AUB Group completes acquisition of Tysers

AUB Group Limited (**AUB**) is pleased to announce that it has today completed its acquisition of leading Lloyd's wholesale broker Tysers (**Acquisition**) following the satisfaction of all relevant conditions precedent, including regulatory approvals¹. Details of the Acquisition were announced on 9 May 2022 (**Initial Announcement**).²

In accordance with the terms of the Acquisition and as previously announced, AUB confirms that it has now issued 9,018,974 new shares (**New Shares**) to Tysers' former owner, Odyssey Investment Partners. The New Shares will be escrowed for a 24-month period.

Additional deferred consideration of up to GBP100 million (AUD170 million) may also be payable two years post completion, dependent on Tysers' achievement of agreed revenue growth targets. This potential for deferred consideration together with the 24-month escrow relating to the New Shares provides strong alignment to drive the successful integration of Tysers, realisation of expected synergies and achievement of key business metrics and performance hurdles.

CEO and Managing Director Mr Mike Emmett said: "We are very pleased to welcome the Tysers team. economics in the insurance broking value chain, accelerating scale in AUB Agencies and supporting our clients with international placement needs.”

“I have known Tysers and its executive team for an extensive period of time and AUB has been working with Tysers for many years providing our clients access to Lloyd’s market for specialist insurance. I have always been very impressed with the quality of the franchise, the knowledge and expertise of the team, and its deep client relationships. The acquisition is not only strategically aligned and financially compelling, but strengthens our operational platform and delivers material scale. We look forward to optimising Tysers’ contribution as part of the AUB Group, a successful integration and delivering on the expected synergies.”
