ASX Listing Rule 7.1A

Resolution 4 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its Shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$12 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for working capital, platform and product development, marketing or possibly as cash consideration for acquisition of new assets.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.028 50% decrease in issue price	\$0.056 issue prices ^(b)	\$0.112 100% increase in issue price

	Funds raised	\$600,276	\$1,200,553	\$2,401,105

	Funds raised	\$900,414	\$1,800,829	\$3,601,658

- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's

15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Ratification of Prior Issue of Equity Securities

Resolution 5 – Ratification of Prior Issue of Ratification of Prior Issue of 1,000,000 Unlisted Options

Background

As announced by the Company on 28 October 2021, the Company issued 1,000,000 unlisted options exercisable at \$0.30 (30 cents) and expiring 27 April 2025, utilising the Company's existing capacity under Listing Rule 7.1.

On 28 October 2021, the Company announced by a Notification regarding unquoted securities that it had issued 1,000,000 unlisted and unvested options (**Incentive Options**) granted as incentives to consultants of the Company.

The full terms of the Incentive Options are set out in Annexure A of this Notice.

The Incentive Options were issued on 28 October 2021 by utilising the Company's existing capacity under Listing Rule 7.1.

ASX Listing Rule 7.1

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 1,000,000 unlisted options, exercisable at \$0.30 (30 cents) and expiring 27 April 2025 which were issued on 28 October 2021 (**Issue Date**).

All of the Incentive Options were issued by utilising the Company's existing capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its Shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of Incentive Options did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of Incentive Options for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of Incentive Options will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

If this Resolution is not passed, the issue of Incentive Options will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

Resolution 6 – Ratification of Prior Issue of 250,000 Unlisted Options

Background

As announced by the Company on 28 October 2021, the Company issued 250,000 unlisted options exercisable at \$0.30 (30 cents) and expiring 31 August 2024, utilising the Company's existing capacity under Listing Rule 7.1.

On 28 October 2021, the Company announced by a Notification regarding unquoted securities that it had issued 250,000 unlisted and unvested options (**Consultant Options**) granted to consultants of the Company.

The full terms of the Consultant Options are set out in Annexure A of this Notice.

The Consultant Options were issued on 28 October 2021 by utilising the Company's existing capacity under Listing Rule 7.1.

ASX Listing Rule 7.1

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 250,000 unlisted options, exercisable at \$0.30 (30 cents) and expiring 31 August 2024 which were issued on 28 October 2021 (**Issue Date**).

All of the Consultant Options were issued by utilising the Company's existing capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its Shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of Consultant Options did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of Consultant Options for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of Consultant Options will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

If this Resolution is not passed, the issue of Consultant Options will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

Resolution 7 – Ratification of Prior Issue of 31,182,796 Fully Paid Ordinary Shares

Background

As announced by the Company on 26 November 2021, the Company successfully completed a Placement (**Placement**) to Alchemy Tribridge Sapphire Pty Ltd (**ATL**) of 31,182,796 new fully paid ordinary shares at an issue price of 9.3 cents (\$0.093) per Share raising \$2,900,000.03 (before costs) for the Company (**Placement Shares**). The Placement Shares were issued utilising the Company's existing capacity under Listing Rule 7.1 and Listing Rule 7.1A.

ASX Listing Rules 7.1 and 7.1A

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 31,182,796 Placement Shares, which were issued on 29 November 2021 (**Issue Date**).

14,780,300 Placement Shares were issued under Listing Rule 7.1 and 16,402,496 Placement Shares were issued under Listing Rule 7.1A.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its Shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

At last year's AGM, the Company sought and obtained approval of its Shareholders under Listing Rule 7.1A to increase this 15% limit by an extra 10% to 25%.

The issue of 31,182,796 Placement Shares did not fit within any of the exceptions (to Listing Rules 7.1 and 7.1A) and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the expanded 25% limit in Listing Rule 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the Issue Date (noting that the extra 10% under Listing Rule 7.1A will expire unless re-approved by the Company's Shareholders on an annual basis).

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

A note to Listing Rule 7.4 also provides that an issue made in accordance with Listing Rule 7.1A can be approved subsequently under Listing Rule 7.4 and, if it is, the issue will then be excluded from variable "E" in Listing Rule 7.1A.2 (which means that the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A is not reduced).

