

ASX Announcement

Delta Drone International to present at TechOpps 2021 virtual investment conference

2 November 2021 - Delta Drone International (**ASX: DLT**) advises that CEO, Christopher Clark, will be presenting at Market Eye's TechOpps 2021 virtual conference on Wednesday, 10 November 2021.

The conference will run over 10-11 November, with some of Australasia's leading and emerging tech companies explaining how they're transforming the way people work and helping society operate during these unprecedented times.

The Keynote speaker for the event is The Hon. Josh Frydenberg MP federal treasurer and deputy leader of the Liberal Party.

Attendance is free. To register for the event and view the full program please go to: <https://techopps.live/>

Delta Drone International will be presenting at 10:30am AEDT on Wednesday, 10 November 2021.

This announcement has been authorised for release by Christopher Clark, CEO of Delta Drone International Limited.

About Delta Drone International

Delta Drone International is a multi-national drone-based data service and technology solutions provider for the mining, agricultural and engineering industries. It provides aerial surveying and mapping, security and surveillance, and blast monitoring and fragment analysis through a fully-outsourced service with AI and fast data turnaround that allows enterprise customers to focus on operations on the ground while Delta Drone International takes care of everything in the air.

It has in-house enabling proprietary technology, an R&D and integration centre and specialist expertise in designing, developing and providing best-in-class autonomous safety systems for commercial drone deliveries, drone flights for crowd monitoring and in urban areas, as well as 'beyond visual line of sight' (BVLOS) missions.
