In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (ie as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (ie as directed); and
- if the proxy is not the chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (ie as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting; or
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. RESOLUTION 1 – RATIFICATION OF PRIOR ISSUE OF CONVERTIBLE NOTES

1.1 General

On 18 October 2021, the Company announced that it had successfully raised \$2,392,047 via placement of convertible notes (**Notes** and each a **Note**).

The key commercial terms of the Notes are as follows:

- (a) **Amount raised:** \$2,392,047 placed with each Note having a face value of \$1.00;
- (b) **Maturity Date:** 6 months from date of issue;
- (c) **Interest:** 10% p.a. capitalised and paid in additional shares at conversion price;
- (d) **Conversion Event (Automatic):** The Notes automatically convert if the Company receives A\$4.0 million or more (whether in single or multiple closings) (**Qualified Financing**) on or before the Maturity Date, the face value amount of each Note and all interest due will automatically convert into fully paid ordinary shares into the Company;
- (e) **Conversion price on Qualifying Financing or Exit:** at the lesser of \$0.20c or a 15% discount to the relevant event and subject to a floor of \$0.09 cents per Share. On conversion of the Notes, investors will receive 1 unlisted option for every 2 Shares issued, exercisable at \$0.30 with a two-year expiry from the date of issue; and
- (f) **Conversion Event (at Maturity Date):** If the Notes remain unconverted at the Maturity Date they will convert automatically at a 25% discount to the 5 day volume weighted average price (VWAP) of the Shares at that time, with capitalised interest paid in additional shares at the conversion price of the Notes. Investors will also receive 1 unlisted option for each Share issued, exercisable at a 200% premium to the relevant conversion price with a two-year expiry from the date of issue.

Please note that the effect of the issued share capital of the company upon the issue and conversion of the Notes is as follows:

Shares	Number
Shares issued on the date of this Notice	177,188,778
Shares issued upon conversion of the Notes ¹	27,907,215
Total Shares on issue following conversion of all Notes	205,095,993

Note 1: This assumes that the Notes are converted at the lowest possible Note price (being \$0.09) and all interest due will automatically convert into fully paid ordinary shares into the Company (interest at six (6) months being \$119,602.35 works out to be 1,328,915 Shares (**Interest Shares**)). These Interest Shares were agreed to be issued in breach of HMD's capacity and the Company was subject to a holiday placement and that is why the Company is not seeking ratification of these securities. The Interest Shares will reduce the Company's Listing Rule 7.1 placement capacity over the following 12 months.

1.2 Why is Shareholder approval being sought?

The Notes were issued by the Company under the Company's 15% annual securities issuing limit set out in ASX Listing Rule 7.1. Subject to a number of exceptions, ASX Listing Rule 7.1 limits the number of Equity Securities (which includes shares, options over unissued shares, rights to shares and convertible notes) that a listed company may issue, or agree to issue, without shareholder approval in any rolling 12-month period to 15% of the company's issued ordinary shares. However, ASX Listing Rule 7.4 provides that where a listed company in general meeting subsequently approves a prior issue of securities and that prior issue did not breach ASX Listing Rule 7.1, those securities will be treated as having been made with shareholder approval for the purpose of ASX Listing 7.1. The Company is seeking Shareholder approval for the Notes issue for the purposes of ASX Listing Rule 7.4 to enable the Company to retain the flexibility to issue new Equity Securities following the meeting and up to the 15% limit in ASX Listing Rule 7.1, without the need to seek Shareholder approval.

If Resolution 1 is passed by Shareholders, the issue of the Notes will be excluded from the calculations of the Company's 15% limit under Listing Rule 7.1 (with the exclusion of the Interest Shares). If Resolution 1 is not passed by Shareholders, the Notes will be included in calculating the Company's 15% limit under ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the issue date of the Notes.

1.3 Specific Information required for ASX Listing Rule 7.5

In addition to the above information and in accordance with ASX Listing Rule 7.5, the following information is provided for Shareholders:

- (a) **Names of the persons to whom the Company issued the Notes or the basis upon which those persons were identified or selected:** The Notes were issued to eligible sophisticated investors identified by PAC Partners through a bookbuild process, acting as sole lead manager for the Notes offer, being the Note Investors.
- (b) **The number and class of securities issued:** 2,392,047 Notes with an aggregate face value of \$2,392,047 and with a maturity date of six (6) months from date of issue. Each Note is convertible into Shares as set out in section 1.1 above.
- (c) **Date of issue:** The Notes were issued on 25 October 2021.
- (d) **Issue price or other consideration the Company has received for the issue of each Note:** \$2,392,047 placed, with each Note having a face value of \$1.00.
- (e) **The purpose of issue:** The funds raised will support ongoing requirements as the Company continues to support existing pilots and their progress through the next stage of commercial discussions as well as potential new pilots.
- (f) The material terms of the Notes:
 - (i) **Interest:** 10% p.a. capitalised and paid in additional Shares at conversion price;
 - (ii) **Maturity Date:** six (6) months from date of issue.
 - (iii) **Conversion Event (Automatic):** The Notes automatically convert if the Company receives A\$4.0 million or more (whether in single or multiple closings) (**Qualified Financing**) on or before the Maturity Date, the principal amount of each Note and all interest due will automatically convert into fully paid ordinary shares into the Company;
 - (iv) **Conversion price on Qualifying Financing or Exit:** at the lesser of \$0.20c or a 15% discount to the relevant event and subject to a floor of \$0.09 cents per Share. On conversion of the Notes, investors will receive 1 unlisted option for every 2 Shares issued, exercisable at \$0.30 with a two-year expiry from the date of issue; and

