Dear Sir/Madam

Notice of initial substantial holder

We act for Diamond Infraco 1 Pty Ltd (ACN 657 874 363) (**Diamond Infraco**). On behalf of Diamond Infraco and its associates we attach a Form 603 (*Notice of initial substantial holder*) (the **Notice**). We are instructed that Diamond Infraco and its associates currently hold a combined relevant interest and economic interest of 14.96% in Atlas Arteria (**ALX**) stapled securities comprising a relevant interest of 9.99% and economic interest of 4.97%.

The relevant interest of 9.99% is comprised of a relevant interest in:

- (a) 1.224% of ALX stapled securities on issue, which are held by entities managed by IFM Investors Pty Ltd;
- (b) 6.825% of ALX stapled securities on issue, acquired by Diamond Infraco via after-market crossings. These shares are the subject of an equity collar transaction with Nomura International Plc (**Nomura**) as set out in Annexure C to the Notice (**Collar**). Under the terms of the Collar, those securities are not subject to any right of stock recall by Nomura; and
- (c) 1.941% of ALX stapled securities on issue, pursuant to a total return swap with Nomura, a copy of which is included in Annexure A to the Notice (**Second TRS**). For completeness, the Second TRS is in respect of 33,907,157 reference stapled securities representing 3.536% of stapled securities on issue, however, Diamond Infraco's right to require physical settlement of the Second TRS is limited to the number of shares which, when aggregated with Diamond Infraco's other interests under the *Foreign Acquisitions and Takeovers Act 1975* (Cth) (**FATA**), would not exceed the relevant threshold under the FATA (that threshold is 10%, unless FIRB approval is obtained). This means that, as at the date of this notice, Diamond Infraco has a right to require physical settlement, and therefore a relevant interest in, 1.941% of ALX stapled securities and, as discussed below, an economic interest in the balance 1.595% of ALX stapled securities.

The economic interest of 4.97% is comprised of an economic interest in:

- (d) 3.373% of ALX stapled securities on issue, pursuant to cash settled total return swaps with Nomura, copies of which are included in Annexure B to the Notice (together, the **First TRS**); and
- (e) 1.595% of ALX stapled securities on issue pursuant to the Second TRS, which represents the portion of that swap that is currently subject to cash settlement only (as Diamond Infraco does not have a right of physical settlement in respect of that portion unless FIRB approval is obtained).

Yours sincerely

Dear Sirs/Mesdames,

The purpose of this letter is to confirm the terms and conditions of the Transaction entered into between you and us on the Trade Date specified below (the "**Transaction**"). This letter constitutes a "Confirmation" as referred to in the Agreement referred to below and supersedes any previous Confirmation and all or any prior written or oral agreements in relation to the Transaction.

The definitions and provisions contained in the 2006 ISDA Definitions (the "**Swap Definitions**") and in the 2002 ISDA Equity Derivatives Definitions (the "**Equity Definitions**", and together with the Swap Definitions, the "**Definitions**"), each as published by the International Swaps and Derivatives Association, Inc. ("**ISDA**"), are incorporated into this Confirmation. In the event of any inconsistency between the Swap Definitions and the Equity Definitions, the Equity Definitions will prevail. In the event of any inconsistency between the Definitions and this Confirmation, this Confirmation will prevail. For the purposes of the Swap Definitions, references herein to a Transaction shall be deemed references to a Swap Transaction. For the purposes of the Equity Definitions, this Transaction shall be an Equity Swap Transaction.

- 1** This Confirmation evidences a complete and binding agreement between Nomura and Counterparty as to the terms of the Transaction to which this Confirmation relates. This Confirmation will supplement, form a part of, and be subject to the agreement (the "**Agreement**") deemed to be constituted between the parties in the form of the ISDA 2002 Master Agreement, as published by ISDA.

