Explanatory Notes

A. INTRODUCTION AND BACKGROUND

1. INTRODUCTION

1.1 Important Information

These Explanatory Notes have been prepared for the information of Shareholders in connection with the business to be conducted at the Meeting to be held virtually on an online platform on Monday, 13 December 2021 at 11:00am (Melbourne time).

The purpose of these Explanatory Notes is to provide Shareholders with information known to the Company that is material to a decision on how to vote on the Resolutions in the accompanying Notice.

Resolution 1 relates to the Shareholder approval of the Company's Remuneration Report. A vote on Resolution 1 is advisory only and will not bind the Company or the Directors.

Resolutions 2 and 3 seek Shareholder approval for the election of Mr Moore and re-election of Ms Anderson as Directors of the Company. Resolutions 2 and 3 are not conditional on the approval of any other Resolutions.

Resolutions 4 and 5 relate to the proposed issue of Service Rights under the Plan to two of the Directors of the Company, Ms Anderson and Mr Tripodi. Resolution 4 is conditional on the approval of Resolution 3.

Resolution 6 seeks Shareholder approval by way of a special resolution for the Company to have the ability to issue equity securities under the 10% Placement Capacity. It is not conditional on the approval of any other Resolutions.

Resolution 7 relates to the proposed issue of shares to TRUK to induce TRUK as licensor to enter into the UK License Agreement and as additional consideration for TRUK's grant of the trademark license to the UK Licensee in respect of the Toys"R"Us and Babies"R"Us brands in the United Kingdom pursuant to the UK License Agreement and consideration for TRUK to consent to amend the ANZ License Agreement to address consequential amendments required to the document as a result of the entering into the UK License Agreement. The UK License Agreement is conditional on a number of conditions precedent being satisfied in the Share Subscription Deed (including, obtaining approval of the Shareholders to the proposed issue of shares to TRUK).

The Notice and these Explanatory Notes should be read in their entirety. If Shareholders are in doubt as to how to vote, they should seek advice from a professional advisor prior to voting.

1.3 Voting Exclusion Statements

Certain voting restrictions apply to the Resolutions as detailed beneath the applicable Resolutions in the Notice.

2. BACKGROUND AND APPLICABLE LISTING RULES AND PROVISIONS OF THE CORPORATIONS ACT

2.1 Introduction

There are a number of approvals and requirements under the Listing Rules and Corporations Act that are relevant to the Resolutions set out in the Notice. To avoid lengthy duplication throughout these Explanatory Notes, this Section 2 sets out a summary of the provisions that are referred to in the Notice and these Explanatory Notes.

2.2 Listing Rule 7.1 – issues exceeding 15% of capital

Listing Rule 7.1 provides that without the approval of the holders its ordinary securities, an entity must not issue or agree to issue equity securities, which amount to more than 15% of its issued share capital in any rolling 12-month period. However, Listing Rule 7.2 sets out a number of exceptions to Listing Rule 7.1.

Any issue of Shares that is approved by Shareholders at the Meeting for the purposes of Listing Rule 7.1 will not use any of the Company's 15% placement capacity under Listing Rule 7.1.

2.3 Listing Rule 7.1A – additional 10% of capital

Listing Rule 7.1A provides that an eligible entity may seek shareholder approval at its annual general meeting to allow it to issue equity securities of up to an additional 10% of its issued capital over a period of up to 12 months after its annual general meeting (**10% Placement Capacity**). The 10% Placement Capacity is in addition to the capacity to issue 15% of its issued capital over a 12-month period without shareholder approval under Listing Rule 7.1.

The Company is an eligible entity and is seeking Shareholder approval at the Meeting for the additional 10% Placement Capacity under Listing Rule 7.1A.

2.4 Listing Rule 7.2 – Exceptions 13 and 14 to Listing Rules 7.1 and 7.1A

Exception 13 of Listing Rule 7.2 allows a company to issue equity securities without specific shareholder approval and without reducing the 15% capacity under Listing Rule 7.1 or the 10% Placement Capacity under Listing Rule 7.1A, where shareholders have approved the issue of equity securities under an employee incentive scheme (like the Plan) as an exception to Listing Rules 7.1 and 7.1A, within three years prior to the date of issue of the relevant equity securities (**Exception 13**). Shareholders approved this resolution at the 2020 Annual General Meeting which means that shareholder approval is not required to be sought pursuant to Exception 13 of Listing Rule 7.2. however shareholder approval is still required to be sought pursuant Listing Rules 10.14.

