome will provide iCar with additional scale, capabilities and resources to become an even stronger partner for iCar's customers and dealer network across the region."

Key terms of the Scheme Implementation Deed

The Scheme remains subject to customary conditions for a transaction of this nature, including approval by iCar shareholders (other than Excluded Shareholders), court approval, the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interest of iCar shareholders (other than Excluded Shareholders), no iCar material adverse change and no iCar prescribed occurrences. The Scheme is not conditional on financing or due diligence.

Under the SID, iCar is bound by customary exclusivity provisions including 'no talk' and 'notification' obligations (which are subject to the iCar Directors' fiduciary obligations) as well as a 'no shop' obligation and 'matching' rights. A Reimbursement Fee of \$1.7m is payable to Carsome and a Reverse Reimbursement Fee of \$1.7m is payable to iCar in certain circumstances.

A full copy of the SID, including all applicable conditions, is attached to this announcement.

Excluded Shareholders

Members of the Carsome Group and Catcha Group Pte Ltd (including its subsidiary ICQ Holdings Bhd) ("Catcha") are Excluded Shareholders under the Scheme, and will not be eligible to vote on the Scheme resolution.

Carsome currently holds 89,456,448 iCar shares, representing approximately 19.9% of iCar's ordinary shares on issue, after acquiring these shares from Catcha on 1 September 2021 in exchange for shares in Carsome.

Catcha currently holds 42,905,042 iCar shares, representing approximately 9.5% of iCar's ordinary shares on issue. Pursuant to the Joint Bid Agreement between Carsome and Catcha as disclosed to ASX on 13 July 2021, Carsome will acquire the remaining shares from Catcha following the implementation of the Scheme (or such other time as agreed between Carsome and Catcha), in exchange for shares in Carsome.

Indicative timetable and next steps

iCar shareholders do not need to take any action at this time.

A Scheme Booklet containing an Independent Expert's Report, further information relating to the Scheme including reasons for the iCar IBC's unanimous recommendation and details of the Scheme Meeting is expected to be made available to iCar shareholders in December 2021.

iCar shareholders will have the opportunity to vote on the Scheme at a court convened shareholders meeting currently expected to be held in late January 2022. Subject to the conditions of the Scheme being satisfied, the Scheme is currently expected to be implemented in February 2022.

3 Conditions Precedent and pre-implementation steps

3.1 Conditions Precedent

Subject to the remaining provisions of this clause 3, the Scheme will not become Effective, and the respective obligations of the parties in relation to the implementation of the Scheme are not binding, until each of the following Conditions Precedent are satisfied or waived to the extent and in the manner set out in this clause 3.

- (a) **Shareholder approval:** iCar Shareholders (other than Excluded Shareholders) approve the Scheme at the Scheme Meeting by the requisite majorities under subparagraph 411(4)(a)(ii) of the Corporations Act;
- (b) **Independent Expert:** the Independent Expert:
 - (1) issues an Independent Expert's Report which concludes that the Scheme is in the best interest of iCar Shareholders (other than Excluded Shareholders) before the time when the Scheme Booklet is registered by ASIC; and
 - (2) does not change its conclusion or withdraw its Independent Expert's Report before 8.00am on the Second Court Date;
- (c) **Court approval:** the Court approves the Scheme in accordance with paragraph 411(4)(b) of the Corporations Act;
- (d) **Restraints:** as at 8.00am on the Second Court Date:
 - (1) there is not in effect any temporary, preliminary or final order, injunction, decision or decree issued by any court of competent jurisdiction or other Government Agency, or other material legal restraint or prohibition;
 - (2) no action or investigation is announced, commenced or threatened by any Government Agency; and
 - (3) no application is made to any Government Agency, in consequence of, or in connection with, the Scheme which restrains, prohibits or otherwise materially adversely affects (or could reasonably be expected to restrain, prohibit or otherwise materially adversely affect) the Scheme, completion of the Transaction or the rights of Carsome in respect of iCar or the iCar Shares to be acquired under the Scheme;

- (e) **No iCar Prescribed Occurrence:** no iCar Prescribed Occurrence occurs or becomes known to Carsome between (and including) the date of this deed and 8.00am on the Second Court Date; and
- (f) **No iCar Material Adverse Change:** no iCar Material Adverse Change occurs or becomes known to Carsome between (and including) the date of this deed and 8.00am on the Second Court Date.

3.2 Satisfaction of Conditions Precedent

- (a) iCar must, to the extent it is within its power to do so, use all reasonable endeavours to procure that each of the Conditions Precedent in clauses 3.1(a) (*Shareholder approval*), 3.1(b) (*Independent Expert*), 3.1(c) (*Court approval*), 3.1(e) (*No iCar Prescribed Occurrence*) and 3.1(f) (*No iCar Material Adverse Change*) are satisfied as soon as practicable after the date of this deed and continues to be satisfied at all times until the last time that the relevant clause provides that it is to be satisfied.
- (b) Each party must, to the extent it is within its respective power to do so, use all reasonable endeavours to procure that:
 - (1) the Condition Precedent in clause 3.1(d) (*Restraint*) is satisfied as soon as practicable after the date of this deed and continues to be satisfied at all times until the last time that the relevant clause provides that it is to be satisfied; and
 - (2) there is no occurrence within its control or the control of any of its Subsidiaries that would prevent any of the Conditions Precedent being or remaining satisfied.
- (c) For the avoidance of doubt, iCar will not be in breach of its obligations under clause 3.2(a) or clause 3.2(b) to the extent that it takes an action or omits to take an action:
 - (1) as expressly required, contemplated, permitted or permitted not to be done, by this deed (including without limitation taking an action or omitting to take an action in response to a Competing Proposal as expressly permitted or contemplated by clause 10); or
 - (2) which has been consented to in writing in advance by Carsome (such consent not to be unreasonably withheld or delayed).

3.3 Waiver of Conditions Precedent

- (a) The Conditions Precedent in clauses 3.1(a) (*Shareholder approval*) and 3.1(c) (*Court approval*) cannot be waived.
- (b) The Conditions Precedent in clauses 3.1(e) (*No iCar Prescribed Occurrence*) and 3.1(f) (*No iCar Material Adverse Change*) are for the sole benefit of Carsome and may only be waived by Carsome (in its absolute discretion) in writing.
- (c) The Condition Precedent in clause 3.1(b) (*Independent Expert*) is for the sole benefit of iCar and may only be waived by iCar (in its absolute discretion) in writing.
- (d) The Condition Precedent in clause 3.1(d) (*Restraint*) is for the benefit of both parties and may only be waived by written agreement between Carsome and iCar (in each case in their respective absolute discretion).

