Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at [https://design-milk.com/design-milk-co-investor-relations/](https://design-milk.com/design-milk-co-investor-relations/).

All of the Directors who were in office when the 2022 Directors’ Report was approved, other than the Managing Director, will (if desired) need to stand for re-election at the Spill Meeting.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to KMPs (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation.

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on this Resolution.
Re-election of Director

Resolution 2 – Re-election of Michael Hill as Director

Clause 13.2 of the Company's Constitution requires that, if the Company has 3 or more Directors, a third (or the number of Directors nearest to one third, rounded upwards) of those Directors must retire at each annual general meeting, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

Clause 13.2 of the Company's Constitution provides that a retiring Director is eligible for re-election. ASX Listing Rule 14.4 also provides that each Director must not hold office (without re-election) past the third annual general meeting following the Director's appointment or 3 years, whichever is longer.

Michael Hill was appointed a Director of the Company on 17 January 2014 and was last re-elected as a Director at the 2018 AGM. Accordingly, under this Resolution, Michael Hill retires as a Director, and being eligible, seeks re-election as a Director of the Company at this AGM.

ASX Listing Rule 7.1A

Resolution 3 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently $300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately $14.88 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.
If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

**Information Required by ASX Listing Rule 7.3A**

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

**Period for which the approval will be valid**

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

(a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;

(b) the time and date of the entity's next annual general meeting; and

(c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

**Minimum price at which the equity securities may be issued under Listing Rule 7.1A**

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

(a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and

(b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

**Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used**

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

(a) raising funds to further develop the Company's business;

(b) raising funds to be applied to the Company's working capital requirements; and

(c) raising funds to acquire assets.

**Risk of economic and voting dilution to existing ordinary Securityholders**

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

(a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
(b) the equity securities may be issued at a price that is at a discount (as described above) to
the market price for the Company’s equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under
Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different
assumed issue prices and values for the variable “A” in the formula in rule 7.1A.2:

Allocation policy for issues under Listing Rule 7.1A

The Company’s allocation policy and the identity of the allottees of equity securities under Listing
Rule 7.1A will depend on a number of factors, including:

(a) the Company’s intentions in relation to the possible issue of equity securities (for cash
consideration) during the Listing Rule 7.1A mandate period;
(b) the structure and timeframe of the capital raising opportunities available to the Company
and any alternative methods for raising funds that are available to the Company (such as a
pro rata offer or an offer under a share purchase plan);
(c) the potential effect on the control of the Company;
(d) the Company’s financial position and the likely future capital requirements; and
(e) advice from the Company’s corporate or financial advisors.

Based on the Company’s historical cashflow reports and capital raising activities in the past 12
months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate
period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to
issue equity securities in relation to any parties, investors or existing Securityholders have been
formed. In addition, no intentions have been formed in relation to the possible number of issues,
or the time frame in which the issues could be made. Subject to the requirements of the Listing
Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time
of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

The Company has not issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

Adoption of Management Incentive Plan

Resolution 4 – Adoption of Management Incentive Plan

Background

The Company's Management Incentive Plan (Incentive Plan) was last approved by Shareholders of the Company on 27 November 2018. As of the date of this Meeting, almost three years would have lapsed since this date. Accordingly, the Company seeks Shareholder approval to re-adopt the Incentive Plan for the purposes set out in this Explanatory Statement.

The Incentive Plan aims to align the interests of the Company's directors, senior executives, management and employees and other eligible participants with the delivery of sustainable value to Shareholders. This alignment of interests is important in ensuring that eligible participants are focused on delivering sustainable returns to Shareholders, whilst allowing the Company to attract and retain directors and employees of a high calibre. The Incentive Plan aims to link the short to long-term remuneration of participants with the economic benefit derived by Shareholders over the relevant measurement period and forms part of the Company's overall remuneration strategy.

A summary of the key terms of the Incentive Plan is set out in Annexure A, and a copy of the rules of the Incentive Plan is available upon request from the Company.

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

If this Resolution is approved by Shareholders for all purposes under the Corporations Act and the ASX Listing Rules, including ASX Listing Rule 7.2 (exception 13(b)), it will have the effect of enabling the securities issued by the Company under the Incentive Plan to be automatically excluded from the formula to calculate the number of securities which the Company may issue in any 12 month period using Listing Rule 7.1 (15% capacity) during the next three year period.