Exception 14 of Listing Rule 7.2 allows a company to issue equity securities without specific shareholder approval and without reducing the 15% capacity under Listing Rule 7.1 or the 10% Placement Capacity under Listing Rule 7.1A, where shareholders have approved the issue of equity securities under Listing Rule 10.11 or 10.14.

2.5 Listing Rules 10.11 and 10.14

Listing Rule 10.11 – Approval required for certain issues of securities

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, an entity must not issue or agree to issue equity securities (which includes options to acquire shares and share rights and share appreciation rights) to any of the following persons without the approval of the holders of its ordinary securities:

- (a) a related party.
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the entity.
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the entity and who has nominated a director to the board of the entity (in the case of a trust, to the board of the responsible entity of the trust) pursuant to a relevant agreement which gives them a right or expectation to do so.

Pursuant to Listing Rule 19, for the purposes of the Listing Rules, a **Related Party** of a public company includes:

- (a) any person or entity that controls the public company;
- (b) a director of the public company or of an entity that controls the public company (and their spouses, parents and children);
- (c) any person or entity that is controlled by a person or entity which is otherwise a Related Party;
- (d) any person or entity for which there are reasonable grounds to believe that the person or entity is likely to become a Related Party of the public company; or
- (e) any person or entity acting in concert with a person or entity that is otherwise a Related Party of the public company.

The proposed issue of securities falls within Listing Rules 10.11.1 above, as the proposed recipients of the securities, Ms Anderson and Mr Tripodi, are Directors and are therefore Related Parties of the Company. One of the exceptions to Listing Rule 10.11 (Exception 8) is where the relevant equity securities are issued with Shareholder approval under Listing Rule 10.14.

Listing Rule 10.14 – Approval required to acquire securities under an employee incentive scheme

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities (which includes options to acquire shares and share rights and share appreciation rights) under an employee incentive scheme (for eg, the Plan) without the approval of the holders of its ordinary securities.

- (a) a director of the entity
- (b) an associate of a person referred to in paragraph (a).
- (c) a person whose relationship with the entity or a person referred to in paragraphs (a) or (b) is such that, in ASX's opinion, the acquisition should be approved by security holders.

Ms Anderson and Mr Tripodi, as Directors of the Company are Related Parties of the Company and therefore Shareholder approval is required to permit the issue of the Service Rights to Ms Anderson and Mr Tripodi as Related Parties of the Company on the terms in Resolutions 4 and 5 (as applicable).

In accordance with Listing Rule 7.2 (Exception 14), if approval for the issue of the Service Rights to Ms Anderson and Mr Tripodi is given under Listing Rule 10.14, separate approval is not required under Listing Rule 7.1. Therefore, the issue of the Service Rights will fall under an exemption to, and will not be included in, the 15% calculation of the Company's rolling 12 month placement capacity pursuant to ASX Listing Rule 7.1.

2.6

Listing Rule 10.1 – approval required for certain acquisitions and disposals

Listing Rule 10.1 provides that an entity must ensure that neither it, nor any of its child entities, acquires a Substantial Asset from, or disposes of a Substantial Asset to, amongst other persons:

- (a) a Related Party (see Section 1.1);
- (b) a Substantial (10%+) Holder of the entity; or
- (c) an Associate of a substantial holder of the entity,

without the prior approval of shareholders.

For the purposes of Listing Rule 10.1:

- (a) **(Substantial Asset)** an asset is a Substantial Asset if its value, or the value of the consideration for it is, or in ASX's opinion is, 5% or more of the equity interests of the entity as set out in the latest accounts given to ASX under the Listing Rules; and

- (b) **(Substantial (10%+) Holder)** a person or entity is a Substantial (10%+) Holder if it has Voting Power (either directly or through its Associates), or had Voting Power at any time in the six (6) months before the transaction, in at least 10% of the total votes attaching to the voting shares of the entity.

2.7 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a Financial Benefit to a Related Party of the public company unless providing the benefit falls within a prescribed exception to the general prohibition. Relevantly, there is an exception if the company first obtains the approval of its shareholders in a general meeting in circumstances where certain requirements specified in Chapter 2E in relation to the convening of that meeting have been met.

Whilst similar to the definition of “Related Party” in the Listing Rules, a **Related Party** for the purposes of Chapter 2E includes:

- (a) any person or entity that controls (or is reasonably likely to control) the public company;
- (b) a director (or a relevantly proposed director) of a public company or of any entity that controls the public company (and their spouses, parents and children);
- (c) any person or entity that is controlled by the person or entity which is otherwise a Related Party;
- (d) any person or entity for which there are reasonable grounds to believe that a person or entity is likely to become a Related Party of the public company; or
- (e) any person or entity that acts in concert with a Related Party of the public company on the understanding that the Related Party will receive a Financial Benefit if the public company gives that person or entity a Financial Benefit (see section 228 of the Corporations Act).

