Brisbane, Australia, 11 April 2022 – ResApp Health Limited (ASX:RAP), a leading digital health company developing smartphone applications for the diagnosis and management of respiratory disease, today announces that it has entered into a binding scheme implementation deed with Pfizer Australia Holdings Pty Limited (a wholly-owned subsidiary of Pfizer Inc, a global biopharmaceutical company) (**Pfizer**), under which it is proposed that Pfizer will acquire 100% of the shares in ResApp Health (**ResApp**) by way of a Scheme of Arrangement (the **Scheme**) for A\$0.115 per share in cash (**Scheme Consideration**), representing a total equity value of approximately A\$100 million.

Tony Keating, CEO and Managing Director of ResApp said *"We are excited by the prospect of this acquisition by Pfizer, a leading biopharmaceutical company that shares our vision and belief that technology can help transform healthcare and improve patients' lives. The proposed acquisition recognises the years of dedicated work by the ResApp team to build ResApp into a leader in audio-based analysis of respiratory health. We believe that the material premium and certainty of an all cash consideration is an attractive outcome for our shareholders."*

"This proposed acquisition and research collaboration add to our growing digital capabilities and bolster our efforts to pave a new era for digital health," said **Lidia Fonseca, Chief Digital and Technology Officer, Pfizer**.

Overview of the Scheme

Under the terms of the Scheme, ResApp shareholders will be entitled to receive A\$0.115 in cash per share (**Scheme Consideration**), subject to all applicable conditions being satisfied or waived and the Scheme being implemented.

The Scheme Consideration of A\$0.115 cash per share represents:

- 27.8% premium to the ResApp closing price of A\$0.09 per share on 8 April 2022, being the last trading day prior to announcement of the Scheme
- 28.4% premium to the 1 month volume-weighted average price (VWAP) to 8 April 2022
- 39.7% premium to the 3 month VWAP to 8 April 2022

The Scheme Consideration represents a total equity value for ResApp of approximately A\$100 million.

Subject to the Independent Expert determining that the Scheme is in the best interests of ResApp shareholders, and in the absence of a superior proposal, the Directors of ResApp unanimously recommend that ResApp shareholders vote in favour of the Scheme and intend to vote shares in their control in favour of the proposed Scheme.

The offer will be made pursuant to a scheme of arrangement and ResApp shareholders will have the opportunity to vote on the Scheme at a meeting to be held in mid June 2022.

The Scheme remains subject to other conditions including:

- The Independent Expert concluding that the Scheme is in the best interests of ResApp shareholders;
- Certain regulatory approvals, including Australia Competition and Consumer Commission (ACCC) clearance
- No "Material Adverse Change" or "Regulated Events"; and
- Court approval.

Under the Scheme Implementation Deed, ResApp will be bound by customary exclusivity provisions including "no shop", "no talk" (subject to the ResApp Directors' fiduciary obligations), and "notification" obligations as well as "matching" rights. A break fee of approximately A\$1 million will be payable by ResApp in certain circumstances, and a reverse break fee of approximately A\$1 million will be payable by Pfizer in certain circumstances.

A full copy of the Scheme Implementation Deed, including all applicable conditions, is attached to this announcement in Annexure A.

 - Pfizer for convenience with 30 days' notice or for material breach that is not remedied.

Indicative timetable and next steps

ResApp shareholders do not need to take any action at the present time. ResApp is preparing a Scheme Booklet which will contain information relating to the Scheme, including the reasons for the Directors' recommendation and details of the Scheme Meeting. The Scheme Booklet will also include an Independent Expert's opinion on whether the Scheme is in the best interests of ResApp shareholders. The Scheme Booklet is expected to be sent to ResApp shareholders in mid May 2022.

It is currently anticipated that ResApp shareholders will be given the opportunity to vote on the Scheme at a Scheme Meeting expected to be held in mid June 2022 and, if approved the Scheme would be implemented shortly thereafter. An indicative timetable for the Scheme is set out below:

- (a) If the Scheme is not approved by ResApp Shareholders at the Scheme Meeting by reason only of the non-satisfaction of the Headcount Test and ResApp or Pfizer considers, acting reasonably, that the splitting by a holder of ResApp Shares into two or more parcels of ResApp Shares (whether or not it results in any change in beneficial ownership of the ResApp Shares) or some abusive or improper conduct may have caused or materially contributed to the Headcount Test not having been satisfied then ResApp must:
 - (i) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
 - (ii) make such submissions to the Court and file such evidence as counsel engaged by ResApp to represent it in Court proceedings related to the Scheme, in consultation with Pfizer, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test.
- (b) If the Court's approval of the Scheme under section 411(4)(b) of the Corporations Act is given, notwithstanding that the Headcount Test has not been satisfied, the Condition Precedent in clause 3.1(b) is deemed to be satisfied for all purposes.

3.7 Failure of Conditions Precedent

- (a) If:
 - (i) there is an event or occurrence that would, or does, prevent any of the Conditions Precedent being satisfied (which is not waived in accordance with this deed by the time or date specified in this deed for the satisfaction of the relevant Condition Precedent); or
 - (ii) there is an event or occurrence that would, or does, prevent any of the Conditions Precedent being satisfied by the earlier of:
 - (A) the time and date specified in this deed for the satisfaction of that Condition Precedent; or
 - (B) the End Date,
- or such Condition Precedent is otherwise not satisfied by that time and date (and the breach or non-satisfaction which would otherwise occur has not already been waived in accordance with this deed), then either party may serve a written notice on the other party, and the parties must promptly consult in good faith with a view to determining whether:
- (iii) the Scheme or the Transaction may proceed by way of alternative means or methods;

- (iv) to extend the relevant time or date for satisfaction of the Condition Precedent;
 - (v) to change the First Court Date or to adjourn the application for orders pursuant to section 411(1) of the Corporations Act convening the Scheme Meeting to another date agreed by the parties;
 - (vi) to change the Second Court Date or to adjourn the application for orders pursuant to section 411(4)(b) of the Corporations Act approving the Scheme to another date agreed by the parties; or
 - (vii) to extend the End Date.

- (i) the Condition Precedent to which the notice relates is for the benefit of that party giving the notice (whether or not the Condition Precedent is also for the benefit of the other party); and
 - (ii) there has been no failure by that party to comply with its obligations under this deed, where that failure directly and materially contributed to the Condition Precedent to which the notice relates becoming incapable of satisfaction, or being breached or not fulfilled before the End Date,

in which case clause 14.2 will have effect.