Since the Incentive Plan was last approved by Shareholders on 27 November 2018, the Company advises that it has issued 1,075,320 unlisted options (on a post-consolidation basis). If this Resolution is approved by Shareholders, the Company will issue up to a maximum of 3,629,279
incentive securities (which represents 10% of current number of shares on issue) under the Incentive Plan during the three-year period following approval (for the purposes of exception 13).

**Shareholder loans**

The Board may, in its discretion, also determine that the Company will provide limited recourse loans to participants to use to pay the subscription price for the purchase of Loan Funded Shares under the Incentive Plan.

**Permit the Company to take security over its own Shares**

Section 259B(1) of the Corporations Act prohibits a company taking security over shares in itself or in a company that controls it, unless one of the exceptions in subsections 259B(2) or 259(3) applies. Section 259(2) of the Corporations Act permits the taking of security by a Company over its own Shares, if the security is taken over shares issued under an employee share scheme approved at a meeting of shareholders via an Ordinary Resolution.

Employee share scheme is defined widely by the Corporations Act and includes the Incentive Plan.

Accordingly, Shareholder approval is being sought under this Resolution to approve the Incentive Plan in order for the Company to take security over its own Shares issued under the Incentive Plan if required to do so.

**Exemption for financial assistance**

Section 260A of the Corporations Act provides that a company may financially assist a person to acquire shares in the company or a holding company of the company only if:

(a) giving of the assistance does not materially prejudice the interests of the company or its shareholders, or the company's ability to pay its creditors;

(b) the assistance is approved by shareholders under section 260B of the Corporations Act; or

(c) the assistance is exempted under section 260C of the Corporations Act.

Section 260C(4) of the Corporations Act provides an exemption to financial assistance, if the financial assistance is given under an employee share scheme approved at a meeting of shareholders via an Ordinary Resolution.

As noted above and set out in Annexure A, the terms of the Incentive Plan envisages the giving of financial assistance by the Company to eligible and invited participants in the form of interest free, limited recourse loans to acquire Loan Funded Shares in the Company.

Although the Board does not consider that the giving of financial benefit under the Incentive Plan will materially prejudice the interests of the company or its shareholders, or the company's ability to pay its creditors, Shareholder approval is being sought under this Resolution to enable the Company to qualify for the special exemption offered by section 260C(4) of the Corporations Act.

**Employee share scheme buy-back**

Section 257B(1) of the Corporations Act sets out the procedure for various forms of share buy-back, including an “employee share scheme buy-back”. In order for the Company to undertake a buy-back of Shares under the Incentive Plan using the employee share scheme buy-back procedure under the Corporations Act, the Incentive Plan must be approved by Shareholders of the Company.

Accordingly, Shareholder approval is being sought under this Resolution to approve the Incentive Plan in order for the Company to undertake a buy-back of Shares under the Incentive Plan using the employee share scheme buy-back procedure under the Corporations Act.

**Directors Recommendation**

The Board of Directors recommend that Shareholders vote for this Resolution.
**Issue of Incentive Options**

**Resolutions 5 to 8** – Approval of Issue of Incentive Options to Directors of the Company under the Company's Management Incentive Plan

**Background**

Shareholder approval is being sought to adopt an employee incentive scheme entitled “Management Incentive Plan” (Incentive Plan) under Resolution 4 of this Notice of Meeting.

The Company seeks to invite each of the Directors of the Company, subject to Shareholder approval that is sought under Resolutions 5 to 8, to participate in the Incentive Plan by subscribing for the following securities under the Incentive Plan.

(b) Resolution 6 - 300,000 Incentive Options to Christopher Colfer (Colfer Incentive Options)
(c) Resolution 7 - 300,000 Incentive Options to Michael Everett (Everett Incentive Options)
(d) Resolution 8 - 300,000 Incentive Options to Arnaud Massenet (Massenet Incentive Options)

**Director and Related Party Approvals**

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

(a) a director of the Company;
(b) an associate of a director of the Company; or
(c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As each of the persons in Resolutions 5 to 8 are Directors of the Company, the proposed issue of Incentive Options constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, Resolutions 5 to 8 seek the required Shareholder approval to issue the Incentive Options to each of the Directors under Resolutions 5 to 8 under and for the purposes of Listing Rule 10.14.
If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11.

