- Cash at bank as at 31 Dec 21 is \$1,167k (30 June 21 \$2,731k)
- Average Cash run rate 1 July - 31 Dec 21 -\$161k per month

# Forecasted Cash Flow Jan-Dec 2022

Forecasted Cash Position CY2022

## Key Comments

- Forecasting sufficient cash reserves to the end of the financial year without securing 'in year revenue' contracts in pipeline\*
- Removed \$600k of annualised costs; \$300k H2 FY22
- Proactively managing cash flow requirements
- Obtain funding via a debt facility if and where required

\*Assumes Wrkr Pay monthly transactional revenues remain consistent to end of year and secured Wrkr Platform development contracts are completed as per forecasted timelines

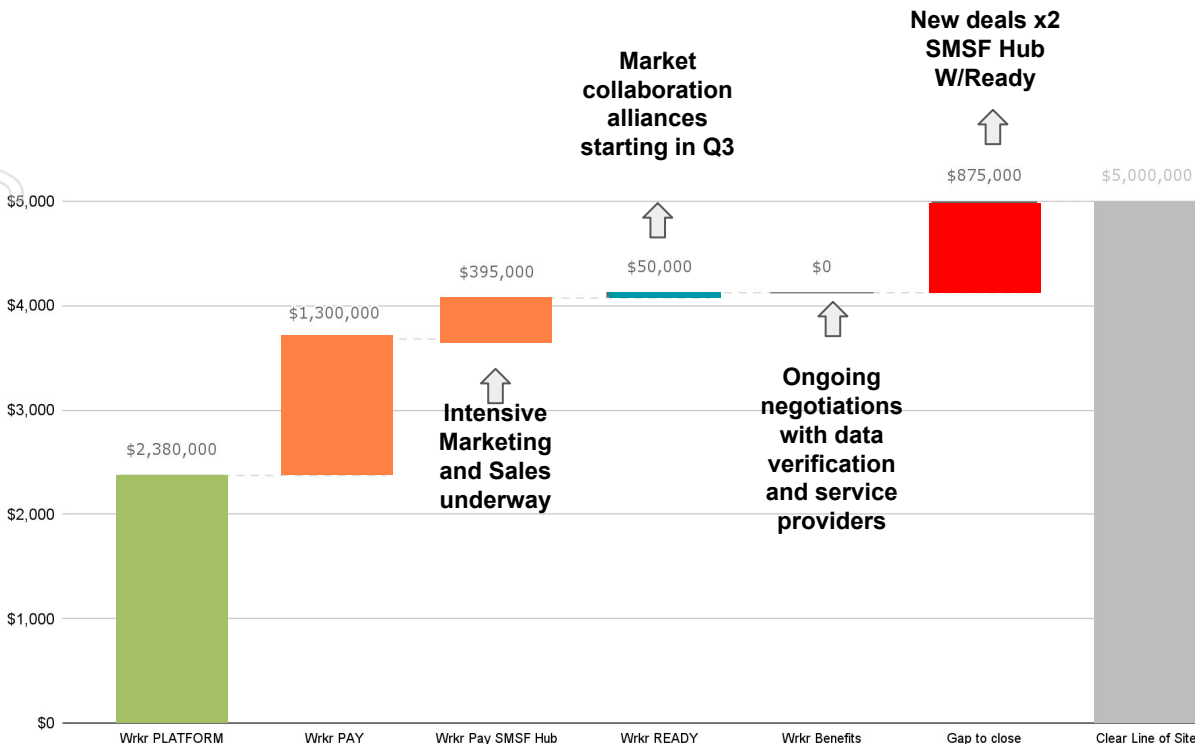

# Working Capital

- Working Capital as at 31-Dec-21 \$579k (audited); 31-01-22 \$402k (unaudited)
- Management and the Board are confident that the working capital requirements of the business will continue to be met in the FY22 financial year
- Working capital is being monitored closely and is forecasted to be sufficient in order to generate \$5m targeted revenue
- Strong sales pipeline and focus on continuing to achieve cost efficiencies
- A high proportion of revenues are annuity based which positions us well for FY23 and beyond
- As at 31-Dec-21, removed \$600k annualised costs (\$300k in H2 FY22)
- Group expects income from R&D investments made in FY21
- Obtain funding via debt facilities if and where required
- Management confident any capital raise done in the financial year would be to finance revenue growth and not working capital

# Wrkr Growth

- On target for \$5m Revenue (up from 2.1m in FY21)
- Deals have taken longer to close than we would like however they are significant deals and on target to yield target revenue in FY 22
- Revenue diversity is paying off
  - Wrkr SMSF Hub (growing faster than expected)
  - Wrkr Platform (up on forecast)
  - Wrkr Ready - Revenue generation in Q3
- Removed 600K of annualised costs, \$300k in H2 of FY22