As noted above, the definition of a Related Party for the purposes of the Corporations Act is similar to that under the Listing Rules. A key difference is that the Corporations Act concept of being a Related Party by virtue of “acting in concert” is narrower than the Listing Rules concept. Under the Corporations Act a person or entity “acting in concert” with a Related Party will only be a “Related Party” if it does so “on the understanding that the Related Party will receive a Financial Benefit if the public company gives that person or entity a Financial Benefit.

The term **Financial Benefit** used in Chapter 2E has a very wide meaning. It includes the public company paying money or issuing securities to a Related Party. In determining whether or not a Financial Benefit is being given, it is necessary to look to the economic and commercial substance and effect of what the public company is doing (rather than just the legal form). Any consideration which is given or paid for the Financial Benefit is to be disregarded, even if it is full or adequate.

Control, for the purposes of Chapter 2E, is defined in section 50AA. Under that definition an entity controls a second entity if the first entity has the capacity to determine the outcome of decisions about the second entity’s financial and operating policies.

The Corporations Act requires the Company's financial report (which includes the financial statements and Directors' declaration), the Directors' report and the auditor's report, to be laid before the Meeting. The financial report, the Directors' report and the auditor's report each relate to the Company's financial year ending 31 July 2021. These reports will be available from the Company's website at www.toysrus.com.au.

Shareholders will be given the opportunity to ask questions and to make comments on the Remuneration Report at the Meeting.

5. RESOLUTIONS 2 AND 3 – ELECTION OF MR KEVIN MOORE AND RE-ELECTION OF MS ANDERSON

The Company is seeking Shareholder approval under Resolutions 2 and 3 by ordinary resolution for the election of Mr Kevin Moore and the re-election of Ms Nicki Anderson as Directors of the Company.

5.1 Background

Mr Moore was appointed a Director of the Company in accordance with Rule 34(a) of the Company's Constitution, following the acquisition of HWG in November 2020 as approved by shareholders at the 2020 AGM of the Company.

Rule 34(b) of the Company's Constitution provides that Directors appointed under Clause 34(a) hold office only until the next annual general meeting of the Company.

Being eligible, Mr Moore offers himself for election and Ms Anderson offers herself for re-election in accordance with Rule 34(g) of the Company's constitution that provides that if a Director retires, or their directorship comes to an end, at the annual general meeting, the Company may, by ordinary resolution elect or re-elect (as applicable) the former Director to fill the vacated office.

The Board unanimously recommends that Shareholders vote in favour of Resolution 2 and 3.

C. SPECIAL BUSINESS

6. RESOLUTIONS 4 AND 5 – APPROVAL OF THE ISSUE OF SHARE RIGHTS

6.1 General

Resolutions 4 and 5 are ordinary resolutions that seek Shareholder approval for the purposes of Listing Rule 10.14, and for all other purposes, for the grant of Service Rights (including the issue of Shares on the vesting of those Service Rights) to two Non-Executive Directors of the Company, Ms Anderson and Mr Tripodi, on the terms set out below.

6.2 Reason why Shareholder approval is being sought: Listing Rule 10.14

Listing Rule 10.14 requires the Company to obtain Shareholder approval for the issue of equity securities, including Share Rights, to Directors of the Company under the Plan.

The Board has considered the application of Chapter 2E of the Corporations Act to the proposed grant of Share Rights to Ms Anderson and Mr Tripodi and considers that for the purposes of the exception contained in section 211(1) of the Corporation Act, the Financial Benefit to be given by the grant of the Share Rights constitutes reasonable remuneration to each of Ms Anderson and Mr Tripodi, given the circumstances of the Company and their respective roles and responsibilities at the Company.

Therefore, the Company is not seeking Shareholder approval under Chapter 2E, in addition to the approval being sought under Listing Rule 10.14.

6.3 Background to Resolutions 4 and 5

At the 2020 AGM of the Company, Shareholders approved the issue of three tranches of Share Appreciation Rights (**SARs**), each to Ms Anderson and Mr Tripodi. Unfortunately, there were several errors in relation to the number and terms of the proposed grants of SARs that were approved. To correct those errors and to generate the intended offers it is now proposed that the Company will now grant Service Rights to Ms Anderson and Mr Tripodi which will form part of the remuneration for FY20/21, FY21/22 and FY22/23 in lieu of an annual cash payment of \$30,000. Further, the two tranches of SARs that have not been granted will not be granted and the minimal value that was realised from the tranche of SARs that was granted will be taken into account by the Board when considering any future increase in cash fees for these two non-executive directors.

