Mustera Property Group Ltd (**Mustera** or the **Company**) is pleased to provide an update on its operational activities during the September 2021 Quarter (the **Quarter**).

HIGHLIGHTS

1. The main activities centred on the Company's flagship project, Forbes Residences in Applecross where the following key events took place:
 - The appointed builder, PACT Construction (the Builder) took site possession;
 - Forward works building permit received;
 - Construction commenced;
 - 57% of apartments now sold.
2. \$5.5m raised in the Quarter and a further \$1.5m raised as fresh equity shortly after the Quarter.

1. Forbes Residences (the **Project**)

During the Quarter, construction commenced on the Company's flagship project, Forbes Residences. The Builder took site possession and mobilised on site with the installation of their site office. Temporary fence was installed to the boundary and the piling rig was mobilised.

The Builder commenced with the piling to the northern boundary once the grout injections were complete.

To celebrate the commencement of construction, the Company invited its shareholders, employees, agents, design consultants, the Builder and future owners to attend the traditional sod turning event. This event and turnout successfully commemorated a significant milestone for the Project.

In addition to construction commencing, the Company continued with its sales and marketing campaign for the Project with 57% of the apartments now sold.

2. Corporate and Financial Commentary

Cashflow

The Company successfully raised \$5.5m (before costs) as fresh equity through a non-renounceable rights offer (**Rights Offer**) to shareholders. Shortly after the end of the Quarter, a further \$1.5m was raised as shortfall subscription under the Rights Offer.

Furthermore, the Company has entered into a definitive term sheet for the Project's debt financing and formal documentation is expected to be completed shortly in relation to this financing.