- (e) Waiver of a breach or non-satisfaction in respect of one Condition Precedent does not constitute:
- (1) a waiver of breach or non-satisfaction of any other Condition Precedent resulting from the same event; or
 - (2) a waiver of breach or non-satisfaction of that Condition Precedent resulting from any other event.

3.4 Termination on failure of Condition Precedent

- (a) If there is an event or occurrence that would, does or will prevent any of the Conditions Precedent being satisfied (including, for the avoidance of doubt, if iCar Shareholders (other than Excluded Shareholders) do not agree to the Scheme at the Scheme Meeting by the requisite majorities), or if any of the Conditions Precedent will not otherwise be satisfied, by the earlier of:
- (1) the time and date specified in this deed for the satisfaction of that Condition Precedent; and
 - (2) the End Date,
- or such Condition Precedent is otherwise not satisfied by that specified time and date or by the End Date (as applicable), then either party may give the other party written notice (**Consultation Notice**) at the time of giving, or within 5 Business Days after either party has given, a relevant notice under clause 3.5(b) and the parties then must consult in good faith to:
- (3) consider and, if agreed, determine, whether the Transaction may proceed by way of alternative means or methods or whether, in the case of a breach of a Condition Precedent in clauses 3.1(e) (*No iCar Prescribed Occurrence*) or 3.1(f) (*No iCar Material Adverse Change*), the breach or the effects of the breach is or are able to be remedied;
 - (4) consider changing and, if agreed, change, the date of the application made to the Court for an order under paragraph 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed to in writing by Carsome and iCar (being a date no later than 5 Business Days before the End Date); or
 - (5) consider extending and, if agreed, extend, the time and date specified in this deed for the satisfaction of that Condition Precedent or End Date (as applicable),
- respectively.
- (b) Subject to clauses 3.4(c), 3.4(d) and 3.4(e), if the parties are unable to reach agreement under clause 3.4(a) within 5 Business Days after the date on which the Consultation Notice is given, then, unless:
- (1) the relevant Condition Precedent has been waived in accordance with clause 3.3; or
 - (2) the party, or in the case of clause 3.3(d), each party, entitled to waive the relevant Condition Precedent in accordance with clause 3.3 confirms in writing to the other party that it will not rely on the event or occurrence that would or does prevent the relevant Condition Precedent from being satisfied, or would mean the relevant Condition Precedent would or will not otherwise be satisfied,

- FOR PERSONAL USE ONLY
- either party may terminate this deed without any liability to the other party because of that termination. For the avoidance of doubt, nothing in this clause 3.4(b) affects the obligation of iCar to pay the Reimbursement Fee if it is required to do so under clause 11.
 - (c) A party may not terminate this deed pursuant to clause 3.4(b) if:
 - (1) the relevant occurrence or event, the failure of the Condition Precedent to be satisfied, or the failure of the Scheme to become Effective, arises out of a breach of clause 3.2 by that party, although in such circumstances the other party may still terminate this deed; or
 - (2) the relevant Condition Precedent is stated in clause 3.3 to be for the sole benefit of the other party.
 - (d) If the Condition Precedent in clause 3.1(a) (*Shareholder approval*) is not satisfied only because of a failure to obtain the majority required by subparagraph 411(4)(a)(ii)(A) of the Corporations Act, then either party may by written notice to the other within 3 Business Days after the date of the conclusion of the Scheme Meeting require the approval of the Court to be sought, pursuant to the Court's discretion in that subparagraph, provided the party has, in good faith formed the view that the prospect of the Court exercising its discretion in that way is reasonable. If approval is given, the Condition Precedent in clause 3.1(a) (*Shareholder approval*) is deemed to be satisfied for all purposes.
 - (e) If the Court refuses to make an order approving the Scheme which satisfies the Condition Precedent in clause 3.1(c) (*Court approval*), iCar may (in its absolute discretion) appeal the Court's decision (except to the extent that iCar and Carsome agree otherwise in writing). If such an appeal is undertaken by iCar, each party will bear its own costs of the appeal unless the parties otherwise agree in writing.

3.5 Certain notices relating to Conditions Precedent

If a party becomes aware of:

- (a) the satisfaction of a Condition Precedent or of any material progress towards such satisfaction; or
- (b) the happening of an event or occurrence that would, does, will, or would reasonably be likely to:
 - (1) prevent a Condition Precedent being satisfied; or
 - (2) mean that any Condition Precedent will not otherwise be satisfied, before the time and date specified in this deed for its satisfaction (or being satisfied by the End Date, if no such time and date is specified) or such Condition Precedent is not otherwise satisfied by that time and date (including, for the avoidance of doubt, if iCar Shareholders (other than Excluded Shareholders) do not agree to the Scheme at the Scheme Meeting by the requisite majorities),

it must advise the other by notice in writing, as soon as possible (and in any event within 2 Business Days) of the event, occurrence or circumstance referred to in clauses 3.5(a) or 3.5(b) occurring). For the avoidance of doubt, multiple notices may be required under this clause 3.5.

4 Transaction steps and Scheme Consideration

4.1 No amendment to the Scheme without consent

iCar must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of Carsome.

4.2 Scheme Consideration

- (a) The parties acknowledge and agree that each Scheme Shareholder will be entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder in accordance with the terms and conditions of this deed and the Scheme.
- (b) Carsome undertakes and warrants to iCar (in its own right and on behalf of the Scheme Shareholders) that, in consideration of the transfer to Carsome of each iCar Share held by a Scheme Shareholder under the terms of the Scheme, on the Implementation Date Carsome will provide to each Scheme Shareholder the Scheme Consideration for each Scheme Share in accordance with the terms of this deed and the Scheme.

4.3 Provision of iCar Share Register

- (a) In order to facilitate the provision of the Scheme Consideration, iCar must provide, or procure the provision of, to Carsome or a nominee of Carsome, a complete copy of the iCar Share Register as at the Scheme Record Date (which must include the name, Registered Address and registered holding of each Scheme Shareholder as at the Scheme Record Date), within one Business Day after the Scheme Record Date.
- (b) The details and information to be provided under clause 4.3(a) must be provided in such form as Carsome or its nominee may reasonably require.

