**Magellan Financial Group Limited**  
**On-Market Share Buy-Back**

Magellan Financial Group Limited (“Magellan” or “Company”) today announces the launch of an on-market share buy-back of up to 10 million ordinary fully paid shares, representing up to 5.4% of shares on issue (“Buy-Back”). The Board previously announced its intention to consider an on-market buy-back at Magellan’s Interim Results Briefing on 18 February 2022.

Mr. Hamish McLennan, Magellan’s Chairman, said: “We believe the on-market buy-back announced today represents an effective way to enhance value for shareholders. The buy-back is consistent with our aim to deliver capital efficiency, solid dividends and attractive returns for shareholders with a focus on our core funds management business”.

The Buy-Back will be funded from Magellan’s existing cash and financial assets. Magellan will conduct the Buy-Back within the “10/12 limit” permitted under the Corporations Act 2001 (Cth), which provides that the Company may buy back up to 10% of issued capital in any 12-month period without shareholder approval.

Magellan has appointed Barrenjoey Markets Pty Limited and Ord Minnett Limited to act as its brokers in respect of the Buy-Back.

The timing and actual number of shares purchased will depend on the prevailing share price, market conditions and other relevant factors. All ordinary shares purchased pursuant to the Buy-Back will be cancelled. The Company reserves the right to vary, suspend or terminate the Buy-Back at any time. Full details of the Buy-Back are set out in the Appendix 3C lodged with the ASX today.
