Hansen signs significant agreement with Fortune 100 Energy Company Exelon Corporation

Hansen Technologies Limited (ASX: HSN) ("Hansen"), a leading global provider of software and services to the energy, water and communications industries is pleased to announce that it has executed a Master Agreement (the "Agreement") with Exelon Corporation to support its digital transformation.

The Agreement is for an initial term of 7 years with associated revenue of approximately USD\$ 24.6m.

The key highlights of the Agreement include:

- Providing Hansen Market-Message – Hansen's a software-as-a-service market messaging and transaction processing solution
- Supporting Exelon's four utility companies: Commonwealth Edison, PECO (formerly Philadelphia Electric Company), Potomac Electric Power Company (PEPCO), and Baltimore Gas and Electric (BGE)
- A cloud-based EDI transaction processing solution supporting a combined 10 million end-customers

"We could not be more excited at this opportunity to support Exelon by providing them with Hansen's Market-Message solution" said Andrew Hansen, Hansen's Global Chief Executive Officer.

This announcement is authorised by the Chairman.
