1.8 Resolution 7: Increase of Non-Executive Directors' Fee Cap

The Company's Constitution provides that the aggregate remuneration payable to Non-executive Directors may not exceed in any year as is fixed from time to time by ordinary resolution passed by the Company's Shareholders.

The current aggregate Non-executive fee pool of \$400,000 per annum was set at the Company's initial public offering in 2012 and the Board has not sought to increase the fee pool since that time.

In accordance with Listing Rule 10.17, the total aggregate remuneration that may be paid to non-executive directors must not be increased without the approval of the shareholders of the company.

No securities have been issued to ASX non-executive directors under Listing Rule 10.11 or 10.14 with the approval of shareholders within the last three years.

Resolution 7 seeks Shareholder approval to increase the Non-executive Director fee pool by \$600,000 to \$1,000,000 per annum.

The reasons for the proposed increase are to ensure the Company is able to attract and retain quality, high - calibre independent Non-executive Directors with a broad range of skills, experience and expertise to help drive the Company's transformation.

Given the interest in this matter of each Non-executive Director, the Board does not consider it appropriate to make a recommendation on this resolution.

2. Resolution 8 - Issue of Options to Mr Richard Hudson

2.1 General

It is proposed that the Company issue to Mr Richard Hudson, a director of the Company, a total of 2,000,000 Options to subscribe for fully paid ordinary Shares in the capital of the Company at an exercise price of \$0.40 with an expiry date of three years from date of issue.

Shareholder approval is being sought for the issue of these Options and the issue of Shares upon exercise of the Options in accordance with the requirements of the ASX Listing Rules.

2.2 Companies Act

Section 161 subsection (1) of the New Zealand Companies Act 1993 provides that the board of a company may, subject to any restrictions contained in the constitution of the company, authorise the payment of remuneration or the provision of other benefits by the company to a director for services as a director or in any other capacity, if the board is satisfied that to do so is fair to the company.

Directors who vote in favour of authorising a payment, benefit, loan, guarantee, or contract under section 161 subsection (1) of the Companies Act must sign a certificate stating that, in their opinion, the making of the payment or the provision of the benefit, or the making of the loan, or the giving of the guarantee, or the entering into of the contract is fair to the company, and the grounds for that opinion. (Section 161(4))

As Richard Hudson is a director of the Company, the proposed issue of Options to Mr Hudson or his nominee will constitute the payment of a benefit to a director for the purposes of section 161(1) of the Corporations Act.

Directors, with Mr Hudson abstaining, have each certified that the issuing of the Options to Mr Hudson constitutes reasonable remuneration within the meaning of section 161 subsection (4) of the Companies Act as:

- the Company wishes to maximise the use of its cash resources towards the Company's development;
- Equity-based incentives, such as Options, are used to supplement cash-based remuneration; and
- The proposed issuing of the Options is commensurate with market practice.

Accordingly, Shareholder approval is not required under the Corporations Act, however approval is still required for the purposes of Listing Rule 10.11.

2.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

a related party;

- 10.11.1 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which give them a right or expectation to do so;
- 10.11.3 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.4 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by Shareholders. Unless it obtains the approval of its Shareholders.

The issue of Options falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolution 8 seeks the required Shareholder approval for the issue of the Options under and for the purposes of Listing Rule 10.11.

2.4 Information required by Listing Rule 14.1A

If Resolution 8 is passed, the Company will be able to proceed with the issue of the Options to Mr Hudson within one month after the date of the AGM (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Options (because approval is being obtained under Listing Rule 10.11), the issue of the Options will not use up any of the Company's 15% annual placement capacity.

If resolution 8 is not passed, the Company will not be able to proceed with the issue of the Options. The Company does not intend to provide any additional rewards or incentives in any other forms to Mr Hudson if the resolution is not passed.

