### Time and place of Meeting

---

Notice is given that the Meeting will be held at 2:00pm (WST) on Wednesday, 14 September 2022 at 45 Ventnor Avenue, West Perth, Western Australia.

The Company has been closely monitoring the impact of the COVID-19 virus in Western Australia and following guidance from the Federal and State Governments. Having considered the current circumstances, the Directors have made the decision that a physical meeting will be held allowing Shareholders to attend the Meeting in person should they desire. The Company advises that a poll will be conducted for each of the Resolutions and strongly encourages Shareholders to lodge a directed proxy form prior to the Meeting, particularly if you will not be attending.

### Your vote is important

---

The business of the Meeting affects your shareholding and your vote is important.

### Voting eligibility

---

The Directors have determined pursuant to Regulation 7.11.37 of the *Corporations Regulations* 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders by 4:00pm (WST) on Monday, 12 September 2022.

### Voting in person

---

To vote in person, attend the Meeting on the date and at the place set out above.

### Voting by proxy

---

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies, which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details are set out below.

### **Proxy vote if appointment specifies way to vote**

Section 250BB (1) of the Corporations Act provides that an appointment of proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (ie, as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands; and
- if the proxy is the Chair at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (ie, as directed); and
- if the proxy is not the Chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (ie, as directed).

### **Transfer of non-Chair proxy to Chair in certain circumstances**

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the Chair; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
  - the proxy is not recorded as attending the meeting; and
  - the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

### **Corporate representatives**

---

If a representative of a corporate Shareholder or a corporate proxyholder will be attending the Meeting, the representative will need to lodge an original (or copy certified by a notary) of the instrument under which he/she has been appointed at the Registered Office of the Company at Unit 1, 26 Elliott Street, Midvale, Western Australia, 6056 at least 48 hours prior to the time of holding of the Meeting.

To be valid, an instrument of appointment under which a representative has been appointed as proxy must be to the satisfaction of the Directors.

A proxy must be signed, if the member is a corporation, under its common seal or under the hand of an authorised officer or attorney.

### **Other Information**

---

#### **Resolution 1 is not interdependent**

Resolution 1 is not interdependent on any other Resolution in this Notice of Meeting being passed. This means that Resolution 1 may be passed by Shareholders notwithstanding that one or more of the other Resolutions are not passed by Shareholders.

It is proposed that the Chairperson of the Meeting for each of the Resolutions be Mr Michael Barrett. It is the Chairperson's intention to vote undirected proxies (ie, open proxies) which the Chairperson holds as proxy in favour of all Resolutions.

## VOTING EXCLUSION STATEMENTS AND VOTING PROHIBITION STATEMENTS

### Voting Exclusion Statements:

The Company will disregard any votes cast in favour of the Resolution set out below by or on behalf of the following persons:

<b>Resolution 1 – Approval to issue Shares to Related Party – Bo Tan</b>	Bo Tan (or his nominee(s)) and any other person who will obtain a material benefit as a result of the issue of the Shares (except a benefit solely by reason of being a holder of ordinary securities) or any associates of those persons.
<b>Resolution 2 – Adoption of Employee Share Option Plan</b>	Any person who is eligible to participate in the Employee Share Option Plan or an associate of a person who is eligible to participate in the Employee Share Option Plan.
<b>Resolutions 3 to 6 – Approval to issue Options to Directors</b>	Any person referred to in Listing Rule 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the Employee Share Option Plan or any associates of those persons.

However, the above does not apply to a vote cast in favour of a Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the Chair as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
  - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
  - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

**Voting Prohibition Statement:** In accordance with section 224 of the Corporations Act, a vote on each of Resolutions 1 to 6 must not be cast (in any capacity) by or on behalf of a related party of the Company to whom the relevant Resolution would permit a financial benefit to be given, or any of their associates (**Restricted Party**). However, this prohibition does not apply if the vote is cast by a person as proxy appointed by writing that specifies how the proxy is to vote on the relevant Resolution and it is not cast on behalf of any Restricted Party.