4.4 iCar Options, iCar Performance Rights and iCar Board remuneration

- (a) iCar and Carsome agree that, subject to the Scheme becoming Effective, iCar and Carsome will take any such action agreed in writing between iCar and Carsome on or after the date of this deed (which agreement expressly refers to this clause 4.4(a)) to ensure that, by no later than the Implementation Date:
 - (1) there are no outstanding iCar Options;
 - (2) there are no outstanding iCar Performance Rights; and
 - (3) iCar's obligations to pay any outstanding remuneration to members of the iCar Board are satisfied.
- (b) As soon as reasonably practicable after the date of this deed, iCar must use its reasonable endeavours to procure that ASX grants a waiver from rule 6.23 of the Listing Rules (to the extent required) in connection with any actions to be undertaken by iCar under this clause 4.4 in relation to the iCar Options and the iCar Performance Rights.
- (c) If the waiver referred to in clause 4.4(a) is not obtained before the First Court Date, iCar agrees to seek any approvals that are required from the iCar Shareholders under rule 6.23 of the Listing Rules in connection with any actions

to be undertaken by iCar under this clause 4.4 in relation to the iCar Options and the iCar Performance Rights.

- (d) For the avoidance of doubt, the parties agree that any action which is undertaken or otherwise occurs in accordance with this clause 4.4 will not be an iCar Material Adverse Change, an iCar Prescribed Occurrence, an iCar Regulated Event or a breach of any provision of this deed, or give rise to any right to terminate this deed or obligation to pay the Reimbursement Fee by iCar, and will, together with any resulting consequences, be disregarded when assessing the operation of any other part of this deed (including, among other things, for the purposes of assessing whether there has been an iCar Material Adverse Change).

5 Implementation

5.1 Timetable

- (a) Subject to clause 5.1(b), the parties must each use all reasonable endeavours to:
 - (1) comply with their respective obligations under this clause 5; and
 - (2) take all necessary steps and exercise all rights necessary to implement the Transaction,
 in accordance with the Timetable.
- (b) Failure by a party to meet any timeframe or deadline set out in the Timetable will not constitute a breach of clause 5.1(a) to the extent that such failure is due to circumstances and matters outside the party's control or due to iCar taking or omitting to take any action in response to a Competing Proposal as expressly permitted or contemplated by this deed (provided that iCar consults with Carsome in relation to any delays in the Timetable as set out in clause 5.1(d)).
- (c) Each party must keep the other informed about their progress against the Timetable and notify each other if it believes that any of the dates in the Timetable are not achievable.
- (d) To the extent that any of the dates or timeframes set out in the Timetable become not achievable, the parties will consult in good faith to agree to any necessary extension (including any adjournment of the First Court Date, Scheme Meeting or Second Court Date) to ensure such matters are completed within the shortest possible timeframe.

5.2 iCar's obligations

 - (1) releases its rights; and
 - (2) agrees with iCar that it will not make, and that after the Implementation Date it will procure that each iCar Group Member does not make, any claim, against any iCar Indemnified Party (other than iCar and its Subsidiaries) as at the date of this deed and from time to time in connection with:
 - (3) any breach of any representations, covenants and warranties of iCar or any other member of the iCar Group in this deed;
 - (4) any disclosures containing any statement which is false or misleading whether in content or by omission; or
 - (5) any failure to provide information, whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where the iCar Indemnified Party has engaged in wilful misconduct, wilful concealment or fraud. For the avoidance of doubt, nothing in this clause 7.1(a) limits Carsome's rights to terminate this deed under clause 12.
- (b) Clause 7.1(a) is subject to any Corporations Act restriction and will be read down accordingly.
- (c) iCar receives and holds the benefit of this clause 7.1 to the extent it relates to each iCar Indemnified Party as trustee for each of them.

7.2 Carsome and Carsome directors and officers

- (a) iCar releases its rights, and agrees with Carsome that it will not make a claim, against any Carsome Indemnified Party (other than Carsome and its Related Bodies Corporate) as at the date of this deed and from time to time in connection with:
 - (1) any breach of any representations, covenants and warranties of Carsome or any other member of the Carsome Group in this deed;
 - (2) any disclosure containing any statement which is false or misleading whether in content or by omission; or
 - (3) any failure to provide information, whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where the Carsome Indemnified Party has engaged in wilful misconduct, wilful concealment or fraud. For the avoidance of doubt, nothing in this clause 7.2(a) limits iCar's rights to terminate this deed under clause 12.
- (b) Clause 7.2(a) is subject to any Corporations Act restriction and will be read down accordingly.
- (c) Carsome receives and holds the benefit of this clause 7.2 to the extent it relates to each Carsome Indemnified Party as trustee for each of them.

7.3 Deeds of indemnity and insurance

- (a) Subject to the Scheme becoming Effective and the Transaction completing, Carsome undertakes in favour of iCar and each other iCar Indemnified Party that it will:
- (1) for a period of 7 years from the Implementation Date, ensure that the constitutions of iCar and each other iCar Group Member continue to contain such rules as are contained in those constitutions at the date of this deed that provide for each company to indemnify each of its directors and officers against any liability incurred by that person in his or her capacity as a director or officer of the company to any person other than an iCar Group Member; and
 - (2) procure that iCar and each other iCar Group Member complies with any deeds of indemnity, access and insurance made by them in favour of their respective directors and officers from time to time and, without limiting the foregoing, ensure that directors' and officers' run-off insurance cover for such directors and officers is maintained for a period of 7 years from the retirement date of each director and officer (and iCar may, at its election), pay any amounts necessary to ensure such maintenance upfront prior to the Implementation Date.
- (b) Carsome acknowledges that notwithstanding any other provision of this deed, iCar may, on or prior to the Implementation Date, enter into arrangements (including paying any upfront amounts necessary to secure such arrangements on or prior to the Implementation Date) to secure directors' and officers' run-off insurance for up to such 7 year period as referred to in clause 7.3(a)(2) (**D&O Policy**), and that any actions to facilitate or in connection with such D&O Policy will not be an iCar Material Adverse Change, an iCar Prescribed Occurrence, an iCar Regulated Event or a breach of any provision of this deed, or give rise to any right to terminate this deed or obligation to pay the Reimbursement Fee by iCar, and will, together with any resulting consequences, be disregarded when assessing the operation of any other part of this deed (including, among other things, for the purposes of assessing whether there has been an iCar Material Adverse Change).
- (c) The undertakings contained in clause 7.3(a) are subject to any Corporations Act restriction and will be read down accordingly.
- (d) iCar receives and holds the benefit of clause 7.3(a), to the extent it relates to the other iCar Indemnified Parties, as trustee for each of them.

8 Public announcement

8.1 Announcement of the Transaction

Immediately after the execution of this deed, iCar must issue a public announcement in a form which has been agreed to in writing by Carsome (which agreement must not be unreasonably withheld or delayed).