If Resolutions 5 is passed, the Company will be able to proceed with the proposed issue of the Hill Incentive Options to Michael Hill.

If Resolution 5 is not passed, the Company will not be able to proceed with the proposed issue of the Hill Incentive Options to Michael Hill.

If Resolution 6 is passed, the Company will be able to proceed with the proposed issue of the Colfer Incentive Options to Christopher Colfer.

If Resolution 6 is not passed, the Company will not be able to proceed with the proposed issue of the Colfer Incentive Options to Christopher Colfer.

If Resolution 7 is passed, the Company will be able to proceed with the proposed issue of the Everett Incentive Options to Michael Everett.

If Resolution 7 is not passed, the Company will not be able to proceed with the proposed issue of the Everett Incentive Options to Michael Everett.

If Resolution 8 is passed, the Company will be able to proceed with the proposed issue of the Massenet Incentive Options to Arnaud Massenet.

If Resolution 8 is not passed, the Company will not be able to proceed with the proposed issue of the Massenet Incentive Options to Arnaud Massenet.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

(a) the giving of the financial benefit falls within one of the exceptions to the provisions; or

(b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of Incentive Options constitutes the giving of a financial benefit.

A “related party” for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of “related party” also includes a person whom there is reasonable grounds to believe will become a “related party” of a public company.

For each of Director for whom the issue of Incentive Options were considered, the other non-conflicted Directors considered the proposed issue, and formed the view that the giving of the financial benefit to that Director was reasonable remuneration given the circumstances of the Company, the quantum of the Incentive Options, the terms of the Incentive Options, and the responsibilities held by that Director in the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these Incentive Options to each of the Directors under Resolutions 5 to 8 fall within the “reasonable remuneration” exception as set out in section 211 of the Corporations Act, and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of Incentive Options to Directors under Resolutions 5 to 8 requires Shareholder approval under and for the purposes of Listing Rule 10.11 only.

TERMS OF INCENTIVE SECURITIES

3.1 Board discretion

The Board in its absolute discretion will determine the terms of the Incentive Securities (such as issue price, exercise price, vesting conditions, performance hurdles, loan terms and restriction periods) issued under these Rules, which may be waived or varied by the Board on a case by case basis.

Any power or discretion which is conferred on the Board under these Rules may be exercised in the interests and for the benefit of the Company, and is not subject to any fiduciary or other obligation to any other person.

In the event of a Change of Control Event, the Board in its absolute discretion may waive or accelerate unsatisfied vesting conditions in relation to some or all of the Incentive Securities. Furthermore, if a takeover bid is made to acquire all of the issued Shares of the Company, Participants may accept the takeover bid in respect of any Shares which they hold notwithstanding the restriction period in respect of those Shares has not expired.

3.2 Issue of Incentive Securities to Directors or other related parties

Incentive Securities may only be issued to a Director or related party of the Company pursuant to these Rules, if the issue complies with the requirements (if any) of the Corporations Act and the Listing Rules.

3.3 Cancellation of Incentive Securities

The Board in its absolute discretion may cancel the Incentive Securities issued to Participants at any time including upon cessation of employment of a Participant or the death, bankruptcy or winding-up of a Participant.

3.4 Variation to capital structure

If prior to the vesting, exercise or conversion of Incentive Securities (as the case may be), the Company undergoes a reorganisation of capital (other than by way of a bonus issue or issue of cash), the terms of all existing Incentive Securities will be changed to the extent necessary to comply with the Listing Rules and the Corporations Act.
4  LIMITS ON NUMBER OF INCENTIVE SECURITIES THAT CAN BE ISSUED

An offer of Incentive Securities under these Rules must not be made if the aggregate number of the following will exceed 10% of the issued Shares as on that date when the issue is proposed to take place:

(a)  the number of Shares which are subject of the offer of the Incentive Securities;
(b)  the total number of Shares which are the subject of any outstanding offers of Incentive Securities; and
(c)  the total number of Shares which would be issued under all outstanding Incentive Securities that have been granted but which have not yet been exercised, converted, terminated or expired.

For the purposes of this 10% limit, the limit does not count:

(a)  an offer to a person situated outside Australia;
(b)  an offer that did not need disclosure because of section 708 of the Corporations Act;
(c)  an offer made under a disclosure document (such as a prospectus) as defined in the Corporations Act; and
(d)  any Incentive Securities which have expired or were cancelled after its issue.

