Fenix Resources (ASX: FEX) is a high grade, high margin iron ore producer located in the mid-west mining region of Western Australia.

The Company's 100% owned, flagship Iron Ridge Iron Ore Project is a premium Direct Shipping Ore (DSO) deposit that hosts some of the highest grade iron ore in Western Australia. Production commenced in December 2020 following a rapid three-month development period, and first sales were generated in February 2021.

High-grade Iron Ore is transported by road from Iron Ridge using the 100% owned Fenix-Newhaul haulage business to Geraldton where it is shipped using the Company's port facility. Approximately 1.8 million tonnes of premium iron ore products have been exported to date, generating solid cash flow.

High grade iron ore attracts a premium price on the seaborne market, as a purer product results in lower emissions. Chinese steelworks are demanding low impurity ore to meet increasingly strict government regulations.

Fenix has transformed to become a fully integrated mining, logistics haulage business with the acquisition of 100% of Fenix Newhaul. This strategic move substantially reduces C1 FOB cash costs and provides flexibility to scale haulage operations to match production volumes. Furthermore, logistics capabilities in haulage and port operations enhances Fenix's ability to unlock expansion opportunities in the Mid-West.

The Company is led by a proven team with deep mining experience and benefits from strategic alliances and agreements, including binding agreements with the Mid West Ports Authority for the use of its Geraldton Port facilities, a 50% off-take arrangement with Sinosteel International Holding Company Limited and an exclusive marketing agreement with Atlas Iron Pty Ltd for the remaining 50% of product sales.

Fenix is focused on promoting opportunities for local businesses and the community; to date, the project has generated some 200 local jobs. Fenix is proud to employ a 40% indigenous workforce and to be in partnership with Schwarze Brothers Pty Ltd and other leading service providers.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. RESOLUTION 1 – RATIFICATION OF ISSUE OF SHARES TO NEWHAUL

1.1 General

On 21 June 2022, the Company announced it had signed a share sale agreement and services agreement (together, the **Agreements**) with Newhaul Pty Ltd (**Newhaul**) to acquire Newhaul's 50% interest in Fenix-Newhaul Pty Ltd (**Fenix-Newhaul**), resulting in the consolidation of 100% ownership of the haulage business into the Company (**Transaction**).

The terms of the Agreements give effect to the transfer of Newhaul's 50% interest in Fenix-Newhaul to the Company. Following completion of the Transaction, the Company will wholly own Fenix-Newhaul.

A summary of the material terms of the Agreements is set out in Schedule 1.

In summary, the Transaction consideration comprises:

- Upfront payment of A\$16.5 million in cash and equity, including:
 - A\$7.5 million in cash consideration to be paid to Newhaul on completion (**Cash Consideration**); and
 - 30,000,000 Shares to be issued to Newhaul on completion and valued at A\$9m based on the last closing price for Shares of A\$0.30 (**Consideration Shares**), (together, the upfront consideration); and
- Up to 60 million Shares to be issued to Newhaul upon the achievement of significant milestones linked directly to value creation for the Company as follows:
 - 20,000,000 Shares upon the Company hauling 3,000,000 dmt; and
 - 20,000,000 Shares upon the Company hauling 6,000,000 dmt; and
 - 20,000,000 Shares upon the Company hauling 10,000,000 dmt (subject to shareholder approval), (together, the **Milestone Consideration**).

The Cash Consideration was paid, and the Consideration Shares were issued, to Newhaul on 21 July 2022.

1.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

The issue of the Consideration Shares to Newhaul does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively used up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 the 12 month period following the date of issue of the Consideration Shares.

1.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Consideration Shares.

Resolution 1 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Consideration Shares to Newhaul.

1.4 Technical information required by ASX Listing Rule 14.1A

If Resolution 1 is passed, the Consideration Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Consideration Shares.

If Resolution 1 is not passed, the Consideration Shares will continue to be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Consideration Shares.

1.5 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 1:

- (a) the Consideration Shares were issued on 21 July 2022 to Newhaul, who is not a related party of the Company;
- (b) 30,000,000 fully paid ordinary Shares were issued to Newhaul on the same terms and conditions as existing Shares;
- (c) the Shares were issued for nil cash consideration;
- (d) the Shares were issued in part consideration for the acquisition of 50% of Fenix-Newhaul;
- (e) a summary of the material terms of the Agreements is set out in Schedule 1; and
- (f) a voting exclusion statement has been included for the purpose of Resolution 1.

1.6 Board Recommendation

The Board recommends Shareholders vote in favour of Resolution 1.