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of 31,182,796 Placement Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of 31,182,796 fully paid ordinary shares under the Placement will be excluded in calculating the Company's 25% capacity to issue equity securities under Listing Rules 7.1 (15%) and 7.1A (10%) without Shareholder approval over the 12 month period following the Issue Date.

If this Resolution is not passed, the issue of 31,182,796 fully paid ordinary shares under the Placement will be included in calculating the Company's 25% capacity to issue equity securities under Listing Rules 7.1 (15%) and 7.1A (10%) without Shareholder approval over the 12 month

period following the Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) 31,182,796 fully paid ordinary shares were issued Alchemy Tribridge Sapphire Pty Ltd;
- (b) The Company issued 31,182,796 Placement Shares.
- (c) The Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.

- (f) Funds raised from the issue of the Placement Shares have been and will be used by the Company to position OpenLearning for a step-change in growth and for working capital purposes.
- (g) The Placement Shares were issued under an agreement between Alchemy Tribridge Sapphire Pty Ltd and OpenLearning Limited. The material terms of the agreement are set out in Annexure B of this Notice.

Resolution 8 – Ratification of Prior Issue of 2,150,537 Fully Paid Ordinary Shares

Background

As announced by the Company on 26 November 2021, the Company successfully completed a Placement (**Placement**) to Alchemy Tribridge Sapphire Pty Ltd (**ATL**), raising \$2,900,000.03 (before costs) for the Company. As facilitation shares in connection with the Placement, the Company issued 2,150,537 fully paid ordinary shares for nil cash consideration (**Facilitation Shares**). The Facilitation Shares were issued utilising the Company's existing capacity Listing Rule 7.1A.

ASX Listing Rules 7.1 and 7.1A

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 2,150,537 Facilitation Shares, which were issued on 29 November 2021 (**Issue Date**).

The 2,150,537 Facilitation Shares were issued under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its Shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

At last year's AGM, the Company sought and obtained approval of its Shareholders under Listing Rule 7.1A to increase this 15% limit by an extra 10% to 25%.

The issue of 2,150,537 Facilitation Shares did not fit within any of the exceptions (to Listing Rules 7.1 and 7.1A) and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the expanded 25% limit in Listing Rule 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the Issue Date (noting that the extra 10% under Listing Rule 7.1A will expire unless re-approved by the Company's Shareholders on an annual basis).

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

A note to Listing Rule 7.4 also provides that an issue made in accordance with Listing Rule 7.1A can be approved subsequently under Listing Rule 7.4 and, if it is, the issue will then be excluded from variable "E" in Listing Rule 7.1A.2 (which means that the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A is not reduced).

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of 2,150,537 Facilitation Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of 2,150,537 Facilitation Shares under the Placement will be excluded in calculating the Company's 25% capacity to issue equity securities under Listing Rules 7.1 (15%) and 7.1A (10%) without Shareholder approval over the 12 month period following the Issue Date.

If this Resolution is not passed, the issue of 2,150,537 Facilitation Shares under the Placement will be included in calculating the Company's 25% capacity to issue equity securities under Listing Rules 7.1 (15%) and 7.1A (10%) without Shareholder approval over the 12 month period following the Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) 2,150,537 fully paid ordinary shares were issued to certain nominees of Alchemy Tribridge Sapphire Pty Ltd as facilitation shares in connection with the placement.
- (b) The Company issued 2,150,537 Facilitation Shares.
- (c) The Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) The 2,150,537 Facilitation Shares were issued on 29 November 2021.
- (e) Funds were not raised from the issue of the 2,150,537 Facilitation Shares as the Facilitation Shares were issued to certain nominees of ATL as facilitation shares in connection with the placement
- (f) The Facilitation Shares were issued under an agreement between Alchemy Tribridge Sapphire Pty Ltd and OpenLearning Limited. The material terms of the agreement are set out in Annexure B of this Notice.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

Adoption of Performance Rights and Option Plan

Resolution 9 – Renewal of Performance Rights and Option Plan

Background

The Company's Performance Rights and Option Plan (**Incentive Plan**) was last approved by Shareholders of the Company prior to Listing on the ASX in 2019. As of the date of this Meeting, more than three years would have lapsed since this date. Accordingly, the Company seeks Shareholder approval to re-adopt the Incentive Plan for the purposes set out in this Explanatory Statement.

The Board is committed to incentivising and retaining the Company's Directors, employees and contractors in a manner which promotes alignment of their interests with Shareholder interests. Additionally, the Board considers equity-based compensation an integral component of the Company's remuneration platform as it allows it to be fiscally prudent by conserving cash resources while still enabling it to offer market-competitive remuneration arrangements.

