Aspermont

Information for Industry

www.aspermont.com

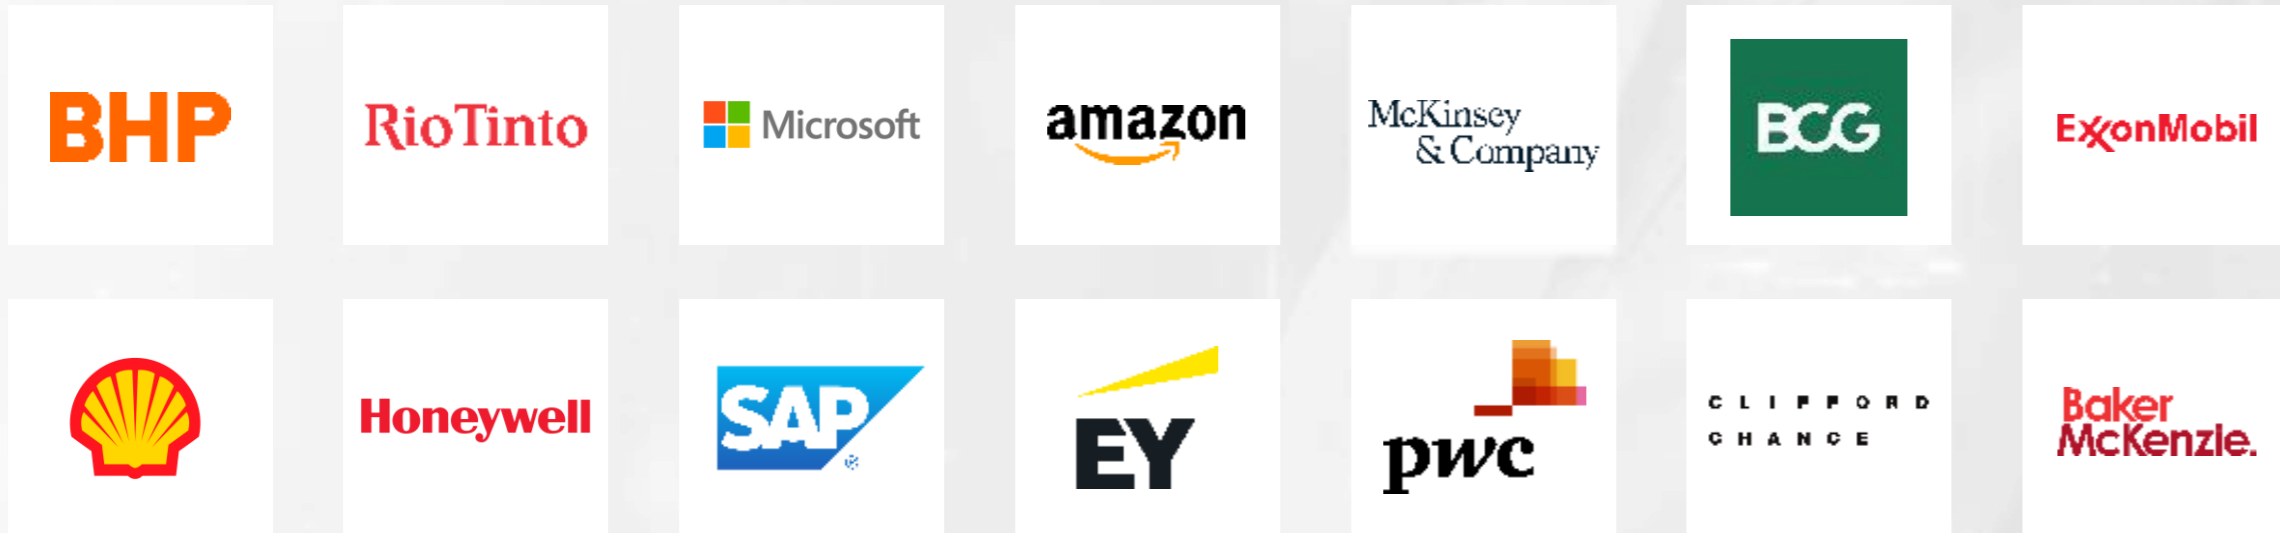

The leading media services provider to the global resource industries

Aspermont (ASX:ASP, FRA:00W) has over 30 industry leading B2B media brands, that cover the global mining, energy and agricultural sectors. Collectively these publications have over 560 years of brand heritage and provide a comprehensive database of resource sector information and contacts.

