

Notice under section 708AA(2)(f) of the Corporations Act 2001 (Cth)

This notice is given by Change Financial Limited ACN 150 762 351 (ASX: CCA) (**Change Financial** or the **Company**) under section 708AA(2)(f) of the *Corporations Act 2001* (Cth) (the **Corporations Act**) as notionally modified by the Australian Securities and Investments Commission ASIC Corporations (Non-Traditional Rights Issues) Instrument 2016/84 (**ASIC Instrument**). References in this notice of the Corporations Act are references to the Corporations Act as modified or amended by the ASIC Instrument.

On 3 August 2022, Change Financial announced (**Announcement**) it would be offering shareholders the opportunity to participate in a non-renounceable pro rata entitlement offer of 1 New Share for every 4 Shares held, at an issue price of \$0.05 to raise approximately \$4.97million before costs of the offer (**Offer**).

Further details regarding the Offer are set out in the Announcement and also in the offer document that will be despatched to all eligible shareholders in accordance with the timetable as announced on 3 August 2022.

Change Financial hereby confirms that in respect of the Offer (as per the requirements of paragraph 708AA(2)(f) of the Corporations Act):

- the New Shares will be offered for issue without disclosure under Part 6D.2 of the Corporations Act;
- this notice is being given under section 708AA(2)(f) of the Corporations Act as modified by the ASIC Instrument;
- as at the date of this notice, Change Financial has complied with:
 - the provisions of Chapter 2M of the Corporations Act as they apply to Change Financial; and
 - sections 674 and 674A of the Corporations Act;
- as at the date of this notice, there is no "excluded information" of the type referred to in sections 708AA(8) or 708AA(9) of the Corporations Act that is required to be set out in this notice under section 708AA(7)(d) of the Corporations Act; and
- the potential effect the Offer and the issue of New Shares will have on the control of Change Financial, and the consequences of that effect, will depend on a number of factors, including eligible shareholders' interest in taking up their entitlement as well as the level of any shortfall that is subsequently placed.
- Because of the structure of the Offer as a pro-rata issue and the fact that no shareholder currently has or is expected to have after the Offer voting power exceeding 20% in the Company, the issue of New Shares under the Offer is not expected to have any material effect or consequence on the control of the Company. The Company does not currently have any substantial shareholders within the meaning of the Corporations Act.
