EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the 2021 Annual General Meeting of the Company to be held on Monday 13 December 2021 at 2.00pm (AEDT).

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on each Resolution.

This Explanatory Statement should be read in conjunction with the Notice of Meeting.

1. TO RECEIVE THE FINANCIAL REPORT, DIRECTORS' REPORT AND AUDITOR'S REPORT

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2021 together with the declaration of the Directors, the Directors' report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.thetagoldmines.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

The Company's Remuneration Report forms part of the Directors' Report for the year ended 30 June 2021 and is set out in the Company's 2021 Annual Report. The Remuneration Report is submitted to Shareholders for consideration and adoption by way of a non-binding resolution.

Under the Corporations Act, if the Company's Remuneration Report receives a 'no' vote of 25 per cent or more at two consecutive Annual General Meetings, a resolution must then be put to shareholders (**Spill Resolution**) at the second Annual General Meeting as to whether another meeting should be held (within 90 days) at which all directors who were in office must stand for re-election.

At the Company's previous Annual General Meeting the votes cast against the Remuneration Report for the year ended 30 June 2020 were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

Shareholders will be given a reasonable opportunity at the meeting to ask questions and comment on the Remuneration Report.

Shareholders appointing a proxy for this Resolution should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy, you must direct your proxy how to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member), you do not need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, **you expressly acknowledge and authorise the Chair to exercise your proxy on this Resolution (except where you have indicated a different voting intention on the proxy form) even though this Resolution is connected directly or indirectly with the remuneration of a member of Key Management Personnel, which includes the Chairman.**

If you appoint any other person as your proxy, you do not need to direct your proxy how to vote on this Resolution, and you do not need to mark any further acknowledgement on the Proxy Form.

3. RESOLUTION 2 – RE-ELECTION OF CHARLES WILLIAM (BILL) GUY

Resolution 2 seeks approval for the re-election of Mr Charles William (Bill) Guy who is retiring as a Director by rotation pursuant to clause 10.2 of the Constitution, which states that at least one third of the Directors must retire from office at each Annual General Meeting. Mr Guy is eligible for re-election under clause 10.2 and offers himself for re-election as a Director.

Mr Guy, the Non-Executive Chairman of Theta, was appointed as a director of the company in March 2018 and is a professional mining executive and geologist with over 30 years' experience in exploration and resource development in Asia, Australia and Europe. In previous executive and geology roles he was involved in all aspects of the mining industry inclusive of project acquisitions, project development (Cockatoo Island Fe), project discovery (Mt Ida Fe), and large scale JV (Newcrest JV Au), in both the corporate and technical roles

He is a Member of both the Audit and Risk and Nomination and Remuneration Committees.

The Board considers that Mr Guy's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board (other than Mr Guy) supports the re-election of Mr Guy and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF FINN STUART BEHNKEN

Resolution 3 seeks approval for the re-election of Mr Finn Stuart Behnken who is retiring as a Director by rotation pursuant to clause 10.2 of the Constitution, which states that at least one third of the Directors must retire from office at each Annual General Meeting. Mr Behnken is eligible for re-election under clause 10.2 and offers himself for re-election as a Director.

Mr Behnken is a mining engineer and has South African mining management experience as the CEO of Tshipi é Ntle Manganese Mining (Pty) Limited (during the construction and initial production phase of the major Tshipi Borwa Manganese Mine). Prior to this, he was an investment banker with South African based Nedbank and has served as non-executive director of various mining companies including, most recently, as a director of the then AIM listed Gemfields plc. Mr Behnken is currently the South African representative of Auramet International, a United States domiciled precious metals merchant and mine financier.

He is Chairman of the Audit and Risk Committee.

The Board considers that Mr Behnken's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board (other than Mr Behnken) supports the re-election of Mr Behnken and recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – ELECTION OF BYRON DUMPLETON

Resolution 4 seeks approval for the election of Mr Dumpleton who was appointed to the Board on 10 November 2021, after the last Annual General Meeting and pursuant to clause 10.1 of the Constitution.

Clause 10.2 of the Constitution states that any Director appointed under that clause may hold office only until the next Annual General Meeting and is eligible for election at that meeting. Mr Dumpleton is eligible and offers himself for election as a Director of the Company.

Mr Dumpleton has over 30 years mining experience in Australia and Asia and over 7 years as the Chief Geologist for a publicly listed mining Company. His prior career includes several iconic mining houses including, Western Mining Corporation (WMC), Newcrest Mining Limited, Straits Resources and Kalgoorlie Consolidated Gold Mines. In addition, My Dumpleton has a strong technical and operational experience

along with corporate experience dealing with diligence process and funding transactions with multiple lending institutions for funding for several projects with Straits Resources and Red 5 Limited.

The Board considers that Mr Dumpleton's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board (other than Mr Dumpleton) supports the election of Mr Dumpleton and recommends that Shareholders vote in favour of Resolution 4.

6. RESOLUTION 5 – APPROVAL OF ADDITIONAL PLACEMENT CAPACITY

6.1 General

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

ASX Listing Rule 7.1A enables certain 'eligible entities' to issue equity securities of up to 10% of their issued share capital through placements over a 12 month period commencing after the Annual General Meeting ("**Additional Placement Capacity**"). ASX Listing Rules require that Shareholders approve the Additional Placement Capacity by special resolution at an Annual General Meeting before any equity securities are issued under the Additional Placement Capacity.