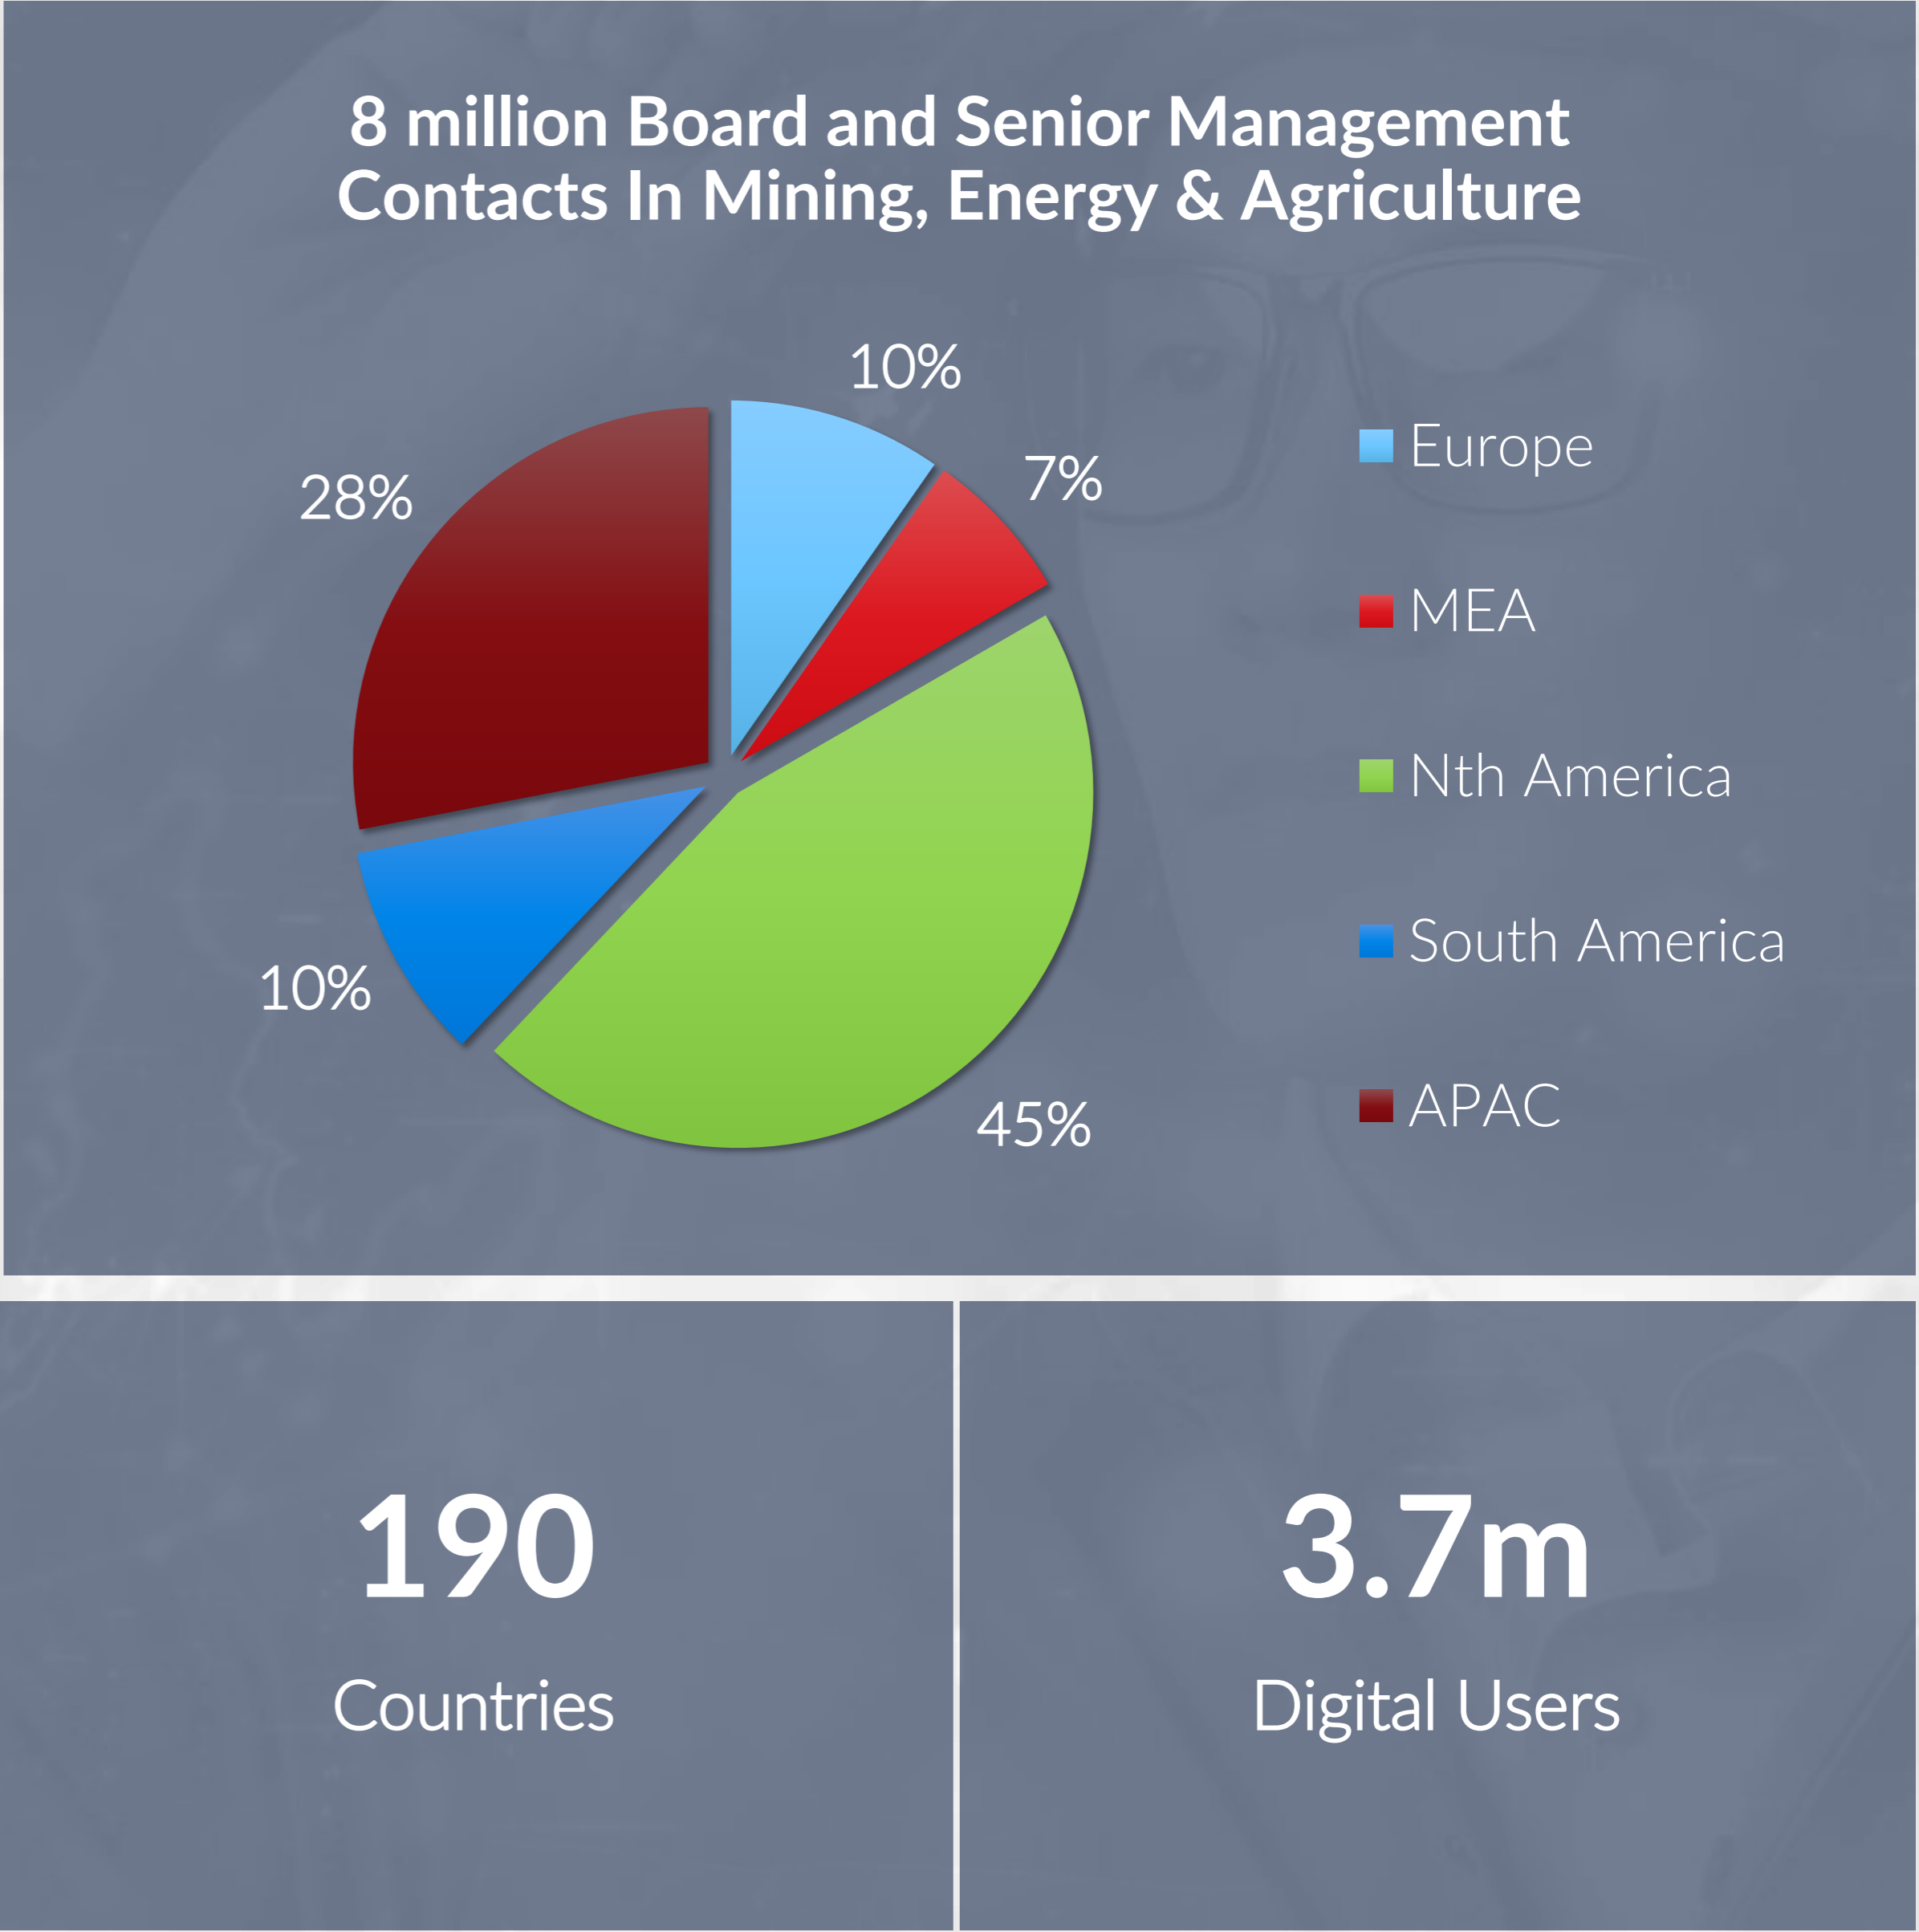

Aspermont produces timely, independent and high value content for a global audience of over 3.6 million users across 190 countries.

Aspermont also provides targeted marketing solutions for its blue-chip client base.

Aspermont is listed on the ASX, the Frankfurt Stock Exchange and is listed on other European exchanges. Aspermont has offices in the United Kingdom, Australia, Brazil, USA, the Philippines, and Singapore.

Our 187-year-old print publisher transforms into leading mediatech innovator

Legacy
(1835 to 2015)

- 187 year old Mining Journal brand
- 560 years combined brand heritage
- Listed on ASX in 2000
- Early developer of digital paywall strategy
- 1 million digital users amassed
- Pioneer of semantic search architecture
- Organic and acquisitions growth driven
- Building significant print advertising and live event revenues

Business turnaround
(2015 to 2017)

- 85% of revenues disrupted in 3 year period
- New management team assembled
- Operational structure reorganized
- Outsourcing and low cost offshoring for back office
- Disposal of non-core assets
- Balance sheet reconstructed
- Profitability restored
- New growth phase initiated

