REVIEW OF OPERATIONS

FRUGL EXPERIENCES GROWTH ACROSS KEY APP METRICS

The Company achieved quarter on quarter growth across key app metrics, including new users and 30 day active users. New User Account creation has shown 47% growth on the previous quarter with over 6,900 accounts created, whilst active users have experienced an average quarterly increase of 96%, showing a strong response to marketing activity which commenced late in the September quarter.

FRUGL GROCERY APP V3.0 DEVELOPMENT

The Company undertook major development activity on its Frugl Grocery mobile app which was released in January 2022. Key deliverables included:

- Major UX redesign & front-end performance improvements
- Capacity to support multiple additional retailers
- Addition of Social Logins to increase account creation
- Major List functional enhancements

The release sets the foundation for commercialisation of the Frugl Grocery app beyond the current retail analytics revenue stream and will be supported with increased marketing investment to grow the user-base and opportunities for participating retailers.

FRUGL GROCERY APP V3.0 KEY FEATURES

New User Interface and major performance improvements

A refreshed user interface and mobile app utilising leading edge technologies including Flutter and Augmented Reality libraries has delivered substantial performance improvements and better user experience.

Additional retailer capability

Frugl Grocery has the capability to add unlimited retailers to the platform to enhance shopping options for users. Retailers may be within the grocery category, or any complementary categories the Company decides will add value to its users. Since release the Company has commenced adding products from additional grocery retailers Drakes, IGA, Foodland and Aldi, to add to products from Woolworths and Coles, and will be seeking to add new products and categories in the future.

Addition of Social Login feature

Changes to the Frugl Grocery login process, including the addition of Social Logins utilising the most popular social platforms such as Facebook, Google and Apple, have also been implemented to increase user data security, improve user sign-in and retention rates, and to make the onboarding process simpler and faster.

List Enhancements & Shopping Note

Substantial enhancements to lists and list sharing have been enabled to help users get the most from their shopping list experience. Enhancements include:

- Shareable collaborative lists with multiple users
- Custom and Saved Shared lists from external sources
- Collaborative Family Lists for households

In addition, Frugl Grocery adds a new feature, the Shopping Note, which allows users to split their current shopping list into specific retailers, add product quantities and mark off products as they add them to their baskets. The Shopping Note is a foundational feature that is a precursor to the transactional shopping basket, in development for future release.

FRUGL ENGAGES THRIVE PR+ FOR PUBLIC RELATIONS AND MARKETING

In August the Company engaged public relations and digital agency **Thrive PR+** to develop PR and digital strategies to drive Frugl Grocery app downloads and to grow awareness of the Frugl company offering amongst consumers, business development targets and investors.

Highlights of marketing activity included multiple television appearances on Sunrise, TODAY Show and 7 News, as well as regular article features on publications including Yahoo! News, The New Daily, RetailBiz, 9Honey, Pedestrian.TV and Canstar.

COMMERCIAL PROGRESS

The Company experienced quarterly revenue growth and continued to progress its commercialisation strategy throughout the quarter, solidifying its relationship with Metcash and Pet Circle for ongoing price intelligence services. The Company is in numerous business development discussions with retailers, consultants, suppliers and government agencies.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Frugl Group Limited

Report on the Interim Financial Report*Conclusion*

We have reviewed the accompanying interim financial report of Frugl Group Limited ("the company") which comprises the consolidated statement of financial position as at 31 December 2021, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration, for the Group comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the interim financial report of Frugl Group Limited does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2021 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's responsibilities for the review of the financial report* section of our report. We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Material uncertainty related to going concern.

We draw attention to Note 2.3 in the financial report, which indicates that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Responsibility of the directors for the financial report

The directors of the company are responsible for the preparation of the interim financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the interim financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the interim financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the interim financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2021 and its performance for the interim ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of an interim financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

1. REPORTING ENTITY

Frugl Group Limited (**Company**) is a company limited by shares, incorporated and domiciled in Australia. The interim financial report as at and for the half-year ended 31 December 2021 covers the consolidated group of Frugl Group Limited and its controlled entities, together referred to as '**the Group**'. The Group is a for-profit entity.