In accordance with section 250BD of the Corporations Act, a person appointed as a proxy must not vote on the basis of that appointment, on any of Resolutions 1 to 6 if:

- (a) the proxy is either:
  - (i) a member of the Company's KMP; or
  - (ii) a Closely Related Party of those KMP; and
- (b) the appointment does not specify the way the proxy is to vote on the Resolution.

For personal use only

However, provided the Chair is not a Restricted Party, the above prohibition does not apply if:

- (a) the proxy is the Chair; and
- (bi) the appointment expressly authorises the Chair to exercise the proxy even if the relevant Resolution is connected directly or indirectly with the remuneration of a member of the KMP.

For personal use only

### 1. RESOLUTION 1 – APPROVAL TO ISSUE SHARES TO RELATED PARTY – BO TAN

#### 1.1 Background

On 11 March 2022, the Company announced that it had entered into a loan agreement for \$1 million with Bo Tan, a director of the Company (**Loan Agreement**).

#### 1.2 Key terms of the Loan Agreement

Pursuant to the Loan Agreement, Mr Tan has provided the Company with an unsecured loan facility of \$1 million for the purpose of providing working capital flexibility to the Company and supporting the advancement of the Company's Kanyika Niobium Project. Interest of 8% per annum on the loan amount, capitalised monthly and calculated on a daily basis on a year of 365 days applies under the Loan Agreement.

The Loan Agreement provides that, subject to the approval of Shareholders, the Company may elect to convert some or all of the amount owing under the Loan Agreement (ie, the principal amount plus interest) into Shares, by the issue of Shares to Mr Tan at a deemed issue price of 6.35 cents per Share.

The Company has further agreed to repay the amount owing under the Loan Agreement to Mr Tan on 15 September 2022, unless conversion of that amount into Shares has already occurred. If the loan is not repaid in full (or converted into Shares) by 15 September 2022, interest thereon will default to 20% per annum.

On 4 August 2022, Mr Tan agreed to provide a further loan facility to the Company in the amount of \$500,000, by way of a second tranche, on substantially identical terms as the Loan Agreement, including a term of 6 months and an interest rate of 8% per annum (**Second Loan Agreement**). The effect of this transaction is that, in addition to the Shares to be issued pursuant to Resolution 1, additional Shares will be issued to Mr Tan at 6.35 cents per Share should the Company elect to repay some or all of the amount owing under the Second Loan Agreement by the issue of Shares. The Company will convene a separate general meeting in due course for Shareholders to consider and vote on the conversion of any amount owed under the Second Loan Agreement into Shares.

#### 1.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

For the purposes of Chapter 2E of the Corporations Act, the issue of the Shares on conversion of the amount owing under the Loan Agreement constitutes the giving of a financial benefit to Mr Tan, who is a related party of the Company by virtue of him being a Director.

It is the view of the Directors (other than Mr Tan) that the exceptions set out in sections 210 to 216 of the Corporations Act do not apply to the conversion of the amount owing under the Loan Agreement. Accordingly, Shareholder approval is sought for the issue of Shares to Mr Tan for the purposes of section 208 of the Corporations Act.

#### 1.4 Listing Rule 10.11

Listing Rule 10.11 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in Listing Rule 10.12 applies.

It is the view of the Directors (other than Bo Tan) that the exceptions set out in Listing Rule 10.12 do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the issue of Shares to Mr Tan for the purposes of Listing Rule 10.11.

