1H FY22 Results Presentation

21 February 2022

Disclaimer

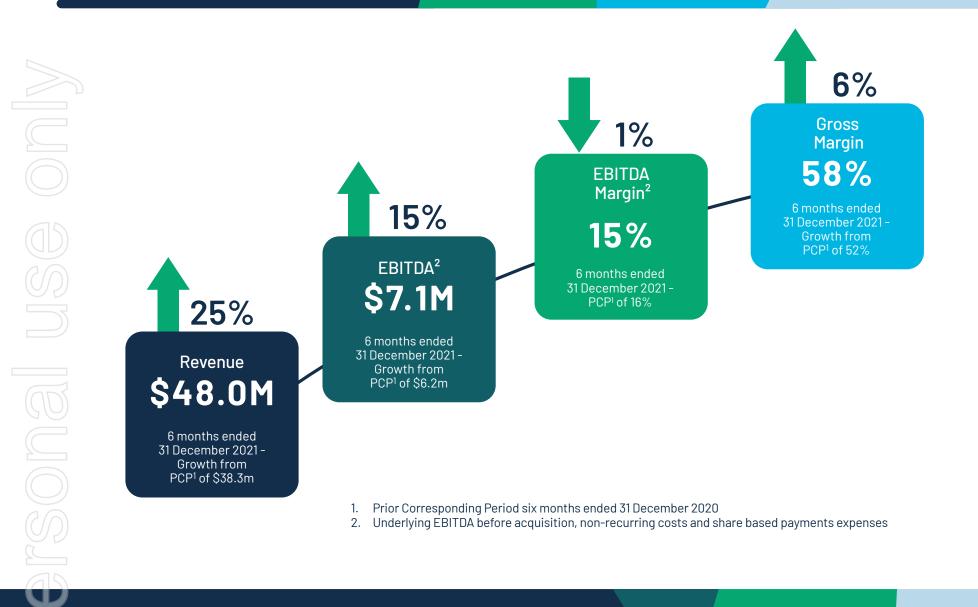

This presentation contains certain statements that may constitute forward-looking information under applicable securities laws. All statements, other than those of historical fact, which address activities, events, outcomes, results, developments, performance or achievements that Webcentral anticipates or expects may or will occur in the future (in whole or in part) should be considered forward-looking information. In some cases, forward-looking information is identified by the use of terms and phrases such as "anticipate", "believe", "could", "estimate", "intend", "may", "plan", "predict", "project", "will", "would", and similar terms and phrases, including references to assumptions. Such information may involve, but is not limited to, comments with respect to expectations, planned operations or future actions. These forward-looking statements are based on currently available information as of the date of this presentation but are subject to known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those expressed or implied by such forward-looking information contained in this presentation is expressly qualified by this cautionary statement.

A number of risks, uncertainties and other factors could cause actual results to differ materially from the results discussed in the forward- looking information, including, but not limited to, the following: risks associated with reliance on key personnel; financial health of Webcentral and its related cash flows; general industry and market conditions and growth rates; legislative and regulatory developments; general economic conditions and levels of economic activity; global financial conditions; financing risks; degree of competition in the industry; risks associated with the development of projects; changes in employee relations; and control of costs and expenses.

Forward-looking information reflects Webcentral's current beliefs and is based on information currently available to Webcentral and on assumptions it believes to be reasonable. The forward-looking information is made as of the date of this presentation and Webcentral assumes no obligation to update or revise such information to reflect new events or circumstances, except as may be required by applicable law. Prospective investors should not read forward-looking information as guarantees of future performance or results and should not place undue reliance on forward-looking information. Nothing in this presentation is, or should be relied upon as, a promise or representation as to the future.

H1 FY22 First Half Financial Results - Continued Growth

	1H FY21 \$M	1H FY22 \$M	Change %
Revenue			
Cloud	9.6	14.3	49%
Domains	3.8	10.8	187%
Network & Voice	4.5	5.3	18%
Data Centres	4.7	3.9	(15%)
Managed Services	6.6	6.0	(9%)
Digital Marketing	1.8	2.5	43%
Hardware & Software	6.4	3.3	(49%)
Other income	1.0	1.8	76%
Total Revenue and Other Income	e 38.3	48.0	25%
Gross Profit	19.4	26.6	37%
Gross Margin	52%	58%	
EBITDA pre non-recurring costs	6.2	7.1	15%
EBITDA margin	16%	15%	
Non-operating items	(2.9)	(10.0)	(246%)
EBITDA after non-recurring cost		(2.9)	(189%)
Depreciation & amortisation	(4.5)	(7.0)	(55%)
Net interest	(1.0)	(1.3)	(24%)
Profit before tax	(2.3)	(11.2)	(387%)

- \$48m revenue and other income at top of guidance range, 25% growth from prior period
- \$7.1m EBITDA above guidance, 14.8% growth on prior period
 - Improvement in gross margin to 58% from organic growth and direct cost synergies achieved
- Slow 1st half hardware sales and service delivery due to COVID, improving in the 2nd half
- Other income declining as non-core projects and TSA's complete, focus shift to core operations
- Non-operating items includes \$8.2m accelerated share-based payment expenses from early exercise and cancellation of 5GN performance rights and options due to the merger, and \$1.8m merger restructuring and other acquisition costs

- - Webcentral delivering to plan with first half EBITDA above guidance and revenue at top of range
 - Customer value increase with 6 12% ARPU growth from prior corresponding period, 10% increase in ARPU YOY
 - Strong 5GN customer growth with \$2m new sales and \$12m contract renewals
 - New Data Centre sales (70+ racks) or \$100k revenue p/m at high incremental margins
 - Improved customer retention from focus on customer service, systems and billing processes

2nd Half Activity

- Launch of Cloud Port connecting 25 Data Centres in Australia plus LA, SGP, NZ and TYO March
- Stage 1 NBN launch to our 330k SME customer base June
- Exiting third party Data Centres and excess property leases, resulting in \$200k per month cash savings April
- Jay Salter joins team to reboot our Digital Marketing Business and drive growth February