3.8 Certificates in relation to Conditions Precedent

- (a) On the Second Court Date each party must provide to the Court a certificate (or such other evidence as the Court may request) confirming (in respect of matters within its knowledge) whether or not as at 8:00am on the Second Court Date the Conditions Precedent have been satisfied or waived in accordance with this deed.
- (b) Each party must provide to the other party a draft of the certificate to be provided by it pursuant to clause 3.8(a) by 5:00pm on the day that is two Business Days prior to the Second Court Date, and must provide to the other party on the Second Court Date a copy of the final certificate or other evidence provided to the Court.

 and, if applicable, make any necessary waiver applications or requests for ASX consent under the ASX Listing Rules in respect of the actions under this clause 4.4(b).
- (c) ResApp agrees that:
 - (i) as soon as reasonably practicable after the date of this deed, ResApp must use its reasonable endeavours to procure that ASX either:
 - (A) confirms that rule 6.23 of the ASX Listing Rules does not apply; or
 - (B) grants a waiver from rule 6.23 of the ASX Listing Rules (to the extent required),
 in connection with any actions to be undertaken by ResApp under this clause 4.4; and
 - (ii) if the confirmation or waiver referred to in clause 4.4(c)(i) is not obtained before the First Court Date, ResApp agrees to seek any approvals that are required from the ResApp Shareholders under rule 6.23 of the ASX Listing Rules in connection with any actions to be undertaken by ResApp under this clause 4.4.

4.5 No amendment to Scheme without consent

ResApp must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of Pfizer.

5 Implementation

5.1 ResApp's obligations

ResApp must take all steps necessary to propose and implement the Scheme as soon as is reasonably practicable after the date of this deed and must use best endeavours to ensure that each step in the Timetable is met by the date set out beside that step, including by doing any acts it is authorised and able to do on behalf of ResApp Shareholders and each of the following.

- (a) **(Preparation of Scheme Booklet)** Prepare the Scheme Booklet so that it complies with all applicable laws, including the Corporations Act, ASIC Regulatory Guide 60 and the ASX Listing Rules. The Scheme Booklet must include a statement to the effect that:

- (ii) the Pfizer Information has been provided by Pfizer and is the responsibility of Pfizer, and that no ResApp Party assumes any responsibility for the accuracy or completeness of the Pfizer Information.

The Scheme Booklet and all public announcements by ResApp in relation to the Scheme (other than announcements as to purely administrative matters) must also include the recommendation and statement required under clause 7.

- (b) **(Independent Expert)** Promptly appoint the Independent Expert (if the Independent Expert has not been appointed prior to the date of this deed), and provide all assistance and information reasonably requested by the Independent Expert in connection with the preparation of the Independent Expert's Report.
- (c) **(Consultation with Pfizer)** Consult with Pfizer as to the content and presentation of the Scheme Booklet, such consultation to include allowing Pfizer a reasonable opportunity to review and make comments on successive drafts of the Scheme Booklet a reasonable time before its lodgement with ASIC and obtain Pfizer's written consent to the inclusion of the Pfizer Information (including in respect of the form and context in which the Pfizer Information appears in the Scheme Booklet) prior to lodgement of the Scheme Booklet with ASIC. ResApp must consider in good faith any comments on drafts of the Scheme Booklet provided by or on behalf of Pfizer.
- (d) **(Liaison with ASIC)** As soon as reasonably practicable after the date of this deed but no later than 14 days before the First Court Date, and following Pfizer giving confirmation or providing changes as contemplated by clause 5.3(d), provide an advanced draft of the Scheme Booklet to ASIC for its review and approval for the purposes of section 411(2) of the Corporations Act, and to Pfizer, and keep Pfizer reasonably informed of any matters raised by ASIC in relation to the Scheme Booklet (and of any resolution of those matters), and use reasonable endeavours, in consultation with Pfizer, to resolve any such matters (provided that ResApp may not resolve any such matters without the prior written consent of Pfizer to the extent that such matters relate to the Pfizer Information), and provide Pfizer with copies of any material correspondence with ASIC in relation to the Scheme Booklet or the Transaction, and otherwise keep Pfizer informed of any matters raised by ASIC to ResApp in relation to the Scheme or the Transaction.
- (e) **(Indication of intent)** Apply to ASIC no later than 14 days before the First Court Date for a letter indicating whether ASIC proposes to make submissions to the Court, or intervene to oppose the Scheme, on the First Court Date.

- (g) **(Verification)** Undertake appropriate verification processes in relation to the ResApp Information.
- (h) **(Court direction)** Apply to the Court for orders directing ResApp to convene the Scheme Meeting, and consult with Pfizer as to the content of all relevant originating process, affidavits, submissions and draft minutes of Court orders. Such consultation must include providing Pfizer with a reasonable opportunity to review and comment on the relevant Court documents before they are lodged, and ResApp must consider in good faith any comments provided by or on behalf of Pfizer.

- (i) **(ASIC registration)** Request ASIC to register the Scheme Booklet in the form approved by the Court.
- (j) **(Despatch)** Send the Scheme Booklet to ResApp Shareholders following receipt of Pfizer's written consent to the inclusion of the Pfizer Information in the form and context in which the Pfizer Information appears in such version of the Scheme Booklet.
- (k) **(Update Scheme Booklet)** If, after the Scheme Booklet has been sent to ResApp Shareholders, it becomes aware of information that is:
- (i) not included in the Scheme Booklet and that is:
 - (A) material for disclosure to ResApp Shareholders in deciding whether to approve the Scheme; or
 - (B) required to be disclosed to ResApp Shareholders under any applicable law; or
 - (ii) included in the Scheme Booklet and is misleading or deceptive in a material respect in the form and context in which it appears in the Scheme Booklet,
- inform ResApp Shareholders of the information in an appropriate and timely manner, in accordance with applicable law. ResApp must consult with Pfizer as to the form and content of any supplementary disclosure before it is made to ResApp Shareholders, and, to the extent reasonably practicable, must provide Pfizer with a reasonable opportunity to review and comment on such disclosure before it is made and must consider in good faith any comments provided by or on behalf of Pfizer. To the extent that any supplementary disclosure relates to (or constitutes) Pfizer Information, it may only be made with Pfizer's prior written consent (not to be unreasonably withheld or delayed).
- (l) **(Promote Transaction)** Participate in efforts reasonably requested by Pfizer to promote the merits of the Transaction and the Scheme Consideration, including, where requested by Pfizer, meeting with key ResApp Shareholders and, in consultation with Pfizer, undertaking reasonable shareholder engagement and proxy solicitation actions to encourage ResApp Shareholders to vote on the Scheme in accordance with the recommendation of the ResApp Board, subject to applicable law and ASIC policy.
- (m) **(Scheme Meeting)** Convene the Scheme Meeting to approve the Scheme (in accordance with any orders made by the Court).
- (n) **(No objection statement)** Apply to ASIC for the production of a statement in writing pursuant to section 411(17)(b) of the Corporations Act stating that ASIC has no objection to the Scheme.
- (o) **(Court approval)** Subject to all Conditions Precedent (other than that in clause 3.1(d)) being (or being reasonably expected to be) satisfied or waived in accordance with this deed, apply to the Court for orders approving the Scheme, and consult with Pfizer as to the content of all relevant affidavits, submissions and draft minutes of Court orders. Such consultation must include providing Pfizer with a reasonable opportunity to review and comment on the relevant Court documents before they are lodged, and ResApp must consider in good faith any comments provided by or on behalf of Pfizer.
- (p) **(Court order)** Lodge with ASIC an office copy of any Court order approving the Scheme by not later than the first Business Day after the day such office copy is received (or such later date as Pfizer may agree in writing).
- (q) **(Representation)** Allow, and not oppose, any application by Pfizer for leave of the Court to be represented by counsel at the Court hearings in relation to the Scheme.