A Service Right is an entitlement to be issued a fully paid ordinary share in the Company when validly exercised after vesting. The grant of Service Rights to Ms Anderson and Mr Tripodi will enable the Company to keep cash payments to a minimum and to provide remuneration which are linked to the performance of the Company.

The Plan enables the Company to issue Service Rights to non-executive Directors of the Company in lieu of other forms of remuneration on such terms determined by the Board from time to time.

6.4 Details of the proposed grants of Service Rights

Number of Service Rights	500,000 for each of Ms Anderson and Mr Tripodi
Price of Service Rights	There is no amount payable other than the fee sacrifice amount for the Service Rights.
Term	Each Service Right has a term ending 15 years after the grant date (Term), and if not exercised before the end of the Term the Service Rights will lapse.
Disposal Restrictions on Service Rights	Service Rights may not be disposed, of or transferred or otherwise dealt with (including encumbered or made subject to any interest in favour of any other person) and will lapse immediately on purported disposal, transfer or dealing unless the transfer is effected by operation of law on death or legal incapacity to your legal personal representative.

Vesting of Service Rights	Service Rights will vest on 31 July 2023, provided the recipient(s) of the Services Rights remains a non-executive director of the Company. Earlier vesting may occur in some circumstances such a ceasing to hold the office of non-executive director.
Exercise	Service Rights may be exercised at any time after they vest and before the end of the Term. Service Rights may be exercised by submitting an exercise notice which may be obtained from the Company Secretary. Once Service Rights have been validly exercised, the Board will arrange for Shares to be obtained for the non-executive director's benefit. Settlement of Service Rights will not be in cash.
Exercise Price	The Exercise Price is nil.
Disposal Restrictions on Shares	Shares acquired on exercise of vested Service Rights may not be sold until doing so will not breach either the Company's Securities Trading Policy or the insider trading provisions of the Corporations Act.
Cessation of Holding the Office of non-executive director (NED)	If the person ceases to hold the office of non-executive director of the Company for any reason prior to 31 July 2023 then they will forfeit Service Rights in the proportion that the period following the date of cessation of holding the office of non-executive director until 31 July 2023 bears to 3 years. Any Service Rights that are not forfeited will vest.
No Hedging	Non-executive directors must not enter into an arrangement with anyone if it would have the effect of limiting their exposure to risk in relation to Service Rights (vested or unvested) or Shares that are subject to disposal restrictions. This is a Corporations Act requirement.
Change of Control	In the event that a Change of Control including a takeover that is expected to result in the delisting of Shares all unvested Service Rights will vest.

6.5 Additional information required by Listing Rule 10.15 in respect of Resolutions 4 and 5

Listing Rule 10.15 requires the following additional information be provided to Shareholders in relation to the proposed issue of Service Rights under Resolutions 4 and 5:

- (a) Pursuant to resolutions 4 and 5, the Share Rights shall be issued to Ms Anderson and Mr Tripodi.
- (b) Ms Anderson and Mr Tripodi are directors of the Company.
- (c) Subject to the passing of Resolutions 4 and 5, the Grant Value for each tranche of Share Rights to be issued to Ms Anderson and Mr Tripodi is \$30,000.00, and the number of Shares these convert to shall be determined by the Share Price on the relevant Vesting Date.
- (d) As at the date of this Notice, Ms Anderson and Mr Tripodi each receive \$60,000 plus Superannuation at 10% per annum by way of remuneration from the Company, as Director's fees.

Subject to Shareholder approval of Resolutions 4 and 5, Ms Anderson and Mr Tripodi's total remuneration package will be as follows:

- (i) annual Director's fees of \$60,000 plus superannuation; and
 - (ii) Service Rights with a value of \$30,000 per annum.
- (e) Ms Anderson and Mr Tripodi have each been issued 240,000 Share Appreciation Rights (**SARs**) under the Plan. As these SARs are not due to vest until after the 2021 AGM, of the Company it is intended that they will be cancelled and replaced with the Service Rights.
 - (f) Information required to be detailed in Listing Rule 10.15.6 is set out in Section 6.4 and Section 6.5 above and as follows:

- Term is 15 years after the grant date
- Price is nil other than fees foregone of \$30,000 per annum for three years
- Service Rights vest on 31 July 2023 subject to continuing appointment as a Director
- One Service Right converts to one ordinary share
- The Company is issuing Share Rights to ensure that a fair remuneration is paid to non-executive directors and to replace the Share Appreciation Rights issued to non-executive directors following the 2020 AGM.
- The Company attributes a value of \$30,000 per annum for three years. This is the additional amount of non-executive director fees that the Company would have paid if the Service Rights were not proposed.

