**Larvotto Resources Limited**  
**Directors' report**  
**30 June 2022**

The directors present their Interim financial report, together with the financial statements, on the consolidated entity (referred to hereafter as the Consolidated Entity) consisting of Larvotto Resources Limited (referred to hereafter as the 'Company' or 'parent entity') and the entities it controlled at the end of, or during, the half-year ended 30 June 2022.

**Directors**

The following persons were directors of the Company during the whole of the half-year and up to the date of this report, unless otherwise stated:

Ronald Heeks - Managing Director and Chief Executive Officer  
Mark Tomlinson - Non-Executive Director and Chair  
Anna Nahajski-Staples - Non-Executive Director

**Principal activities**

Larvotto Resources Limited was established on 2 November 2020, to advance exploration and development projects in both Australia and overseas. The Company, via its Subsidiaries, has entered into agreements under which it has acquired interest in the following projects:

- The Eyre project comprising five granted exploration licences and one exploration licence application, located in Norseman in Western Australia (the Eyre Project) (100%);
- The Ohakuri project comprising one granted exploration permit located in Rotorua, New Zealand (the Ohakuri Project) (up to 75%); and
- The Mt Isa Copper project comprising eleven granted exploration permits located in the Mt Isa region in Queensland (Mt Isa Copper Project) (100%).

**Dividends**

There were no consolidated dividends paid or declared during the half-year ended 30 June 2022.

**Review of operations**

The consolidated loss after providing for income tax, for half-year ended 30 June 2022, for the Consolidated Entity amounted to \$1,249,859 (2021: \$818,933).

The consolidated loss for the half-year ended 30 June 2022 is consistent with the principal activities of the Consolidated Entity with no revenue-generating activities.

**Going Concern**

The Interim financial report has been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and settlements of liabilities in the ordinary course of business.

The Consolidated Entity has reported a loss for the half-year of \$1,249,859 (2021: \$818,933) and a cash outflow from operating activities of \$1,165,318 (2021: \$689,708).

At the end of the half year, the Consolidated Entity had \$3,390,523 (31 December 2021: \$4,673,278) in cash and cash equivalents.

The Directors also manage discretionary expenditure in line with the Consolidated Entity's cash flow and are confident that there are sufficient funds to meet the Consolidated Entity's working capital and funding requirements for a minimum of 12 months from the date of this report.

The Directors consider the going concern basis of preparation to be appropriate based on forecast cash flows and confidence in raising additional funds as necessary. In the event that the Consolidated Entity is not successful in managing the discretionary expenditure as well as in raising funds from the issue of new equity, there exists material uncertainty that may cast significant doubt on the Consolidated Entity's ability to continue as a going concern and realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the interim financial report.

**Matters subsequent to the end of the half-year ended 30 June 2022**

No matter or circumstance has arisen since 30 June 2022 that has significantly affected, or may significantly affect the Consolidated Entity's operations, the results of those operations, or the Consolidated Entity's state of affairs in future financial years.

## Auditor's Independence Declaration under section 307C of the Corporations Act 2001

To the Directors of Larvotto Resources Limited

I declare that, to the best of my knowledge and belief, in relation to the review for the half-year ended 30 June 2022 there have been:

- (i) no contraventions of the auditor's independence requirements as set out in the *Corporations Act 2001* in relation to the review; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the review.

Yours sincerely

## **Note 1. General information**

The consolidated financial statements are presented in Australian dollars, which is Larvotto Resources Limited's functional and presentation currency.

Larvotto Resources Limited is a listed public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

136 Stirling Highway  
Nedlands  
WA 6009

A description of the nature of the Consolidated Entity's operations and its principal activities are included in the Directors' report, which is not part of the financial statements.

The financial statements were authorised for issue, in accordance with a resolution of Directors, on 12 September 2022.

## **Note 2. Significant accounting policies**

These general purpose consolidated financial statements for the half-year ended 30 June 2022 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These consolidated general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these consolidated financial statements are to be read in conjunction with the Annual report for the year ended 31 December 2021.

The principal accounting policies adopted are consistent with those of the previous financial period and corresponding interim reporting period, unless otherwise stated.

### **New or amended Accounting Standards**

The Consolidated Entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

### **Going concern**

The Interim financial report has been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and settlements of liabilities in the ordinary course of business.