- (r) **(Information)** Provide all necessary information, and procure that the ResApp Registry provides all necessary information, in each case in a form reasonably requested by Pfizer, for the purpose of understanding legal ownership of ResApp Shares and proxy appointments and directions received by ResApp prior to the Scheme Meeting.
- (s) **(Implementation)** If the Scheme becomes Effective:
 - (i) procure ASX to suspend trading in ResApp Shares from the close of trading on the Effective Date;
 - (ii) close the ResApp Share Register at the Scheme Record Date to determine the identity of Scheme Shareholders and their entitlements to the Scheme Consideration; and

- (t) **(Maintenance of ASX listing)** Maintain ResApp's admission to the official list of ASX and the quotation of ResApp Shares on ASX up to and including the Implementation Date.
- (u) **(Delisting from ASX)** On a date after the Implementation Date to be determined by Pfizer, ResApp must apply to ASX for termination of official quotation of the AusNet Shares on ASX and the removal of ResApp from the official list of ASX.

5.2 Appeal process

If the Court refuses to make any orders convening the Scheme Meeting or approving the Scheme:

- (a) ResApp and Pfizer must consult with each other in good faith as to whether to appeal the Court's decision; and
- (b) ResApp must appeal the Court's decision (unless the parties agree otherwise, or an independent senior counsel of the New South Wales bar advises that, in their view, an appeal would have no reasonable prospect of success before the End Date).

5.3 Pfizer's obligations

Pfizer must take all steps necessary to assist ResApp to propose and implement the Scheme as soon as is reasonably practicable and, without limiting the foregoing, must use best endeavours to ensure that each step in the Timetable is met by the date set out beside that step, including by doing each of the following.

- (a) **(Pfizer Information)** Prepare and provide to ResApp the Pfizer Information for inclusion in the Scheme Booklet to comply with all applicable laws, including the Corporations Act, ASIC Regulatory Guide 60 and the ASX Listing Rules relevant to the Pfizer Information and consult with ResApp as to the content and presentation of the Pfizer Information in the Scheme Booklet, such consultation to include allowing ResApp a reasonable opportunity to review and make comments on successive drafts of the Pfizer Information before lodgement of the Scheme Booklet with ASIC. Pfizer must consider in good faith any comments on drafts of the Pfizer Information provided by or on behalf of ResApp.

- (c) **(Independent Expert information)** Provide all assistance and information reasonably requested by ResApp or by the Independent Expert in connection with the preparation of the Independent Expert's Report.
- (d) **(Confirmation of Pfizer Information)** Before the Scheme Booklet is provided to ASIC pursuant to section 411(2) of the Corporations Act, either:
- (i) confirm in writing to ResApp that the Pfizer Information in the form and context in which it appears in the Scheme Booklet is not misleading or deceptive in any material respect and does not contain any material omission; or
 - (ii) provide to ResApp the changes required to ensure that the Pfizer Information in the form and context in which it appears in the Scheme Booklet is not misleading or deceptive in any material respect and does not contain any material omission.
- (e) **(Approval and consent to inclusion of Pfizer Information)** As soon as reasonably practicable after the conclusion of the review by ASIC of the Scheme Booklet, confirm in writing to ResApp that Pfizer consents to the inclusion of the Pfizer Information in the Scheme Booklet, in the form and context in which the Pfizer Information appears.
- (f) **(Verification)** Undertake appropriate verification processes in relation to the Pfizer Information.
- (g) **(Update Pfizer Information)** If at any time after the despatch of the Scheme Booklet, Pfizer becomes aware:
- (i) of new information which, were it known at the time of despatch, should have been included in any Pfizer Information included in that version of the Scheme Booklet; or
 - (ii) that any part of the Pfizer Information included in that version of the Scheme Booklet is misleading or deceptive in any material respect (whether by omission or otherwise),
- it must advise ResApp so that ResApp can determine whether supplementary disclosure to ResApp Shareholders is required in accordance with (and subject to the terms of) clause 5.1(k).
- (h) **(Deed Poll)** Before the first Court hearing on the First Court Date, enter into the Deed Poll and deliver it to ResApp.
- (i) **(Court representation)** Procure that it is represented by counsel at the Court hearings convened in relation to the Scheme, at which, through its counsel or solicitors, Pfizer will undertake (if requested by the Court) to do all such things and take all such steps within its power as may be reasonably necessary in order to ensure the fulfilment of its obligations under this deed and the Scheme.
- (j) **(Scheme Consideration)** If the Scheme becomes Effective, provide the Scheme Consideration in the manner and amount contemplated by clause 4.3 and the terms of the Scheme.
- (k) **(Promote Transaction)** Participate in efforts reasonably requested by ResApp to promote the merits of the Transaction and the Scheme Consideration, including, where requested by ResApp, meeting with key ResApp Shareholders.

5.4 Appointment of directors

On and from the Implementation Date, but subject to the Scheme Consideration having been paid by Pfizer in accordance with the Scheme and receipt by ResApp of signed consents to act, ResApp must:

- (a) cause the appointment of the persons nominated by Pfizer as new directors of ResApp and other members of the ResApp Group; and
- (b) procure that all directors on the ResApp Board or the board of another member of the ResApp Group (other than any directors nominated by Pfizer or the new directors of ResApp appointed pursuant to clause 5.4(a)) resign from the ResApp Board or such other board (as applicable).

