

JOHNS LYNG GROUP LIMITED (ASX: JLG)**ASX/Media statement****20 May 2022****Share Trading & Business Update**

Following lodgement of the requisite Appendix 3Y's with ASX today, Johns Lyng Group confirms that Scott Didier (Managing Director and Group CEO) and Lindsay Barber (Executive Director and Group COO) both sold 1,000,000 shares in the company.

Mr Didier and Mr Barber sold these shares to manage their personal asset portfolios. In both cases the share sales represent a very small percentage of their holdings in Johns Lyng which remains their overwhelming asset.

Both Designated Officers followed the company's Securities Trading policy and the company continues to comply with its Continuous Disclosure obligations.

Following this event Mr Didier retains 53,314,825 shares in JLG (20.6%) and Mr Barber retains 12,817,901 shares in JLG (4.95%).

Mr Didier has recently relocated to Denver (USA) to leverage opportunities that are becoming apparent following the US\$144 million acquisition of Reconstruction Experts in December 2021.

Mr Didier said: "I am incredibly proud of what JLG does every day in Australia and now in the US. The recent flood events have demonstrated how robust our business model is and what a critical role we play in the catastrophe management chain."

JLG was recently confirmed as the Managing Contractor of the Australian and NSW Government funded \$142 million Property Assessment and Demolition Program which is providing free structural assessments of eligible flood impacted properties in 58 Local Government Areas.

Mr Barber's role includes oversight of operations in Australia and the US.

The company is still assessing the financial impact of recent catastrophic events including the devastating floods in SE-QLD and NSW which remains too early to quantify in terms of timing and value. At this time the company re-confirms its current earnings guidance for FY22 including:

- **FY22 (F) Sales Revenue: \$802.4m**
 - FY22 (F) BaU Revenue: \$702.4m +45.8% (FY21: \$481.8m)

 - FY22 (F) BaU EBITDA¹: \$67.2m +57.3% (FY21: \$42.7m)

¹ EBITDA is defined as earnings before interest, tax, depreciation and amortisation and excludes transaction related expenses of \$2.5m (FY21: \$0.4m) and \$1.8m non-recurring goodwill written off in 1H21
