

ASX Announcement

04 FEBRUARY 2022

Parkway Achieves ISO Certification for: ISO 9001(Quality), ISO 14001 (Environment) and ISO 45001 (OH&S)

Parkway Corporate Limited (ASX: **PWN**) ("**Parkway**" or the "**Company**") is pleased to advise that following an external certification audit (conducted by QMS Certification Services) of its integrated management system (the "**Parkway IMS**"), the Parkway IMS has achieved certification ("**ISO Certification**") in relation to:

- ISO 9001:2015 (Quality Management Systems);
- ISO 14001:2015 (Environmental Management Systems); and
- ISO 45001:2018 (Occupational Health & Safety Management Systems).

Parkway's ISO Certification encompasses the activities of all entities within Parkway's corporate group, including the activities of Parkway Process Solutions Pty Ltd, being the design, supply, assembly, installation and commissioning of industrial water treatment related products, services and solutions for various Australian clients, as managed from Parkway's Melbourne head office.

COMMENTS FROM GROUP MANAGING DIRECTOR & CEO

Parkway's Group Managing Director & CEO, Bahay Ozcakmak, makes the following comments:

"As we advance the commercialisation of our portfolio of industrial water treatment and process technologies, we are seeking to disrupt and improve established and conventional processes. We understood from the beginning of this journey, that it is of critical importance, that we adopt industry best practices, in order to meet and exceed the expectations of our key stakeholders.

To this end, establishing the Parkway IMS has been an important priority, to ensure we continue to build a culture and track-record, of continuous improvement and operational excellence. Achieving ISO Certification, enables us to demonstrate our operational excellence, as well as further express our commitment to the highest quality environmental, social & governance outcomes, for Parkway and our various stakeholders.

Finally, I'd like to congratulate the Parkway team and thank everyone who contributed to achieving this important milestone."

The release of this announcement has been approved by Parkway's Group Managing Director & CEO, Bahay Ozcakmak.

FORWARD-LOOKING STATEMENTS

This announcement may contain forward-looking statements. The words “continue”, “expect”, “forecast”, “potential” and other similar expressions are intended to identify forward-looking statements. Indications of, and guidance on, future earnings, financial position, capex requirements and performance are also forward-looking statements, as are statements regarding internal management estimates and assessments of market outlook.

Where the Company expresses or implies an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have a reasonable basis. However, forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of Parkway, its officers, employees, agents and advisors, that may cause actual results to differ materially from those expressed or implied in such statements. There can be no assurance that actual outcomes will not differ materially from these statements. There are usually differences between forecast and actual results, because events and actual circumstances frequently do not occur as forecast and their differences may be material.

The Company does not undertake any obligation to release publicly any revisions to any “forward-looking statements” to reflect events or circumstances after the date of this announcement, or to reflect the occurrence of unanticipated events, except as may be required under the applicable securities laws.

ABOUT PARKWAY CORPORATE LIMITED

Parkway Corporate Limited is an Australian cleantech company focused on developing and implementing, industrial-scale innovative water treatment solutions. The Company listed on the Australian Securities Exchange (ASX: PWN) in 2011 and is emerging as a leader in water related sustainability solutions. With significant inhouse technical expertise and established partnerships, the Company is well-placed to deliver the next generation of wastewater treatment plants, incorporating the company’s portfolio of world-class technologies.

Parkway Corporate Limited primarily operates through three core business units:

- Parkway Process Solutions (PPS) – is an emerging provider of industrial and innovative water treatment related, products, services, solutions & technology across Australia and is the primary operating division of the Company. PPS has recently established commercial relationships with key water industry participants, including globally recognised OEMs.
- Parkway Process Technologies (PPT) – is the technology development, acquisition, and commercialisation division of the Company. PPT owns a portfolio of industrial wastewater treatment related technologies, including the patented aMES® and iBC® process technologies. PPT has global aspirations and is supported by a network of strategic partners, including global engineering company Worley.
- Parkway Ventures (PV) – holds a portfolio of project equity and royalty related interests owned by the Parkway group, including interests relating to the Karinga Lakes Potash Project in the Northern Territory of Australia.