#### 1.5 Technical information required by section 219 of the Corporations Act and Listing Rule 10.13

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act and Listing Rule 10.13, the following information is provided in relation to the proposed issue of Shares to Bo Tan:

- (a) the related party is Bo Tan by virtue of him being a Director;
- (b) the maximum number of Shares to be issued to Bo Tan (being the nature of the financial benefit being provided) will be calculated by dividing the amount outstanding under the Loan Agreement by the deemed issue price of 6.35 cents per Share. At the date of this Notice of Meeting, the amount outstanding under the Loan Agreement is \$1,034,224.74, which equates to 16,287,004 Shares;
- (c) the Shares will be fully paid ordinary shares in the capital of the Company and will be issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares will be issued to Bo Tan no later than one month after the date of the Meeting (or such later date as is permitted by any ASX waiver or modification of the ASX Listing Rules), and it is anticipated that all Shares will be issued on the same date;
- (e) the Shares will be issued for the conversion of the amount owing under the Loan Agreement, at a deemed issue price of 6.35 cents per Share. The deemed issue price represents a 5% discount to the volume weighted average price of the Company's Shares trading on ASX between 2 March 2022 and 8 March 2022 (being 5 trading days prior to the date the Loan Agreement was executed by the Company);
- (f) the Company will not receive any funds upon the issue of the Shares as they are issued in consideration for the conversion of the amount owing under the Loan Agreement (converting a debt owed by the Company into equity, thereby reducing the Company's debt);
- (g) the funds advanced by Bo Tan pursuant to the Loan Agreement are being used by the Company to provide working capital flexibility, and to support the advancement of the Company's Kanyika Niobium Project;
- (h) the Shares are not intended to remunerate or incentivise Bo Tan;
- (i) Bo Tan holds no relevant interest in any Equity Securities as at the date of this Notice of Meeting;
- (j) the remuneration and emoluments from the Company to Bo Tan for the prior financial year and the proposed remuneration for the current financial year are set out below:

Related party	Current Financial Year (ending 30 June 2023)	Prior Financial Year (ended 30 June 2022)
Bo Tan	\$58,000	58,000

(k) if the amount outstanding under the Loan Agreement is converted into Shares at a conversion price that is less than the price of the Shares that are currently trading on ASX, there may be a perceived cost to the Company. The Board resolved to issue the Shares, subject to Shareholder approval, on the terms and conditions set out in this Notice of Meeting at a time when the Shares were trading on ASX at a price on or around the conversion price under the Loan Agreement. The Board resolved to issue the Shares to Bo Tan when the previous closing price of Shares on ASX was 6.7 cents;

(l) the trading history of the Shares on ASX in the 12 months before the date of this Notice of Meeting is set out below:

Trading	Share Price	Date
Highest	\$0.195	19 August 2021
Lowest	\$0.063	7 March 2022
Last	\$0.083	21 July 2022

(m) the primary purpose of the issue of the Shares to Bo Tan is to convert the outstanding loan amount provided under the Loan Agreement, which is a debt owing by the Company, to equity, thereby reducing the Company's debt. The loan was provided at a time when the Company needed to secure such funds for the purpose of providing it with the working capital flexibility and at a time when it has continued to tender and bid for new work in accordance with its stated business objectives;

(n) if Resolution 1 is passed, the Company will be able to proceed with the issue of Shares to Mr Tan, calculated as 16,287,004 Shares as at the date of this Notice of Meeting, which has the potential to increase the number of Shares on issue from 465,922,373 to 482,209,377 (assuming no other Shares are issued), with the effect that the shareholdings of existing Shareholders will be diluted by approximately 3.38%. Mr Tan declines to make a recommendation to Shareholders in relation to Resolution 1 due to his material personal interest in the outcome of the Resolution on the basis that he will be issued the Shares should Resolution 1 be passed. Further, Mr Tan did not vote on the proposal for the Company to enter into the Loan Agreement at the relevant Board meeting;

(o) the Directors, other than Bo Tan, recommend that Shareholders vote in favour of Resolution 1 for the reasons set out below:

