

ASX Announcement29th November 2021**Damstra Technology**

(ASX: DTC)

DAMSTRA SIGNS CONTRACT VARIATION WITH CPB CONTRACTORS

Damstra Holdings Limited (ASX:DTC) (**Damstra** or the **Company**), an Australian-based global provider of integrated workplace management solutions, today announces that it has signed a variation to the Master Supply Agreement with CPB Contractors Pty Ltd (**CPB**).

Under the terms of the new variation, Damstra will extend the usage of its Learnings and digital forms module to all present and future projects with CPB for a fixed annual fee, in addition to the other various goods and services Damstra provides to CPB on variable rates.

Based on user numbers and present projects, the annual revenue impact is estimated at \$550,000 per annum for the remainder of the initial term of the agreement, being until 30 June 2024. Revenue impact is expected to increase Annual Recurring Revenue (ARR) by \$550,000.

Background

- CPB Contractors is the Australasian construction company of the CIMIC Group.
- Presently, Damstra is on ~35 projects across Australia and New Zealand.
- ~59,000 registered users as at October 2021.
- Damstra provides comprehensive workforce management solutions, including mobilisation, competency management, document verification, induction management, access control, Learning and digital forms/workflow solution.

Damstra CEO, Christian Damstra, said: "We are very pleased to announce this contract variation with CPB, one of Australasia largest construction companies. This new arrangement means CPB will now have access to essentially all our modules for present and future projects and we are proud to continue this longstanding relationship with CPB. This variation demonstrates our confidence in Damstra's ability to deliver new innovative modules and products. It is also validation of the expanding EPP solutions provided by Damstra in that several of these new products had their origins from past acquisitions."

Ends

Authorised for release to ASX by the Board of Damstra Holdings.