8.2 Public announcements

Subject to clauses 8.1 and 8.3, no public announcement or public disclosure in relation to, or in connection with, the Transaction or any other transaction the subject of this deed or the Scheme may be made other than in a form approved by each party in writing

(acting reasonably), but each party must use all reasonable endeavours to provide such approval as soon as practicable. For the avoidance of doubt, this clause 8.2 does not apply to any announcement or disclosure relating to a Competing Proposal.

8.3 Required disclosure

Where a party is required by applicable law or the Listing Rules to make any announcement or to make any disclosure in connection with the Transaction or any other transaction the subject of this deed or the Scheme, it may do so despite clause 8.2 but must use all reasonable endeavours, to the extent practicable and lawful, to consult with the other party prior to making the relevant disclosure and take account of any reasonable comments received from the other party in relation to the form and content of the announcement or disclosure.

9 Confidentiality

iCar and Carsome acknowledge and agree that they continue to be bound by the Confidentiality Agreement after the date of this deed.

10 Exclusivity

10.1 No shop and no talk

During the Exclusivity Period, iCar must not, and must ensure that each of its Related Persons and Related Bodies Corporate and the Related Persons of those Related Bodies Corporate do not, directly or indirectly:

- (a) (**no shop**) solicit, encourage or initiate any negotiations or discussions by or with any person in relation to, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal or communicate to any person an intention to do anything referred to in this clause 10.1(a); or
- (b) (**no talk**) subject to clause 10.2:
 - (1) participate in any negotiations or discussions with respect to any inquiry, expression of interest, offer, proposal or discussion by any person to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal or facilitate, participate in or continue any negotiations, discussions or other communications with respect to any actual, proposed or potential Competing Proposal;
 - (2) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding an actual, proposed or potential Competing Proposal;
 - (3) disclose or otherwise provide or make available any material non-public information about the business or affairs of the iCar Group to a Third Party (other than a Government Agency that has the right to obtain that information and has sought it), with a view to obtaining, or which would reasonably be expected to encourage or lead to the

formulation, receipt or announcement of, an actual, proposed or potential Competing Proposal; or

- (4) communicate to any person an intention to do anything referred to in the preceding paragraphs of this clause 10.1(b),

provided that nothing in this clause 10.1 prevents or restricts iCar or any of its Related Persons and Related Bodies Corporate or the Related Persons of those Related Bodies Corporate from responding to a Third Party in respect of an inquiry, expression of interest, offer, proposal or discussion by that Third Party to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal to merely (A) acknowledge receipt and/or (B) advise that Third Party that iCar is bound by the provisions of this clause 10.1 and is only able to engage in negotiations, discussions or other communications if the fiduciary exception set out in clause 10.2 applies.

10.2 Fiduciary exception

Clause 10.1(b) and clause 10.3(b)(4) do not prohibit or require any action or inaction by iCar, any of its Related Bodies Corporate or any of their respective Related Persons, in relation to an actual, proposed or potential Competing Proposal if the iCar IBC determines that:

- (a) after consultation with its advisers, such actual, proposed or potential Competing Proposal is a Superior Proposal or could reasonably be expected to become a Superior Proposal; and
- (b) after receiving legal advice from its external legal advisers, compliance with clause 10.1(b) or clause 10.3 (as applicable) would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of the iCar IBC Members,

provided that the actual, proposed or potential Competing Proposal was not directly or indirectly brought about by, or facilitated by, a breach of clause 10.1(a).

10.3 Notification of approaches

- (a) During the Exclusivity Period, iCar must promptly (and in any event within 2 Business Days) notify Carsome in writing if it, any of its Related Bodies Corporate or any of their respective Related Persons is approached by any person in relation to an actual, proposed or potential Competing Proposal.
- (b) A notification given under clause 10.3(a) must include:
 - (1) notification of the fact of the approach;
 - (2) a description of the nature of the approach, including whether it is an initial enquiry, an indicative offer or a formal offer;
 - (3) material terms of any offer, including the price; and
 - (4) subject to clause 10.2, the identity of the person making the approach (and if different, details of the person making or proposing the relevant Competing Proposal),

in each case to the extent known by iCar, its Related Bodies Corporate or their respective Related Persons.

10.4 Matching right

- (a) iCar undertakes that during the Exclusivity Period, it:
- (1) will not (and will procure that its Related Bodies Corporate do not) enter into any legally binding agreement or announce an intention to enter into a legally binding agreement pursuant to which a Third Party agrees to give effect to an actual, proposed or potential Competing Proposal (including any legally binding break fee, process deed (or similar agreement or arrangements) in connection with any actual, proposed or potential Competing Proposal); and
 - (2) will use its best endeavours to procure that none of the iCar IBC Members change their recommendation in favour of the Scheme, publicly recommend an actual, proposed or potential Competing Proposal (or recommend against the Transaction) or make any public statement to the effect that they intend to do so at a future point (provided that a statement that no action should be taken by iCar Shareholders pending the assessment of a Competing Proposal by the iCar IBC or the completion of the matching right process set out in this clause 10.4 shall not contravene this clause 10.4 nor shall any change of recommendation by the iCar IBC that is permitted by clause 5.6(b) contravene this clause 10.4),
- unless:
- (3) the actual, proposed or potential Competing Proposal was not directly or indirectly brought about by, or facilitated by, a breach of clause 10.1(a) and the iCar IBC has determined after consultation with its advisers, that such actual, proposed or potential Competing Proposal is a Superior Proposal;
 - (4) iCar has provided Carsome with all material terms and conditions of the proposed Competing Proposal (including the price and identity of the third party making the competing proposal), to the extent then known;
 - (5) iCar has given Carsome at least 5 Business Days' from the provision of the information in clause 10.4(a)(4) to provide a Carsome Counterproposal (as defined in clause 10.4(b)); and
 - (6) either:
 - (A) Carsome has not announced or formally proposed to iCar a Carsome Counterproposal by the expiry of the 5 Business Day period referred to in clause 10.4(a)(5); or
 - (B) Carsome has announced or formally proposed to iCar a Carsome Counterproposal by the expiry of the 5 Business Day period referred to in clause 10.4(a)(5), and the iCar IBC has reviewed the Carsome Counterproposal in accordance with clause 10.4(b) and:
 - (i) concluded that the Carsome Counterproposal is not a Matching or Superior Proposal (as defined in clause 10.4(b)); or
 - (ii) concluded that the Carsome Counterproposal is a Matching or Superior Proposal (as defined in clause 10.4(b)), but iCar and Carsome have not entered into the Amended Scheme Documents by

For personal use only

the end of the Negotiation Period (as referred to in clause 10.4(b)).

