EXPLANATORY STATEMENT

Receipt and Consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 31 December 2021 (which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report) and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution costs associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 9692 7222, and you may request that this occurs on a standing basis for future years. Alternatively, you may access the Annual Report at the Company's website: <https://demembranes.com/investors/> via the Company's announcement platform on ASX. Except as set out in Resolution 1, no resolution is required on these reports.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2021 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act 2001, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five (25%) per cent of the total votes cast and accordingly, a spill resolution will not under any circumstances be required for the Annual General Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Voting Exclusions

A voting exclusion statement is set out on Note 5 of this Notice.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Board encourage all eligible shareholders to cast their votes in favour of Resolution 1. The Chairman of the meeting intends to vote undirected proxies in favour of Resolution 1.

Resolution 2: Re-election of Mr Cosimo Trimigliozi as a Director of the Company

Background

The Constitution of the Company requires that at every Annual General Meeting, one-third or the next number nearest one-third of the Directors, and any other director who has held office for 3 years or more, shall retire from office. The constitution also provides that such Directors are eligible for re-election at the meeting. Mr Trimigliozi retires by rotation and, being eligible, offers himself for re-election.

Mr Trimigliozi looks back at a successful, almost 30-year long career in the feed and food ingredients / flavors & fragrances industry, an important target market for De.mem Pte Ltd. In his last assignment, he was the COO of Wild Flavors International, Germany, responsible in particular for the Asian and South American business expansion. Mr Trimigliozi was a member of the key management team involved in the sale of Wild Flavors on behalf of owner Mr. Wild and private equity investor KKR to ADM Group for approx. 2.5 billion USD. Prior to that, Mr. Trimigliozi had been in other senior management roles, amongst other as Managing Director – Asia for Givaudan, a multinational corporation from Switzerland.

Voting Exclusions

There are no voting exclusions on this resolution.

Board Recommendation

The Board (with Mr Trimigliozi abstaining) recommends that shareholders vote in favour of the re-election of Mr Trimigliozi. The Chairman of the meeting intends to vote undirected proxies in favour of Mr Trimigliozi's re-election.

Resolution 3: Re-election of Mr Stuart Carmichael as a Director of the Company

Background

The Constitution of the Company requires that at every Annual General Meeting, one-third or the next number nearest one-third of the Directors, and any other director who has held office for 3 years or more, shall retire from office. The constitution also provides that such Directors are eligible for re-election at the meeting. Mr Stuart Carmichael retires by rotation and being eligible, offers himself for re-election.

Mr Carmichael is a Chartered Accountant with over 20 years' experience in the provision of corporate advisory services both within Australia and internationally. Mr Carmichael is a principal and director of Ventnor which specialises in the provision of corporate and financial advice to small cap ASX listed companies including capital raisings, IPO's, corporate restructures and mergers and acquisitions. Mr Carmichael graduated from the University of Western Australia with a Bachelor of Commerce degree in 1995, gaining experience with KPMG Corporate Finance in Perth and London before joining ASX listed property services and engineering company UGL Limited (ASX:UGL).

Voting Exclusions

There are no voting exclusions on this resolution.

Board Recommendation

The Board (with Mr Carmichael abstaining) recommends that shareholders vote in favour of the re-election of Mr Carmichael. The Chairman of the meeting intends to vote undirected proxies in favour of Mr Carmichael's re-election.

Resolution 4: Approval to grant 2,000,000 Performance Rights to Mr Andreas Kroell

Background

Resolution 4 of this Notice seeks Shareholder approval to grant 2,000,000 Performance Rights to Mr Andreas Kroell as his FY22 long term incentive on the terms described below and in accordance with the Company's

Incentive Option Plan (the Plan), as well as approval for the issue of any Shares on vesting and exercise of those Performance Rights. The full terms of the Performance rights to be issued are disclosed in the Annexure A.

These Performance Rights are proposed to be granted to Mr Kroell, in order to further align his interests with the interests of Shareholders.