All provisions contained in, or incorporated by reference to, the Agreement shall govern this Confirmation except as expressly modified below. - (i) the Initial Cash Account;
- (ii) all of its rights in respect of any amount standing to the credit of the Initial Cash Account;
- (iii) the debt represented by the Initial Cash Account; and
- (iv) any agreements between the Counterparty and the Initial Account Bank (such agreements, the "**Account Documents**"); and

(ii) once the Initial Cash Account is opened (if applicable):

(A) the Counterparty shall ensure that all dividends on the Secured Shares are paid directly into and, subject to (B) below not withdrawn from the Initial Cash Account; and

(B) provided that:

(x) the Counterparty has paid Nomura the Delta Dividend Amount (if any) due on the applicable Actual Dividend Payment Date in respect of such dividend; or

(y) such Delta Dividend Amount has been otherwise been discharged in full (including by netting under Section 2(c) of the Agreement),

then, following such payment or discharge, Counterparty may withdraw or transfer any amount standing to the credit of the Initial Cash Account from the Initial Cash Account;

- (iii) for the purposes of clause 3.1 of the Security Deed, Nomura consents to the withdrawal and transfer described in paragraph (ii).

11. **Agreement to Deliver Documents**

For purposes of Section 4(a)(ii) of the Agreement, Counterparty shall deliver to Nomura all of the documents and evidence set out in appendix 1 (*Conditions Precedent Documents*) in a form and substance satisfactory to Nomura in its commercially reasonable opinion upon, or prior to, executing this Confirmation.

12. **Additional Termination Events**

The number of Shares referenced by the TRS Transaction that is subject to the applicable TRS Unwind Event shall be the "**TRS Unwind Number of Shares**".

For the purpose of this Additional Termination Event, the Counterparty shall be the sole Affected Party and a proportion of the Transaction equal to the ATE Portion shall be the Affected Transaction.

The Calculation Agent shall, on each Early Termination Date in respect of this Additional Termination Event, adjust the term of this Transaction (including without limitation, Number of Tranches, Total Number of Shares, Tranche Notional Amount, Notional Amount, Number of Shares per Tranche, Number of Call Options per Tranche and/or Number of Put Options per Tranche) to account for the relevant partial termination of this Transaction arising from this Additional Termination Event.

14. **Offices**

- (a) The Office of Nomura for the Transaction is London. Nomura is not a Multibranch Party.
- (b) The Office of Counterparty for the Transaction is Melbourne. The Counterparty is not a Multibranch Party.

Nomura will be the Calculation Agent unless Nomura is the sole Defaulting Party, in which case the Calculation Agent may be a third party dealer selected by Counterparty in the relevant market as the Calculation Agent.

All calculations, determinations and adjustments made by Nomura, or a third party dealer if relevant, in its capacity as Calculation Agent and Determining Party in respect of this Transaction will be made in good faith and in a commercially reasonable manner.

The Calculation Agent will provide written reasons for the basis of its determinations and adjustments in connection with the calculation of dividends, an Additional Disruption Event, a Potential Adjustment Event or an Illiquidity Event upon written request provided that nothing in this Confirmation will require Nomura to disclose any information that (in the determination of Nomura) comprises proprietary or material non-public information or the disclosure of which would breach a duty of confidentiality to a third party.

- (a) agree or consent, or not agree or consent, in its absolute discretion; and
- (b) agree or consent subject to conditions,

unless this document expressly contemplates otherwise.

19.9 Statements by Secured Party

A statement by an Authorised Representative of the Secured Party on any matter relating to any Transaction Document (including any amount owing by the Grantor) is conclusive unless clearly wrong on its face.

19.10 Set-off

If an Event of Default occurs and is continuing, the Secured Party, without notice to the Grantor, may combine any account that the Grantor holds at any branch or office (in Australia or elsewhere) of the Secured Party with, or set off any amount in any currency that is or may become owing in any currency by the Secured Party to the Grantor against, any amount owing by the Grantor to the Secured Party under the Transaction Documents. 19.15 Contractual recognition of bail-in

- (a) Notwithstanding any other term of any Transaction Document or any other agreement, arrangement or understanding between the parties, each party acknowledges and accepts that any liability of any party to any other party under or in connection with the Transaction Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

7. **[NOT USED]**

Not Used.