- (g) If Shareholders approve the Resolutions, the Service Rights will be issued within three business days of the 2021 AGM. The Shares to be issued subsequent to the vesting of the Service Rights will be issued within three business days of the relevant Exercise Date.
- (h) The Terms of the Plan were presented to Shareholders at the 2020 AGM and were approved.
- (i) Ms Anderson and Mr Tripodi will not receive any loan from the Company in connection with the grant of Service Rights under Resolutions 4 and 5.
- (j) Details of any equity securities issued to Ms Anderson and Mr Tripodi under the Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that Shareholder approval for the issue was obtained under Listing Rule 10.14.
- (k) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of equity securities under the Plan after Resolutions 4 and 5 are approved and who are not named in the Notice will not participate until Shareholder approval is obtained under Listing Rule 10.14.

6.6 No additional approval under Listing Rule 7.1

As noted above, Listing Rule 7.1 provides that a listed company must not, subject to certain exceptions, issue during any 12 month period any equity securities, including securities with rights of conversion to equity, if the number of those securities exceeds 15% of the total number of ordinary securities on issue at the commencement of that 12 month period.

These restrictions do not apply in certain circumstances, including in relation to an issue of equity securities approved for the purposes of Listing Rule 10.14.

Consequently if Shareholders approve Resolutions 4 and 5 separate approval will not be required under Listing Rule 7.1 for the issue of the Service Rights (or any Shares on conversion of those Service Rights) and the issue of the Service Rights (or any Shares on conversion of those Service Rights) will not count towards the Company's capacity to issue equity securities under Listing Rule 7.1

6.7 Consequence of Resolutions 4 and 5 not being passed

If Shareholders do not approve Resolutions 4 and 5 then Ms Anderson and Mr Tripodi may be paid the value of the Service Rights in cash or, subject to the Company's cash position, have their fees revised in consultation with the Company.

6.8 Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolutions 4 and 5.

7. RESOLUTION 6 – APPROVAL OF 10% PLACEMENT CAPACITY

7.1 Introduction

Listing Rule 7.1A enables an eligible entity which has obtained shareholder approval to issue up to an additional 10% of its issued share capital through placements over a 12-month period after its annual general meeting (**10% Placement Capacity**). The 10% Placement Capacity is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

The Company is seeking Shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Capacity.

If Shareholders approve Resolution 6, the number of equity securities the Company may issue under the 10% Placement Capacity will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (see Section 7.3 below).

Resolution 6 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) must be in favour of the Resolution for it to be passed.

7.2 Listing Rule 7.1A

7.2.1 Eligible entity

An entity is an eligible entity for the purposes of Listing Rule 7.1A if it is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

7.2.2 Equity securities

Any equity securities issued under the 10% Placement Capacity must be in the same class as an existing quoted class of equity securities of the Company and must be issued for cash consideration.

7.2.3 Formula for calculating 10% Placement Capacity

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 10% Placement Period (defined below), a number of equity securities calculated in accordance with the following formula:

(A x D) – E

Where:

A is the number of fully paid ordinary securities on issue at the commencement of the relevant period:

- (a) plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 (other than exception 9, 16 or 17);
- (b) plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities (including convertible notes and options) within Listing Rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rules 7.1 or 7.4,
- (c) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16, where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rules 7.1 or 7.4,
- (d) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under Listing Rules 7.1 or 7.4. This does not include an issue of fully paid ordinary securities issued in the relevant period under the entity's 15% placement capacity without shareholder approval. This may include fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 17, where the issue is subsequently approved under Listing Rule 7.1;
- (e) plus the number of partly paid ordinary securities that became fully paid in the relevant period; and

- (f) less the number of fully paid ordinary securities cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where this issue or agreement has not subsequently been approved by the holders of its ordinary securities under Listing Rule 7.4.

relevant period means:

- (a) if the entity has been admitted to the official list for 12 months or more, the 12 month period immediately preceding the date of the issue or agreement; or
- (b) if the entity has been admitted to the official list for less than 12 months, the period from the date the entity was admitted to the official list to the date immediately preceding the date of the issue or agreement.