6 Conduct of business and requests for access

6.1 Conduct of ResApp business

During the period from the date of this deed up to and including the Implementation Date, ResApp must, and must procure that each other ResApp Group entity:

- (a) conduct(s) its business and operations in the ordinary course and substantially consistent (subject to any applicable laws and regulations) with the manner in which each such business and operation has been conducted in the 12 month period prior to the date of this deed and in accordance with all applicable laws, regulations and regulatory approvals in all material respects;
- (b) use(s) its best endeavours to:
 - (i) preserve intact the ResApp Group's current business organisation;
 - (ii) maintain all the material assets of the ResApp Group in the normal course and consistent with past practice;
 - (iii) keep available the services of its officers and key employees; and
 - (iv) preserve the ResApp Group's relationship with Government Agencies, ratings agencies, financiers, customers, suppliers, licensors, licensees, joint venturers and others having business dealings with it;
- (c) take all steps reasonably within its power to ensure that no ResApp Regulated Event occurs;
- (d) maintain(s) (and, where necessary, use reasonable efforts to renew) the policies of insurance held by the ResApp Group to insure any material risk of the ResApp Group that are in force as at the date of this deed and promptly notify Pfizer if any renewal proposal is not accepted by the relevant insurer;

in each case except to the extent:

- (e) required or expressly permitted by this deed or the Scheme;
- (f) which Pfizer has previously approved or requested in writing;
- (g) arises out of, or directly in connection with, the Research, Development and License Agreement, except to the extent the action constitutes or would constitute a breach of the Research, Development and License Agreement by ResApp;
- (h) Fairly Disclosed in the Disclosure Letter and with specific reference to its exception to this clause 6.1;

- (i) which is required by any applicable law, regulation, generally accepted accounting standards, generally accepted accounting principles or by a Government Agency (but for the avoidance of doubt not including as a result of any election or similar action by ResApp or any member of the ResApp Group which is not required by the applicable law, regulation, generally accepted accounting standards, generally accepted accounting principles or Government Agency), provided that, to the extent reasonably practicable, ResApp has consulted with Pfizer in good faith in respect of the proposal to take such action or not take such action (as applicable) and considers any reasonable comments or requests of Pfizer in relation to such proposal in good faith;
- (j) in the case of clause 6.1(a), to reasonably and prudently respond to regulatory or legislative changes (including without limitation changes to subordinate legislation) affecting the business of ResApp or a member of the ResApp Group to a material extent, provided that, to the extent reasonably practicable, ResApp has consulted with Pfizer in good faith in respect of the proposal to take such action or not take such action (as applicable) and considers any reasonable comments or requests of Pfizer in relation to such proposal in good faith; or
- (k) to reasonably and prudently respond to an emergency or disaster (including a situation giving rise to a risk of personal injury or damage to property, or a disease epidemic or pandemic, including the outbreak, escalation or any impact of, or recovery from, the Coronavirus or Covid-19 pandemic (or any mutation, variation or derivative thereof)), provided that, to the extent reasonably practicable having regard to the nature of the relevant emergency or disaster, ResApp has consulted with Pfizer in good faith in respect of the proposal to take such action or not take such action (as applicable) and considers any reasonable comments or requests of Pfizer in relation to such proposal in good faith.

6.2 Access to information and co-operation

- (a) **(Provision of access and information)** During the period from the date of this deed up to and including the Implementation Date, ResApp must, and must procure each of its Subsidiaries to, respond to reasonable requests from Pfizer and its Representatives for information concerning the ResApp Group businesses, operations and affairs as soon as reasonably practicable after such requests are made, and give Pfizer and its Representatives reasonable access to ResApp's senior executive team and records, and otherwise provide reasonable co-operation to Pfizer and its Representatives, in each case for the purposes of:
- (i) the implementation of the Scheme;
 - (ii) integration planning prior to implementation of the Scheme; or
 - (iii) any other purpose that is agreed in writing between the parties.
- (b) **(Limits on ResApp obligations)** The obligations in clause 6.2(a) and clause 6.3 do not require ResApp to:
- (i) provide any information, access or record to the extent that such information, access or record is the subject of the Research, Development and License Agreement;
 - (ii) do anything which would cause undue disruption to the operation of its business in the ordinary course;
 - (iii) require a member of the ResApp Group to take any action that would be reasonably expected to result in an ResApp Group member breaching any applicable law or the entity's constituent documents;

- (iv) require a member of the ResApp Group to take any action that would breach an obligation to any person (including any confidentiality obligations);
 - (v) provide information to Pfizer concerning the ResApp directors' and management's consideration of the Scheme;
 - (vi) provide any confidential or privileged information or Know-how where the provision of such information or Know-how is, in ResApp's sole discretion (acting reasonably), reasonably likely to cause prejudice to the commercial or legal interests of the ResApp Group taken as a whole, or would be reasonably likely to jeopardise any attorney-client, work product or other legal privilege (provided ResApp must use reasonable endeavours to facilitate the provision of such information without waiving legal professional privilege or on the basis of a limited waiver, such that privilege more generally is not lost); or
 - (vii) provide any competitively sensitive information regarding the conduct of its business unless and until the general nature of the information proposed to be disclosed is discussed with, and approved in writing by, the parties (in consultation with their respective legal counsels).
- (c) The parties acknowledge that all information that is provided pursuant to this clause 6.2 will be provided subject to the terms of the Confidentiality Deed.

6.3 Integration planning

- (a) The parties agree to establish an integration committee comprising an equal number of members from each party (the **Integration Committee**).
- (b) The role of the Integration Committee will be to act as a forum for discussion and planning in respect of the following:
 - (i) implementation of the Scheme;
 - (ii) matters related to integration and transition planning, stakeholder engagement and communications, business operations and functions or processes; and
 - (iii) the process referred to in clause 6.4.
- (c) Each party must ensure that its representatives on the Integration Committee act in good faith in their capacity as members of the Integration Committee with a view to fulfilling the role and objectives of such committee (to the extent within their power).
- (d) The Integration Committee will meet at such times and places as agreed between the members of the Integration Committee from time to time, taking into account the existing roles and duties of ResApp's representatives on the Integration Committee. Meetings may be held via telephone or other forms of technology that provide representatives with an opportunity to participate.
- (e) The members of the Integration Committee may agree to invite other persons to attend meetings of the Integration Committee from time to time.
- (f) From time to time, certain members of the Integration Committee or other representatives of the parties (as agreed between the parties) will meet separately to meetings of the Integration Committee to discuss and progress matters considered or plans developed by the Integration Committee.
- (g) The parties acknowledge and agree that:

- (i) the Integration Committee is a discussion and planning forum only, and the members of the Integration Committee do not have power to bind any party or to give any consent, approval or waiver on behalf of any party;
- (ii) nothing in this clause 6.3 or elsewhere in this deed requires a party to act at the direction of the other party or is intended to create a relationship of partnership, joint venture or similar between the parties;
- (iii) nothing in this clause 6.3 or elsewhere in this deed requires a party to take any action that would reasonably be expected to result in an ResApp Group member breaching any applicable law or the entity's constituent documents;
- (iv) the respective businesses of the Pfizer Group and the ResApp Group are to continue to operate independently and, to the extent they are or may be competitors in relation to the supply or acquisition of any products or services, they will:
 - (A) not share competitively sensitive information unless and until the general nature of the information proposed to be disclosed is discussed with, and approved in writing by, the parties (in consultation with their respective legal counsels); and
 - (B) continue to actively compete in relation to those activities, until (and subject to) implementation of the Scheme; and
- (v) nothing in this clause 6.3 requires any of ResApp's representatives on the Integration Committee to do anything which would unduly interfere with their responsibilities to ResApp and the ongoing conduct of ResApp's business.