The Incentive Plan will enable employees, Directors or such other persons as the Board should deem fit, to receive Options to acquire Shares in the Company and Performance Rights.

A summary of the key terms of the Incentive Plan is set out in Annexure C, and a copy of the rules of the Incentive Plan is available upon request from the Company.

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its Shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

If this Resolution is approved by Shareholders for all purposes under the Corporations Act and the ASX Listing Rules, including ASX Listing Rule 7.2 (exception 13(b)), it will have the effect of enabling the securities issued by the Company under the Incentive Plan to be automatically excluded from the formula to calculate the number of securities which the Company may issue in any 12 month period using Listing Rule 7.1 (15% capacity) during the next three year period.

Since the Incentive Plan was adopted prior to admission to the ASX, the Company advises that it has issued 3,700,000 Performance Rights and 5,000,000 Unlisted Options. If this Resolution is approved by Shareholders, the Company will issue up to a maximum of 10,719,219 Performance Rights and/or Unlisted Options under the Incentive Plan during the three-year period following approval (for the purposes of exception 13).

Directors Recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

Other Company Changes

Resolution 10 – Approval to Refresh the Takeover Provisions within the Constitution

Clause 36 of the Company's Constitution contains provisions dealing with member approval requirements if there was to be any proportional takeover bids for the Company's securities (**Proportional Bid Provisions**).

A "proportional takeover bid" means an off-market bid for a specified proportion of the Company's securities held by each Shareholder in a class for which a takeover bid has been made. It is not a bid for all securities held by all members of that class, only part of the securities each holds.

Part 6.5 Subdivision 5C of the Corporations Act provides that these Proportional Bid Provisions cease to apply at the end of 3 years from their adoption (or last renewal), but that they may be renewed by special resolution of the members. The Board believes it is appropriate that the Proportional Bid Provisions of the Company's Constitution (Clause 36) be renewed.

In seeking the members' approval for the renewal of the Proportional Bid Provisions, the Corporations Act requires the below information to be provided to members.

Effect of provisions proposed to be renewed

Clause 36 of the Constitution provides where offers have been made under a proportional off-market bid in respect of a class of securities of the Company ("bid class securities"), the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under the proportional off-market bid is prohibited unless and until a resolution (in this clause 36 referred to as a "prescribed resolution") to approve the proportional off-market bid is passed in accordance with the provisions of this Constitution.

A person (other than the bidder or a person associated with the bidder) who, as at the end of the day on which the first offer under the proportional off-market bid was made, held bid class securities is entitled to vote on a prescribed resolution and, for the purposes of so voting, is entitled to one vote for each of the bid class securities.

A prescribed resolution is to be voted on at a meeting, convened and conducted by the Company, of the persons entitled to vote on the prescribed resolution.

A prescribed resolution that has been voted on is to be taken to have been passed if the proportion that the number of votes in favour of the prescribed resolution bears to the total number of votes on the prescribed resolution is greater than one half, and otherwise is taken to have been rejected.

Reason for the resolution

Clause 36 of the Constitution is required to be renewed as more than 3 years have passed since the last renewal of the Constitution. Section 648(G)(1) of the Corporations Act provides that Proportional Bid Provisions such as provided in Clause 36 cease to apply at the end of 3 years from their adoption (or their last renewal). Section 648(G)(4) enables the members to approve a renewal of Proportional Bid Provisions.

The Directors believe that the members should continue to have the choice of considering whether to accept a bid for what might become control of the Company without the members having the opportunity to dispose of all of their securities (rather than just some of their securities, as would be the case under a proportional takeover bid).

To preserve this choice, Clause 36 needs to be renewed. If Clause 36 is renewed and any proportional takeover bid (if any) is subsequently approved by members, each member will still have the right to make a separate decision whether that member wishes to accept the (proportional takeover) bid for their own securities.

Awareness of current acquisition proposals

As at the date of these Explanatory Notes, none of the Directors are aware of any proposal for any person to acquire (or increase the extent of) a substantial interest in the Company from its current level.

Advantages and disadvantages of the Proportional Bid Provisions since last renewed

As there have been no takeover bids made for any of the shares in the Company since the last renewal of the Proportional Bid Provisions, there has been no application of Clause 36. It may be argued that the potential advantages and disadvantages described below have also applied for the period since adoption of Clause 36.