- (i) the issue of the Shares to Bo Tan will align the interests of Bo Tan with those of Shareholders;
- (ii) the issue of the Shares will also extinguish the liability of the Company to repay the amounts owing under the Loan Agreement upon issue of the Shares;
- (iii) the issue of the Shares is a reasonable and appropriate method to provide cost effective consideration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of consideration were used to service the loan; and
- (iv) the Board does not consider that there are any significant opportunity costs to the Company, or benefits foregone by the Company, in issuing the Shares to Bo Tan on the terms proposed;

(p) with the exception of Bo Tan, no other Director has a personal interest in the outcome of Resolution 1;

(q) in forming their recommendations, each Director also considered the current market price of the Shares, the current market practices when determining the number of Shares to be issued as well as the conversion price of the loan;

(r) section 1.2 of this Explanatory Statement contains a summary of the material terms of the Loan Agreement under which the Shares are proposed to be issued;

(s) a voting exclusion statement has been included in respect of Resolution 1; and

- (t) the Directors are not aware of any other information that would reasonably be required by Shareholders to allow them to make a decision as to whether it is in the best interests of the Shareholders to pass Resolution 1.

### **1.6 Technical information required by Listing Rule 14.1A**

If Resolution 1 is passed, the Company will be able to proceed with the issue of the Shares within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and the amount outstanding under the Loan Agreement will be reduced to nil. As approval pursuant to Listing Rule 7.1 is not required for the issue of the Shares (because approval is being sought under Listing Rule 10.11), the issue of the Shares will not use up any of the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

If Resolution 1 is not passed, the Company will not be able to proceed with the issue of the Shares to Bo Tan and the full amount outstanding under the Loan Agreement will become due and payable by the Company on 15 September 2022.

### **1.7 Voting intention**

The Chair intends to vote all undirected proxies in favour of Resolution 1.

---

## **2. RESOLUTION 2 – ADOPTION OF EMPLOYEE SHARE OPTION PLAN**

### **2.1 Overview**

Resolution 2 seeks Shareholder approval for the adoption of the employee incentive scheme titled "Employee Share Option Plan" (**Employee Share Option Plan**) in accordance with ASX Listing Rule 7.2 (Exception 13(b)).

The Company does not currently have an employee incentive scheme in place and wishes to adopt one to provide Options as incentives to its employees.

The objective of the Employee Share Option Plan is to attract, motivate and retain key employees and it is considered by the Company that the adoption of the Employee Share Option Plan and the future issue of Options under the Employee Share Option Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

The Employee Share Option Plan will operate in accordance with ASIC class order CO 14/1000.

### **2.2 Listing Rules 7.1 and 7.2 (Exception 13(b))**

Broadly, and subject to a number of exceptions, Listing Rule 7.1 limits the number of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within 3 years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of Equity Securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 2 is passed, the Company will be able to issue Options under the Employee Share Option Plan to eligible participants of the Employee Share Option Plan over a period of 3 years. The issue of any such Options to eligible participants under the Employee Share Option Plan (up to the maximum number of Options stated in section 2.3) will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Options under the Employee Share Option Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 2 is not passed, the Company may still issue Options to key personnel other than Directors on the terms set out in Schedule 1, however those Equity Securities will count towards the Company's 15% placement capacity under Listing Rule 7.1.

### 2.3 Technical information required by Listing Rule 7.2 (Exception 13(b))

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13(b)), the following information is provided in relation to Resolution 2:

- (a) a summary of the key terms of the Employee Share Option Plan is set out in Schedule 1;
- (b) the Company has not issued any Options under the Employee Share Option Plan as this is the first time that Shareholder approval is being sought for the adoption of the Employee Share Option Plan; and
- (c) the maximum number of Equity Securities proposed to be issued under the Employee Share Option Plan, following Shareholder approval, is 23,000,000 Options which equates to approximately 5% of the Company's current issued capital as at the date of this Notice of Meeting (excluding any Equity Securities proposed to be issued under Resolution 1 and Resolutions 3 to 6).