- (b) If Carsome announces or formally proposes to iCar amendments to the Transaction or a new proposal (**Carsome Counterproposal**) by the expiry of the 5 Business Day period referred to in clause 10.4(a)(5)), iCar must procure that the iCar IBC considers the Carsome Counterproposal and if the iCar IBC, acting reasonably and in good faith, determines that the Carsome Counterproposal would provide an equivalent or superior outcome for iCar Shareholders as a whole (other than Excluded Shareholders) compared with the Competing Proposal (taking into account all of the terms and conditions of the Carsome Counterproposal) (**Matching or Superior Proposal**), then, for a period of 3 Business Days (or such longer period agreed in writing between iCar and Carsome) after the date on which iCar gives Carsome a notice that the iCar IBC has determined that the Carsome Counterproposal is a Matching or Superior Proposal (**Negotiation Period**), iCar and Carsome must use their respective reasonable endeavours to negotiate and effect amendments to this deed, the Scheme and the Deed Poll (as applicable) that are reasonably necessary to reflect the Carsome Counterproposal and to implement the Carsome Counterproposal (**Amended Scheme Documents**).
- (c) Despite any other provision in this deed, a statement by iCar or the iCar IBC to the effect that:
 - (1) the iCar IBC has determined that a Competing Proposal is a, or would be or would be reasonably likely to be a, Superior Proposal and has commenced the matching right process set out in this clause 10.4; or
 - (2) iCar Shareholders should take no action pending the completion of the matching right process set out in this clause 10.4,
 does not of itself:
 - (3) constitute a change to or withdrawal of the recommendation by the iCar IBC or any iCar IBC Member or an endorsement of a Competing Proposal;
 - (4) contravene this deed;
 - (5) give rise to an obligation to pay the Reimbursement Fee under clause 11.2; or
 - (6) give rise to a termination right under clause 12.1.
- (d) This clause 10.4 will be separately applied to each new Competing Proposal that is a material modification or material variation of an existing Competing Proposal.

10.5 Compliance with law

- (a) If it is finally determined by a court, or the Takeovers Panel, that the agreement by the parties under this clause 10 or any part of it:
 - (1) constituted, or constitutes, or would constitute, a breach of the fiduciary or statutory duties of the iCar IBC;
 - (2) constituted, or constitutes, or would constitute, 'unacceptable circumstances' within the meaning of the Corporations Act; or
 - (3) was, or is, or would be, unlawful for any other reason,
 then, to that extent (and only to that extent) iCar will not be obliged to comply with that provision of clause 10.

HERBERT
SMITH

- (b) The parties must not make or cause or permit to be made, any application to a court or the Takeovers Panel for or in relation to a determination referred to in this clause 10.5.

10.6 Provision of information

During the Exclusivity Period, iCar must promptly and, in any event within 2 Business Days of it being disclosed or provided to a Third Party, make available to Carsome:

- (a) in the case of written materials, a copy of; and
- (b) in any other case, a written statement of,

any material non-public information about the business or affairs of any member of the iCar Group disclosed or otherwise provided to a Third Party in connection with such Third Party formulating, developing or finalising, or assisting in the formulation, development or finalisation by that Third Party of, a Competing Proposal, which has not previously been provided to Carsome.

10.7 Usual provision of information

Nothing in this clause 10 prevents iCar from:

- (a) providing any information to its Related Persons;
- (b) providing any information to any Government Agency;
- (c) providing any information required to be provided by any applicable law, including to satisfy its obligations under the Listing Rules or to any Government Agency;
- (d) providing any information to its auditors, customers, financiers, joint venturers, service providers, professional advisors and suppliers acting in that capacity in the ordinary course of business; and
- (e) making presentations to, or responding to enquiries from, brokers, portfolio investors, analysts and other third parties, and engaging with financiers and potential financiers, in the ordinary course of business or promoting the merits of the Transaction.

11 Reimbursement Fees

11.1 Background to Reimbursement Fees

- (a) Carsome and iCar acknowledge that, if they enter into this deed and the Scheme is subsequently not implemented, each party will incur significant costs, including those set out in clause 11.5.
- (b) In the circumstances referred to in clause 11.1(a), each party has requested from the other party that provision be made for the payments outlined in clauses 11.2 and 11.3 (as applicable), without which neither of them would have entered into this deed or otherwise agreed to implement the Scheme.
- (c) Each party acknowledges, having taken advice from its external legal advisers and Financial Adviser, that the implementation of the Scheme will provide benefits to it and its shareholders such that it is appropriate for them to agree to the payments referred to in clauses 11.2 and 11.3 (as applicable) in order to secure the other party's participation in the Transaction.

11.2 Reimbursement Fee triggers

Subject to the remaining provisions of this clause 11, iCar must pay the Reimbursement Fee to Carsome under this clause 11.2 and in accordance with clause 11.4 if:

- (a) during the Exclusivity Period, one or more iCar IBC Members:
 - (1) withdraws, adversely changes or adversely qualifies their support of the Scheme or their recommendation that iCar Shareholders (other than Excluded Shareholders) vote in favour of the Scheme;
 - (2) fails to recommend that iCar Shareholders (other than Excluded Shareholders) vote in favour of the Scheme in the manner described in clause 5.6(a); or
 - (3) makes a public statement indicating that they no longer recommend the Scheme or recommends that iCar Shareholders accept or vote in favour of, or otherwise supports or endorses, a Competing Proposal of any kind that is announced (whether or not such proposal is stated to be subject to any pre-conditions),
 - (4) publicly withdraws or adversely changes his or her statement that he or she intends to vote (or cause to be voted) their respective Director iCar Shares in favour of the Schemes,

in each case unless:

- (5) the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that report) that the Scheme is not in the best interest of iCar Shareholders (other than Excluded Shareholders) (except where that conclusion is due wholly or partly to the existence, announcement or publication of a Competing Proposal);
- (6) the failure to recommend, or the change to or withdrawal or qualification of a recommendation to vote in favour of the Scheme occurs because of a requirement or request by a court or a Government Agency that one or more iCar IBC Members abstain or withdraw from making a recommendation that iCar Shareholders (other than Excluded Shareholders) vote in favour of the Scheme after the date of this deed; or
- (7) iCar is entitled to terminate this deed pursuant to clause 12.1(a) or clause 12.2(b) and has given the appropriate termination notice to Carsome (except where the termination is pursuant to clause 3.4 due to the failure of the Condition Precedent 3.1(b) (*Independent Expert*) and conclusion of the Independent Expert is due to the existence, announcement or publication of a Competing Proposal),

provided that, for the avoidance of doubt, a statement made by iCar or the iCar IBC to the effect that no action should be taken by iCar Shareholders pending the assessment of a Competing Proposal by the iCar IBC or the completion of the matching right process set out in clause 10.4 will not require iCar to pay the Reimbursement Fee to Carsome;