Potential advantages and disadvantages of the proposed resolution for both Directors and Shareholders

An advantage to the Directors of renewing the Proportional Bid Provisions is that the Board will be able to assess the member's acceptance or otherwise of a proportional takeover bid should one be made.

As stated above, renewing Clause 36 provides the members with the choice of considering whether to accept a bid for what might become control of the Company without the members having the opportunity to dispose of all of their securities (rather than just some of their securities, as would be the case under a proportional takeover bid). If Clause 36 is not renewed, members will not have this opportunity.

On the other hand, it may be argued that the renewal of Clause 36 may make proportional takeover bids more difficult to succeed and therefore effectively discourage proportional takeover bids being made and reduce the freedom for members to sell some of their securities.

Directors' Recommendation

The Board of Directors recommend Shareholders vote for this Resolution.

Resolution 11 – Adoption of Amended Constitution

The Company's current Constitution was adopted by the Company following receipt of Shareholder approval in 2019, prior to admission to the ASX.

As part of the Company's regular review of its operations to streamline administration, minimise costs and incorporate recent regulatory updates, the Company proposes to amend the Constitution as set out below.

For the following reasons, the Board of the Company wishes to amend its existing Constitution in order to bring the provisions of the Constitution in line with recent technological and Listing Rule updates and will assist the Company to more effectively and efficiently communicate with Shareholders as well as utilise various electronic platforms and tools to hold and conduct Shareholder meetings

Accordingly, the Company has prepared an updated Constitution (**New Constitution**) which incorporates the following key amendments:

- (a) Replace Clause 12.3 with the following:

12.3 Convening of General Meetings of Shareholders by a Director or requisition

Any Director may, whenever he or she thinks fit, convene a general meeting of Shareholders, and a general meeting shall also be convened on requisition as is provided for by the Corporations Act, or in default, may be convened by such requisitions as empowered to do so by the Corporations Act. If there are no Directors for the time being, a Secretary may convene a general meeting of Shareholders for the purpose of enabling the election of Directors but for no other purpose.

- (b) Insert the following as a new Clause 12.10

12.10 Use of technology at general meetings

- (a) *Subject to applicable law:*

- (i) a meeting of the Members may be held by means of such telephone, electronic or other communications facilities or technology as approved by the Board that permits all persons in the meeting to communicate with each other simultaneously and instantaneously;*
- (ii) participation in such a meeting shall constitute presence in person or 'personally' at such meeting (including for the purpose of any quorum requirements in this Constitution);*
- (iii) a reference to a "place" when used in the context of a general meeting may be, but need not be, a physical place; and*
- (iv) if the technology used in accordance with clause (i) encounters a technical difficulty, whether before or during the meeting, which results in a Member not being able to participate in the meeting, the chair may, subject to the Act and this Constitution, allow the meeting to continue or may adjourn the meeting either for such reasonable period as may be required to fix the technology or to such other time and location as the chair deems appropriate.*

- (c) Replace Clause 2.12 with the following (as mandated by Listing Rule 15.12):

2.12 Restricted Securities

For so long as the Company has any Restricted Securities on issue, the following apply:

- (a) A holder of Restricted Securities must not dispose of, or agree or offer to dispose of, the securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX.
- (b) If the Restricted Securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the Restricted Securities are to be kept on the Company's issuer sponsored sub-register and are to have a holding lock applied for the duration of the escrow period applicable to those securities.
- (c) The Company will refuse to acknowledge any disposal (including, without limitation, to register any transfer) of Restricted Securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX.
- (d) A holder of Restricted Securities will not be entitled to participate in any return of capital on those securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX.
- (e) If a holder of Restricted Securities breaches a restriction deed or a provision of this Constitution restricting a disposal of those securities, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues.

(d) Replace Clause 9.8 with the following:

9.8 Joint Holders

If more than four persons are registered as holders of Shares in the Company in the Register of Shareholders (or a request is made to register more than four persons), then only the first four persons will be regarded as holders of Shares in the Company and all other names will be disregarded by the Company for all purposes.

Prior to the Meeting, a copy of the New Constitution is available for review by Shareholders at the Company's registered office during normal business hours. A copy of the New Constitution can also be sent to Shareholders of the Company upon a request being made to the Company Secretary Nova Taylor nova.taylor@automicgroup.com.au.