5  SUSPENSION OR TERMINATION OF THESE RULES

The Board may suspend or terminate these Rules at any time, in which case the Company shall not make any further grants of Incentive Securities under these Rules during the suspended or terminated period. However, during that period the Board shall otherwise continue to administer these Rules in accordance with these Rules in respect of all Incentive Securities which have already been granted until all Incentive Securities have been exercised, expired or repaid (as the case may be).

6  OVERRIDING RESTRICTIONS ON ISSUE, EXERCISE AND VARIATION

Regardless of anything else in these Rules, Incentive Securities may not be offered, issued, exercised or varied if to do so:

(a)  would contravene the Corporations Act or the Listing Rules; or
(b)  would contravene the local laws of, or the rules or requirements of any regulatory or statutory body in, a Participant’s country of residence or in the opinion of the Board compliance with those local laws, rules or requirements would be impractical or result in any unnecessary or unreasonable expense in the circumstances.
ADMINISTRATION OF THESE RULES

7.1 Delegation

(a) These Rules shall be in all respects administered under the directions of the Board or a committee of the Board.

(b) The Board or committee of the Board may appoint, for the proper administration and management of these Rules, such secretaries or executives or staff or other persons as it considers desirable and may delegate to those persons such powers and authorities as may be necessary or desirable for the administration and management of these Rules.

7.2 Procedures

Subject to these Rules, the Board may make such regulations and establish such procedures for the administration and management of these Rules as it considers appropriate.

7.3 Holding Statements

Each Participant shall be issued with a holding statement stating the number of any Incentive Securities held by that Participant:

(a) on the date of issue of any Incentive Securities; and

(b) within 10 Business Days of the exercise or conversion of any Incentive Securities (as the case may be).

7.4 Disputes

If any disagreement or dispute with respect to the interpretation of these Rules or the terms of the granting of the Incentive Securities arises, such disagreement or dispute shall be referred to the Board and the decision of the Board shall, in the absence of manifest error, be final and binding upon all parties.

7.5 Exercise of discretion and amendments

The Board may, subject to any express provision in these Rules, the Listing Rules or the Corporations Act to the contrary:

(a) do any act, matter or thing or make any decision, determination or resolution;

(b) conditionally or unconditionally give or withhold any consent or approval; or

(c) amend the terms of these Rules, any offer made under the Rules after its issue and any terms of Incentive Securities granted under the Rules after its issue,

as contemplated by these Rules in its absolute uncontrolled and unexaminable discretion and is not obliged to give reasons for so doing.
NOTICES

Notices under these Rules may be handed to the person concerned or posted by ordinary prepaid post to the person’s last known address or given in such manner as the Board from time to time determines.

COMPANY’S RIGHTS NOT WAIVED

9.1 Participation does not affect the right of the Company in respect of the Participants

(a) The Company’s right to terminate or vary the terms of employment or engagement of any Participant shall not be prejudiced in any way by any Participant holding Incentive Securities, or anything contained in these Rules.

(b) Further, holding Incentive Securities, the rights or benefits of a Participant under these Rules or the inability or restricted ability of a Participant to exercise or covert Incentive Securities (as the case may be), or to hold all of the Incentive Securities, shall not be used as grounds for granting or increasing damages in any action brought by any Participant against the Company whether in respect of any alleged wrongful dismissal or otherwise.

9.2 No representation as to the price of Shares

(a) None of the Company, its Directors, officers or employees represents that the Company’s Share price will attain, maintain or exceed any price.

(b) A Participant who chooses to exercise or convert any Incentive Securities, or hold any Incentive Securities does so at their own risk in that they may suffer financial detriment if the Company’s Share price falls.

TAX

The Company is not responsible for any tax which may become payable by a Participant in connection with the Rules.

GOVERNING LAW

These Rules shall in all respects be governed by and shall be construed in accordance with the laws of New South Wales.

SEVERANCE

If any provision in these Rules is void, voidable by any party or illegal, it shall be read down so as to be valid and enforceable or, if it cannot be so read down, the provision (or where possible, the offending words) shall be severed from these Rules without affecting the validity, legality or enforceability of the remaining provisions (or parts of those provisions) of these Rules, which shall continue in full force and effect.
