Dear Mr Logarajah,

**Heavy Minerals Limited ("HVY" or "the Company"): Request for Trading Halt**

Pursuant to ASX Listing Rule 17.1, Heavy Minerals (ACN: 647 831 883) requests an immediate trading halt of the Company's securities, pending the release of an announcement regarding the Maiden JORC Mineral Resource at the Company's Port Gregory project.

It is expected the trading halt will end on the earlier of the commencement of normal trading on Monday 2 May 2022, or when the announcement on the drilling program update is released to the market.

The Company is not aware of any reason why the trading halt should not be granted.

The Board has authorised this document to be given to ASX.

Yours faithfully,

**Nic Matich**