7.3 Specific information required by Listing Rule 7.3A

The following information is provided in relation to the approval of the 10% Placement Capacity pursuant to and in accordance with Listing Rule 7.3A:

7.3.1 10% Placement Period

Shareholder approval of the 10% Placement Capacity under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained (i.e. the date of the Meeting) and expires on the earlier to occur of:

- (a) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the next annual general meeting, if less than 12 months; or
- (c) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if allowed by ASX,

(10% Placement Period).

The Company will only issue and allot the equity securities during the 10% Placement Period. In accordance with Listing Rule 7.1A, the approval under Resolution 6 for the issue of the equity securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

7.3.2 Minimum issue price

The equity securities issued under Listing Rule 7.1A will be issued by the Company for cash consideration at an issue price which is not less than 75% of the volume weighted average market price of equity securities in the same class calculated over the 15 trading days on which trades in the relevant class were recorded immediately before:

- (a) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the securities; or
- (b) if the equity securities are not issued within 10 trading days of the date mentioned in paragraph (a) above, the date on which the equity securities are issued.

7.3.3 Purpose of issues u Purpose for which the funds raised under the 10% Placement Capacity may be used

The Company may issue equity securities under the 10% Placement Capacity for the purpose of raising funds to use towards general working capital requirements, ongoing business development

activities and/or the acquisition of new business assets or investments (including expenses associated with such acquisition).

7.3.4 Risk of economic and voting dilution

Any issue of Shares under the 10% Placement Capacity will dilute the interests of any Shareholders who do not receive any Shares under the issue.

If Resolution 6 is approved by Shareholders and the Company issues equity securities under the 10% Placement Capacity, the existing Shareholders' voting and economic interests in the Company will be diluted as shown in the table below.

The table below shows the dilution of existing Shareholders on the basis of the closing price of Shares on 27 October 2021 and the number of Shares for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of the Notice.

The table also shows the voting dilution impact where the number of Shares on issue (variable "A" in the formula) has increased by 50% and by 100% and the economic dilution where the issue price of Shares issued under the 10% Placement Capacity is 50% less than the closing price of the Shares on 27 October 2021 and 100% greater than the closing price of the Shares on 27 October 2021.

Variable A in Listing Rule 7.1.A.2		Dilution		
		\$0.09 50% decrease in Issue Price	\$0.18 Issue Price	\$0.36 100% increase in Issue Price
Current Variable A 848,358,858	10% Voting Dilution	84,835,886	84,835,886	84,835,886
	Funds Raised	\$7,635,230	\$15,270,459	\$30,540,919
50% increase in current Variable A 1,272,538,287	10% Voting Dilution	127,253,829	127,253,829	127,253,829
	Funds Raised	\$11,452,845	\$22,905,689	\$45,811,378
100% increase in current Variable A 1,696,717,716	10% Voting Dilution	169,671,772	169,671,772	169,671,772
	Funds Raised	\$15,270,459	\$30,540,919	\$61,081,838

The table has been prepared on the following assumptions:

- The Issue Price set out in the table is the closing price of the Company's Shares on the ASX on 27 October 2021.
- The Company issues the maximum number of equity securities available under the 10% Placement Capacity.
- There are 848,358,858 Shares on issue, being the number of Shares on issue as at 27 October 2021.
- No rights convertible into Shares are exercised into Shares before the date of the issue of the equity securities under Listing Rule 7.1A.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1 or any issues otherwise permitted under the Listing Rules.
- The issue of equity securities under the 10% Placement Capacity consists only of Shares.
- The Company has not issued any equity securities in the 12 months prior to the date of the Meeting that were not issued under an exception in Listing Rule 7.2 or which were not approved under Listing Rule 7.1 or 7.4.

Shareholders should note that there is a risk that:

- (a) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date Shareholders provide their approval at the Meeting; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

Shareholders should also note that the calculations in the table do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

7.3.5 Allocation under the 10% Placement Capacity

The Company's allocation policy will depend on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity.

The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:

- (a) the purpose of the issue;
- (b) any alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (c) the effect of the issue of the equity securities on the control of the Company;
- (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (e) the prevailing market conditions; and
- (f) any advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Capacity have not been determined as at the date of this Notice but may include existing Shareholders and/or new investors who are not Related Parties of the Company (or their Associates).

7.4 Previous approval under Listing Rule 7.1A

The Company obtained Shareholder approval under Listing Rule 7.1A at the Company's previous annual general meeting held on 23 November 2020. However, the Company has not issued any equity securities under the 10% Placement Capacity since that annual general meeting.

7.5 Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 6.

