Operations

Dynamic Drill & Blast Pty Ltd (Drill and Blast)

Drill and blast operations continue at Allkem Limited's Mt Cattlin Lithium Spodumene project and AngloGold Ashtanti Limited's Golden Delicious project in the Goldfields region of West Australia. Multiple short-term projects have also been undertaken during the quarter with overall utilisation of equipment remaining very high. Q2 FY22 generates a lower conversion of earnings from revenue when compared with Q1 FY22, primarily due to the investment and preparation new equipment, as well as opportune repairs and maintenance undertaken during the Christmas period on the existing fleet to ensure strong performance during the remainder of FY22, on both new and existing projects.

Drill and Blast business unit acquired 3 additional drill rigs, including 1 new Epiroc D65, 1 used Epiroc T45 and 1 used Epiroc F9C to meet on-going demand.

ASX Announcement

Orlando Drilling Pty Ltd (Orlando)

Global Lithium Resources Limited ("ASX:GL1" or "Global Lithium") selected Orlando to carry out their planned RC drilling program in the first quarter of 2022 at their Marble Bar Lithium Project. Global Lithium's drilling program is planned to comprise of approximately 60,000m of RC drilling.

In addition, Orlando have entered into a number of smaller contracts with ongoing exploration projects located in the Pilbara, Murchison and Gold Field regions for the purposes of exploration of the mineral resource reserves of gold, lithium, nickel, and copper. Overall utilisation of equipment remains very high. Orlando acquired an additional Schramm T685 drill rig and support equipment to sustainably meet demand into 2022.

The Company continue contract discussions which are at various stages with multiple parties and both business units are experiencing a sustained and strong level of enquiry resulting in a significant pipeline of opportunities for short, medium and long-term projects.

Both business units have shown significant resilience with the difficulties imposed by the COVID-19 pandemic, which has seen access to personnel and equipment made difficult and has managed to continue with minimal disruption to operations. The Company continues to monitor and adhere to government directions and customer requirements.

Labour pressures and supply chain constraints are persistent across both business units. The Company has a strong and well experienced management team with the capability to adapt and work in partnership with its customers to ensure security of supply and a positive operational and commercial outcome.
