Highlights

- K2F has received contracts for software development services to the Fortescue Metals Group, with a Total Contract Value (TCV) of \$1.2m
- Services to be provided and billed on a time and materials basis over an expected period of 6 months

K2fly Limited (K2F, K2fly or the Company) (ASX: K2F), is the leading provider of Resource Governance solutions for 'net positive impact' in Environmental, Social and Governance (ESG) compliance, disclosure, and technical assurance. We focus on the operations of mining and asset intensive industries through our platform-based SaaS cloud solutions.

The Company is pleased to announce that it has received orders from entities related to or associated with Fortescue Metals Group Ltd (**FMG**) for the provision of software development services with a Total Contract Value (TCV) of \$1.2m. The services will be provided on a time and materials basis over an expected period of 6 months.

Nic Pollock CEO of K2fly said "We pleased to be working with Fortescue across a number of areas in the business. Fortescue are using a number of our platform solutions and in addition, have engaged us for software development services in other areas of their business. These services are additional one-off revenues for K2fly and are also generated from time to time with other K2fly clients.

Announcement released with authority of K2fly Board.