- (b) iCar terminates this deed pursuant to clause 3.4 due to the failure of the Condition Precedent in clause 3.1(b) (*Independent Expert*) where the conclusion of the Independent Expert is due to the existence, announcement or publication of a Competing Proposal;
- (c) a Competing Proposal of any kind is announced during the Exclusivity Period (whether or not such proposal is stated to be subject to any pre-conditions) and,

- within 9 months of the date of such announcement, the Third Party or any Associate of that Third Party:
- (1) completes a Competing Proposal of a kind referred to in any of paragraphs 2, 3 or 4 of the definition of Competing Proposal; or
 - (2) enters into an agreement, arrangement or understanding with iCar or the iCar Board of the kind referred to in paragraph 5 of the definition of Competing Proposal; or
 - (d) Carsome is entitled to terminate this deed and has terminated this deed having given the appropriate termination notice to iCar pursuant to clauses 12.1(a)(1) or 12.2(a).

11.3 Reverse Reimbursement Fee triggers

Subject to the remaining provisions of this clause 11, Carsome must pay the Reverse Reimbursement Fee to iCar under this clause 11.3 and in accordance with clause 11.4 if iCar is entitled to terminate this deed and has terminated this deed having given the appropriate termination notice to iCar pursuant to clauses 12.1(a)(1) or 12.2(b).

11.4 Payment of Reimbursement Fees

- (a) A demand by a party for payment of the Reimbursement Fee under clause 11.2 or the Reverse Reimbursement Fee under clause 11.3 (as applicable) must:
 - (1) be in writing;
 - (2) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (3) state the circumstances which give rise to the demand; and
 - (4) nominate an account in the name of the party to whom the Reimbursement Fee or Reverse Reimbursement Fee (as applicable) is to be paid.
- (b) iCar must pay the Reimbursement Fee into the account nominated by Carsome, without set-off or withholding, within 15 Business Days after receiving a demand for payment where Carsome is entitled under clause 11.2 to the Reimbursement Fee.
- (c) Carsome must pay the Reverse Reimbursement Fee into the account nominated by iCar, without set-off or withholding, within 15 Business Days after receiving a demand for payment where iCar is entitled under clause 11.3 to the Reverse Reimbursement Fee.

11.5 Basis of Reimbursement Fees

The payment by a party of the Reimbursement Fee under clauses 11.2 or the Reverse Reimbursement Fee under clause 11.3 (as applicable) is to compensate the other party for the costs and expenses incurred by them, including the following:

- (a) fees for legal, financial and other professional advice in planning and implementing the Transaction (excluding success fees);
- (b) reasonable opportunity costs incurred in engaging in the Transaction or in not engaging in other alternative acquisitions or strategic initiatives;
- (c) costs of management and directors' time in planning and implementing the Transaction; and

HERBERT
SMITH

- (d) out of pocket expenses incurred by the party and its employees, advisers and agents in planning and implementing the Transaction,

and the parties agree that:

- (e) the costs actually incurred by each party will be of such a nature that they cannot all be accurately ascertained; and
- (f) each of the Reimbursement Fee and Reverse Reimbursement Fee is equal to or less than a genuine and reasonable pre-estimate of those costs.

11.6 Compliance with law

- (a) This clause 11 does not impose an obligation on a party to pay the Reimbursement Fee or Reverse Reimbursement Fee (as applicable) to the extent (and only to the extent) that the obligation to pay the Reimbursement Fee or Reverse Reimbursement Fee (as applicable):

- (1) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or
- (2) is determined to be unenforceable or unlawful (including by virtue of it being a breach of the fiduciary or statutory duties of the iCar Board Members) by a court,

provided that all proper avenues of appeal and review, judicial and otherwise, have been exhausted and the party who received the Reimbursement Fee or Reverse Reimbursement Fee (as applicable) will refund the payor within 10 Business Days any amount in excess of its obligation under this clause that has already been paid to it when that declaration or determination is made. For the avoidance of doubt, any part of the Reimbursement Fee or Reverse Reimbursement Fee (as applicable) that would not constitute unacceptable circumstances or that is not unenforceable or unlawful (as applicable) must be paid by iCar or Carsome (as applicable).

- (b) The parties must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 11.6(a).

- (c) If the Takeovers Panel or a court or regulatory body requires any modification (including requiring such a modification as a condition of consenting to or approving the Transaction or as a condition of not opposing the Transaction) to the Reimbursement Fee or Reverse Reimbursement Fee (as applicable), including as to the amount or circumstances in which it is to be paid, then:

- (1) the parties will accept this determination and amend this deed to that extent; and
- (2) it will not result in a breach of this deed or termination of the transactions contemplated by it,

provided that the parties will be entitled to exhaust all proper avenues of appeal and review (judicial and otherwise) before accepting this determination.

11.7 Reimbursement Fees payable only once

Where the Reimbursement Fee becomes payable to Carsome under clause 11.2 and is actually paid to Carsome, Carsome cannot make any claim against iCar for payment of any subsequent Reimbursement Fee.

- (a) Where the Reverse Reimbursement Fee becomes payable to iCar under clause 11.3 and is actually paid to iCar, iCar cannot make any claim against Carsome for payment of any subsequent Reverse Reimbursement Fee.

11.8 Other Claims

- (a) Despite anything to the contrary in this deed, the maximum aggregate amount which iCar is required to pay in relation to this deed (including as a result of any breach of this deed by iCar or any other Claim) is the amount of the Reimbursement Fee and in no event will the aggregate liability of iCar under or in connection with this deed or any Claim exceed the amount of the Reimbursement Fee, except to the extent that a Claim has arisen in connection with wilful misconduct, wilful concealment or fraud by or on behalf of iCar.
- (b) Despite anything to the contrary in this deed, the maximum aggregate amount which Carsome is required to pay in relation to this deed (including as a result of any breach of this deed by Carsome or any other Claim) is the amount of the Reverse Reimbursement Fee and in no event will the aggregate liability of Carsome under or in connection with this deed or any Claim exceed the amount of the Reverse Reimbursement Fee; provided, however, that nothing in this clause 11.8(b) or otherwise in this deed will limit Carsome's liability in connection with a breach of the Deed Poll or to the extent a Claim has arisen in connection with wilful misconduct, wilful concealment or fraud by or on behalf of Carsome.