As the Performance Rights will form part of Mr Kroell's remuneration, they will be granted for no cash payment and there will be no amount payable on vesting. Each vested Performance Right entitles Mr Kroell to be issued one ordinary fully paid share in the Company, or equivalent cash payment, on vesting. Prior to vesting, Performance Rights do not entitle Mr Kroell to any dividends or voting rights.

The Board believes that in order to compensate Mr Kroell in line with current market practices and remunerate him appropriately given the rapid growth of the Company, Performance Rights provide an appropriate and meaningful form of remuneration that aligns with Shareholder interests. The Board believes that the achievement of the service hurdles attached to these Performance Rights will be to the benefit of all Shareholders as these will motivate Mr Kroell to remain in the Company's employ to carry on his role of implementing and executing the Company's strategies and overseeing operations. In particular, the Board considers that the value attributed to the Performance Rights (as described below) and their associated terms and conditions represent reasonable remuneration for Mr Kroell as if the Company and Mr Kroell were dealing at arm's length.

Approval is being sought in this Resolution in respect of the proposed grant of Performance Rights to Mr Kroell under the Plan as a component of his overall executive remuneration package.

Terms of Performance Rights

A total of 2,000,000 Performance Rights will be granted to Mr Kroell under the Plan, subject to Shareholder approval. The Performance Rights will vest on 31 July 2024 provided he remains employed until that date; expiring on 31 July 2025 (Performance Period). Each Performance Right will entitle the holder to be issued one fully paid ordinary Share in the Company upon conversion of that Performance Right.

ASX Listing Rules

ASX Listing Rule 10.14 requires that the Company not permit a Director or their associates to acquire securities under an "employee incentive scheme" without Shareholder approval (unless an exception applies). The Board is therefore seeking Shareholder approval to grant Performance Rights to Mr Kroell on the terms set out above and under the Plan.

The Plan constitutes an "employee incentive scheme" under the ASX Listing Rules.

- (i) the material terms of the Plan can be found in Annexure A to this Explanatory Statement;
- (j) no loan will be made by the Company in relation to the grant of Performance Rights to Mr Kroell;
- (k) details of any securities issued under the Plan will be published in the Annual Report of the Company relating to a period in which the securities were issued in addition to a statement that the securities were issued under ASX Listing Rule 10.14;
- (l) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after this Resolution is approved and who were not named in this Notice of Meeting will not participate until approval is obtained under Listing Rule 10.14.

If Resolution 4 is passed, the Company will be able to proceed with the issue of the Performance Rights and Mr Andreas Kroell will receive the number of Performance Rights set out above, with the increase in his remuneration and potential increase in this shareholding as described above.

If Resolution 4 is not passed, the Company will not be able to proceed with the issue of the Performance Rights to Mr Andreas Kroell, and he will not receive the Performance Rights or potential shareholdings as described above.

Termination Benefits approval – section 200B and s200E Corporations Act

Sections 200B and 200E of the Corporations Act prohibit the Company from giving a benefit to a person who holds (or has held in the previous three years) a managerial or executive office with the Company or its subsidiaries, if that benefit is given in connection with that person's retirement from office and is in excess of that person's average annual base salary over the relevant period, unless the benefit is approved by Shareholders or an exemption applies.

Approval is therefore sought under section 200E of the Corporations Act to allow for the Board to determine to accelerate vesting of some or all of Mr Kroell's unvested Performance Rights in the event Mr Kroell ceases employment in 'good leaver' circumstances being cessation other than due to resignation or dismissal for cause or poor performance and for the benefit not to be a termination benefits for the purposes of the Corporations Act. Where Mr Kroell ceases as a 'bad leaver' (which includes by resignation or dismissal for poor performance), all unvested Performance Rights will lapse, unless the Board determines otherwise.

If Shareholder approval is obtained, the value of the approved benefits will be disregarded when calculating Mr Kroell's termination benefits cap for the purpose of subsection 200F(2)(b) or subsection 200G(1)(c) of the Corporations Act. The approval will be effective from the date the Resolution is passed until the conclusion of the 2024 Annual General Meeting (that is, for a period of approximately three years).

