

# Unpacking the Quarterly Results and the impact of the Debt Warehouse

AUGUST 2022

ASX:SPX

**Spenda has over 20 years experience in delivering a broad range of B2B payment services, digital trading software and integrated solutions.**

Spenda is a business ecosystem that facilitates the transfer of both operational and financial data between businesses as they buy and sell from each other. Spenda Limited owns an integrated applications, payments and lending platform used by marketplaces, buying groups, franchises and SMEs.

The Spenda platform offers a fully integrated digital payments solution that enables businesses to simplify their operations and transform with fast, error-free digital efficiency.

Spenda's platform creates a network of connected businesses transacting up and down the supply chain. By utilising the secure dataset provided from these transactions, Spenda is able to offer customers with access to on-demand lending, pay later, early settlement discounts and trade finance solutions.