6.4 Change of control consents

As soon as practicable after the date of this deed, in respect of those contracts to which ResApp or another member of the ResApp Group is party and which contain change or control or unilateral termination rights (or similar provisions) that may be triggered by or exercised in response to the implementation of the Transaction (or matters consequential on the implementation of the Transaction including the subsequent delisting of ResApp from the ASX):

- (a) ResApp and Pfizer will discuss in good faith a proposed course of action (which, among other things, will have due regard to applicable legal restrictions) and then (upon mutual agreement of such course of action) ResApp will initiate contact, including joint discussions if required, with the relevant counterparties and request that they provide any consents or confirmations required or appropriate. Pfizer must not contact any counterparties for this purpose without ResApp present or without ResApp's prior written consent (which is not to be unreasonably withheld, conditioned or delayed);
- (b) ResApp must cooperate with, and provide reasonable assistance to, Pfizer to obtain such consents or confirmations as expeditiously as possible, including by promptly providing any information reasonably required by counterparties (but nothing in this clause requires ResApp or Pfizer to incur material expense); and
- (c) provided that ResApp has complied with this clause 6.4 and the relevant contract has been Fairly Disclosed in the Disclosure Letter (**Relevant Contract**), a failure by a member of the ResApp Group to obtain any third party consent or confirmation, or the exercise of a termination right under a Relevant Contract, will not of itself constitute a breach of this deed by ResApp and, together with any consequences that arise, will be disregarded when assessing the operation of any other provision of this deed.

6.5 Information about Employees

ResApp must, prior to the date of despatch of the Scheme Booklet to ResApp Shareholders, provide the following information to Pfizer:

- (a) a listing of all Employees;
- (b) in relation to each Employee – their full name, their address, their date of birth, their employing entity, their job title, their reporting line; their period of service with a member of the Reverb Group, their employment status (full time, part time, casual or maximum term), visa status (if applicable), whether they are receiving or due to receive workers compensation benefits, applicable modern award, enterprise agreement or other industrial instrument (if any), and accruals of annual leave, long service leave and personal/carer's leave; and
- (c) the material terms of each Employee's terms of employment including remuneration and any other benefits (including commissions, bonuses, profit sharing, shares and share options) paid or conferred on each Employee.

6.6 Directors' and officers' insurance and indemnities

- (a) Subject to the Scheme becoming Effective and the Transaction completing, Pfizer undertakes in favour of ResApp and each person who is a director or officer of a member of the ResApp Group that it will:
 - (i) for a period of seven years from the Implementation Date or until a company ceases to be part of the ResApp Group (whichever is earlier), ensure that the constitutions of ResApp and each other member of the ResApp Group continues to contain such rules as are contained in those constitutions at the date of this deed that provide for each company to indemnify each of its current and previous directors and officers against any liability incurred by that person in his or her capacity as a director or officer of the company to any person other than a member of the ResApp Group; and
 - (ii) procure that each member of the ResApp Group complies with any deeds of indemnity, access and insurance made by them prior to the date of this deed (and the general terms of which have been Fairly Disclosed in the Due Diligence Material or the Disclosure Letter) in favour of their respective current and previous directors and officers from time to time and, without limiting the foregoing, ensure that directors' and officers' run-off insurance cover for such directors and officers is maintained, for a period of seven years from the retirement date of each director and officer (and ResApp may, at its election, put in place such run-off insurance and pay any amounts necessary to ensure such maintenance upfront prior to the implementation of the Scheme, provided that it has first obtained Pfizer's prior written consent (not to be unreasonably withheld or delayed)).
- (b) Pfizer acknowledges that, notwithstanding any other provision of this deed, ResApp may, prior to the Implementation Date, enter into arrangements to secure directors' and officers' run-off insurance for up to such seven year period, provided that:
 - (i) the scope of cover of the policy will be on the same or substantially the same terms as the existing insurance policies in place for directors or officers of the ResApp Group at the date of this deed;
 - (ii) ResApp has consulted reasonably and in good faith with Pfizer in relation to the applicable policy prior to securing the relevant policy; and

- (iii) ResApp has used reasonable endeavours to minimise its costs in relation to obtaining the run-off insurance policy; and
- (iv) ResApp acts reasonably and in consultation with Pfizer.
- (c) The undertakings contained in clause 6.6(a) are subject to any Corporations Act restriction and will be read down accordingly.
- (d) ResApp receives and holds the benefit of clause 6.6(a), to the extent it relates to the other ResApp Parties, as trustee for them.
- (e) The undertakings contained in clause 6.6(a) are given until the earlier of the end of the relevant period specified in clause 6.6(a) or the relevant member of the ResApp Group ceasing to be part of the ResApp Group.

7 ResApp Board recommendation

- (a) ResApp represents and warrants to Pfizer that, as at the date of this deed:
 - (i) each ResApp Director has confirmed that he or she will act in accordance with clause 7(b); and
 - (ii) the ResApp Board has confirmed by passing a unanimous resolution that it will act in accordance with clause 7(b).
- (b) Subject to clauses 7(c) and 7(d), ResApp must use its best endeavours to ensure that:
 - (i) unless otherwise agreed in writing by the parties, the ResApp Board unanimously recommends that, in the absence of a Superior Proposal and subject to the Independent Expert opining at all times prior to the Second Court Date that the Scheme is in the best interests of ResApp Shareholders, ResApp Shareholders vote in favour of the Scheme at the Scheme Meeting;
 - (ii) the Scheme Booklet and all public announcements by ResApp in relation to the Scheme (other than announcements as to purely administrative matters) will include a statement by the ResApp Board to that the ResApp Board unanimously recommends that, in the absence of a Superior Proposal and subject to the Independent Expert opining at all times prior to the Second Court Date that the Scheme is in the best interests of ResApp Shareholders, ResApp Shareholders vote in favour of the Scheme at the Scheme Meeting;
 - (iii) the Scheme Booklet and all public announcements by ResApp in relation to the Scheme (other than announcements as to purely administrative matters) will include a statement to the effect that each director of ResApp will, in the absence of a Superior Proposal, vote (or procure the voting of) all ResApp Shares held or controlled by him or her in favour of the Scheme at the Scheme Meeting; and
 - (iv) unless otherwise agreed in writing by the parties, a director of ResApp does not change, withdraw, modify or qualify his or her recommendation under clause 7(b)(i) or a statement under clauses 7(b)(ii) or 7(b)(iii) or make a recommendation or statement that is inconsistent with such recommendation or statement (including by making any public statement supporting, endorsing or recommending a Competing Proposal and/or to the effect that he or she no longer supports the Scheme).
- (c) Clause 7(b) will cease to apply in either of the following circumstances:
 - (i) the Independent Expert opines prior to the Scheme Meeting to the effect that the Scheme is not in the best interests of ResApp Shareholders; or

