POWERED BY motioPLAY

# Why Liquid Thinking?

**The acquisition will enable Motio to take a leadership role across the product development and growth of Spawtz:**

## Transforming Our Relationship

With Liquid Thinking to deeply collaborate on Audience Experience initiatives

## Product Growth At Scale

Accelerates Motio's capability and utility into the indoor and team sports environments

## Creating A Step Change

For the business at the inflection point for Payments revenue

## Market Expansion

Providing the opportunity to expand Motio's client base in the UK and NZ using our proven and successful Business Development experience

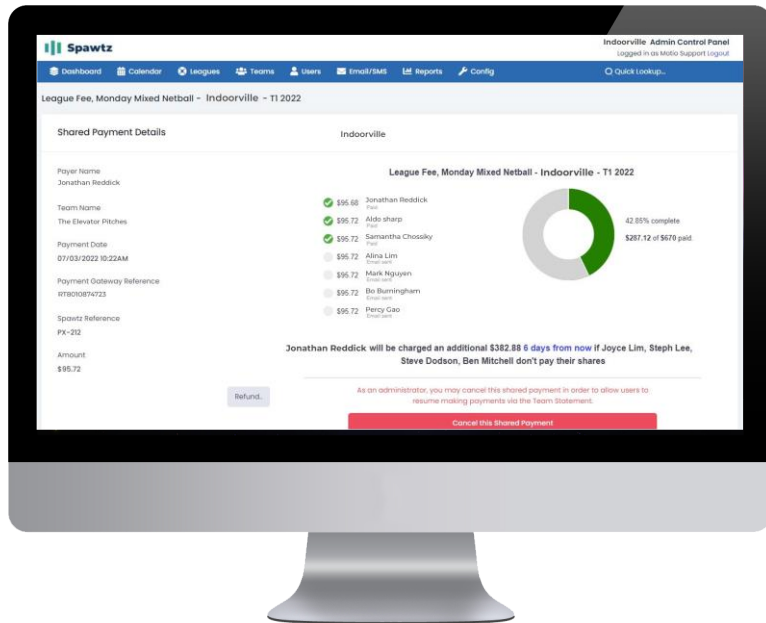

## Expertise Focus

Enable the Liquid Thinking team to focus on Product Development, allowing Motio to apply its sales and professional management to our existing collaboration

# Spawtz Software

The Spawtz software is a system that is built **by players for players.**

It has revolutionised a sector of the indoor, grass roots and amateur sports facilities in key markets in Australia, UK, New Zealand and South Africa to enable operators to operate their business and enhance the player experience

# Existing payments

Motio and Liquid Thinking have developed, rolled out and integrated Online Payment products to Spawtz clients specifically in the UK and Australia.

The Spawtz payment products have been developed in “**the way people are used to paying**”.

This has transformed the existing universe of cash-based payments to digital transactions.

Enabled operators to reduce or eliminate lost or “forgotten” payments.

Removed cash handling and improving payment tracking.

Spawtz has **changed the operational efficiency** of Indoor Sports Centres, Sporting Associations and Leagues across the UK, Australia, South Africa and New Zealand over the past 10 years. An evolution of ownership has seen a shift towards **professional management, improved operations, and enhanced customer experience.**

# Emerging payments

The Spawtz payment product and features generate additional transactional revenue to complement the existing Spawtz SaaS revenue.

Since its introduction both Motio and Liquid Thinking has seen:

Online Payments take up by Spawtz clients grown considerably.

Player payment adoption increasing significantly Season on Season.

Increasing demand has led to the development and launch of enhanced features to the platform such as -

- ➔ Shared Payments (splitting fees between players)
- ➔ Automated Weekly payments (full season payments paid weekly)

Innovations to the existing platform will continue with the express goal to drive incremental payments revenue and increase the user experience.

# Our strategy

Leverage Motio's proven Business Development and Client Acquisition experience to expand client base in the UK and New Zealand.

Continue roll out of Online Payment platform across all existing Spawtz client base.

Increase adoption of Online Payment functionally across player universe.

Review Product Development Roadmap and align to Audience Experience and Revenue Growth channels.