8. TOYS"R"US LICENCE – NEW TERRITORY

8.1 Introduction

Resolution 7 is an ordinary resolution which seeks Shareholder approval for the issue of 13,394,216 Shares to TRUK for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.11 and for all other purposes.

The Material Terms of the proposed UK Licence Agreement are set out below in section 8.4.

8.2 Approval not required under Listing Rule 7.1

Shareholder approval pursuant to Listing Rule 7.1 is not required for the issue of the Consideration Shares to TRUK, as approval is being obtained under Listing Rule 10.11 (Exception 14 of Listing Rule 7.2) and Chapter 2E of the Corporations Act. Accordingly, as the issue of the Consideration Shares will be made pursuant to Exception 14 of Listing Rule 7.2, the issue of the Consideration Shares will not be included in calculating the Company's 15% rolling twelve-month placement capacity.

It therefore requires the approval of the Shareholders under Listing Rule 10.11.

Resolution 7 seeks the required Shareholder approval for the issue of the Consideration Shares under, and for the purposes of, Listing Rule 10.11.

If Resolution 7 is passed, the Company will be able to proceed with the issue of the Consideration Shares. If Resolution 7 is not passed, the Company will not be able to proceed with the issue of the Consideration Shares and it will not be able to proceed with the proposed business expansion under the Toys"R"Us name into the United Kingdom pursuant to the terms and conditions of the UK License Agreement.

The material terms of the UK Licence Agreement are as follows:

- (d) in consideration for TRUK entering into the UK Licence Agreement, the Company shall issue TRUK the Consideration Shares (provided that the conditions precedent set out in the Share Subscription Deed are satisfied, which includes Shareholder approval) ;
- (e) in consideration of TRUK granting the exclusive licence to the UK Licensee, the UK Licensee shall pay TRUK an annual minimum payment (the **Minimum Guaranteed Royalty**), as set out below:

Applicable Periods	Minimum Guaranteed Royalty
The period from and including the Effective Date until and including June 30, 2022	US\$0.00
The period from and including July 1, 2022 until and including September 30, 2022	US\$215,000.00

The Minimum Guaranteed Royalty for each period specified above shall be payable irrespective of the gross revenue of the UK Licensee in any Applicable Period.

In addition to the Minimum Guaranteed Royalty, for each Applicable Period set out in the table below where the Minimum Guaranteed Royalty is less than the continuing royalty payment as set out in column two in the table below opposite the relevant Applicable Period (the **Continuing Royalty**), the UK Licensee will pay TRUK the difference between the Continuing Royalty and the Minimum Guaranteed Royalty for the relevant Applicable Period.

Applicable Periods	Continuing Royalty Amount

- (g) the original Letter of Credit under the ANZ Licence Agreement for US\$1,200,000 will be replaced with a substantially identical letter of credit securing both the obligations of the ANZ Licensee under the ANZ License Agreement and of the UK Licensee under the UK License Agreement and that replacement Letter of Credit will remain in place until 31 December 2024 (inclusive).

8.5 Chapter 2E of the Corporations Act

As set out in Section 2.7, a Related Party of the Company for the purposes of Chapter 2E of the Corporations Act includes any entity that controls (or is reasonably likely to control) the Company.

In order to induce TRUK as licensor to enter into the UK License Agreement and as additional consideration for TRUK's grant of the trademark license to the UK Licensee in respect of the use of the Toys "R" Us and Babies "R" Us brands in the United Kingdom pursuant to the UK License

Agreement and consideration for TRUK to consent to amend the ANZ License Agreement to address consequential amendments required to the document as a result of the entering into the UK License Agreement, TRUK will be issued the Consideration Shares (if Shareholder approval is provided) (the **Proposed Transaction**).

As previously disclosed by the Company to Shareholders in the 2020 Notice of Annual General Meeting (**AGM Notice**), pursuant to the ANZ License Agreement, TRUK has been granted, amongst other things, consultation and approval rights in relation to the appointment of any future Chief Executive Officer, Managing Director and Chair of the Company, which may give TRUK the ability to influence the governance structure of the Company going forward. As noted in the AGM Notice, under the Company's constitution, the Chair of the Board has a casting vote at Board meetings. That is, if there are four Directors and only two Directors vote in favour of a motion, the Chair will have the deciding vote. As TRUK has power to approve the appointment of two Directors to the Board (including the Chair), it will in turn have power to approve the appointment of the persons who control the decisions of the Board.

Whilst there is an exception to the requirement to obtain Shareholder approval if the Financial Benefit is given on arm's length terms (pursuant to section 210 of the Corporations Act), the Directors have determined given the nature of the proposed arrangements it is appropriate to seek Shareholder approval for the issue of the Consideration Shares for the purpose of Chapter 2E of the Corporations Act.