2.5 Information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13 the following information is provided in relation to Resolution 8:

- (a) the Options will be issued to Richard Hudson (or his nominee), who fall within the category set out in Listing Rule 10.11.1 as Richard Hudson is a related party of the Company by virtue of being a Director;
- (b) the maximum number of Options to be issued is 2,000,000 to Richard Hudson (or his nominee)
- (c) the terms and conditions of the Options are set out in schedule 1;
- (d) the Options will be issued no later than 1 month after the AGM (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
- (e) the issue price of the Options will be nil. The Company will not receive any other consideration in respect of the issue of the Options (other than in respect of funds received on exercise of the Options).
- (f) the purpose of the issue of the Options is to provide a performance linked incentive component in the remuneration package for Mr Hudson to motivate and reward his performance as a Director and to provide cost effective remuneration to Mr Hudson, enabling the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration was given to Mr Hudson.
- (g) the Options are unquoted Options. The Company has agreed to issue Options to the related party subject to shareholder approval for the following reasons:
 - (i) the Options are unquoted; therefore, the issue of the Options has no immediate dilutionary impact on Shareholders;
 - (ii) it is considered that there are no significant opportunity costs to the Company or benefits foregone by the Company in issuing the Options on the terms proposed.

- (h) the number of Options to be issued to Mr Hudson has been determined based upon a consideration of:
- (i) current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company;
 - (ii) the remuneration of the related party; and
 - (iii) incentives to attract and ensure continuity of service of the related party who has appropriate knowledge and expertise, while maintaining the Company's cash reserves.
- The Company does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Options upon the terms proposed;
- (i) The Options have been valued by reference to the Black Scholes Options pricing model, based on the following assumptions:

Call Option Valuation	Input
Share price at 23 September 2022	\$0.24
Exercise Price	\$0.40
Risk Free Rate	3.45%
Volatility (Annualised)	69%
Time (years) to expiry	3 years
Value per option	\$0.083
Number of Options	2,000,000
Total value	\$166,000

It should be noted that no discount has been applied to the valuation for non-negotiability of the Options as they are not listed and cannot be transferred except with the Board's prior approval.

Based on the above assumptions it is considered that the total value of the 2,000,000 Options is \$166,000.

- (j) The Options are not being issued under an agreement
- (k) The current capital structure of the Company is as follows:

Capital	Number
Ordinary Shares	444,480,799
Unlisted Options (15.0 cents exercisable on or before 11/12/2023)	2,936,723
Unlisted Options (10.0 cents exercisable on or before 5 years from date of issue)	3,000,000
Unlisted Options (20.0 cents exercisable on or before 3 years from the date of issue)	16,600,000

If shareholder approval is obtained for all resolutions contained in the Notice of AGM and all Shares and Options are issued as contemplated by the Notice of AGM, the issued capital of the Company will be as follows:

Capital	Number
Ordinary Shares	446,480,799
Unlisted Options (15.0 cents exercisable on or before 11/12/2023)	2,936,723
Unlisted Options (10.0 cents exercisable on or before 5 years from date of issue)	3,000,000

Unlisted Options (20.0 cents exercisable on or before 3 years from the date of issue)	16,600,000
Unlisted Options (40.0 cents exercisable on or before 3 years from the date of issue)	7,000,000
Unlisted Options (47.0 cents exercisable on or before 3 years from date of issue)	5,000,000
Unlisted Options (43.5 cents exercisable on or before 4 years from date of issue)	6,000,000
Total Options	40,536,723
Total Ordinary Shares if all Options on issue are exercised	487,017,522

If the share price is higher than the exercise price at the time the Options are exercised, there will be a perceived cost to the Company, as the Company may have been able to issue the Shares at a higher price.

- (l) If Mr Hudson exercises the Options, there will be a dilutionary effect of 0.004% on existing Shareholders. Mr Hudson will hold 0.44% of the issued share capital of the Company should he exercise these Options and no other Options on issue are exercised.
- (m) The highest, lowest and last trading prices of the Shares on ASX over the previous 12 months are \$0.585 (on 24 March 2022), \$0.155 (on 16 December 2021) and \$0.24 (on 23 September 2022) respectively.
- (n) Mr Hudson currently receives directors' fees of \$20,000 pa.