### 2.4 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 2.

### 2.5 Voting intention

The Chair intends to vote all undirected proxies in favour of Resolution 2.

---

## 3. RESOLUTIONS 3 TO 6 – APPROVAL TO ISSUE OPTIONS TO DIRECTORS

### 3.1 General

The Company has agreed, subject to obtaining Shareholder approval to adopt the Employee Share Option Plan (Resolution 2), to issue a total of 5,000,000 Options (as set out in the table below) to each of Mr Lau, Mr Tan, Mr Barrett, and Mr Choi (or their nominee(s)) (together, the **Proposed Recipient Directors**) pursuant to the Employee Share Option Plan.

The Company proposes to issue the Options as follows:

Director	Number
Ricky Lau	1,250,000
Bo Tan	1,250,000
Michael Barrett	1,250,000
Michael Choi	1,250,000

The Options are being issued to incentivise and reward the Proposed Recipient Directors.

The number of Options to be issued to the Proposed Recipient Directors is determined based on the experience of the relevant Director, the nature and scale of the role of the relevant Director, and to provide ongoing equity incentives to advance the Company and its assets.

### **3.2 Chapter 2E of the Corporations Act**

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties by a public company. Section 208 of the Corporations Act prohibits a public company giving a financial benefit to a related party of that public company unless one of a number of exceptions applies.

The issue of Options to the Proposed Recipient Directors constitutes the giving of a financial benefit and each of the Proposed Recipient Directors is a related party of the Company by virtue of being a Director. It is the view of the Company that the exceptions set out in sections 210 to 216 of the Corporations Act do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the issue of Options to each of the Proposed Recipient Directors and the Company will not issue the Options unless Shareholder approval is granted.

### **3.3 Listing Rule 10.14**

Listing Rule 10.14 provides that an entity must not permit a director to acquire Equity Securities under an employee incentive scheme without the approval of the holders of its ordinary securities.

The issue of Options to the Proposed Recipient Directors falls within Listing Rule 10.14 and therefore requires the approval of Shareholders under Listing Rule 10.14.

Resolutions 3 to 6 seek Shareholder approval for the issue of the Options to the Proposed Recipient Directors for the purposes of Listing Rule 10.14.

### **3.4 Technical information required by Listing Rule 14.1A**

If Resolutions 3 to 6 are passed, the Company will be able to proceed with issuing the Options to the Proposed Recipient Directors under the Employee Share Option Plan within 3 years after the date of the Meeting (or such later date as permitted by an ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Options (because approval is being obtained under Listing Rule 10.14), the issue of the Options will not use up any of the Company's 15% placement capacity under Listing Rule 7.1.

If Resolutions 3 to 6 are not passed, the Company will not be able to proceed with the issue of the Options to the Proposed Recipient Directors and alternative forms of remuneration may need to be negotiated.

### **3.5 Technical information required by Listing Rule 10.15 and section 219 of the Corporations Act**

Pursuant to and in accordance with Listing Rule 10.15 and section 219 of the Corporations Act, the following information is provided in relation to Resolutions 3 to 6:

- (a) the related parties are Ricky Lau, Bo Tan, Michael Barrett, and Michael Choi (or their respective nominee(s)), who each fall within the category set out in Listing Rule 10.14.1 by virtue of being Directors;
- (b) the maximum number of Options to be issued to the Proposed Recipient Directors (being the nature of the financial benefit provided) is 5,000,000, comprising:
  - (i) 1,250,000 Options to Ricky Lau (or his nominee(s));
  - (ii) 1,250,000 Options to Bo Tan (or his nominee(s));
  - (iii) 1,250,000 Options to Michael Barrett (or his nominee(s)); and
  - (iv) 1,250,000 Options to Michael Choi (or his nominee(s));
- (c) as this is the first time that Shareholder approval is being sought for the adoption of the Employee Share Option Plan, no Options have been previously issued under the Employee Share Option Plan;
- (d) a summary of the material terms and conditions of the Options is set out in Schedule 2 and a summary of the material terms and conditions of the Employee Share Option Plan is set out in Schedule 1;