# Revenue growth

## Growth Activity

- On target to double our revenue from FY21
- Gap to close <\$900K with \$1.7m of opportunity to close
  - We expect income to lift across SMSF Hub which is growing ahead of forecast
  - We expect Wrkr READY to grow off the back of direct sales in the Retail sector and 2 alliances starting in Q3
  - Our largest deal is expected to close this quarter and includes significant up-front fees
  - We are expecting income from significant R&D investments in FY21
  - We have well progressed negotiations on Wrkr BENEFITS

# Summary

- Our business environment is solid, Australian regulated compliance events drive our income
- Wrkr is on track to more than double revenue and meet our \$5m target for FY 22
- We have added valuable, recurring revenue that will underpin FY 23-25
- We have laid the tracks for our next wave of revenue in Wrkr READY and SMSF Hub
- Our expected new business deals will be multi-year (PaaS and SaaS) revenue
- We have been frugal in our expenditure and reduced costs by \$600K in FY 22 that will flow into FY 23. This trend will continue until contracts are signed
- Management and the Board remain confident in the business outlook

Jillian McGregor  
Company Secretary

## Summary information

This presentation contains summary information about Wrkr Ltd (Company) (ASX: WRK) and its activities as at the date of the presentation. The information in this presentation is of a general nature and does not purport to be complete or contain all information that a prospective investor should consider when evaluating an investment decision in the Company or that would be required in a prospectus or product disclosure statement prepared in accordance with the requirements of the Corporations Act 2001 (Cth) (Corporations Act). This presentation should be read in conjunction with the Company's other periodic news releases or ASX disclosure documents as available from time to time.

## Forward looking statements

This presentation contains forward-looking statements and information that are necessarily subject to risks, uncertainties and assumptions. Many factors could cause actual results, performance or achievements of the Company to be materially different from those expressed or implied in this release including, amongst others, changes in general economic and business conditions, regulatory environment, results of advertising and sales activities, competition, and the availability of resources. Should one or more of these risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary materially from those described in this presentation. Except as required by law, the Company assumes no obligation to update or correct the information in this presentation. To the maximum extent permitted by law, the Company and its subsidiaries and officers do not make any representation or warranty as to the likelihood of fulfilment of any forward-looking statements and disclaim responsibility and liability for any forward-looking statements or other information in this presentation.

## Not an offer of securities or financial products

This presentation is not a prospectus, product disclosure statement or other offering document under Australian law (and will not be lodged with ASIC) or any other law. This presentation does not constitute an offer, invitation, solicitation or recommendation with respect to the purchase or sale of any securities or any financial product nor does it constitute financial product or investment advice nor take into account your investment objectives, taxation situation, financial situation or needs. An investor must not act on the basis of any matter contained in this presentation but must make its own assessment of the Company and conduct its own investigations and analysis. Before making an investment in the Company, a prospective investor should consider whether such an investment is appropriate to their particular investment objectives and financial situation and seek appropriate advice, including legal, taxation and financial advice appropriate to their jurisdiction and circumstances.

## Financial data

All financial information in this presentation is in Australian dollars (\$) or AUD) unless otherwise stated. Investors should note that this presentation may contain pro forma historical and forward looking financial information. The pro forma and forward looking financial information and the historical information, provided in this presentation is for illustrative purposes only and is not represented as being indicative of the Company's views on its future financial condition and/or performance.

The pro forma financial information has been prepared by the Company in accordance with the recognition and measurement principles of Australian Accounting Standards (AAS) and the Company's adopted accounting policies of applicable accounting standards and other mandatory reporting requirements in Australia. Investors should also note that any pro forma financial information does not purport to be in compliance with Article 11 of Regulation S-X of the rules and regulations of the U.S. Securities and Exchange Commission (SEC). Such information does not purport to comply with Article 3-05 of Regulation S-X.

Investors should be aware that certain financial measures included in this presentation are 'non-IFRS financial information' under ASIC Regulatory Guide 230: 'Disclosing non-IFRS financial information' published by ASIC and also 'non-GAAP financial measures' within the meaning of Regulation G under the U.S. Securities Exchange Act of 1934, as amended, and are not recognised under AAS and International Financial Reporting Standards (IFRS). The non-IFRS financial information / non-GAAP financial measures include EBITDA and EBIT. The Company believes the non-IFRS financial information / non-GAAP measures provide useful information to users in measuring the financial performance and conditions of the Company. The non-IFRS financial information / non-GAAP financial measures do not have a standardised meaning prescribed by AAS or IFRS. Therefore, the non-IFRS financial information is not a measure of financial performance, liquidity or value under the IFRS and may not be comparable to similarly titled measures presented by other entities, and should not be construed as an alternative to other financial measures determined in accordance with AAS or IFRS. Investors are cautioned, therefore, not to place undue reliance on any non-IFRS financial information / non-GAAP financial measures included in this presentation.