- (v) **Conversion Event (at Maturity Date):** If these Notes remain unconverted at maturity they will convert automatically at a 25% discount to the 5 volume weighted average price (VWAP) of the Shares at that time with capitalised interest paid in additional shares at the conversion price of the Notes. Investors will also receive 1 unlisted option for each Share issued, at an exercise price the equivalent of a 200% premium to the relevant conversion price with a two-year expiry from the date of issue of the unlisted option.

Accordingly, the Company is seeking Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the Notes, the subject of Resolution 1.

2. RESOLUTION 2 – APPROVAL FOR ISSUE OF OPTIONS – PLACEMENT

2.1 General

Resolution 2 seeks Shareholder approval for the issue of up to 27,907,215 Options for nil consideration to the Note Investors, being the subscribers in the Notes summarised in Resolution 1 (**Notes Offer**) and announced on ASX on 18 October 2021 based on a maximum of one (1) Option for every one (1) Share issued (**Option Placement**). The Options will have a minimum exercise price of \$0.18 and an expiry date of two (2) year from date of issue.

Please note:

- (a) that the Option Placement is a separate offer to the Note offer pursuant to Resolution 1; and
- (b) the above assumes the maximum options to be issued, i.e. a Conversion Event (at the Maturity Date) as summarised in section 1.3(f) (v). Should a Qualified Financing or Exit occur prior to maturity (as summarised in section 1.3(f)(iii) and (iv)), investors will receive 1 option for 2 Shares issued, exercisable at \$0.30 with a 2 year expiry from the date of issue.

As summarised in section 2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period. The proposed issue of the Options the subject of Resolution 3 does not fall within any of these exceptions and exceeds the 15% limit 12 in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

If Resolution 2 is passed, the Company will be able to proceed with the Option Placement. In addition, the issue of the Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 2 is not passed, the Company will not be able to proceed with the Option Placement at this point in time and the issue of the Options would likely be made at a later date when the Company has placement capacity to do so.

2.2 Technical Information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to Resolution 2:

- (a) the Options will be issued to the Note Investors, being the sophisticated investors who participated in the Note Offer;
- (b) the maximum number of Options to be issued is 27,907,215;
- (c) the Options will be issued no later than 29 April 2022 (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules);
- (d) the issue price of the Options will be nil as they will be issued free attaching to the Shares issued pursuant to the conversion of the Notes:
 - (i) on a one-for one basis (assuming a Conversion Event (at Maturity Date) which is summarised in section 1.3(f)), exercisable at a minimum price of \$0.18 with an expiry of two (2) years; or
 - (ii) on a one-for two basis (assuming a Qualified Financing or Exit) which is summarised in section 1.3(iii) and (iv), exercisable at \$0.30 with a 2 year expiry from the date of issue;
- (e) the Options will be issued on the terms and conditions set out in Schedule A; and

- (f) no funds will be raised from the Option Placement as the Options will be issued for nil consideration. Any amount raised on exercise of the Options will be used for working capital purposes.

Voting Exclusion - A voting exclusion statement is included in the Agenda in this Notice for Resolution 2.

3. RESOLUTION 3 – APPROVAL FOR ISSUE OF ADVISORY OPTIONS

3.1 Background

Pursuant to a capital raising mandate between the Company and PAC Partners Securities Pty Ltd (**PAC Partners**) dated on or about 18 October 2021 (**Mandate**), the Company has agreed to issue to PAC Partners or its nominees (**Resolution 3 Allottees**) 1,000,000 unlisted options exercisable at \$0.30 each expiring on or before 2 years from the date of issue (**Advisor Options**).

- (f) **Intended use of Funds Raised** – no funds will be raised as a result of the proposed issue of the Advisor Options. Any amount raised on exercise of the Advisor Options will be used for working capital purposes.
- (g) **Summary of the material terms of the Mandate:** The Company engaged Pac Partners to act as lead manager to the capital raising the subject of Resolution 1 and had agreed to issue 1,000,000 Advisor Options in part consideration for services provided by Pac Partners (pursuant to this Resolution 3). The proposed issue of the Advisor Options will be in addition to the payment by the Company of capital raising fees of 6% of funds received in connection with the placement of the Notes in October 2021.

Voting Exclusion - A voting exclusion statement is included in the Agenda in this Notice for Resolution 3.

STEP 1 – APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise, if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise.