These Options are intended to provide an incentive to Mr Hudson, as a director, to work towards improving the performance of the Company and its share price, which will benefit all the Shareholders.

Therefore, Resolution 8 seeks the approval of Shareholders to satisfy the requirement for shareholder approval under Listing Rule 10.11

Mr Hudson, director of the Company, does not make a recommendation to Shareholders in relation to the resolution as he has a personal interest in the outcome of the resolution, being a related party who will receive a financial benefit if the resolution is passed.

The other directors recommend that the Shareholders vote to approve Resolution 8 on the basis that the Options will provide an incentive to Mr Hudson to continue to work towards increasing the value of the Company, are consistent with market remuneration in companies of a similar size and nature, and are in the best interests of the Company, taking into account all of the effects and the opportunity cost to the Company including the dilutionary effect referred to above.

3. Resolution 9 - Issue of Options to Mr Chris Gibbs

3.1 General

It is proposed that the Company issue to Mr Chris Gibbs, a director of the Company, a total of 10,000,000 Options to subscribe for fully paid ordinary Shares in the capital of the Company with 5,000,000 STI Options at an exercise price of \$0.40 with an expiry date of three years from date of issue and 5,000,000 LTI Options at an exercise price of \$0.47 with an expiry date of six years from date of issue. All the options have vesting conditions as set out in schedule 2.

Shareholder approval is being sought for the issue of these Options and the issue of Shares upon exercise of the Options in accordance with the requirements of the ASX Listing Rules.

3.2 Companies Act

Section 161 subsection (1) of the New Zealand Companies Act 1993 provides that the board of a company may, subject to any restrictions contained in the constitution of the company, authorise the payment of remuneration or the provision of other benefits by the company to a director for services as a director or in any other capacity, if the board is satisfied that to do so is fair to the company.

Directors who vote in favour of authorising a payment, benefit, loan, guarantee, or contract under section 161 subsection (1) of the Companies Act must sign a certificate stating that, in their opinion, the making of the payment or the provision of the benefit, or the making of the loan, or the giving of the guarantee, or the entering into of the contract is fair to the company, and the grounds for that opinion. (Section 161(4))

As Chris Gibbs is a director of the Company, the proposed issue of Options to Mr Gibbs or his nominee will constitute the payment of a benefit to a director for the purposes of section 161(1) of the Corporations Act.

Directors, with Mr Gibbs abstaining, have each certified that the issuing of the Options to Mr Gibbs constitutes reasonable remuneration within the meaning of section 161 subsection (4) of the Companies Act as:

- the Company wishes to maximise the use of its cash resources towards the Company's development;
- Equity-based incentives, such as Options, are used to supplement cash-based remuneration; and
- The proposed issuing of the Options is commensurate with market practice.

Accordingly, Shareholder approval is not required under the Corporations Act, however approval is still required for the purposes of Listing Rule 10.11.

3.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

a related party;

- 10.11.5 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.6 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which give them a right or expectation to do so;
- 10.11.7 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.8 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by Shareholders. Unless it obtains the approval of its Shareholders.

The issue of Options falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolution 9 seeks the required Shareholder approval for the issue of the Options under and for the purposes of Listing Rule 10.11.

3.4 Information required by Listing Rule 14.1A

If Resolution 9 is passed, the Company will be able to proceed with the issue of the Options to Mr Gibbs within one month after the date of the AGM (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Options (because approval is being obtained under Listing Rule 10.11), the issue of the Options will not use up any of the Company's 15% annual placement capacity.

If resolution 9 is not passed, the Company will not be able to proceed with the issue of the Options. The board will consider alternative arrangements to appropriately remunerate and incentivise Mr Gibbs.