- (e) the Options will be issued to the Proposed Recipient Directors no later than one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that the issue of the Options will occur on the same date;
- (f) the Options will be issued for nil cash consideration and accordingly no funds will be raised (other than in respect of funds received on exercise of the Options);
- (g) the value of the Options and the pricing methodology is set out in Schedule 3;
- (h) each of the Proposed Recipient Directors hold no Equity Securities as at the date of this Notice of Meeting;
- (i) the current total remuneration package of each of the Proposed Recipient Directors and their associates for the prior financial year, and the proposed remuneration for the current financial year (excluding the Options), is set out below:

Related party	Current Financial Year (ending 30 June 2023)	Prior Financial Year (ended 30 June 2022)
Ricky Lau	\$57,000	\$57,000
Bo Tan	\$58,000	\$58,000
Michael Barrett (1)	\$58,000	\$30,510
Michael Choi (2)	\$57,000	\$29,984

- (1) Mr Barrett was appointed as a Director on 17 December 2021. Entitlement to fees in Prior Financial Year is a pro rata amount from the date of appointment until 30 June 2022.
- (2) Mr Choi was appointed as a Director on 17 December 2021. Entitlement to fees in Prior Financial Year is a pro rata amount from the date of appointment until 30 June 2022.

- (j) if all Options granted to the Proposed Recipient Directors are exercised, a total of 5,000,000 Shares would be allotted and issued. This will increase the number of Shares on issue from 465,922,373 to 470,922,373 (assuming no other Options are exercised and no other Shares are issued, including under Resolution 1, if approved) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 1.06%;

The market price of Shares during the term of the Options would normally determine whether or not the Options are exercised. If, at a time any of the Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Options, there may be a perceived cost to the Company;

- (k) the trading history of the Shares on ASX in the 12 months before the date of this Notice of Meeting is set out below:

Trading	Share Price	Date
Highest	\$0.195	19 August 2021
Lowest	\$0.063	7 March 2022
Last	\$0.083	21 July 2022

- (l) the primary purpose of the issue of the Options is to reward the Proposed Recipient Directors and to provide cost effective remuneration to the Proposed Recipient Directors for their ongoing commitment and contribution to the Company in their respective roles as Directors, whilst allowing the Company to maintain cash reserves for acquisitions and operations. The Directors do not consider that there are any significant opportunity costs to the Company in issuing the Options to the Proposed Recipient Directors;
- (m) if Messrs Lau, Tan, Barrett, and Choi exercise all Options the subject of Resolutions 3 to 6 and no other Shares are issued by the Company, they would each hold 0.26% of the issued capital of the Company (on an undiluted basis);

- (n) the Board does not consider there are any significant opportunity costs to the Company in issuing the Options to the Directors;
- (o) the Options are not being issued under any agreement and no loan is being made to any of the Proposed Recipient Directors in connection with the issue of the Options;
- (p) details of any Options issued under the Employee Share Option Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14;
- (q) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Options under the Employee Share Option Plan after Resolutions 3 to 6 are approved and who were not named in this Notice of Meeting will not participate until approval is obtained under Listing Rule 10.14;
- (r) a voting exclusion statement has been included in respect of each of Resolutions 3 to 6; and
- (s) the Directors are not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision as to whether it is in the best interests of the Company to pass Resolutions 3 to 6.

