Bidder's letter

Dear CWX Shareholder,

I am pleased to enclose a Bidder's Statement in relation to an Offer from QGold Pty Ltd ACN 149 659 950 (the **Bidder**) to acquire all of the issued ordinary shares of Carawine Resources Limited ACN 611 352 348 (**CWX**).

The Bidder is offering \$0.21 cash for each of your CWX Shares. The Offer is unconditional and will remain open until 22 April 2022, unless extended or withdrawn.

The Bidder has instructed its Broker, Ord Minnett Ltd, to purchase all CWX Shares offered for sale to it on the ASX during the Offer Period at the Offer Price of \$0.21 per share.

The Offer provides you certain and immediate value and the opportunity to receive cash within two trading days from the date you instruct your Broker to sell your CWX Shares.

Key reasons for accepting the Offer include:

- 1 the Offer price of \$0.21 per CWX Share represents:
 - a 27.27% premium to the last trading price of CWX Shares on ASX as at 21 February 2022 (being the last Trading Day before the Announcement Date), being \$0.165;
 - a 28.07% premium to the 30 trading day volume weighted average price of CWX Shares on ASX as at 21 February 2022 (being the last Trading Day before the Announcement Date), being \$0.164 (rounded); and
 - a 22.08% premium to the 60 trading day volume weighted average price of CWX Shares on ASX as at 21 February 2022 (being the last Trading Day before the Announcement Date), being \$0.172 (rounded);
- 2 the Offer value will be paid to you in cash, providing you with a certain and immediate value for your CWX Shares;
- 3 as the Offer is unconditional, you can sell your CWX Shares to the Bidder immediately and receive cash 2 Trading Days (T+2) after your acceptance; and
- 4 the Offer removes any risks and uncertainties that could otherwise affect the future value of your CWX Shares.

If you wish to accept this Offer you can do so by instructing your Broker to sell your shareholding in CWX on market through the ASX. I encourage you to read this Bidder's Statement for more details about the Offer.

If you have any questions in relation to the Offer please contact your legal, financial or other professional advisor. Alternatively, you may contact the Offer Information Line on +61 (7) 3214 5522 from Monday to Friday between 9:00am and 5:00pm (AEDT).

Yours sincerely

Christopher Wallin

Reasons why you should accept the Offer

There are a number of important reasons why you should accept the Bidder's Offer. These include:

1. The Offer Price is at a significant premium to the last trading price

The Bidder's Offer gives you the opportunity to sell your CWX Shares for \$0.21 cash per CWX Share.

The Offer Price of \$0.21 per CWX Share represents:

- a 27.27% premium to the last trading price of CWX Shares on ASX as at 21 February 2022 (being the last Trading Day before the Announcement Date), being \$0.165;
- a 28.07% premium to the 30 trading day volume weighted average price of CWX Shares on ASX as at 21 February 2022 (being the last Trading Day before the Announcement Date), being \$0.164 (rounded); and
- a 22.08% premium to the 60 trading day volume weighted average price of CWX Shares on ASX as at 21 February 2022 (being the last Trading Day before the Announcement Date), being \$0.172 (rounded).

2. The Offer is unconditional and you can sell your CWX Shares immediately and receive a cash payment two trading days after your acceptance

There are no conditions attached to the Offer and, although the Offer officially commences from 9 March 2022, you can sell your CWX shares at \$0.21 cash per CWX Share on market **now**.

Accordingly, you can ACCEPT the Offer knowing that you will be paid in cash 2 trading days after your acceptance (T+2 Basis).

Section 2 of this Bidder's Statement provides instructions on how you can ACCEPT the Offer.

3. The Bidder is offering cash for your CWX Shares which provides you with certainty compared with retaining your CWX Shares

The Bidder's Offer is to acquire your CWX Shares for 100% cash consideration.

The certainty provided by receiving cash at an attractive price under the Offer should be compared with the risks and uncertainties associated with remaining a CWX Shareholder, including the uncertainty of CWX's ability to generate future earnings, positive cash flow or dividends.