8.6 Chapter 2E of the Corporations Act Regulatory Requirements

For the reasons set out above, the issue of the Consideration Shares to TRUK may confer Financial Benefits on TRUK. The Company therefore seeks the approval of Shareholders in accordance with Chapter 2E of the Corporations Act. For this reason and for all other purposes the following information is provided to Shareholders:

- (a) The Related Parties to whom the Financial Benefits are to be given
TRUK (or its nominees).
- (b) The nature of the Financial Benefits to be given
The issue of 13,394,216 Shares to TRUK (or its nominees).
- (c) Interest of Directors
The issue of the Consideration Shares will not have an effect on the interests of any directors of the Company.
- (d) Valuation
The issue price of each Consideration Share will be \$0.18.
- (e) Trading History

In the 12 months prior to the date of this Notice, the Company's trading history is as follows:

High	30 September 2021	\$ 0.180
Low	19 May 2021	\$ 0.075
Last	27 October 2021	\$ 0.180

(f) Dilutionary effect

If Resolution 7 is approved, and the Consideration Shares are issued to TRUK, the effect on the current issued capital of the Company will be as shown in the table below:

(g) Tax Consequences

The Company has significant carried forward tax losses that may be available to offset taxable income in future years if the Company can satisfy one of the loss recoupment tests, being either the continuity of ownership test (**COT**) or similar business test (**SBT**).

Broadly the COT is satisfied if the Company has the same persons with the same interests, holding more than 50% of the Company's voting power, rights to dividends and rights to capital distributions at all times during the test period (being the start of the loss year to the end of the income year in which the losses are utilised). As a listed entity, the Company is

able to utilise the modified COT rules under Division 166 of the *Income Tax Assessment Act 1997* (Cth). These rules provide that for direct stakes of less than 10%, there is no requirement to trace through to ultimate natural persons and are instead treated one single 'notional Shareholder'.

The Company has assessed that it currently satisfies the COT. Following issue of the shares to TRUK the Company will reassess if the COT remains satisfied. If this is not the case, the Company will need to satisfy the SBT for carried forward losses to remain available to offset any future taxable income.

SBT allows businesses to access losses following a change in ownership where its business, while not the same, is similar having regard to:

- the extent to which the assets that are used in its current business to generate assessable income were also used in its former business to generate assessable income;
 - the extent to which the activities and operations from which its current business generated assessable income were also the activities and operations from which its former business generated assessable income;
 - the identity of its current business and the identity of its former business; and
 - the extent to which any changes to the former business resulted from the development or commercialisation of assets, products, processes, services or marketing or organisational methods of the former business.
- (h) Any other information that is reasonably required by Shareholders to make a decision and that is known to the Company or any of its Directors

Other than as set out in these Explanatory Notes, the Directors are not aware of any other information that will be reasonably required by Shareholders to make a decision in relation to the Financial Benefits contemplated by Resolution 7.

8.7 Escrow of Consideration Shares

Pursuant to section 707(3) of the Corporations Act, without issuing a cleansing prospectus, the Consideration Shares are not permitted to be on-sold by TRUK within 12 months of their issue date. The quantum of Consideration Shares to be issued to TRUK is too small to justify the burdensome and costly exercise of the Company preparing and issuing a cleansing prospectus under section 708A(11) of the Corporations Act. The Company is of the opinion that a voluntary escrow arrangement for the issue of the Consideration Shares is necessary to prevent the inadvertent contravention of section 707(3) of the Corporations Act.

TRUK has agreed to enter into an escrow deed with respect to the Consideration Shares. The share escrow deed prohibits TRUK from dealing with:

- fifty per cent (50%) of the Consideration Shares issued to it for a period of 12 months; and
 - fifty per cent (50%) of the Consideration Shares issued to it for a period of 24 months,
 -
- from the date of issue (**Escrow Period**). During the Escrow Period, the Consideration Shares will be held by the Company in its Issuer Sponsored Sub-Register.

During the Escrow Period, TRUK is entitled to exercise all rights (voting) and benefits (dividends) attaching to the Consideration Shares, but may not sell/transfer, or agree to sell/transfer, the Shares until they are released from escrow by the Company.

There are limited exceptions to the restrictions on dealing in the Consideration Shares, including where a takeover bid is made for the Company or the Company proposes a scheme of arrangement under the Corporations Act involving the acquisition of a majority of the Shares of the Company.

8.8 Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 7.