11.9 No Reimbursement Fees if Scheme Effective

- (a) Despite anything to the contrary in this deed, the Reimbursement Fee will not be payable to Carsome if the Scheme becomes Effective, notwithstanding the occurrence of any event in clause 11.2 and, if the Reimbursement Fee has already been paid it must be refunded by Carsome.
- (b) Despite anything to the contrary in this deed, the Reverse Reimbursement Fee will not be payable to iCar if the Scheme becomes Effective, notwithstanding the occurrence of any event in clause 11.3 and, if the Reverse Reimbursement Fee has already been paid it must be refunded by iCar.

12 Termination

12.1 Termination

- (a) Either party may terminate this deed by written notice to the other party:
- (1) other than in respect of a breach of either a Carsome Representation and Warranty or an iCar Representation and Warranty (which are dealt with in clause 12.2), at any time before 8.00am on the Second Court Date, if the other party has materially breached this deed, the party entitled to terminate has given written notice to the party in breach of this deed setting out the relevant circumstances and stating an intention to terminate this deed, and the other party has failed to remedy the breach within five Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice is given;

- FOR
PERSONAL
USE
ONLY
- (2) at any time before 8.00am on the Second Court Date if the Court or another Government Agency (including any other court) has taken any action permanently restraining or otherwise prohibiting or preventing the Transaction, or has refused to do anything necessary to permit the Transaction to be implemented by the End Date, and the action or refusal has become final and cannot be appealed or reviewed or the party, acting reasonably, believes that there is no realistic prospect of an appeal or review succeeding by the End Date;
 - (3) in the circumstances set out in, and in accordance with, clause 3.4;
 - (4) if the Effective Date for the Scheme has not occurred, or will not occur, on or before the End Date; or
 - (5) if iCar Shareholders (other than Excluded Shareholders) have not agreed to the Scheme at the Scheme Meeting by the requisite majorities and no notice is given under clause 3.4(d).
- (b) Carsome may terminate this deed by written notice to iCar at any time before 8.00am on the Second Court Date if after the date of this deed any iCar IBC Member:
- (1) withdraws, adversely changes or adversely qualifies his or her support of the Scheme or his or her recommendation that iCar Shareholders (other than Excluded Shareholders) vote in favour of the Scheme but excluding a statement that no action should be taken by iCar Shareholders pending assessment of a Competing Proposal by the iCar IBC or the completion of the matching right process set out in clause 10.4; or
 - (2) fails to recommend that iCar Shareholders (other than Excluded Shareholders) vote in favour of the Scheme in the manner described in clause 5.6(a);
 - (3) makes a public statement indicating that he or she no longer recommends the Transaction or recommends, supports or endorses another transaction (including any Competing Proposal but excluding a statement that no action should be taken by iCar Shareholders pending assessment of a Competing Proposal by the iCar IBC or the completion of the matching right process set out in clause 10.4), other than where any iCar IBC Member is required or requested by a court or Government Agency to abstain or withdraw from making a recommendation that iCar Shareholders (other than Excluded Shareholders) vote in favour of the Scheme after the date of this deed.
- (c) iCar may terminate this deed by written notice to Carsome at any time before 8.00am on the Second Court Date if the iCar IBC or a majority of the iCar IBC has withdrawn, adversely changed or adversely qualified its recommendation as expressly permitted under clause 5.6, disregarding for these purposes any statement that no action should be taken by iCar Shareholders pending assessment of a Competing Proposal by the iCar IBC or the completion of the matching right process set out in clause 10.4.

12.2 Termination for breach of representations and warranties

- (a) Carsome may, at any time prior to 8.00am on the Second Court Date, terminate this deed for breach of an iCar Representation and Warranty only if:

- PERSONAL
FOR
SUSCRIBER
ONLY
- (1) Carsome has given written notice to iCar setting out the relevant circumstances and stating an intention to terminate or to allow the Scheme to lapse;
 - (2) the relevant breach continues to exist 10 Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice is given under clause 12.2(a)(1); and
 - (3) the relevant breach is material in the context of the Scheme taken as a whole.
- (b) iCar may, at any time before 8.00am on the Second Court Date, terminate this deed for breach of a Carsome Representation and Warranty only if:
- (1) iCar has given written notice to Carsome setting out the relevant circumstances and stating an intention to terminate or to allow the Scheme to lapse;
 - (2) the relevant breach continues to exist 10 Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice is given under clause 12.2(b)(1); and
 - (3) the relevant breach is material in the context of the Scheme taken as a whole.
- (c) This deed is terminable if agreed to in writing by Carsome and iCar.

12.3 Effect of termination

If this deed is terminated by either party under clauses 3.4, 12.1 or 12.2:

- (1) if a Scheme Shareholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the iCar Registry to receive dividend payments from iCar by electronic funds transfer to a bank account nominated by the Scheme Shareholder, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election;
 - (2) paying, or procuring the payment of, the relevant amount in Australian currency by electronic means to a bank account nominated by the Scheme Shareholder by an appropriate authority from the Scheme Shareholder to iCar; or

- (d) To the extent that, following satisfaction of iCar's obligations under clause 5.1(b), there is a surplus in the amount held by iCar as trustee for the Scheme Shareholders in the trust account referred to in that clause, that surplus may be paid by iCar to Carsome.

5.2 Joint holders

In the case of Scheme Shares held in joint names:

- (a) subject to clause 5.1(c), any Scheme Consideration payable in respect of those Scheme Shares is payable to the joint holders and any cheque required to be sent under this Scheme will be made payable to the joint holders and sent to either, at the sole discretion of iCar, the holder whose name appears first in the Share Register as at the Scheme Record Date or to the joint holders (unless the joint holders have nominated a bank account under clauses 5.1(c)(1) or 5.1(c)(2), in which case the amount must be deposited directly to the nominated bank account of the joint holders); and

fraction of a cent, the fractional entitlement will be rounded down to the nearest whole cent.