4. If the Offer is not accepted it is possible that the market price of CWX Shares may fall

While there are many factors that will influence the market price of CWX Shares, in the absence of the Offer or a competing bid, it is possible that after the close of the Offer the CWX Share price will fall below the value of the Offer, given that the Offer represents a premium to the prior recent market price of CWX Shares.

1 Overview of the Offer

1.1 Summary of Offer terms

The Bidder offers under an on-market takeover bid to purchase all CWX Shares that exist or will exist at any time during the Offer Period for \$0.21 cash per share (**Offer Price**).

A copy of the takeover announcement made to ASX on 22 February 2022 by the Bidder's Broker, Ord Minnett Ltd ABN 86 002 733 048 (AFSL 237121), is set out in Appendix 1 of this Bidder's Statement.

1.2 Offer

The Bidder hereby offers to acquire all CWX Shares together with rights attaching to them for consideration of \$0.21 cash per CWX Share, on the terms and conditions set out in this Offer.

While the Offer is for all CWX Shares, if a CWX Shareholder wishes to sell some (and not all) of their CWX Shares, the CWX Shareholder is permitted to do so.

1.3 Options

The Offer will not extend to the acquisition of any Options (or any other securities that confer rights to be issued CWX Shares).

However, the Offer will extend to all CWX Shares that are issued and listed for quotation on ASX at any time during the Offer Period as a result of the vesting or exercise of any Options (or any other securities that confer rights to be issued CWX Shares).

1.4 How the Offers will be made

The Bidder's Broker, on behalf of the Bidder, will stand in the market and purchase all CWX Shares offered to it for sale on ASX at the Offer Price from the time trading in CWX Shares commences on the Announcement Date, on the same terms of the Offer.

1.5 Persons to whom the Offer is made

The Offer is made to all holders of ordinary shares of CWX to which the Bidder (or its Associates) are not already entitled.

1.6 Offer Period

The Offer Period will officially commence at the start of trading on ASX on 9 March 2022 and will finish immediately at the close of trading on the ASX on 22 April 2022, unless extended or withdrawn in accordance with the Corporations Act.

1.7 Acquisitions prior to official Offer Period

However, notwithstanding that the Offer Period will not officially commence until 9 March 2022, and as permitted by the Corporations Act, the Bidder's Broker (on behalf of the Bidder) will accept at the Offer Price every CWX Share offered to the Bidder's Broker on market during the period commencing on 22 February 2022 and ending at close of trading on ASX on 22 April 2022, unless the offer is withdrawn.

1.8 Extension of Offer Period

The Bidder may, at its discretion, extend the Offer Period in accordance with the Corporations Act.

The Offer Period will be automatically extended by law if the Bidder's voting power in CWX increases to more than 50% during the last seven days of the Offer Period. In this case, the Offer Period will end on the 14th day after the Bidder's voting power in CWX increases to more than 50%.

The Bidder may extend the Offer Period in its discretion at any time prior to the last five Trading Days of the Offer Period or in certain limited circumstances at any time prior to the end of the Offer Period (subject to compliance with the law).

1.9 Payment date

The usual rules for settlement of transactions which occur on market on the ASX will apply in respect of the Bidder's purchase of CWX Shares pursuant to the Offer. This means that if you accept the Offer, you will be paid on a T+2 Basis.

1.10 No conditions

The Offer is not subject to any conditions.

1.11 Brokerage and other costs

As the Offer by the Bidder is pursuant to an on-market takeover bid, Offers will be made during normal trading on ASX. CWX Shareholders may only accept the Offer through Brokers who are members of ASX. Any brokerage fees charged by such Brokers will be the sole responsibility of accepting CWX Shareholders.

The Bidder will bear its own brokerage fees on transfers of CWX Shares acquired through acceptances of the Offer.

Generally, no stamp duty or goods and services tax (GST) will be payable by you on the transfer of CWX Shares pursuant to the Offer (other than GST payable to your Broker in respect of brokerage fees charged to you) — see Section 8 for more general information.