2. BASIS OF PREPARATION

2.1. STATEMENT OF COMPLIANCE

The interim financial report is a consolidated general-purpose financial report which has been prepared in accordance with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 ensures compliance with International Financial Standards IAS 34 *Interim Financial Reporting*. The interim financial report has been prepared under the historical cost convention.

This interim financial report does not include all the notes of the type normally included in an annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the Group as the annual financial statements. Accordingly, this interim financial report is to be read in conjunction with the annual financial statements for the year ended 30 June 2021 and any public announcements made by Frugl Group Limited during the interim reporting period in accordance with the continuous disclosure requirements arising under the *Corporations Act 2001* and the ASX listing rules.

The same accounting policies and methods of computation have generally been applied in these half-year financial statements as compared with the most recent annual financial statements, except for the adoption of new standards and interpretation effective as of 1 July 2020.

2.2. ADOPTION OF NEW AND REVISED STANDARDS

STANDARDS AND INTERPRETATIONS APPLICABLE TO 31 DECEMBER 2021

In the half-year ended 31 December 2021, the Directors have reviewed all of the new and revised Standards and Interpretations issued by the AASB that are relevant to the Group and effective for the half-year reporting periods beginning on or after 1 July 2021.

As a result of this review, the Directors have determined that there is no material impact of the new and revised Standards and Interpretations on the Group and therefore no material change is necessary to Group accounting policies.

STANDARDS AND INTERPRETATIONS IN ISSUE NOT YET ADOPTED

The Directors have also reviewed all of the new and revised Standards and Interpretations in issue not yet adopted for the period ended 31 December 2021. As a result of this review the Directors have determined that there is no material impact of the Standards and Interpretations in issue not yet adopted on the Group and, therefore, no change is necessary to Group accounting policies.

NOTES TO THE FINANCIAL STATEMENTS

for the half-year ended 31 December 2021

2.3. GOING CONCERN

The interim financial report has been prepared on the going concern basis which contemplates continuity of normal business activities and realisation of assets and settlement of liabilities in the ordinary course of business.

During the half-year ended 31 December 2021 the Group incurred a net loss of \$965,281 (2020: \$219,067), a net operating cash outflow of \$910,838 (2020: \$648,557), and has total current liabilities of \$217,726 (31 December 2020: \$199,284) and net assets of \$22,038 (31 December 2020: \$1,057,733).

The Directors have reviewed the business outlook, cash flow forecasts and immediate capital requirements and are of the opinion that the use of the going concern basis of accounting is appropriate as the Directors believe the Group will be able to pay its debts as and when they fall due. In forming this view the Directors have taken into consideration the following:

- On 22 February 2022, the Group announced that it has received applications from existing shareholders for \$431,000 under the Share Purchase Plan ("SPP") which closed on 18 February 2022. Having raised less than the maximum subscription of \$1,080,000 under the SPP, the Group may place the shortfall of up to \$649,000 pursuant to the Group's capacity under ASX Listing Rules 7.1 or 7.1A. The Group may elect to place the shortfall any time during the period of 3 months following the closure of the Offer at a price of \$0.02 per fully paid ordinary share; and
- The Group's ability to reduce operational expenditure as and when required including, but not limited to, reviewing all expenditure for deferral or elimination, until the Group has sufficient funds to meet its liabilities as and when they fall due.

The Directors have carefully assessed the uncertainties relating to the likelihood of securing additional funding, the Group's ability to effectively manage their expenditures and cash flows from operations.

Should the Group not be successful in obtaining adequate funding, or adequately reducing operational expenditure as required, there is a material uncertainty that may cast significant doubt as to the ability of the Group to continue as a going concern and whether it will be able to realise its assets and discharge its liabilities in the ordinary course of business.