### **3.6 Board recommendation**

Each of the Directors (other than Mr Lau in respect of Resolution 3, Mr Tan in respect of Resolution 4, Mr Barrett in respect of Resolution 5, and Mr Choi in respect of Resolution 6) recommends that Shareholders vote in favour of Resolutions 3 to 6 for the following reasons:

- (a) the Options are unquoted, therefore the issue of the Options has no immediate dilutionary impact on Shareholders;
- (b) the grant of the Options to the Proposed Recipient Directors will align the interests of the Proposed Recipient Directors with those of Shareholders;
- (c) the grant of the Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than would be the case if alternative cash forms of remuneration were given to the Proposed Recipient Directors;
- (d) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Options upon the terms proposed; and
- (e) in forming their recommendations, each Director (other than Mr Lau in respect of Resolution 3, Mr Tan in respect of Resolution 4, Mr Barrett in respect of Resolution 5, and Mr Choi in respect of Resolution 6) considered the experience of each other Director, the current price of the Shares trading on ASX, and current market practices when determining the basis of issue of the Options and the expiry date of those Options.

If Resolution 3 is passed, the Company will be able to proceed with the issue of 1,250,000 Options to Mr Lau which has the potential to increase the number of Shares on issue from 465,922,373 to 467,172,373 (assuming all of Mr Lau's Options are exercised and no other Options are exercised and no other Shares are issued), with the effect that the shareholdings of existing Shareholders will be diluted by approximately 0.27%. Mr Lau declines to make a recommendation to Shareholders in relation to Resolution 3 due to his material personal interest in the outcome of the Resolution as the proposed recipient of 1,250,000 Options. Further, Mr Lau did not vote on the proposed issue of Options to him when the matter was considered at the relevant Board meeting.

If Resolution 4 is passed, the Company will be able to proceed with the issue of 1,250,000 Options to Mr Tan which has the potential to increase the number of Shares on issue from 465,922,373 to 467,172,373 (assuming all of Mr Tan's Options are exercised and no other Options are exercised and no other Shares are issued), with the effect that the shareholdings of existing Shareholders will be diluted by approximately 0.27%. Mr Tan declines to make a recommendation to Shareholders in relation to Resolution 4 due to his material personal interest in the outcome of the Resolution as the

proposed recipient of 1,250,000 Options. Further, Mr Tan did not vote on the proposed issue of Options to him when the matter was considered at the relevant Board meeting.

If Resolution 5 is passed, the Company will be able to proceed with the issue of 1,250,000 Options to Mr Barrett which has the potential to increase the number of Shares on issue from 465,922,373 to 467,172,373 (assuming all of Mr Barrett's Options are exercised and no other Options are exercised and no other Shares are issued), with the effect that the shareholdings of existing Shareholders will be diluted by approximately 0.27%. Mr Barrett declines to make a recommendation to Shareholders in relation to Resolution 5 due to his material personal interest in the outcome of the Resolution as the proposed recipient of 1,250,000 Options. Further, Mr Barrett did not vote on the proposed issue of Options to him when the matter was considered at the relevant Board meeting.

If Resolution 6 is passed, the Company will be able to proceed with the issue of 1,250,000 Options to Mr Choi which has the potential to increase the number of Shares on issue from 465,922,373 to 467,172,373 (assuming all of Mr Choi's Options are exercised and no other Options are exercised and no other Shares are issued), with the effect that the shareholdings of existing Shareholders will be diluted by approximately 0.27%. Mr Choi declines to make a recommendation to Shareholders in relation to Resolution 6 due to his material personal interest in the outcome of the Resolution as the proposed recipient of 1,250,000 Options. Further, Mr Choi did not vote on the proposed issue of Options to him when the matter was considered at the relevant Board meeting.

### **3.7 Voting intention**

The Chair intends to vote all undirected proxies in favour of each of Resolutions 3 to 6.