1.12 Withdrawal of Offer

The Bidder may withdraw the Offer in respect of any unaccepted Offers at any time:

- with the written consent of ASIC and subject to the conditions (if any) specified in such consent; or
- where a Prescribed Occurrence occurs, if at the time of the Prescribed Occurrence, the Bidder's voting power in CWX is at or below 50% (the Bidder's and its Associates' current voting power in CWX is approximately 19.65%); or
- upon the occurrence of an Insolvency Event in relation to CWX (regardless of the Bidder's voting power in CWX).

Notice of withdrawal of the Offer must be given by the Bidder to the ASX.

1.13 Variation of Offer

The Bidder may vary the Offer by increasing the Offer Price in accordance with the Corporations Act. If a CWX Shareholder has sold their CWX Shares prior to any such variation, that CWX Shareholder will not receive any benefit from the variation.

1.14 Jurisdiction

The Offer and any contract that results from a CWX Shareholder's acceptance of the Offer are governed by the laws of Queensland.

For personal use only

5 Bidder's intentions

5.1 Overview

This Section 5 sets out the Bidder's intentions, on the basis of the facts and information concerning CWX which are known to the Bidder and the existing circumstances affecting the business of CWX, in relation to:

- the continuation of the businesses of CWX;
- any major changes to the businesses of CWX and any redeployment of the fixed assets of CWX; and
- the future employment of the present employee/s and any contracted service providers of CWX.

The statements of intention set out in this Section 5 are based on information concerning CWX and its businesses that is known to the Bidder as at the date of this Bidder's Statement.

However, the Bidder has not undertaken any formal due diligence in relation to CWX and its businesses in connection with the Offer and consequently does not believe that it is aware of all material information, facts and circumstances that may be necessary to enable it to assess all of the operational, commercial, taxation and financial implications of its current intentions.

At the conclusion of the Offer Period the Bidder will, to the extent to which it is able, conduct a review of CWX and its operations, assets, liabilities and employees in light of the information available at that time, following which the Bidder will review its intentions as set out in this Section 5. Final decisions will only be reached after that review has been concluded and the results evaluated and in the light of all material information, facts and circumstances that exist at that time.

Consequently, the statements set out in this Section 5 are statements of the Bidder's current intention only, which may change as new information becomes available or circumstances change. The statements in this Section 5 should be read in this context.

5.2 Intentions upon acquiring 90% or more of CWX Shares

This Section 5.2 sets out the Bidder's intentions if it acquires a relevant interest in 90% or more of CWX Shares and is entitled to proceed to compulsory acquisition of the outstanding CWX Shares.

Compulsory acquisition

If it becomes entitled to do so under the Corporations Act, the Bidder intends to proceed with the compulsory acquisition of the outstanding CWX Shares in accordance with Chapter 6A of the Corporations Act.

If it is required to do so under section 662A of the Corporations Act, the Bidder intends to give notices to CWX Shareholders offering to acquire their CWX Shares in accordance with section 662B of the Corporations Act.

If it becomes entitled to do so, the Bidder does not intend to compulsorily acquire any existing Options unless it is required to do so by law in accordance with Chapter 6A of the Corporations Act.

If it is required to do so under section 663A of the Corporations Act, the Bidder intends to give notices to holders of any Options offering to acquire their Options in accordance with section 663B of the Corporations Act.

ASX Listing

At the conclusion of the compulsory acquisition process, the Bidder intends to arrange for CWX to be removed from the official list of ASX (subject to any required approvals on the part of ASX), thereby eliminating the corporate administration costs associated with maintaining CWX as a listed company.

Directors

The Bidder intends, subject to the Corporations Act and CWX's Constitution, to seek to re-constitute the Board of Directors of CWX to reflect the Bidder's majority ownership of CWX whilst at the same time including directors on the Board that are independent from the Bidder, which may include one or more of the current directors of CWX. No decision has been made as to the constitution of the Board or who the Bidder's nominees would be, as their identity would depend on the relevant circumstances at the time.