The Consolidated Entity has reported a loss for the half-year of \$1,249,859 (2021: \$818,933) and a cash outflow from operating activities of \$1,165,318 (2021: \$689,708).

At the end of the half year, the Consolidated Entity had \$3,390,523 (31 December 2021: \$4,673,278) in cash and cash equivalents.

The Directors also manage discretionary expenditure in line with the Consolidated Entity's cash flow and are confident that there are sufficient funds to meet the Consolidated Entity's working capital and funding requirements for a minimum of 12 months from the date of this report.

The Directors consider the going concern basis of preparation to be appropriate based on forecast cash flows and confidence in raising additional funds as necessary. In the event that the Consolidated Entity is not successful in managing the discretionary expenditure as well as in raising funds from the issue of new equity, there exists material uncertainty that may cast significant doubt on the Consolidated Entity's ability to continue as a going concern and realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the interim financial report.

**Note 2. Significant accounting policies (continued)**

**Principal of consolidation**

The consolidated financial statements incorporate the assets and liabilities of all subsidiaries of Larvotto Resources Limited ('Company' or 'parent entity') as at 30 June 2022 and the results of all subsidiaries for the half-year then ended. Larvotto Resources Limited and its subsidiaries together are referred to in these financial statements as the 'Consolidated Entity'.

Subsidiaries are all those entities over which the Consolidated Entity has control. The Consolidated Entity controls an entity when the Consolidated Entity is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Consolidated Entity. They are de-consolidated from the date that control ceases.

Intercompany transactions, balances, and unrealised gains on transactions between entities in the Consolidated Entity are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of the impairment of the asset transferred. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Consolidated Entity.

The acquisition of subsidiaries is accounted for using the acquisition method of accounting. A change in ownership interest, without the loss of control, is accounted for as an equity transaction, where the difference between the consideration transferred and the book value of the share of the non-controlling interest acquired is recognised directly in equity attributable to the parent.

Where the Consolidated Entity loses control over a subsidiary, it derecognises the assets including goodwill, liabilities and non-controlling interest in the subsidiary together with any cumulative translation differences recognised in equity. The Consolidated Entity recognises the fair value of the consideration received and the fair value of any investment retained together with any gain or loss in profit or loss.

**Note 3. Critical accounting judgements, estimates and assumptions**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

***Coronavirus (COVID-19) pandemic***

Judgement has been exercised in considering the impacts that the Coronavirus (COVID-19) pandemic has had, or may have, on the Consolidated Entity based on known information. This consideration extends to the nature of the products and services offered, customers, supply chain, staffing and geographic regions in which the Consolidated Entity operates. Other than as addressed in specific notes, there does not currently appear to be either any significant impact upon the financial statements or any significant uncertainties with respect to events or conditions which may impact the Consolidated Entity unfavourably as at the reporting date or subsequently as a result of the Coronavirus (COVID-19) pandemic.

## **Independent Auditor's Review Report to the members of Larvotto Resources Limited**

### **Report on the Interim Financial Report**

#### **Conclusion**

We have reviewed the accompanying Interim financial report of Larvotto Resources Limited (the "Company") and its controlled entities (the "Consolidated Entity"), which comprises the Condensed consolidated statement of financial position as at 30 June 2022, the Condensed consolidated statement of profit or loss and other comprehensive income, Condensed consolidated statement of changes in equity and Condensed consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of accounting policies, selected other explanatory notes and the directors' declaration of the Consolidated Entity comprising the Company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Interim financial report of Larvotto Resources Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Consolidated Entity's financial position as at 30 June 2022 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### **Basis for Conclusion**

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* (ASRE 2410). Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

## Material Uncertainty Related to Going Concern

Without modifying our review conclusion, we draw attention to Note 2 to the financial report, which indicates that, if the Consolidated Entity is not successful in managing the discretionary expenditure as well as in raising funds from the issue of new equity there exists material uncertainty that may cast significant doubt about the Consolidated Entity's ability to continue as a going concern and therefore the Consolidated Entity may be unable to realise its assets and discharge its liabilities in the normal course of business. Our review conclusion is not modified in respect of this matter.

## Responsibility of the Directors for the Interim Financial Report

The directors of the Company are responsible for the preparation of the Interim financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the interim financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility for the Review of the Interim Financial Report

Our responsibility is to express a conclusion on the Interim financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the Interim financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Consolidated Entity's financial position as at 30 June 2022 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of an Interim financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