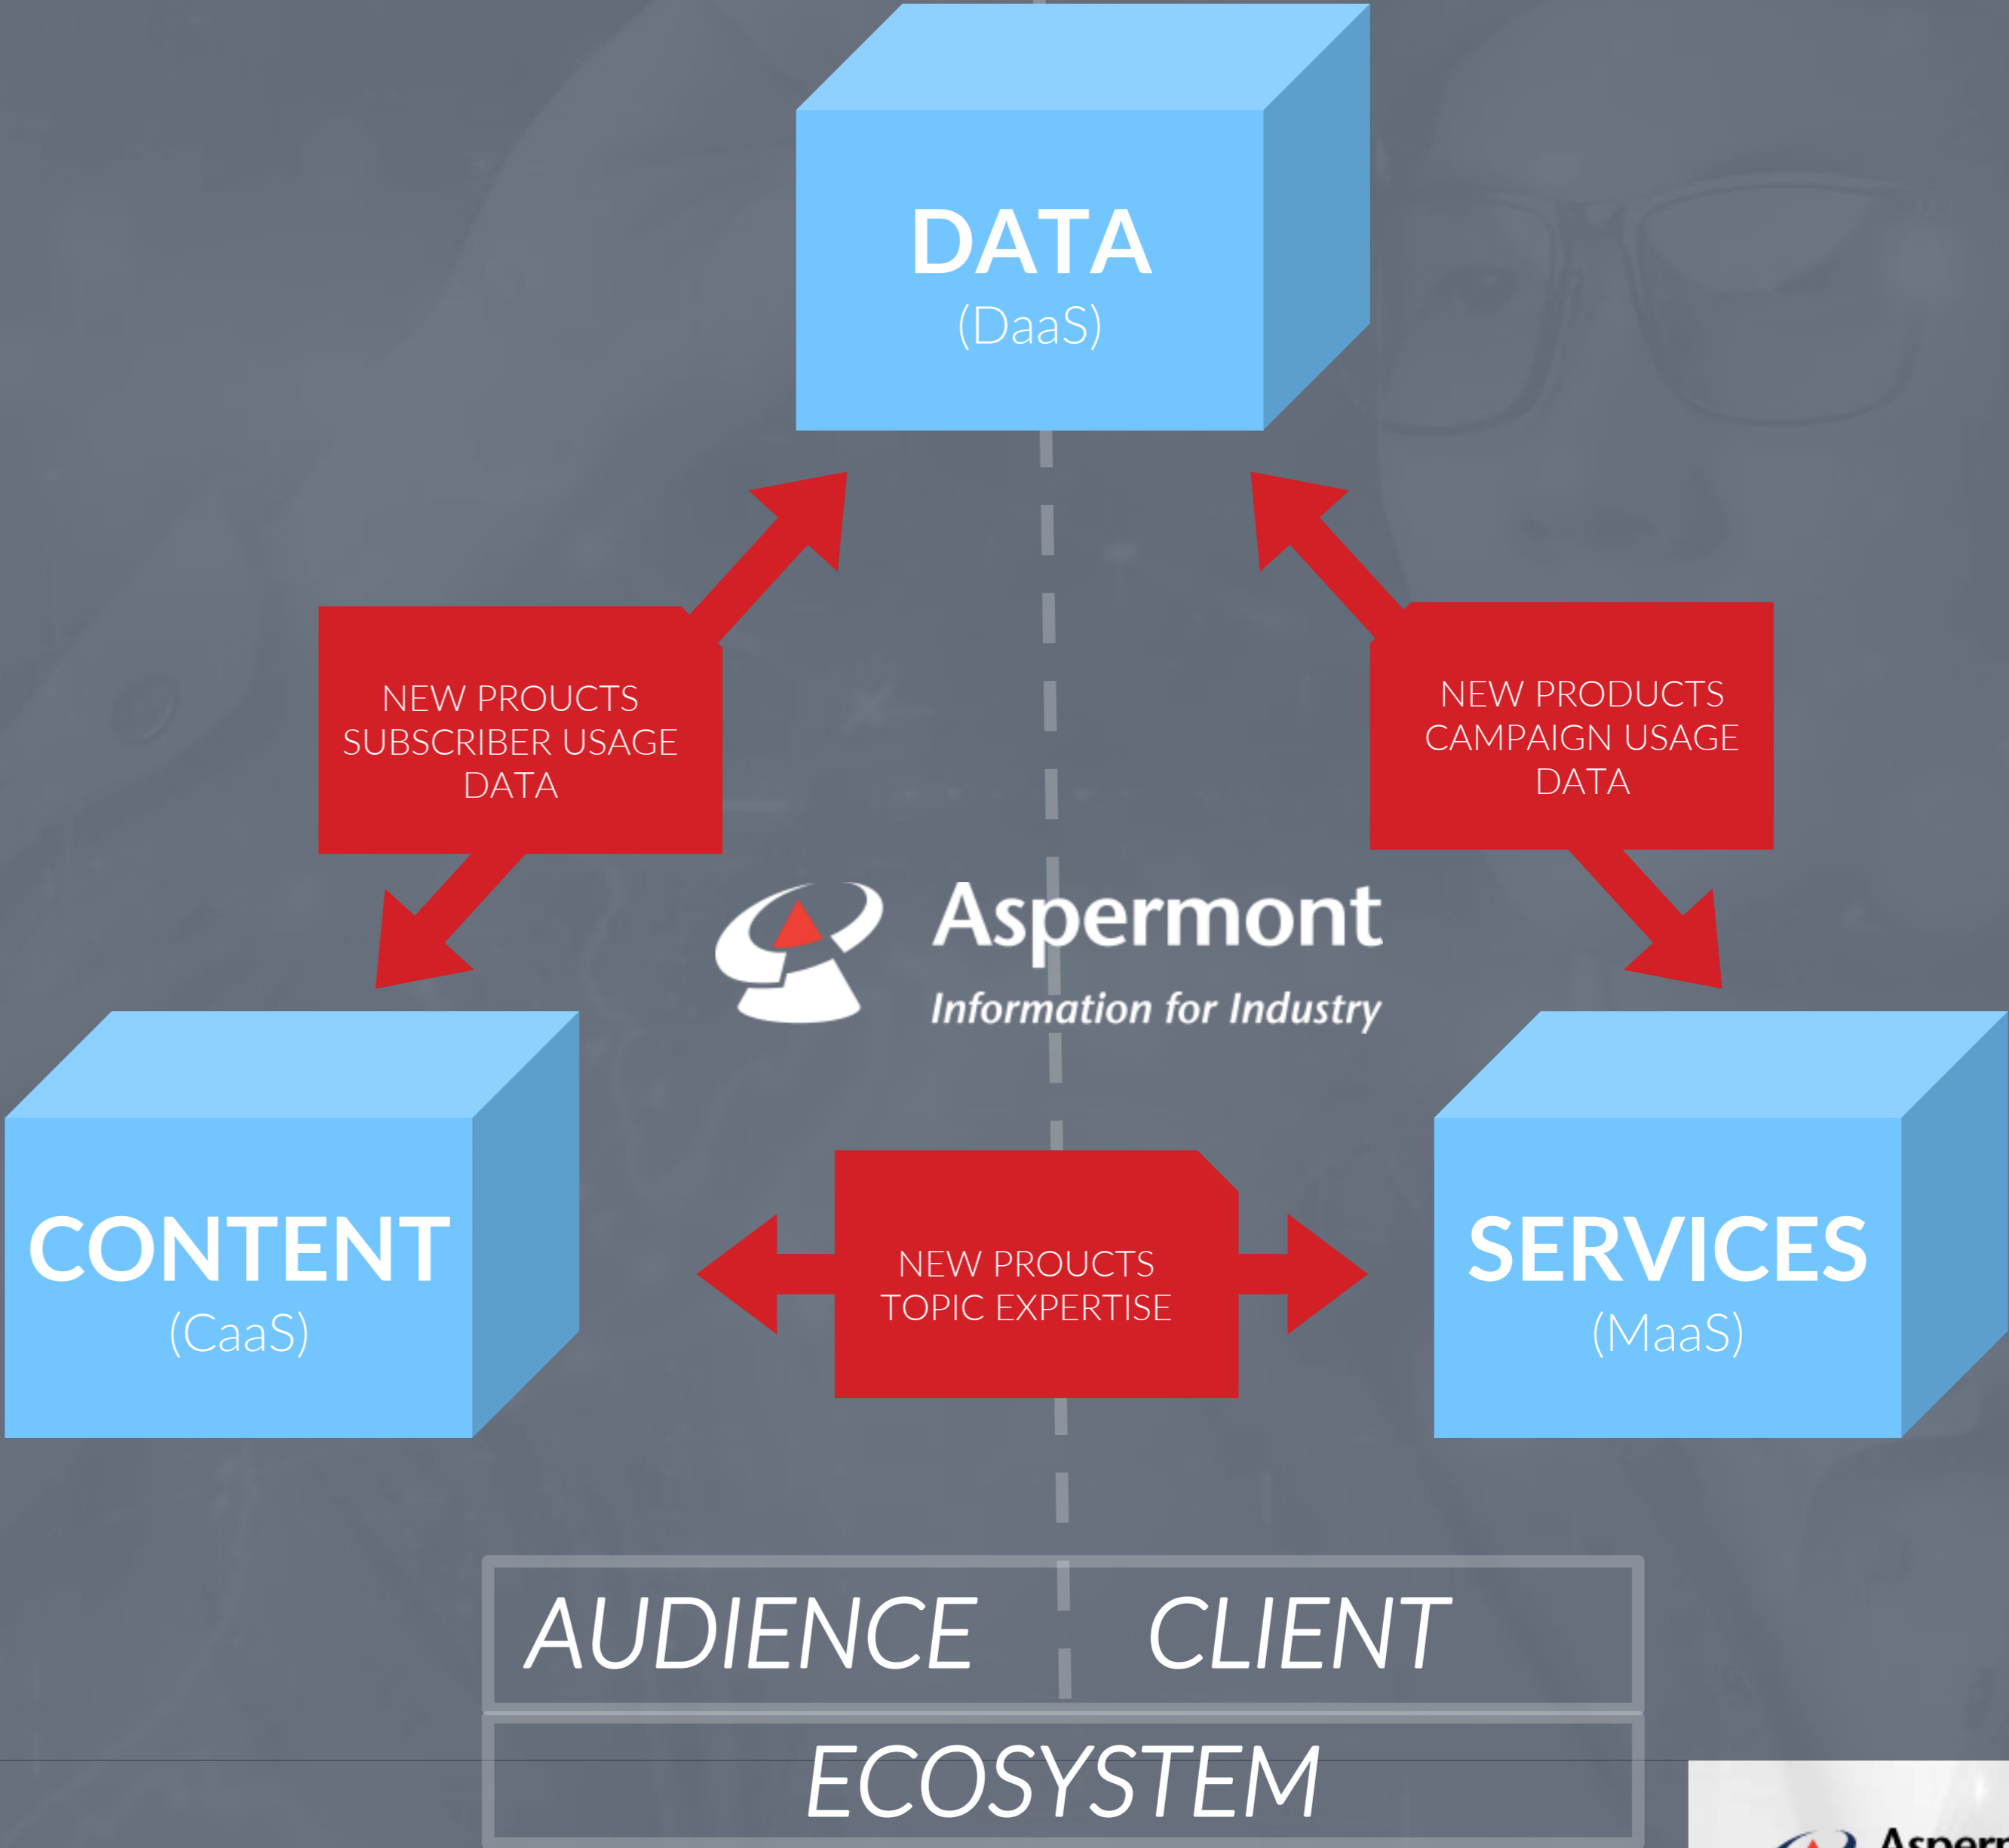

Business transformation
(2018 to 2021)

- Digital-first commercial models
- Paywall only, no controlled circulation or free to air
- Focus on high value content (research, data and analytics)
- From transactional to a solution-based sales culture
- People strategy focused on skills development and optimising performance
- Focused on income streams which are:-
 - High margin
 - Recurring
 - Market Resilient
- New European stock exchange listings 2021

Aspermont is developing an audience-client ecosystem

- Content model builds engaged premium audiences
- Services business has developed a wide range of products and services to deliver end to end marketing solutions
- Data models access internal and external information to develop new products and services for the ecosystem

“Integrated XaaS models with expanding network effect”

CONTENT PLATFORM

Aspermont's new Horizon platform enabled