8. **CHANGE OF CONTROLLING PARTICIPANT**

8.1 **Participant Change Notice**

Unless the Participant Sponsored Holder and the Secured Party receive a Participant Change Notice from the Controlling Participant and the Participant Change Notice was received at least 20 Business Days prior to the date proposed in the Participant Change Notice for the change of Controlling Participant, the Participant Sponsored Holder and the Secured Party are under no obligation to agree to the change of Controlling Participant, and may choose to do any of the things set out in clauses 8.2 or 8.3.

8.2 **Participant Sponsored Holder's right to terminate**

The Secured Party, or the Participant Sponsored Holder with the consent of the Secured Party, may choose to terminate this document by giving Withdrawal Instructions under the ASX Settlement Operating Rules to the Controlling Participant indicating whether Participant Sponsored Holder wishes to:

- (a) transfer its Participant Sponsored Holding to another Controlling Participant; or
- (b) transfer its Participant Sponsored Holding to one or more Issuer Sponsored Holdings.

8.3 **Novation**

If the Participant Sponsored Holder with the consent of the Secured Party does not take any action to terminate this document in accordance with clause 8.2, and does not give any other instructions to the Controlling Participant which would indicate that the Participant Sponsored Holder or the Secured Party does not agree to the change of Controlling Participant then, on the Effective Date, this document will have been taken to have been novated to the new Controlling Participant and will be binding on all parties as if, on the Effective Date:

- (a) the new Controlling Participant is a party to this document in substitution for the existing Controlling Participant;

- (c) the existing Controlling Participant is released by the Participant Sponsored Holder and the Secured Party from any obligations arising on or after the Effective Date.

The novation in clause 8.3 will not take effect until the Participant Sponsored Holder and the Secured Party have received a notice from the new Controlling Participant confirming that the new Controlling Participant consents to acting as the Controlling Participant for the Participant Sponsored Holder and the Secured Party. The Effective Date may as a result be later than the date set out in the Participant Change Notice.

8.5 **Implied consent**

The Participant Sponsored Holder and the Secured Party will be taken to have consented to the events referred to in clause 8.3 by the doing of any act which is consistent with the novation of this document to the new Controlling Participant (for example by giving an instruction to the new Controlling Participant), on or after the Effective Date, and such consent will be taken to be given as of the Effective Date.

8.6 **Continuation in certain circumstances**

This document continues for the benefit of the existing Controlling Participant in respect of any rights and obligations accruing before the Effective Date and, to the extent that any law or provision of any agreement makes the novation in clause 8.3 not binding or effective on the Effective Date, then this document will continue for the benefit of the existing Controlling Participant until such time as the novation is effective, and the existing Controlling Participant will hold the benefit of this document (to the extent it relates to a Holding transferred to the new Controlling Participant) on trust for the new Controlling Participant.

8.7 **Transitional provisions**

Nothing in this clause 8 will prevent the completion of CHES transactions by the existing Controlling Participant where the obligation to complete those transactions arises before the Effective Date and this document will continue to apply to the completion of those transactions, notwithstanding the novation of this document to the new Controlling Participant under this clause 8.

9. **TERMINATION**

Subject to the ASX Settlement Operating Rules, this document will be terminated upon the occurrence of any of the following events:

- (a) by notice in writing from:

10. **VARIATION**

Should any of the provisions in this document be inconsistent with the provisions in the ASX Settlement Operating Rules, the Participant shall, by giving the Participant Sponsored Holder and the Secured Party not less than seven Business Days written Notice, vary this document to the extent to which in the Participant's reasonable opinion is necessary to remove any inconsistency.

11. **RIGHTS OF SECURED PARTY**

11.1 **Instructions from Secured Party**

- (a) Despite anything to the contrary contained in this document, the Participant Sponsored Holder irrevocably authorises and instructs the Participant and, until the Participant receives a notification from the Secured Party under clause 11.2, the Participant agrees with the Participant Sponsored Holder and the Secured Party that the Participant must:
- (i) not comply with instructions given by the Participant Sponsored Holder in relation to any Financial Product without seeking the consent of the Secured Party;
