3 August 2022 – Change Financial Limited (ASX: CCA) (Change or the Company) today announces a capital raising of A\$5.72m via a placement (**Placement**) and non-renounceable entitlement offer (**Entitlement Offer**) to eligible shareholders, with the Entitlement Offer underwritten by Henslow and MST Financial Services.

Change CEO and Managing Director, Alastair Wilkie commented, “We are pleased to have completed a well-supported Placement from our loyal existing shareholders whilst also welcoming several new institutional and sophisticated investors to the register. This capital raising will enable us to execute on our growth plans, specifically enhancing our Vertexon Payments as a Service (**PaaS**) offering via increased issuing capability and connectivity along with targeted investment into sales and marketing strategies. Additionally, we will improve our balance sheet via the repayment of A\$0.75m of the A\$1.5m unsecured term facility.”

“Over the past 18 months the Change team has worked hard to establish core building blocks – partnerships, compliance, technology, and talent – to deliver on our goals. With these building blocks now in place, we are in a perfect position to grow the business from a strong foundation. Underpinned by an existing client base with contracted revenue, a mature global sales pipeline and well a realigned cost base, we are targeting to reach monthly EBITDA positive during the second half of FY23.”

Placement Summary

The Company has received unconditional binding commitments for a Placement to institutions, sophisticated and professional investors. The Placement will raise approximately A\$0.75m, before offer costs. The Placement comprises the issue of approximately 15.0 million new fully paid ordinary Change shares (**New Shares**), at A\$0.05 per New Share (**Offer Price**). The Offer Price represents:

- 13.8% discount to the last close price on 29 July 2022 of A\$0.058
- 11.1% discount to the Theoretical Ex-Rights Price¹ (TERP including Placement) of A\$0.056

The Placement will be undertaken in a single tranche within the Company’s existing 15% placement capacity under ASX Listing Rule 7.1.

¹Theoretical ex rights price (TERP) includes the shares issued under the Placement and the Entitlement Offer. TERP is the theoretical price at which Change shares (Shares) should trade immediately after the ex-date for the Entitlement Offer. TERP is a theoretical calculation only and the actual price at which Shares trade on ASX immediately after the ex-date for the Entitlement Offer will depend on many factors and may not be equal to the TERP. TERP is calculated by reference to the closing price of Change Shares as traded on ASX on 29 July 2022, being the last trading day prior to the announcement of the Entitlement Offer.

Settlement of the Placement is scheduled to occur on Tuesday 9 August 2022, with the Placement shares scheduled to be allotted through the ASX and expected to commence trading on Wednesday 10 August 2022. An Appendix 3B for the proposed issue of the New Shares will be lodged following this announcement.

Henslow Pty Ltd & MST Financial Services Pty Ltd acted as Joint Lead Managers to the Placement.

Entitlement Offer Summary

In addition to the Placement, Change proposes to undertake a non-renounceable entitlement offer to eligible shareholders, on the basis of one (1) new fully paid ordinary shares (**New Entitlement Offer Shares**) for every four (4) existing shares held, at an issue price of A\$0.05 per share (**Entitlement Offer Price**), to raise approximately A\$4.97m (**Entitlement Offer**).

The Entitlement Offer is fully underwritten by Henslow Pty Ltd & MST Financial Services Pty Ltd (**Underwriters**). The following Directors of Change, Ben Harrison, Alastair Wilkie, Tom Russell and Ian Leijer have entered into general sub-underwriting agreements for a total of approximately A\$400,000.

The Directors' participation in the sub-underwriting is in accordance with the provisions of Exception 2 to Listing Rule 10.11. A summary of the terms of the underwriting agreement are provided in the Appendix 3B, lodged with ASX.

Assuming no existing options on issue in the Company are exercised, approximately 99.5 million New Entitlement Offer Shares will be offered under the Entitlement Offer. The Entitlement Offer will be available to shareholders with registered addresses in Australia and New Zealand who are recorded on the register as holding shares at 7pm Monday, 8 August 2022 (**Record Date**). New Shares issued pursuant to the Entitlement Offer will rank equally with all shares on issue.

Change does not require shareholder approval in relation to the Entitlement Offer.