- (b) **Offer:** The Board may, from time to time in its absolute discretion, make a written offer to any Eligible Participant (including an Eligible Participant who has previously received an offer) to apply for Options upon the terms set out in the Employee Share Option Plan and such additional terms and conditions as the Board determines (**Offer**).
- (c) **Plan Limit:** The Company must have reasonable grounds to believe, when making an Offer, that the number of Shares to be received on exercise of Options offered under an Offer, when aggregated with the number of Shares issued, or that may be issued as a result of offers made at any time during the previous 3 year period under an employee incentive scheme covered by an ASIC class order or an ASIC exempt arrangement of a similar kind to an employee incentive scheme, will not exceed 5% of the total number of Shares on issue at the date of the Offer.
- (d) **Issue Price:** Options issued under the Employee Share Option Plan will be issued for nil cash consideration.
- (e) **Exercise Price and Expiry Date:** The exercise price and expiry date for the Options will be determined by the Board in its absolute discretion prior to the grant of the Options. - (f) **Vesting Conditions:** Options may be issued subject to vesting conditions as determined by the Board in its discretion and as specified in the relevant Offer (**Vesting Conditions**).
- (g) **Vesting:** Options will not vest and be exercisable unless the Vesting Conditions (if any) attaching to those Options have been satisfied, and the Board has notified the relevant Eligible Participant of that fact. The Board may in its absolute discretion, by written notice to the relevant Eligible Participant, resolve to waive any of the Vesting Conditions applying to Options due to:
- (i) special circumstances arising in relation to the relevant Eligible Participant (for example, death, total or permanent disability, retirement, redundancy, or severe financial hardship);
  - (ii) a change of control occurring in respect of the Company (for example, a takeover, scheme of arrangement, or if a person acquires voting power in the Company which the Board (comprising the Directors immediately prior to the person acquiring that voting power) determines is sufficient to control the composition of the Board), in which case the Vesting Conditions are deemed to be automatically waived; or
  - (iii) the Company passing a resolution for voluntary winding up, or an order is made for the compulsory winding up, of the Company.

- (h) **Renounceability:** Eligible Participants may renounce an Offer in favour of a nominee (the Eligible Participants and their nominees are each **Participants**). - (i) **Share Restriction Period:** The Board may, in its discretion, determine at any time up until exercise of the Options that a restriction period will apply to some or all of the Shares issued to a Participant on exercise of those Options, up to a maximum of 15 years from the grant date of the Options (**Restriction Period**). In addition, the Board may, in its sole discretion, having regard to the circumstances at the time, waive a Restriction Period. Otherwise, there will be no transfer restrictions on Shares issued under the Employee Share Option Plan unless the sale, transfer, or disposal of Shares by a Participant upon an exercise of Options (or any interest in them) would require the preparation of a disclosure document (as defined in the Corporations Act).
- (j) **Disposal of Options:** Subject to the Listing Rules, Options are only transferable in special circumstances with the prior written consent of the Board (which may be withheld in its absolute discretion) or by force of law upon death to the Participant's legal personal representative, or upon bankruptcy to the Participant's trustee.

  - (iii) in respect of unvested Options, the relevant Participant ceases to be an Eligible Participant, unless the Board decides in its discretion to vest the Options, or resolves to allow the unvested Options to remain unvested after the relevant Participant ceases to be an Eligible Participant;
  - (iv) in respect of vested Options, a relevant Participant ceases to be an Eligible Participant and the Options granted in respect of that relevant Participant are not exercised within one month of the date the relevant Participant ceases to be an Eligible Participant (or such later date as the Board determines);
  - (v) the Board deems that the Option lapses due to fraud, dishonesty or other improper behaviour of the relevant Participant;

  - (vii) the expiry date of the Option.

- (o) **Reorganisation of Capital:** If, at any time, the issued capital of the Company is reorganised (including a consolidation, subdivision, reduction, or return), all rights of the holder of any Options will be changed to the extent necessary to comply with the Corporations Act and the Listing Rules at the time of the reorganisation.
- (p) **Trust:** The Board may, at any time, establish a trust for the sole purpose of acquiring and holding Shares in respect of which a relevant Participant may exercise, or has exercised, vested Options and appoint a trustee to act as trustee of the trust.