The value of any benefit relating to the Performance Rights given in connection with Mr Kroell ceasing to hold managerial or executive office cannot presently be ascertained. However, matters, events and circumstances that will, or are likely to, affect the calculation of that value are:

- the number of Performance Rights held by Mr Kroell prior to cessation of his employment;
- the date when, and circumstances in which, Mr Kroell ceases employment;
- whether performance hurdles are waived or (if not waived) met, and the number of Performance Rights that vest (which could be all of the Performance Rights held by Mr Kroell; and
- the market price of the Company's shares on ASX on the date Shares are provided to Mr Kroell upon vesting of the Performance Rights.

Board Recommendation

The Board (with Mr Kroell abstaining) recommends that Shareholders vote in favour of Resolution 4. The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Resolutions 5: Ratification of Prior Issue of 387,958 of Shares

Background

The Company is seeking shareholder approval pursuant to ASX Listing Rule 7.4 to ratify the issue on 23 February 2022 (**Issue Date**) of 387,958 fully paid ordinary shares (**Shares**) at a deemed issue price of \$0.3222 (32.22 cents) per Share as deferred consideration for De.mem's April 2021 acquisition of the Capic business. The shares were issued to the Capic vendors in accordance with the Capic acquisition contractual terms, following the Capic business meeting relevant milestone which triggered the requirement to issue the Shares.

ASX Listing Rules

ASX Listing Rules 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders, excluding any issues that are subject to one of the exceptions in ASX Listing Rule 7.2 applying. The issue of the Shares was within the Company's available placement capacity under ASX Listing Rule 7.1.

Under ASX Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of shareholders for the purposes of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 at the time and shareholders subsequently approve it. As the issue of Shares was within the Company's ASX Listing Rule 7.1 placement capacity, and was not previously approved by Shareholders, the Company now seeks Shareholder ratification of the issue pursuant to ASX Listing Rule 7.4, so as to refresh its capacity to make further issues without shareholder approval under Listing Rule 7.1.

If this Resolution is approved, the prior issue of 387,958 Shares may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the flexibility, if required, to issue additional equity securities without the 387,958 Shares counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the Issue Date.

If this Resolution is not approved, the prior issue of 387,958 Shares will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the 387,958 Shares as counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1. This will limit the Company's placement capacity under ASX Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the Issue Date.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- (a) the shares were allotted and issued to Cipac Holdings Pty Ltd. There were no participants in the Issue that were investors required to be disclosed under ASX Guidance Note 21;
- (b) the number and class of securities issued was 387,958 fully paid ordinary shares in the Company;
- (c) the Shares were issued on 23 February 2022;
- (d) the Shares were issued at a deemed issue price of \$0.3222 (32.22 cents) per Share;
- (e) the purpose of the issue was to issue shares to the vendors of the Capic business, following the Capic business meeting certain milestones which triggered the contractual obligation, pursuant to the Capic acquisition agreement, for the Company to issue those shares as deferred consideration to the Capic vendors;
- (f) there were no funds raised from the issue of shares, as the shares were issued part consideration for De.mem's acquisition of the Capic business.
- (g) The shares were issued under the agreement between the Company and the vendors of the Capic business for the Company to acquire the Capic business. The acquisition was completed in April 2021 and the material terms of the agreement were:
 - a. A wholly owned subsidiary of the Company acquired the Capic business and assets;
 - b. Consideration for the acquisition comprised:

- i. Base Acquisition Consideration payable upon completion of the acquisition, comprising a cash payment of approximately \$3.4 million and the issue of 3,196,773 Shares;
- ii. Future potential Milestone Payments of \$750,000, comprising three separate payments of \$250,000 each, payable 50% in cash and 50% in Shares, subject to the satisfaction of revenue milestones. The milestone criteria were as follows:
 - Milestone 1: Revenue growth of at least 15% in the 12 months ended on 31 December 2021, vs. the 12 months ended on 31 December 2020 (being the shares the subject of this Resolution);
 - Milestone 2: Revenue growth of at least 35% in the 12 months ended on 31 December 2022, vs. the 12 months ended on 31 December 2020;
 - Milestone 3: Revenue growth of at least 60% in the 12 months ended on 31 December 2023, vs. the 12 months ended on 31 December 2020.