- Unification and integration of disparate systems
- Monitoring and analysis of audience usage data
- Full cloud migration

In turn these enabled

- Process (Customer-Lifecycle-Journey) optimisation
- Marketing automation
- Remote working

In turn these delivered

- Audience development
- Workforce skills
- Revenue quality (margin, recurring, resilient)
- Business scalability

Aspermont has all the elements in place to capitalize on its position as the leading B2B media provider for the global resource sectors

Brand Leverage

Our 560 years of combined brand heritage has built unequalled audience trust. This trust enables market collaboration to ensure a high success rate in launching new products.

Operational Agility

Our de-centralized structure and scalable human resources facilitate rapid launch of new products while controlling investment risk.

Leadership Team

Our Tier 1 executive team has extensive C-suite experience at blue chip companies. Management is aligned to shareholders via LTIP's.

Intellectual Property

We continue to develop unique IP in processes and business models that are enabled and advanced by technological leaps.

Industry Leadership

Aspermont engages with 8 million board and management executives across mining, energy and agriculture. We have a leadership role for presenting on macro issues.

Scalable Model

Aspermont's scalable XaaS models deliver high margin recurring revenue streams scalable to sector languages and geographies.

Financial Robustness

We have a strong balance sheet and organic growth with cash flow to reinvest to generate new and inorganic growth

Competitive Moat

Our brand heritage, IP and evolving audience-client ecosystem are building barriers to entry for potential competitors

Highly Ambitious

We are proud of our innovative performance orientated culture. Our XaaS models are scalable and offer blue sky opportunities that could transform our Company.