For the purposes of ASX Listing Rule 7.1A an 'eligible entity' is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an 'eligible entity'. The Additional Placement Capacity is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1 and, as such, if the Additional Placement Capacity is approved, the Directors will be allowed to issue equity securities of up to 25% of the Company's issued share capital without prior approval from shareholders.

The Company seeks Shareholder approval by way of a special resolution to have the ability to issue equity securities under the Additional Placement Capacity should the need arise.

If Resolution 5 is passed, the Company will be able to issue equity securities up to the combined 25% limit in the ASX Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 5 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval under ASX Listing Rule 7.1A, and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in ASX Listing Rule 7.1.

Importantly:

- Pursuant to ASX Listing Rule 7.1A.3 the issue price for each security issued under the Additional Placement Capacity will not be less than 75% of the volume weighted average price for securities in that class over the 15 trading days on which trades in that class were recorded immediately before:
 - The date on which the price at which the securities are to be issued is agreed; or
 - If the securities are not issued within 10 trading days of the date above, the date on which the securities are issued.
- The issue of equity securities under the Additional Placement Capacity may result in voting dilution of existing ordinary shareholders (as shown in the table below). There is also the risk that:
 - The market price for equity securities in that class may be significantly lower on the issue date than on the date of the Annual General Meeting; and

- The equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.
- Equity securities under the Additional Placement Capacity may be issued until the earlier of:
 - The date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
 - The time and date of the Company's next Annual General Meeting; or
 - The date of approval by ordinary shareholders of a significant change to the Company's activities under ASX Listing Rule 11.1.2 or the date of approval by ordinary shareholders of a disposal of a major asset under ASX Listing Rule 11.2.

To be clear, any approval of the Additional Placement Capacity at this Annual General Meeting will cease to be valid in the event that ordinary shareholders approve a transaction under ASX Listing Rule 11.1.2 or 11.2.

- The Company may issue equity securities under the Additional Placement Capacity for the purpose of raising funds for the exploration and development of the Company's existing assets, the acquisition of new assets or investments (including assets associated with such acquisition), to repay debt or to fund working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any equity securities.

- The Company's allocation policy for issues under the Additional Placement Capacity is dependent on prevailing market conditions at the time of any proposed issue. The identity of the allottees of the equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
 - The purpose of the issue;
 - The methods of raising funds that are available to the Company, including rights issues or other issues in which existing Shareholders may participate;
 - The effect of the issue of the equity securities on the control of the Company;
 - The financial situation and solvency of the Company;
 - Prevailing market conditions; and
 - Advice from the Company's advisors.

The allottees under the Additional Placement Capacity have not yet been determined but if such an exercise was undertaken, allottees may include existing substantial Shareholders or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the allottees under the Additional Placement Capacity will be vendors of the new resources, assets or investments.

- A voting exclusion statement has not been included in this Notice as the Company is not proposing to make an issue of equity securities under ASX Listing Rule 7.1A.
- When the Company issues equity securities pursuant to the Additional Placement Capacity, it will give to ASX:
 - A list of the allottees of the equity securities and the number of equity securities allotted to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
 - The information required by Listing Rule 3.10.5A for release to the market.

6.2 Previous approval under ASX Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its Annual General Meeting held on 17 November 2020 (**Previous Approval**).

During the 12 month period preceding the date of the Meeting, being on and from 6 December 2020, the Company has issued equity securities pursuant to the Previous Approval as follows:

- The total number of Shares issued or agreed to be issued under Listing Rule 7.1A2 in that 12 month period was 4,761,906 Shares, representing 1% of the total number of Shares on issue at the commencement of that 12 month period;
- The Shares were issued to 2Invest AG pursuant to the funding package announced on 2 August 2021;
- The Shares were issued at a price of \$0.21 per Share, representing a discount of 4.5% to the last closing price of Shares traded on ASX prior to the announcement.
- The total cash consideration received was \$1,000,000.

6.3 Potential Dilution

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- Two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- Two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.10 50% decrease in Issue Price	\$0.20 Issue Price	\$0.40 100% increase in Issue Price
525,432,336 Current Variable A	10% Voting Dilution	52,543,234 Shares	52,543,234 Shares	52,543,234 Shares
	Funds raised	\$5,254,323	\$10,508,647	\$21,017,293
788,148,504 50% increase in current Variable A	10% Voting Dilution	78,814,850 Shares	78,814,850 Shares	78,814,850 Shares
	Funds raised	\$7,881,485	\$15,762,970	\$31,525,940
1,050,864,672 100% increase in current Variable A	10% Voting Dilution	105,086,467 shares	105,086,467 shares	105,086,467 shares
	Funds raised	\$10,508,647	\$21,017,293	\$42,034,587

The above table has been prepared based on the following assumptions:

- There are currently 525,432,336 Shares on issue.
- The Issue Price of \$0.20 per share is based on the closing market price of Shares on ASX at 18 October 2021.
- The Company issues the maximum number of equity securities available under the Additional Placement Capacity.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The table shows only the issue of equity securities under the Additional Placement Capacity and not under Listing Rule 7.1.
- The Company has not issued any equity securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.1 or with approval under ASX Listing Rule 7.1.
- The issue of the equity securities under the Additional Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the equity securities.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

6.4 Directors' Recommendation

The Directors recommend that Shareholders vote in favour of Resolution 5.