Voting Exclusions

A voting exclusion statement for each of Resolutions 5 is set out on Note 5 of this Notice.

Board Recommendation

The Board recommends that shareholders vote in favour of these Resolutions 5, to ratify the prior issue of 387,958 Shares as described above. The Chairman of the meeting intends to vote undirected proxies in favour of this Resolution 5.

Resolutions 6: Ratification of Prior Issue of 1,356,161 Shares

Background

The Company is seeking shareholder approval pursuant to ASX Listing Rule 7.4 to ratify the issue on 1 April 2022 (**Issue Date**) of 1,356,161 fully paid ordinary shares (**Shares**), at a deemed issue price of \$0.2065 (20.65 cents) per share (**the Issue**), to the vendors of Stevco Seals & Pumps Victoria Pty Ltd (**Stevco**) as part consideration in relation to the acquisition of Stevco by the Company as announced on 22 March 2022 and 1 April 2022.

The Shares were issued without shareholder approval from the Company's 15% placement capacity pursuant to ASX Listing Rule 7.1. The Company is seeking shareholder approval to ratify the Issue.

ASX Listing Rules

ASX Listing Rules 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders, excluding any issues that are subject to one of the exceptions in ASX Listing Rule 7.2 applying. The issue of the Shares was within the Company's available placement capacity under ASX Listing Rule 7.1.

Under ASX Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of shareholders for the purposes of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 at the time and shareholders subsequently approve it. As the issue of the Shares was within the Company's ASX Listing Rule 7.1 placement capacity, and was not previously approved by Shareholders, the Company now seeks Shareholder ratification of the issue pursuant to ASX Listing Rule 7.4 so as to refresh its capacity to make further issues without shareholder approval under Listing Rule 7.1

If this Resolution is approved, the prior issue of 1,356,161 Shares may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the flexibility, if required, to issue additional equity securities without the 1,386,813 Shares counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the Issue Date.

If this Resolution is not approved, the prior issue of 1,356,161 Shares will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the 1,356,161 Shares as counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1. This will

limit the Company's placement capacity under ASX Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the Issue Date.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- (a) the shares were allotted and issued to the following parties:
 - Blannin Family Pty Ltd - 813,697 Shares
 - Steron and Shave Pty Ltd – 542,464 SharesThere were no participants in the Issue that were investors required to be disclosed under ASX Guidance Note 21
- (b) the number and class of securities issued was 1,356,161 fully paid ordinary shares in the Company.
- (c) the Shares were issued on 1 April 2022; and
- (d) the Shares were issued at a deemed issue price of \$0.2065 (20.65 cents) per Share.
- (e) the purpose of the issue was to provide the Shares as part consideration for the acquisition of Stevco. The Shares were not issued for cash, therefore no funds were raised by the issue;
- (f) The shares were issued under the agreement between the Company and the vendors of Stevco for the Company to acquire Stevco. The acquisition was completed in April 2022 and the material terms of the agreement were:
 - a. the Company acquired 100% of the issued shares of Stevco;
 - b. Consideration for the acquisition comprised:
 - i. Base Acquisition Consideration payable upon completion of the acquisition, comprising a cash payment of \$1.25 million and the issue of 1,210,858 Shares valued at \$250,000;
 - ii. Consideration payable upon completion of the acquisition, for the inventory of Stevco, comprising a cash payment of \$180,000 and the issue of 145,303 Shares valued at \$30,000;
 - iii. Future potential Milestone Payments as follows:
 - \$50,000 in cash plus \$50,000 in DEM shares (based on the weighted average share price during the 20 trading days prior to end of year 1 after the completion of the transaction), if Stevco achieves at least \$3 million in revenues in year 1 after the completion of the transaction; plus;
 - \$50,000 in cash plus \$50,000 in DEM shares (based on the weighted average share price during the 20 trading days prior to end of year 2 after the completion of the transaction), if Stevco achieves at least \$4 million in revenues in year 2 after the completion of the transaction.

Voting Exclusions

A voting exclusion statement for each of Resolutions 6 is set out on Note 5 of this Notice.