- (ii) ResApp receives a Competing Proposal and the ResApp Board unanimously determines, after all of Pfizer's rights under clause 11.5 have been exhausted, that the Competing Proposal constitutes a Superior Proposal.
- (d) Clause 7(b) (other than clause 7(b)(iii)) will cease to apply in relation to any executive director of ResApp Director, if ResApp receives written advice from an independent senior counsel of the New South Wales bar practising in the field of corporate law, and on the basis of that advice ResApp reasonably determines:
 - (i) the ResApp Director has an interest in the Scheme that renders it inappropriate for them to make or maintain the recommendation under clauses 7(b)(i) and 7(b)(ii); and
 - (ii) the Court would be unlikely to grant an order:
 - (A) under section 411(1) of the Corporations Act directing ResApp to convene the Scheme Meeting; or
 - (B) under sections 411(4)(b) and 411(6) of the Corporations Act approving the Scheme,
 solely as a result of the interest in clause 7(d)(i),
 provided that the ResApp Director does not otherwise adversely qualify their recommendation or recommend or endorse a Competing Proposal, whether publicly or otherwise.

8 Representations and warranties

8.1 Pfizer Representations and Warranties

- (a) Pfizer represents and warrants to ResApp (in its own right and separately as trustee or nominee for each of the other ResApp Parties) that each Pfizer Representation and Warranty is true and correct.
- (b) Pfizer must not take or omit to take any action, or allow any action to be taken or omit to be taken, which would cause any Pfizer Representation and Warranty not to be true and correct.
- (c) Pfizer indemnifies ResApp (in its own right and separately as trustee or nominee for each member of the ResApp Group) against, and must pay ResApp on demand the amount of, any losses, liabilities, damages, costs, charges or expenses suffered or incurred by any member of the ResApp Group as a result of, or in connection with, a breach of a Pfizer Representation and Warranty.

8.2 ResApp Representations and Warranties

- (a) ResApp represents and warrants to Pfizer (in its own right and separately as trustee or nominee for each of the other Pfizer Parties) that each ResApp Representation and Warranty is true and correct.
- (b) ResApp must not take or omit to take any action, or allow any action to be taken or omit to be taken, which would cause any ResApp Representation and Warranty not to be true and correct, except any action which arises out of, or directly in connection with, the Research, Development and License Agreement.
- (c) Pfizer acknowledges and agrees that the ResApp Representations and Warranties and the ResApp indemnity under clause 8.2(d) are given subject to those matters which:

- (i) are Fairly Disclosed under or arise out of, or directly in connection with, the Research, Development and License Agreement, except to the extent there has been a breach of the Research, Development and License Agreement;
- (ii) are expressly provided for in this deed or the Research, Development and License Agreement;
- (iii) are Fairly Disclosed and with specific reference to its exception to the applicable Representation and Warranty in the Disclosure Letter;
- (iv) have been Fairly Disclosed to ASX within the one year period prior to the date of this deed; or

Immediately after the execution of this deed, ResApp must issue a public announcement in a form previously agreed to in writing between the parties. The ResApp announcement must include:

- (a) a unanimous recommendation by the directors of ResApp to ResApp Shareholders consistent with that set out in clause 7(b)(i) (unless otherwise agreed by the parties in writing); and

10.2 Other public announcements

Each party must:

- (a) prior to making any public announcement or disclosure of or in relation to the Transaction, to the extent reasonably practicable and lawful, consult with the other party as to the timing, form and content of that announcement or disclosure, including by giving the other party a reasonable opportunity to review the draft and taking into account all reasonable comments from them on the draft; and
- (b) not make any such public announcement or disclosure prior to such consultation, provided that any Party that is required to make disclosure by Law with respect to the Transaction shall use its commercially reasonable efforts to give the other party prior oral or written notice and a reasonable opportunity for it and its legal counsel to review or comment on the disclosure or filing (other than with respect to confidential information of the disclosing party contained in such disclosure or filing). The party making such disclosure required by Law shall give reasonable consideration to any comments made by the other party or its legal counsel, and if such prior notice is not possible, shall give such notice immediately following the making of such disclosure or filing. If such prior notice is not possible, the disclosing party shall give such notice promptly following the making of such disclosure or filing.

11 Exclusivity

11.1 No current discussions regarding a Competing Proposal

ResApp represents and warrants that, as at the date of this deed, neither it nor any of its Representatives are in any negotiations or discussions, in respect of any Competing Proposal.

11.2 No-shop and no talk

During the Exclusivity Period, ResApp must not, and must ensure that each of its Representatives, does not, directly or indirectly:

- (a) **(no shop)** solicit, invite, encourage or initiate (including by the provision of non-public information to any Third Party) any Competing Proposal, or any enquiries, proposal, negotiations or discussions with any Third Party in relation to, or that may reasonably be expected to encourage or lead to, any Competing Proposal, or communicate any intention to do any of those things; and
- (b) **(no talk or due diligence access)** subject to clause 11.3:

- (i) enter into, continue or participate in negotiations or discussions with, or negotiate or enter into any agreement, arrangement or understanding with, any Third Party in relation to, or that may reasonably be expected to encourage or lead to, any Competing Proposal; or
- (ii) disclose or otherwise make available to any Third Party, or permit any Third Party to receive, any non-public information relating to ResApp or any of its Subsidiaries in connection with, or which may reasonably be expected to encourage or lead to, such Third Party formulating, developing or finalising, or assisting in the formulation, development or finalisation of, any Competing Proposal; or
- (iii) communicate any intention to do any of those things.

11.3 Limitation to no-talk and no-due diligence

Clause 11.2(b) does not prevent ResApp from taking or omitting to take any action in relation to a Competing Proposal (which was not solicited, invited, encouraged or initiated in breach of clause 11.2(a)), provided that the ResApp Board has first determined, in good faith, and in what the ResApp Board considers to be in the interests of ResApp and its shareholders, and after receiving advice from its external financial and external legal Advisers, that:

- (a) such Competing Proposal is, or could reasonably be expected to become, a Superior Proposal; and
- (b) compliance with clause 11.2(b) would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of the directors of ResApp.