Tomorrow

Aspermont is a company with a **real** value proposition

1. A 7-year-old **#mediatech** company with a 187-year legacy
2. The leading media services provider to the global resource industries
3. Experienced Tier 1 management team executing with success
4. Comprehensive business turnaround achieved since FY15
5. Implementation of Horizon platform in FY16 enabled operational agility, business scalability and **23 consecutive quarters of CaaS model growth**
6. DaaS and MaaS models moved to implementation phase and building momentum
7. New technologies bringing products that will upscale growth
8. Facing a **#blueocean** opportunity (in mining, energy & agriculture)

				Net Assets	1,175	6,525	6,519				

- The strong cash position and Balance Sheet underpins the expectation for further growth and the ability to take advantage of future opportunities as they are presented.
- Borrowings reduced by \$8.2m from 2016 to almost nil
- Intangible assets impacted by write-off of goodwill on disposal of events business and further prudent impairment of historical acquired goodwill
- Income in advance associated with pre-paid subscriptions and events that will be recognized in the next FY
- Other Liabilities relates to lease liability for remaining term of leases
- A. Increase in share capital through funds raised in placement
- B. Tax losses available future proofs profit expansion and taxes payable
- C. In FY 19, The Company applied provisions of s258f of the Corporations act. The adjustment resulted in reduction in share capital account and accumulated losses. This is a technical adjustment which does not impact the net assets, financial results, cashflow or funding of the Company and Group. The number of shares in issue will not change as a result of the capital reduction.

Glossary: Audience & XaaS Metrics

Monthly Active Users

Total numbers of users who initiated at least one digital session over a 30-day basis

Users

Total number of users who initiated at least one web session over a TTM basis

Number of Subscriptions

Number of live subscriptions at end of period

Average Revenue Per Unit (ARPU)

Annual Contract Value / Number of Subscriptions

Annual Contract Value (ACV)

Aggregate contract cash value of all live subscriptions at the end of a period

Net Retention Rate

Net dollar retention expresses growth from existing subscriber base (before new business) over a TTM basis

Renewal Rate

Volume of subscriptions renewed over TTM basis (i.e., the inverse of Churn Rate)

Unit Economics

LTV of a new subscriptions divided by new customer acquisition cost (CAC)

Lifetime Value (LTV)

Aggregate of present and future value of all subscriptions = (Lifetime Year x Annual Contract Value)

Contacts

Total number of active contacts in database on a point in time basis

Net Liquidity

Net Liquidity is calculated as trade receivables plus cash less trade and tax payables

Ajit has more than 30 years of experience in technology; working across digital media, events and research. Ajit was previously CTO at Incisive Media and responsible for infrastructure, software development, online strategy and large-scale systems implementation. Ajit joined Aspermont to develop a technological framework to deliver long-term solutions. He is now responsible for all services departments including marketing.

Alex joined Aspermont in 2007 having spent the early part of his career at Microsoft. Alex was initially tasked to create a semantic search engine division and has subsequently worked across all divisions of the Aspermont Group. His prime skills sets of technology and marketing saw him hold the role of Group CMO prior to becoming Managing Director. Alex has BSc degrees in Economics, Accounting and Business Law from University of Bristol. He has been a key driver of the overall vision for the company and its deep-seated technological focus.

Leah joined Aspermont in 2018 with 18 years of HR experience. She had previously held HR functions at several technology start ups supporting their establishment as efficient long-term businesses. She was responsible for European Talent development at Activision Blizzard focusing on both leadership development and the digital transition. Leah is responsible for Aspermont's People Strategy across our international network to support a phase of incremental growth. Leah has an advanced CIPD award (level 7) in Learning and Development.

Ian joined Aspermont with 20 years of prior experience in B2B businesses based on subscription information and data analysis. In his previous position, as a Managing Director at IHS Markit he specialized in agricultural industries . Ian has significant product and editorial management roles with experience in leading and upscaling teams to launch new high value products based on a deep understanding of customer needs. Ian has a BSc in Economics from University of Kent and an Executive MBA from London Business School.

Matt has over 20 years of experience in global media sales. His previous role was President at International Data Group (IDG), the world largest technology media organisation, where he directly managed and led the global demand generation business and data strategy. Matt is responsible for management of all Aspermont's commercial activities. Matt focusses on building a solution-sales framework to optimize monetization of the wide range of opportunities through client services.

Nishil has significant and relevant prior experience in financial management and business development working with growth companies in the global B2B sector. Nishil held CFO and General Manager positions at Equifax, one of the largest global information solution providers. Nishil has a BSc degree in Commerce and Accounting. He is a certified chartered accountant and holds a Marketing diploma from Kellogg School of Management.