5.4 Unclaimed monies

- (a) iCar may cancel a cheque issued under this clause 5 if the cheque:
 - (1) is returned to iCar; or

- (a) requires consideration to be provided to a third party through payment of a sum in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable to that Scheme Shareholder by iCar in accordance with this clause 5, then iCar shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or

6 Dealings in iCar Shares

6.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in iCar Shares or other alterations to the Share Register will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Share Register as the holder of the relevant iCar Shares before the Scheme Record Date; and
- (b) in all other cases, registrable transfer or transmission applications in respect of those dealings, or valid requests in respect of other alterations, are received before the Scheme Record Date at the place where the Share Register is kept,

and iCar must not accept for registration, nor recognise for any purpose (except a transfer to Carsome pursuant to this Scheme and any subsequent transfer by Carsome or its successors in title), any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

6.2 Register

- (a) iCar must register registrable transmission applications or transfers of the Scheme Shares that are received in accordance with clause 6.1(b) before the Scheme Record Date provided that, for the avoidance of doubt, nothing in this clause 6.2(a) requires iCar to register a transfer that would result in an iCar Shareholder holding a parcel of iCar Shares that is less than a 'marketable parcel' (for the purposes of this clause 6.2(a) 'marketable parcel' has the meaning given in the Operating Rules).
- (b) If this Scheme becomes Effective, a Scheme Shareholder (and any person claiming through that holder) must not dispose of, or purport or agree to dispose of, any Scheme Shares or any interest in them on or after the Scheme Record Date otherwise than pursuant to this Scheme, and any attempt to do so will have no effect and iCar shall be entitled to disregard any such disposal, purported disposal or agreement.
- (c) For the purpose of determining entitlements to the Scheme Consideration, iCar must maintain the Share Register in accordance with the provisions of this clause 6.2 until the Scheme Consideration has been paid to the Scheme Shareholders. The Share Register in this form will solely determine entitlements to the Scheme Consideration.
- (d) All statements of holding for iCar Shares (other than statements of holding in favour of Carsome or any Excluded Shareholders) will cease to have effect after the Scheme Record Date as documents of title in respect of those shares and, as from that date, each entry current at that date on the Share Register (other than entries on the Share Register in respect of Carsome or any Excluded Shareholders) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the iCar Shares relating to that entry.
- (e) As soon as possible on or after the Scheme Record Date, and in any event by 5.00pm on the first Business Day after the Scheme Record Date, iCar will ensure that details of the names, Registered Addresses and holdings of iCar Shares for each Scheme Shareholder as shown in the Share Register are available to Carsome in the form Carsome reasonably requires.

7 Quotation of iCar Shares

- (a) iCar must apply to ASX to suspend trading on the ASX in iCar Shares with effect from the close of trading on the Effective Date.
- (b) On a date after the Implementation Date to be determined by Carsome, iCar must apply:
 - (1) for termination of the official quotation of iCar Shares on the ASX; and
 - (2) to have itself removed from the official list of the ASX.

- (b) Each Scheme Shareholder is taken to have warranted to iCar and Carsome on the Implementation Date, and appointed and authorised iCar as its attorney and agent to warrant to Carsome on the Implementation Date, that:
 - (1) all their iCar Shares (including any rights and entitlements attaching to those shares) which are transferred under this Scheme will, at the date of transfer, be fully paid and free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise, and restrictions on transfer of any kind, and that they have full power and capacity to transfer their iCar Shares to Carsome together with any rights and entitlements attaching to those shares. iCar undertakes that it will provide such warranty to Carsome as agent and attorney of each Scheme Shareholder; and
 - (2) they have no existing right to be issued any iCar Shares, iCar Equity Incentives or any other iCar equity securities. iCar undertakes that it will provide such warranty to Carsome as agent and attorney of each Scheme Shareholder.

8.3 Title to and rights in Scheme Shares

- (a) To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to Carsome will, at the time of transfer of them to Carsome vest in Carsome free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise and free from any restrictions on transfer of any kind.
- (b) Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clauses 5.1(b) and 5.1(c), Carsome will be beneficially entitled to the Scheme Shares to be transferred to it under this Scheme pending registration by iCar of Carsome in the Share Register as the holder of the Scheme Shares.

8.4 Appointment of sole proxy

Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clauses 5.1(b) and 5.1(c), and until iCar registers Carsome as the holder of all Scheme Shares in the Share Register, each Scheme Shareholder:

- (a) is deemed to have appointed Carsome as attorney and agent (and directed Carsome in each such capacity) to appoint any director, officer, secretary or agent nominated by Carsome as its sole proxy and, where applicable or appropriate, corporate representative to attend shareholders' meetings, exercise the votes attaching to the Scheme Shares registered in their name and sign any shareholders' resolution or document;
- (b) must not attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to clause 8.4(a));
- (c) must take all other actions in the capacity of a registered holder of Scheme Shares as Carsome reasonably directs; and
- (d) acknowledges and agrees that in exercising the powers referred to in clause 8.4(a), Carsome and any director, officer, secretary or agent nominated by Carsome under clause 8.4(a) may act in the best interests of Carsome as the intended registered holder of the Scheme Shares.

8.5 Authority given to iCar

Each Scheme Shareholder, without the need for any further act:

- (a) on the Effective Date, irrevocably appoints iCar and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of enforcing the Deed Poll against Carsome, and iCar undertakes in favour of each Scheme Shareholder that it will enforce the Deed Poll against Carsome on behalf of and as agent and attorney for each Scheme Shareholder; and
- (b) on the Implementation Date, irrevocably appoints iCar and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of executing any document or doing or taking any other act necessary, desirable or expedient to give effect to this Scheme and the

transactions contemplated by it, including (without limitation) executing the Scheme Transfer,

and iCar accepts each such appointment. iCar as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this clause 8.5 to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

8.6 Binding effect of Scheme

This Scheme binds iCar and all of the Scheme Shareholders (including those who did not attend the Scheme Meeting to vote on this Scheme, did not vote at the Scheme Meeting, or voted against this Scheme at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of iCar.

9 General

Carsome:

- (a) must pay all stamp duty and any fines and penalties with respect to stamp duty in respect of this Scheme or the Deed Poll or the steps to be taken under this Scheme or the Deed Poll; and

- (b) The accidental omission to give notice of the Scheme Meeting or the non-receipt of such notice by an iCar Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

9.4 Governing law

- (a) This Scheme is governed by the laws in force in New South Wales, Australia.
- (b) The parties irrevocably submit to the exclusive jurisdiction of courts exercising jurisdiction in New South Wales, Australia and courts of appeal from them in respect of any proceedings arising out of or in connection with this Scheme. The parties irrevocably waive any objection to the venue of any legal process in

9.6 No liability when acting in good faith

Each Scheme Shareholder agrees that neither iCar nor Carsome nor any director, officer, secretary or employee of iCar or Carsome shall be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.