11.4 Notification by ResApp

During the Exclusivity Period, ResApp must as soon as possible (and in any event within 24 hours) give Pfizer notice in writing if it, or any of its Representatives receives a Competing Proposal (or any approach, inquiry or proposal made by any person to initiate any discussions or negotiations that concern, or that could reasonably be expected to lead to, a Competing Proposal, or receives any request from a Third Party for any non-public information relating to the ResApp Group or any of its businesses or operations in connection with or to assist in the development of a Competing Proposal). Such notice must include the identity of the relevant person making, proposing or otherwise involved in the relevant Competing Proposal, together with all material terms and conditions of the relevant Competing Proposal (including price and form of consideration, value of any non-cash component of the consideration, proposed deal protection provisions, any break or reimbursement fee, proposed timing and conditions precedent), in each case only to the extent known to ResApp.

11.5 Pfizer matching right

- (a) Without limiting clause 11.2, during the Exclusivity Period, ResApp must not, and must procure that each of its Subsidiaries do not, enter into any legally binding agreement, arrangement or understanding pursuant to which ResApp or any Subsidiary of ResApp agrees to undertake or give effect to a Competing Proposal, unless:
 - (i) the Competing Proposal is in a form which is able to be accepted by ResApp so as to give rise to a legally binding agreement, and the ResApp Board determines that the Competing Proposal is a Superior Proposal;
 - (ii) ResApp has provided Pfizer with a notice stating that it is given for the purposes of this clause 11.5 and setting out:

- (A) all the material terms and conditions of the Competing Proposal (including, but not limited to, price, form of consideration, value of any non-cash component of the consideration, proposed deal protection provisions, any break or reimbursement fee, proposed timing and any conditions precedent);
- (B) if the form of consideration being proposed under the Competing Proposal is not cash, or the consideration includes a component that is not cash (which may, for example, be in the form of shares in the competing bidder), or the Competing Proposal includes other features which affect its value, the cash equivalent value per ResApp Share that the ResApp Board considers the Competing Proposal to be worth, and guidance as to any other terms and conditions that Pfizer would need to propose to ResApp in order to provide a matching outcome for ResApp Shareholders as a whole as compared with the Competing Proposal; and
- (C) the identity of the Third Party making the Competing Proposal;
- (iii) ResApp has given Pfizer five Business Days after the date of the provision of the notice referred to in clause 11.5(a)(ii) to announce or provide to ResApp a counter proposal to the Competing Proposal (**Pfizer Counterproposal**); and
- (iv) either:
- (A) Pfizer has not announced or provided to ResApp a Pfizer Counterproposal by the expiry of the five Business Day period in clause 11.5(a)(iii); or
- (B) Pfizer has announced or provided to ResApp a Pfizer Counterproposal by the expiry of the five Business Day period in clause 11.5(a)(iii) that the ResApp Board, acting reasonably and in good faith, determines would not provide a matching or superior outcome for ResApp Shareholders as a whole compared with the Competing Proposal, taking into account all of the terms and conditions of the Pfizer Counterproposal.
- (b) If Pfizer announces or provides to ResApp a Pfizer Counterproposal by the expiry of the five Business Day period in clause 11.5(a)(ii), ResApp must procure that the ResApp Board considers the Pfizer Counterproposal and if the ResApp Board, acting reasonably and in good faith, determines that the Pfizer Counterproposal would provide a matching or superior outcome for ResApp Shareholders as a whole compared with the Competing Proposal, taking into account all of the terms and conditions of the Pfizer Counterproposal, then ResApp and Pfizer must use their best endeavours to agree the amendments to this deed, the Scheme and the Deed Poll (as applicable) that are reasonably necessary to reflect the Pfizer Counterproposal and to implement the Pfizer Counterproposal, in each case as soon as reasonably practicable, and ResApp must use its best endeavours to procure that each ResApp director continues to recommend the Transaction (as modified by the Pfizer Counterproposal) to ResApp Shareholders in accordance with clause 7.
- (c) For the purposes of this clause 11.5:
- (i) each successive material variation or amendment to a Competing Proposal will constitute a new Competing Proposal; and
- (ii) for the avoidance of doubt, the process set out in this clause 11.5 must again be followed in respect of any such new Competing Proposal.

11.6 Compliance with law

- (a) This clause 11 imposes obligations on ResApp only to the extent that the performance of all or part of those obligations:
- (i) does not constitute unacceptable circumstances as declared by the Australian Takeovers Panel; and
 - (ii) is not determined to be unlawful by a court (including by virtue of it being a breach of the ResApp Board's fiduciary or statutory duties),
- subject to all proper avenues of appeal and review, judicial and otherwise, having been exhausted.
- (b) The parties must not make, or cause or permit to be made, any application to the Australian Takeovers Panel or a court for or in relation to a declaration or determination of a kind referred to in clause 11.6(a) and, in the event that any such application is made by a Third Party, must take all reasonable steps (including by making submissions against the declaration or determination) to ensure that any such determination is not made or applies to the minimum extent possible.

11.7 Normal provision of information

Nothing in this clause 11 prevents a party from:

- (a) providing information to its Representatives for the purpose of implementing the Transaction;
- (b) providing information to any Government Agency for the purpose of implementing the Transaction;
- (c) providing information to its auditors, customers, financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business;
- (d) providing information required to be provided by law, including to satisfy its obligations of disclosure under the ASX Listing Rules or to any Government Agency;
- (e) making presentations to, and responding to enquiries from, brokers, portfolio investors, analysts, institutional investors and institutional lenders in the ordinary course in relation to its business generally; or
- (f) engaging with its shareholders (in their capacity as a shareholder) in the ordinary course and consistent with past practice, in relation to ResApp Group, provided such engagement does not relate to ResApp soliciting, inviting, encouraging or initiating an actual or proposed or potential Competing Proposal.

