

2022 Full Year Results

**Record Statutory NPAT \$43.6 million
Record EBITDA of \$16.6m, up 21%**

ASX Release: 31 August 2022, Melbourne

Praemium today provided its financial results for the full year ending 30 June 2022. Record net inflows of \$2.9 billion (up 92%) provided strong top line momentum, with revenue growing 22% to \$79.9 million. This was underpinned by disciplined second half cost management, ensuring costs were evenly phased over the two half years to 30 June 2022 resulting in 2H22 costs being flat compared to 1H22 costs.

Key financial results for the year

Divestment of Praemium's International operations was successfully completed on 30 June 2022. Praemium's continuing business is its Australian segment.

Commenting on the result, CEO and Executive Director Mr. Anthony Wamsteker said, "The 2022 financial year has seen a continuation of the significant change initiated by the Praemium Board during the previous financial year. This change resulted from a determination to put the Group on a clear path to recurring profitability and shareholder returns. This result, and the continuing flows performance of our flagship SMA, show that this is now well and truly under way."

"We are also pleased with continued discipline on costs and recognition of our award-winning technology innovations. Looking forward, we have clear objectives as part of our growth strategy, including continuing to deliver customer value, attract and retain market-leading people, grow market share by being Australia's HNW platform of choice and drive innovation to support the advice community."