CWX's businesses, assets and employees

Following the close of the Offer, if the Bidder is entitled to acquire 100% of CWX, the Bidder intends to conduct a review of the operations, assets, structure and employees of CWX in light of that information to identify:

- business opportunities and areas of revenue generation which may provide overall strategic operational benefit;
- areas of cost saving which may provide overall strategic and operational benefit; and
- any business or businesses which do not fit into the strategic plan for CWX and then evaluate the best and most appropriate way of organising such business or businesses.

Final decisions will only be reached after that review and in light of all material facts and circumstances.

While the Bidder does not currently have any specific intentions in relation to this review or its outcomes, its current expectation is that the review will focus on identifying the most effective means of utilising CWX's assets and maximising the investment the Bidder has made in CWX. The status of CWX's existing employee and contracted service providers, if any, will be considered as part of the review outlined above.

5.3 Intentions upon acquiring more than 50.1%, but less than 90%, of CWX Shares

This Section 5.3 sets out the Bidder's intentions if it acquires a relevant interest in more than 50.1%, but less than 90%, of CWX Shares.

Directors

The Bidder intends, subject to the Corporations Act and CWX's Constitution, to seek to re-constitute the Board of Directors of CWX to reflect the Bidder's majority ownership of CWX whilst at the same time including directors on the Board that are independent from the Bidder, which may include one or more of the current directors of CWX. No decision has been made as to the constitution of the Board or who the Bidder's nominees would be, as their identity would depend on the relevant circumstances at the time.

CWX's businesses, assets and employees

The Bidder intends to attempt to procure that the CWX Board implements the intentions of the Bidder which are outlined in Section 5.2 above to the extent possible and appropriate.

Dividends

The Bidder intends to maintain CWX's current policy of not declaring dividends before the establishment of a stable profit stream which can support both CWX's anticipated exploration and capital expenditure requirements and dividend distributions.

Capital raisings & funding

CWX's existing business plan and the current intentions of the Bidder in relation to the development of CWX's businesses are likely to require significant exploration and capital expenditure requirements.

While no decision has been made in this regard, it may be necessary in the future to undertake a substantial equity offering either alone or in conjunction with raising debt capital to fund CWX's

anticipated exploration and development activities together with any committed capital expenditure requirements. The Bidder has not finalised its intentions in this regard and accordingly the form and timing of any future capital raisings or debt raisings have not been determined at this time.

See also Section 6 below.

Further acquisitions of CWX Shares

The Bidder may acquire additional CWX Shares under the “creep” provisions of the Corporations Act. In summary, those provisions would permit the Bidder and its Associates to acquire up to 3% of CWX Shares every 6 months after completion of the Offer. The Bidder has not yet decided whether it will acquire further CWX Shares under the “creep” provisions in the future, as that will be dependent upon (among other things) the extent of Voting Power of the Bidder and its Associates in CWX and market conditions at the time.

The Bidder may also acquire additional CWX Shares as permitted by the Corporations Act as part of any future capital raising by CWX.

If the Bidder becomes entitled to give notices to compulsorily acquire any outstanding CWX Shares in accordance with section 664C of the Corporations Act as a result of additional CWX Shares, the Bidder intends to give such notices.

Information protocols

The Bidder will seek access to all books and records of CWX to assist it to implement its intentions as set out above. Whether such access is given would be a decision for the independent directors of CWX at the time, after complying with their statutory and fiduciary duties. If access is given, those books and records may contain confidential information concerning CWX. The Bidder contemplates that such access would be given under an appropriate confidentiality agreement.

5.4 Intentions upon acquiring less than 50.1% of CWX Shares

If the Bidder has less than 50.1% voting power in CWX at the close of the Offer, it intends to:

- seek to obtain representation on the CWX Board which is at least consistent with its proportionate shareholding; and
- to the extent possible and appropriate, implement the intentions of the Bidder in relation to further acquisition of CWX Shares, as set out in section 5.3 above.