12 Break fee

12.1 Background

This clause 12 has been agreed to in circumstances where:

- (b) Pfizer has requested provision be made for the payment outlined in this clause 12, without which Pfizer would not have entered into this deed;

12.2 Payment of ResApp Break Fee

Subject to clauses 12.3 and 12.6, ResApp must pay Pfizer (or another entity as nominated by the Pfizer) the ResApp Break Fee if:

 - (iii) recommends, supports or endorses a Competing Proposal, including by making a public statement recommending that ResApp Shareholders accept or vote in favour of a Competing Proposal of any kind that is announced (whether or not such proposal is stated to be subject to any pre-conditions) during the Exclusivity Period,

other than in circumstances where the Independent Expert concludes that the Scheme is not in the best interests of ResApp Shareholders (except in circumstances where the Independent Expert reaches that conclusion as a result of a Competing Proposal);
- (b) during the Exclusivity Period a Competing Proposal is announced by a Third Party or notified to ResApp (whether or not such proposal is stated to be subject to any pre-conditions) and, within twelve months after that occurring or after ResApp has given Pfizer the last of all notices under clause 11.5(a)(ii) in relation to that Competing Proposal (whichever is later), any Third Party:
 - (i) completes a transaction of the kind referred to in paragraph (b), (c) or (d) of the definition of Competing Proposal; or
 - (ii) has a relevant interest in at least 50% of ResApp Shares under a transaction that is or has become wholly unconditional; or
- (c) Pfizer terminates this deed under:
 - (i) clause 14.1(a)(i); or

- (b) Without limiting clause 12.3(a), if an event referred to in clause 12.2(a) occurs no amount is payable under clause 12.2 unless Pfizer has terminated this deed under clause 14.1(b) or the Scheme has failed to become Effective by the End Date.
- (c) Despite anything to the contrary in this deed, the ResApp Break Fee will not be payable to Pfizer if the Scheme becomes Effective, notwithstanding the occurrence of an event referred to in clause 12.2 and, if the ResApp Break Fee has already been paid it must be refunded by Pfizer within five Business Days after the Scheme becomes Effective.

 - (ii) a payment by ResApp of the ResApp Break Fee in accordance with this clause 12 represents the sole and absolute liability of ResApp to Pfizer under or in connection with this deed and no further damages, fees, expenses or reimbursements of any kind will be payable by ResApp to Pfizer in connection with this deed; and
 - (iii) the amount of the ResApp Break Fee payable to Pfizer under this clause 12 shall be reduced by the amount of any loss or damage recovered by Pfizer in relation to a breach of any other clause of this deed.
- (b) Clause 12.7(a) does not limit the liability of ResApp under or in connection with this deed in respect of any fraud or wilful material breach of this deed by ResApp.

Subject to the terms of this Scheme, each Scheme Shareholder will be entitled to the Scheme Consideration for each Scheme Share held by that Scheme Shareholder.

5.2 Deposit of Scheme Consideration

Pfizer must, by no later than the Business Day before the Implementation Date, deposit (or procure the deposit) in cleared funds into the Trust Account an amount at least equal to the aggregate amount of the Scheme Consideration payable to each Scheme Shareholder provided that any interest on the amounts deposited (less bank fees and other charges) will be credited to Pfizer's account.

5.3 Payment to Scheme Shareholders

- (a) On the Implementation Date, subject to Pfizer having satisfied its obligations in clause 5.2, ResApp must pay or procure the payment, from the Trust Account, to each

Scheme Shareholder the Scheme Consideration as that Scheme Shareholder is entitled under this clause 5.

- (b) The obligations of ResApp under clause 5.3(a) will be satisfied by ResApp (in its absolute discretion):
 - (i) where a Scheme Shareholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the ResApp Share Registry to receive dividend payments from ResApp by electronic funds transfer to a bank account nominated by the Scheme Shareholder, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election; or

5.5 Fractional entitlements

Where the calculation of the Scheme Consideration to be paid to a Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent, that fractional entitlement will be rounded down to the nearest whole cent.

5.6 Unclaimed monies

- (a) The *Unclaimed Money Act 1995* (NSW) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 7 of the *Unclaimed Money Act 1995* (NSW)).

 - (i) is returned to ResApp; or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (c) During the period of one year commencing on the Implementation Date, on request in writing from a Scheme Shareholder to ResApp (or the ResApp Share Registry) (which request may not be made until the date which is 20 Business Days after the Implementation Date), ResApp must reissue a cheque that was previously cancelled under this clause 5.6.

5.7 Remaining monies (if any) in Trust Account

To the extent that, following satisfaction of ResApp's obligations under the other provisions of this clause 5 and provided Pfizer has by that time acquired the Scheme Shares in accordance with this Scheme, there is a surplus in the Trust Account, then subject to compliance with applicable laws, the other terms of this Scheme, the Deed Poll and the Scheme Implementation Deed, that surplus (less any bank fees and related charges) shall be paid by ResApp (or the ResApp Share Registry on ResApp's behalf) to Pfizer.

 - (i) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by ResApp in accordance with this clause 5, then ResApp shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
 - (ii) prevents ResApp from providing consideration to any particular Scheme Shareholder in accordance with this clause 5, or the payment or issuance of such consideration is otherwise prohibited by applicable law, ResApp shall be entitled to (as applicable) retain an amount equal to the number of Scheme Shares held by that Scheme Shareholder multiplied by the Scheme Consideration, until such time as payment in accordance with this clause 5 is permitted by that (or another) court or direction or otherwise by law.
- (b) To the extent that amounts are so deducted or withheld in accordance with clause 5.8(a), such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted as required.

and ResApp will not accept for registration, nor recognise for the purpose of establishing the persons who are Scheme Shareholders nor for any other purpose (other than to transfer to Pfizer pursuant to this Scheme and any subsequent transfers by Pfizer and its successors in title), any transfer or transmission application in respect of ResApp Shares received after such times, or received prior to such times but not in actionable or registrable form (as appropriate).

6.2 Register

- (a) ResApp will, until the Scheme Consideration has been provided and the name and address of Pfizer has been entered in the ResApp Share Register as the holder of all of the Scheme Shares, maintain, or procure the maintenance of, the ResApp Share Register in accordance with this clause 6, and the ResApp Share Register in this form and the terms of this Scheme will solely determine entitlements to the Scheme Consideration.
- (b) As from the Scheme Record Date (and other than for Pfizer following the Implementation Date), each entry in the ResApp Share Register as at the Scheme Record Date relating to Scheme Shares will cease to have any effect other than as evidence of the entitlements of Scheme Shareholders to the Scheme Consideration in respect of those Scheme Shares.
- (c) As soon as possible on or after the Scheme Record Date, and in any event within two Business Days after the Scheme Record Date, ResApp will ensure that details of the names, Registered Addresses and holdings of ResApp Shares for each Scheme Shareholder as shown in the ResApp Share Register are available to Pfizer in the form Pfizer reasonably requires.

As from the Scheme Record Date (and other than for Pfizer following the Implementation Date), all share certificates and holding statements for Scheme Shares (other than statements of holding in favour of Pfizer) will cease to have effect as documents of title in respect of those Scheme Shares.

6.4 No disposals after Record Date

If this Scheme becomes Effective, each Scheme Shareholder, and any person claiming through that Scheme Shareholder, must not dispose of or purport or agree to dispose of any Scheme Shares or any interest in them after 5.00pm on the Scheme Record Date (other than to Pfizer in accordance with this Scheme and any subsequent transfers by Pfizer and its successors in title), and any attempt to do so will have no effect and ResApp shall be entitled to disregard any such disposal, purported disposal or agreement.