2. RESOLUTION 2 – RATIFICATION OF ISSUE OF SHARES TO SCORPION

2.1 General

On 8 February 2021, the Company announced it had executed a farm-in and joint venture terms sheet with Scorpion Minerals Limited (**Scorpion**) (ASX: SCN) over tenements E20/953 and E20/948 (together **Tenements**) (**Farm-In Agreement**).

Pursuant to the Farm-In Agreement, the Company was granted the right to earn 70% of the iron ore rights on the Tenements by sole-funding exploration and resource definition drilling to identify up to 10 million tonnes of iron ore.

Alternatively, the Company was granted the right to earn 70% of a discrete portion of the Tenements by self-funding a feasibility study on an identified Mineral Resource of at least 1 million tonnes of iron ore.

On 9 February 2022, the Company announced it had executed a Deed of Amendment agreement with Scorpion in relation to the Farm-In Agreement over the Tenements (**Deed of Amendment**).

The Deed of Amendment entered between the Company and Scorpion accelerated and expanded the previous Farm-In Agreement such that the Company was granted a 100% interest in the iron ore rights on the Tenements in exchange for the issue of 4 million Shares to Scorpion (**Upfront Consideration**).

Additionally, the Company agreed to issue to Scorpion the following deferred consideration:

- 5 million Shares upon the delineation and public announcement by the Company to the ASX of an inferred resource of at least 10Mt of iron ore, or an indicated and/or measured resource of at least 1Mt; and
- 5 million Shares within 15 business days of the first commercial production and sale of iron ore by the Company from the Tenements.

A summary of the material terms of the Deed of Amendment is set out in Schedule 2.

The Upfront Consideration was issued to Scorpion on 10 March 2022.

2.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in Section 1.2 above.

The issue of the Upfront Consideration to Scorpion does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively used up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 the 12 month period following the date of issue of the Upfront Consideration.

2.3 Listing Rule 7.4

A summary of Listing Rule 7.4 is set out in Section 1.3 above.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Upfront Consideration.

Resolution 2 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Upfront Consideration to Scorpion.

2.4 Technical information required by ASX Listing Rule 14.1A

If Resolution 2 is passed, the Upfront Consideration will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity

securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Upfront Consideration.

If Resolution 2 is not passed, the Upfront Consideration will continue to be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Upfront Consideration.

2.5 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 2:

- (a) the Upfront Consideration was issued on 10 March 2022 to Scorpion, who is not a related party of the Company;
- (b) the Upfront Consideration, being 4,000,000 fully paid ordinary Shares, was issued on the same terms and conditions as existing Shares;
- (c) the Upfront Consideration was issued for nil cash consideration;
- (d) the Upfront Consideration was issued in part as consideration for the acquisition of a 100% interest in the iron ore rights on the Tenements;
- (e) a summary of the material terms of the Deed of Amendment is set out in Schedule 2; and
- (f) a voting exclusion statement has been included for the purpose of Resolution 2.

2.6 Board Recommendation

The Board recommends Shareholders vote in favour of Resolution 2.

SCHEDULE 1 – NEWHAUL PTY LTD TRANSACTION COMMERCIAL TERMS

Commercial

The Company and Newhaul have executed a share sale agreement and services agreement, pursuant to which the Company will acquire the remaining 50% interest in the haulage joint venture, Fenix-Newhaul, to move to 100% ownership. The terms of the Agreements give effect to the transfer of Newhaul's 50% interest in Fenix-Newhaul to the Company. Following completion of the Transaction, the Company will wholly own Fenix-Newhaul.

The Transaction consideration comprises total cash and equity payments comprising:

- the Cash Consideration and the Consideration Shares;
- the Milestone Consideration; and
- limited profit sharing rights on specific new haulage opportunities in the Mid-West should these opportunities eventuate to benefit the Company and generate future profits attributable to the Company (as described below) (**Profit Sharing Rights**).

The Consideration Shares and the 40,000,000 Milestones 1 and 2 Shares will be issued under the Company's placement capacity under Listing Rule 7.1. The issue of the 20,000,000 Milestone 3 Shares is subject to Shareholder approval.

Board Appointment Right

From completion of the Transaction, Newhaul will be entitled to appoint a nominee director to the Board while it holds at least a 10% Shareholder Interest in the Company. If Newhaul's Shareholder Interest falls below 10% but is above 5%, the Newhaul nominee director to the Board must resign at the next annual general meeting of the Company and will be eligible to stand for re-election at such annual general meeting. If Newhaul's Shareholder Interest falls below 5%, the Newhaul nominee director must resign immediately from the Board (unless the Board otherwise agrees). A "Shareholder Interest" includes all Shares held by Newhaul (or any of its related parties), and includes the number of Shares that Newhaul would hold assuming all the Milestone Consideration is issued.