5.5 Limitations on intentions

If at the conclusion of the Offer CWX is a controlled entity but is not a wholly owned subsidiary of the Bidder, there will be minority CWX Shareholders. In this event, the Bidder expects that there will be directors on the Board that are independent from the Bidder, which may include one or more of the current directors of CWX.

Any directors appointed to the Board by the Bidder will act at all times in accordance with their statutory and fiduciary duties. The Bidder intends that all requisite shareholder approvals and other requirements of law, including the Corporations Act and ASX Listing Rules, are complied with in pursuing any of the intentions referred to above.

As a result of these requirements the approval of minority CWX Shareholders may be required for the implementation of some or all of the intentions outlined above. The requirement for CWX directors to have regard to their fiduciary duties in the context of a partly owned subsidiary and the possible requirement to seek approval of CWX minority shareholders may prevent a particular intention from being achieved.

Accordingly, this Section 5 must be read and understood on this basis.

5.6 Intentions generally

Except as otherwise disclosed above, the Bidder intends on the basis of the facts and information concerning CWX which are known to it:

- to continue the businesses of CWX; and
- to continue the employment of CWX's present employee/s.

As at the date of this Bidder's Statement, the Bidder and its Associates have a relevant interest in 27,086,363 CWX Shares. The Bidder and its Associates' voting power in CWX is approximately 19.65% because of their relevant interest in CWX Shares.

6.3 Consideration provided for CWX securities during previous four months

During the period beginning 4 months before the date of this Bidder's Statement, neither the Bidder nor any of its Associates have provided, or agreed to provide, consideration for a CWX Share under any purchase or other agreement, except as set out below:

10 November 2021	\$420,000.00	2,000,000	On market acquisition in ordinary course of trading on ASX.
15 November 2021	\$2,602,792.26	14,459,957	Acquisition under placement by CWX.

The highest paid or agreed to be paid in the preceding four months period by the Bidder or its Associates was \$0.21 cash per CWX Share (by way of the market acquisition on 10 November 2021 noted in the table above).

6.4 CWX Share price history

The last sale price of CWX Shares on ASX as at 21 February 2022 (being the last day on which CWX Shares were traded on ASX before the Announcement Date) was \$0.165 per share.

The highest and lowest closing prices during the three months immediately before the date of this Bidder's Statement were:

- Highest – \$0.21 on 24 November 2021
- Lowest – \$0.15 on 17 February 2022

6.5 Inducing benefits given during previous four months

Neither the Bidder nor any of its Associates has, during the period of four months ending on the day immediately before the date of the Offer, given, offered or agreed to give a benefit to another person where the benefit was likely to induce the other person, or an Associate, to:

- accept the Offer; or
- dispose of CWX Shares,

which benefit was not offered to all CWX Shareholders under the Offer.

7 Funding

7.1 Maximum cash consideration

The consideration for the acquisition of CWX Shares to which the Offer relates will be satisfied wholly in cash.

As at the date of this Bidder's Statement:

- there are 137,834,347 CWX Shares on issue (of which 27,086,363 are held by the Bidder and its Associates); and
- there are 7,750,000 CWX Options on issue (of which none are held by the Bidder).

The maximum consideration payable by the Bidder for the acquisition of all CWX shares (assuming all Options are exercised and converted into CWX Shares during the Offer Period) will be approximately \$24,884,576 (**Maximum Consideration Amount**), being the Offer Price of \$0.21 per CWX Share multiplied by 118,497,984 CWX Shares.

7.2 The Bidder's funding arrangements

As at the date of this Bidder's Statement, the Bidder does not itself hold any cash amounts specifically for the payment of the consideration required for the acquisition of CWX Shares under the Offer.

The Bidder intends to fund the consideration payable for the Offer by borrowings from Christopher Ian Wallin (**Lender**), who has irrevocably agreed to lend such funds to the Bidder up to the Maximum Consideration Amount, plus an amount for transaction costs (**Total Aggregate Amount**) (**Funding Arrangement**).