Board Recommendation

The Board recommends that shareholders vote in favour of this Resolution 6, to ratify the prior issue of 1,356,161 Shares as described above. The Chairman of the meeting intends to vote undirected proxies in favour of this Resolution 6.

Resolutions 7: Renewal of Incentive Option Plan

Resolution 7 seeks shareholder approval to re-approve the existing De.Mem Incentive Option Plan (the "Plan") previously approved by the shareholders at the Annual General Meeting on 2 December 2019.

The Plan is designed to align the interests of eligible employees more closely with the interests of the Company by providing an opportunity for eligible employees to receive an equity interest in the Company. The Plan enables the Board to offer eligible employees a number of equity related interests, including Shares, Options and Performance Rights.

Since 2 December 2019, the date on which Shareholders last approved the Plan, the Company has issued 5,610,000 securities under the Plan.

Approval is sought to issue up to 11,144,734 equity securities (shares, options or other rights including performance rights each conditionally entitling the applicable holder to one fully paid ordinary shares upon exercise or achievement of the applicable milestone). Any additional issues under the Plan above that number would require further shareholder approval.

The objectives of the Plan are to:

- provide eligible employees with an additional incentive to work to improve the performance of the Company;
- attract and retain eligible employees essential for the continued growth and development of the Company;
- promote and foster loyalty and support amongst eligible employees for the benefit of the Company;
- enhance the relationship between the Company and eligible employees for the long-term mutual benefit of all parties; and
- provide eligible employees with the opportunity to acquire shares, options or rights in the Company, in accordance with the Plan.

A summary of material terms of the Plan is set out as follows:

- the Plan sets out the framework for the offer of Shares, Options or Performance Rights by the Company, and is typical for a document of this nature;
- in making its decision to issue Shares, Options or Performance Rights, the Board may decide the number of securities and the vesting conditions which are to apply in respect of the securities. The Board has broad flexibility to issue Shares, Options or Performance Rights having regard to a range of potential vesting criteria and conditions;
- in certain circumstances, unvested Options or Performance Rights will immediately lapse and any unvested Shares held by the participant will be forfeited if the relevant person is a “bad leaver” as distinct from a “good leaver”;

A copy of the Plan is available to shareholders free of charge on request.

ASX Listing Rules Chapter 7

ASX Listing Rule 7.1 requires that shareholder approval is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of securities on issue at the commencement of that 12-month period.

ASX Listing Rule 7.2 exception 13 provides an exception to ASX Listing Rule 7.1 for securities issued under an employee incentive scheme within 3 years after shareholder approval of the scheme. The Company therefore seeks approval of the Plan under ASX Listing Rule 7.2 Exception 13 so that issues of securities under the Plan do not impede the capacity of the Company to issue up to a further 15% of its capital without shareholder approval.

Corporations Act

Approval is also sought under Resolution 7 for the purposes of sections 259B and 260C of the Corporations Act 2001 (Cth).

The Plan provides for the Company to take security over shares issued under the Plan, and to place restrictions on transfer and voting which may also constitute taking security over its own shares. Section 259B(1) of the Corporations Act provides that a company must not take security over shares in itself except as permitted by the Corporations Act. Section 259B(2) provides that the Company may take security over shares in itself under an employee share scheme that has been approved by shareholders at a general meeting. Resolution 7 seeks approval of the Plan for the purposes of section 259B(2) of the Corporations Act.

Under section 260C(4) of the Corporations Act, a company may financially assist a person to acquire its shares if the financial assistance is given under an employee share scheme that is approved by shareholders at a general meeting. The Plan provides that the Company may make loans in respect of shares or other securities issued or to be acquired under the Plan and/or acquire shares or other securities to be held on trust for eligible participants. This may be considered to be the Company providing financial assistance for the acquisition of its own shares or other securities. Accordingly, Resolution 7 seeks approval of the Plan for the purposes of section 260C(4) of the Corporations Act.

Voting Exclusions

See Note 5 for voting exclusions on this Resolution.

