WESTPAC COMPLETES SALE OF WHOLESALE AUTO LOAN BOOK

Following the 28 June 2021 announcement of Westpac's intention to sell its vehicle dealer finance and novated leasing businesses to Angle Auto Finance¹, Westpac has today confirmed that it has completed the sale of its wholesale dealer loan book of approximately \$1 billion in receivables.

This is the key milestone in the transaction. The transition of Westpac's retail, wholesale dealer and introducer networks to Angle Auto Finance is under way and is expected to complete by the end of March 2022.

The transaction is expected to add 6 basis points to Westpac's Common Equity Tier 1 capital ratio² and generate an accounting gain on sale³.

Westpac Group Chief Executive, Specialist Businesses, Jason Yetton said the sale continued to simplify the Group's operations while supporting the Auto Finance industry.

"Westpac is confident that Angle will provide a high level of support for dealers and customers and is committed to investing and growing the business to help more Australians get behind the wheel," Mr Yetton said.