The Lender has, through his related entities and persons, cash reserves deposited at Australian banks in excess of the Total Aggregate Amount to fulfil its obligations under the Funding Arrangement.

The Bidder is not permitted under the terms of the Funding Arrangement to apply the Total Aggregate Amount for any other purpose.

Under the terms of the Funding Arrangement, the Lender is required to advance amounts up to the Total Aggregate Amount to the Bidder on demand by way of an unsecured loan. All amounts advanced to the Bidder under the Funding Arrangement will be non-interest bearing and repayable on a date nominated by the Lender on no less than 6 months' written notice or such other date that is agreed in writing by the Bidder and the Lender.

For further information about the Bidder's business interests, association and background, please refer to section 3.

On the basis of the arrangements set out in this Section 7, the Bidder considers that it has a reasonable basis for believing, and it does believe, that it will be able to pay the consideration required to CWX Shareholders who accept the Offer and to meet all other obligations associated with the Offer.

8 Taxation Implications

8.1 No tax advice given

The following is a general description of the Australian income tax, GST and stamp duty consequences for CWX Shareholders of disposing of CWX Shares in return for cash under the Offer. This taxation summary is not, and is not intended to be, taxation advice to any CWX Shareholder and should not be relied on as such.

Acceptance of the Offer may have taxation implications, which may differ depending on the individual financial affairs of each shareholder. You should seek professional advice regarding the taxation implications of accepting the Offer.

The Bidder and its advisors do not accept any liability or responsibility for any taxation implications arising from the acceptance of the Offer by Australian resident and non-resident Shareholders or for the summary below. Shareholders should obtain independent Australian advice on the taxation consequences of the Offer before accepting.

8.2 Australian taxation issues

It is not possible to cover all shareholder situations in the Australian taxation summary that follows (which, except where otherwise expressly stated, applies only to Australian tax-resident taxpayers) and the taxation implications of the decision by a shareholder whether or not to accept the Offer will depend on the particular circumstances of each shareholder.

The Australian taxation summary that follows is based on the law, and interpretation thereof, in force as at the date of this Bidder's Statement.

Australian resident shareholders

CWX Shares held on revenue account

For shareholders who are tax resident in Australia and who dispose of CWX Shares held on revenue account, any gain or loss from the disposal will be assessed as ordinary income or claimed as a revenue deduction. CGT roll-over relief will have no application to the shareholders. The CGT discount will also not be available.

CWX Shares held on capital account

Shareholders may realise a capital gain or capital loss in respect of the disposal of their CWX Shares where the shares are held on capital account. The acceptance of this Offer would constitute the disposal of CWX Shares by the shareholder, which in turn would constitute a CGT event for Australian taxation purposes. CGT roll-over relief will not be available to the shareholders. For shareholders who are tax resident in Australia, a capital gain should arise on disposal of their CWX Shares to the extent that the capital proceeds from the disposal (being the consideration received under the Offer) exceed the cost base of the shares. The taxation treatment of the gain will depend on the date of acquisition of the CWX Shares, the shareholder's cost base and the nature and tax attributes of the shareholder.

For CWX Shares disposed of within 12 months of acquisition, the full amount of the capital gain realised would be assessable. If a shareholder (being an individual, trust or superannuation fund) has held their CWX Shares for at least 12 months, the shareholder may apply the CGT discount. The CGT discount is used to reduce the assessable capital gain by one half (i.e. 50%) for individuals and by one third (i.e. 33 1/3%) for superannuation funds. For trusts, the ultimate availability of the discount for the beneficiaries of the trust, in relation to distributions of capital gains by the trust, will depend on the particular circumstances of the beneficiaries. Companies are not entitled to the CGT discount. (CGT discount is applied after the realisation of any current or carried forward capital losses.)

Shareholders who are tax resident in Australia may realise a capital loss on disposal of their CWX Shares to the extent the amount of the capital proceeds received is less than the cost base of the shares. The shareholder may utilise the capital loss against any available capital gains of the current year in working out their net capital gains for the income year for inclusion in their assessable income. Any excess capital loss may be carried forward to be offset against any capital gains made by the shareholder in a future year.