Board Recommendation

As the Directors of the Company are excluded from voting pursuant to the Listing Rules, they make no recommendation to the shareholders in respect of the Plan.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Board Recommendation

The Board recommends that Shareholders vote in favour of Resolution 8.

Resolution 9: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting ("**10% Placement Facility**"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of Resolution 9 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period (as described below) without using the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve Resolution 9, the number of Equity Securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below) and the Company will be able to issue Equity Securities from the 10% Placement Facility, as noted below, without any further shareholder approval.

If Shareholders do not approve Resolution 9, the Company will not be able to access the additional 10% capacity to issue Equity Securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in Listing Rule 7.1.

Resolution 9 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes

cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) *Equity Securities*

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company and must be issued for cash consideration.

The Company, as at the date of the Notice, has on issue 3 classes of Equity Securities, quoted Fully Paid Ordinary Shares and Unquoted Options and Performance Rights.

(c) *Formula for calculating 10% Placement Facility*

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue at the commencement of the “relevant period” (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement):

- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
- (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- (D) plus the number of fully paid shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or 7.4.;
- (E) plus the number of partly paid shares that became fully paid in the relevant period;
- (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under Listing Rule 7.4.

(d) *Listing Rule 7.1 and Listing Rule 7.1A*

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2

(e) *Nature of consideration for issue and Minimum Issue Price*

The Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per security which must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) *10% Placement Period*

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting;
- (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained, being 24 May 2022, and expires on the first to occur of the following:
 - (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained, being 24 May 2023;
 - (ii) the time and date of the Company's next annual general meeting;
 - (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
 - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 may be used by the Company include:
 - (i) consideration for the acquisition(s) of the new assets and investments, including the expenses associated with such acquisition(s); and
 - (ii) continued expenditure on the Company's current business and/or general working capital.
- (d) If Resolution 9 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may also be exposed to economic risk and voting dilution, including the following:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 01 April 2022 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.11 50% decrease in Issue Price	\$0.22 Issue Price	\$0.44 100% increase in Issue Price
Current Variable A 222,894,691 Shares	10% Voting Dilution	22,289,469 Shares		
	Funds raised	\$ 2,451,842	\$ 4,903,683	\$ 9,807,366
50% increase in current Variable A 334,342,037 Shares	10% Voting Dilution	33,434,204 Shares		
	Funds raised	\$ 3,677,762	\$ 7,355,525	\$ 14,711,050
100% increase in current Variable A 445,789,382 Shares	10% Voting Dilution	44,578,938 Shares		
	Funds raised	\$ 4,903,683	\$ 9,807,366	\$ 19,614,733

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The Current Share Price is **\$0.22** (22.0 cents), being the closing price of the Shares on ASX on **5 April 2022**.

- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- (i) the methods of raising funds that are available to the Company, including, but not limited to, rights issues or other issues in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

Any allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.

- (f) Information about equity securities issued under Rule 7.1A.2 in the 12-month period preceding the date of the Meeting:
- (i) the Company has not issued, or agreed to issue, any Equity Securities under Rule 7.1A.2 in the 12-month period preceding the date of the Meeting;
 - (ii) the Company has not agreed, before the 12-month period preceding the date of the Meeting, to issue any Equity Securities under Rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Voting Exclusions

As at the date of dispatch of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.2 and, therefore, a voting exclusion statement is not required by Listing Rule 7.3A.7.

Board Recommendation

The Board believes that Resolution 9 is in the best interests of the Company and unanimously recommends that shareholders vote in favour of this Resolution.

In addition, the Board may, in its sole discretion, having regard to the circumstances at the time, waive any such restriction period determined.

No Participation Rights: There are no participating rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues or capital offered to Shareholders during the currency of the Options.

Change in exercise price of number of underlying securities: Unless specified in the offer of the Options and subject to compliance with the ASX Listing Rules, an Option does not confer the right to a change in exercise price or in the number of underlying Shares over which the Option can be exercised.

Reorganisation: If, at any time, the issued capital of the company is reorganised (including consolidation, subdivision, reduction or return), all rights of a holder of an Option are to be changed in a manner consistent with the Corporations Act and the ASX listing Rules at the time of the reorganisation.