Exclusivity

Newhaul and Craig Mitchell, the founder of Newhaul, have entered a non-compete arrangement with the Company in respect of haulage in the Mid-West region of Western Australia or areas that haul to the Port of Geraldton for a five year period.

Transitional Arrangements

Pursuant to a services agreement, the Company will retain the services of Newhaul's accomplished corporate team and benefit from the efficiencies of Newhaul's systems and market leading processes for at least twelve months by way of a management services agreement.

Milestone Consideration (up to 60,000,000 Shares)

Objective: The Milestone Consideration is designed to ensure that Newhaul remains committed to providing the highest quality logistics and haulage services throughout the Mid-West.

Milestones: 20,000,000 Shares will be issued to Newhaul upon the Company (through Fenix-Newhaul or other Company group members) hauling each of the following mineral quantities before 31 May 2029 (collectively, "**Milestones**"):

- Milestone 1: an aggregate of 3,000,000 dmt;

- Milestone 2: an aggregate of 6,000,000 dmt; and
- Milestone 3: an aggregate of 10,000,000 dmt.

Conditions:

- At the Company's election after 31 May 2027, the Milestone Consideration payable to Newhaul may be substituted for a cash payment equal to the value of the relevant number of Shares¹.
- Shares issued as consideration for Milestone 3 will be subject to Shareholder approval.
- The Milestone Consideration is subject to compliance with the non-compete arrangements prior to the satisfaction of each of the Milestones.
- If there is a change of control event in respect of the Company or Fenix-Newhaul or a disposal of all or material part of the assets of Fenix-Newhaul ("**Change of Control Event**"), the Milestone Consideration must be satisfied through the provision of consideration equivalent to that received in respect of the Change of Control Event (whether cash or scrip consideration, and where it is not possible to issue scrip consideration, the market value of the scrip consideration). In addition, if the change of control event involves the disposal by the Company of all or a material portion of its Iron Ridge Project, the Milestones are automatically deemed to have been satisfied.

Conditions Precedent

Completion of the Company's acquisition of the remaining 50% interest in Fenix-Newhaul from Newhaul is conditional on the Company obtaining all necessary regulatory approvals to the Transaction, the financiers of Fenix-Newhaul consenting to the Transaction and the release of all guarantees provided by Newhaul for the benefit of Fenix-Newhaul.

The share sale agreement for the transaction contains other customary obligations for a transaction of this nature including obligations on the parties prior to completion and representation and warranties which are considered standard for an agreement of this nature.

Profit Sharing Rights

Profit Sharing Rights are provided to recognise the significant efforts Newhaul has put into advancing haulage opportunities in the Mid-West. These rights incentivise Newhaul to continue pursuing these opportunities. These opportunities will provide significant value to Shareholders if achieved.

Profit Sharing Rights will entitle Newhaul to a profit share payment per tonne of hauled minerals from specific, and highly prospective, mining projects in the Mid-West should the Company, either via Fenix-Newhaul or any Company group member, be the haulage provider to these projects.

¹ Based on 10-day VWAP immediately prior to achieving the Milestone.

SCHEDULE 2 – DEED OF AMENDMENT TERMS

Material terms of the Deed of Amendment are as follows:

Farm-In

- (a) Subject to the issue of the Upfront Consideration, Scorpion agrees to grant, and the Company is deemed to have earned, a 100% interest in the iron ore rights, free from encumbrances, in respect of the Tenements for the life of the Tenements.

as Scorpion may require in its absolute discretion;
 - (iv) the Company may retain all iron ore, but otherwise will not exercise the Other Mineral Rights (as that term is defined in the Deed of Amendment) in respect of the Tenements, and all Other Minerals (as that term is defined in the Deed of Amendment) and ores recovered by the Company in the exercise of its rights under the Deed of Amendment and as the IOR Holder (as that term is defined in the Deed of Amendment) will be the property of Scorpion and must be immediately notified by the Company to Scorpion in writing, stockpiled and returned to Scorpion upon request by Scorpion; and
 - (v) property in any iron ore recovered pursuant to any exploitation of the iron ore rights immediately transfer to the Company upon removal from a Tenement.
- (c) For the avoidance of doubt, the iron ore rights will continue for the life of the Tenements and if the Company has established an iron ore resource on the Tenements then the iron ore rights will continue on the area of that iron ore resource beyond the life of the relevant Tenement for the term of any subsequent tenement granted in respect of the iron ore resource.

Consideration

The Company agrees to issue the Upfront Consideration to Scorpion to earn a 100% interest in the iron ore rights pursuant to the Deed of Amendment. STEP 1 – APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together.