Non-resident shareholders

CWX Shares held on revenue account

If a shareholder who is not resident in Australia enters into a profit making transaction in Australia with respect to their CWX Shares, the profit on disposal of the CWX Shares may be included in its assessable income as ordinary income. The Australian taxation implications will depend on the source of the gain and whether there is a double tax agreement between the non-resident shareholder's country of residence and Australia.

CWX Shares held on capital account

Shareholders who are not resident in Australia will generally not be subject to Australian CGT on acceptance of the Offer unless they, together with their Associates, directly own at least 10% or more of the CWX Shares and more than 50% of the value of CWX's assets are attributable to Australian real property.

8.3 Foreign taxation issues

The foreign taxation implications of non-resident shareholders disposing of CWX Shares will be a function of the taxation laws (foreign and Australian) as they apply to the shareholders. It is not possible to address these situations as they will be specifically dependent on the taxation laws of the applicable jurisdictions, any relevant double-tax agreements and the particular circumstances of the shareholder.

8.4 Transfer taxes

Generally, no stamp duty (share transfer duty) is payable for transfers of shares in listed companies. 'Land rich' or 'Landholder' duty may be payable following an acquisition of 90% or more of CWX shares if CWX directly or indirectly holds any interests in land in Australia with a value over a certain threshold. Should any such duty become payable as a result of the Offer, the applicable duty will be paid by the Bidder.

8.5 GST

The disposal of CWX Shares pursuant to the Offer would not be subject to GST. To the extent that you are charged GST in relation to your Broker carrying out your instructions to institute acceptance of the Offer or for any other costs incurred in accepting the Offer, you may not be able to claim any or full input tax credits for GST incurred on the costs as the disposal of shares is input taxed. This will depend on the individual circumstances of each Shareholder.

In addition, as permitted by ASIC Corporations (Consents to Statements) Instrument 2016/72, this Bidder's Statement contains security price trading data references obtained from Iress Limited without their consent.

The Bidder has not obtained from ASIC any modifications of or exemptions from the Corporations Act in relation to the Offer. The Bidder may rely on class order relief granted by ASIC which applies generally to all persons, including the Bidder.

9.2 Regulatory and other approvals

There are no regulatory approvals that the Bidder is required to obtain before acquiring CWX Shares under the Offer.

9.3 No escalation agreements

Neither the Bidder nor any Associate of the Bidder has entered into any escalation agreement in respect of CWX Shares that is prohibited by section 622 of the Corporations Act.

9.4 Consents

Each of Arnold Bloch Leibler and Ord Minnett Limited has given and has not, before lodgement of this Bidder's Statement with ASIC, withdrawn their consent to the inclusion of:

in this Bidder's Statement in the form and context in which those references and statements appear.

Christopher Wallin has consented to the inclusion of his name, each statement made by him and each statement based on a statement made by him in this Bidder's Statement, in the form and context in which those references and statements appear. Christopher Wallin has not withdrawn that consent at the date of this Bidder's Statement.

Each person who is named in this Bidder's Statement as acting in a professional capacity for the Bidder in relation to the Offer (including, without limitation, Arnold Bloch Leibler and Ord Minnett Limited):

- does not make, or purport to make, any statement in this Bidder's Statement or any statement on which a statement in this Bidder's Statement is based, other than a statement included in this Bidder's Statement with the consent of that person; and
- to the maximum extent permitted by law, expressly disclaims and takes no responsibility for any part of this Bidder's Statement, other than any statement which has been included in this Bidder's Statement with the consent of that party.

9.5

No other material information

There is no other information that:

- is material to the making of the decision by a holder of CWX Shares whether or not to accept the Offer; and
- which is known to the Bidder,

other than:

- as set out or referred to elsewhere in this Bidder's Statement; or
- information which it would be unreasonable to require the Bidder to disclose because the information has previously been disclosed to holders of CWX Shares.