3.5 Information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13 the following information is provided in relation to Resolution 9:

- (a) the Options will be issued to Chris Gibbs (or his nominee), who fall within the category set out in Listing Rule 10.11.1 as Chris Gibbs is a related party of the Company by virtue of being a Director;
- (b) the maximum number of Options to be issued is 10,000,000 to Chris Gibbs (or his nominee)
- (c) the terms and conditions of the Options are set out in schedule 2;
- (d) the Options will be issued no later than 1 month after the AGM (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
- (e) the issue price of the Options will be nil. The Company will not receive any other consideration in respect of the issue of the Options (other than in respect of funds received on exercise of the Options).
- (f) the purpose of the issue of the Options is to provide a performance linked incentive component in the remuneration package for Mr Gibbs to motivate and reward his performance as a Director and to provide cost effective remuneration to Mr Gibbs, enabling the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration was given to Mr Gibbs.
- (g) the Options are unquoted Options. The Company has agreed to issue Options to the related party subject to shareholder approval for the following reasons:
 - (i) the Options are unquoted; therefore, the issue of the Options has no immediate dilutionary impact on Shareholders:

- (ii) it is considered that there are no significant opportunity costs to the Company or benefits foregone by the Company in issuing the Options on the terms proposed.
- (h) the number of Options to be issued to Mr Gibbs has been determined based upon a consideration of:
- (i) current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company;
 - (ii) the remuneration of the related party; and
 - (iii) incentives to attract and ensure continuity of service of the related party who has appropriate knowledge and expertise, while maintaining the Company's cash reserves.
- The Company does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Options upon the terms proposed;
- (i) the Options have been valued by reference to the Black Scholes Options pricing model, based on the assumptions set out in schedule 2:

It should be noted that no discount has been applied to the valuation for non-negotiability of the Options as they are not listed and cannot be transferred except with the Board's prior approval.

Based on the above assumptions it is considered that the total value of the 10,000,000 Options is \$1,036,744. The 5,000,000 STI options have a value of \$414,983 and the 5,000,000 LTI options have a value of \$621,761.

- (j) The Options are not being issued under an agreement
- (k) The current capital structure of the Company is as follows:

Capital	Number
Ordinary Shares	444,480,799
Unlisted Options (15.0 cents exercisable on or before 11/12/2023)	2,936,723
Unlisted Options (10.0 cents exercisable on or before 5 years from date of issue)	3,000,000
Unlisted Options (20.0 cents exercisable on or before 3 years from the date of issue)	16,600,000

If shareholder approval is obtained for all resolutions contained in the Notice of AGM and all Shares and Options are issued as contemplated by the Notice of AGM, the issued capital of the Company will be as follows:

Capital	Number
Ordinary Shares	446,480,799
Unlisted Options (15.0 cents exercisable on or before 11/12/2023)	2,936,723
Unlisted Options (10.0 cents exercisable on or before 5 years from date of issue)	3,000,000
Unlisted Options (20.0 cents exercisable on or before 3 years from the date of issue)	16,600,000
Unlisted Options (40.0 cents exercisable on or before 3 years from the date of issue)	7,000,000
Unlisted Options (47.0 cents exercisable on or before 3 years from date of issue)	5,000,000
Unlisted Options (43.5 cents exercisable on or before 4 years from date of issue)	6,000,000
Total Options	40,536,723
Total Ordinary Shares if all Options on issue are exercised	487,017,522

If the share price is higher than the exercise price at the time the Options are exercised, there will be a

perceived cost to the Company, as the Company may have been able to issue the Shares at a higher price.

- (i) If Mr Gibbs exercises the Options, there will be a dilutionary effect of 2.2% on existing Shareholders. Mr Gibbs will hold 2.2% of the issued share capital of the Company should he exercise these Options and no other Options on issue are exercised.
- (ii) The highest, lowest and last trading prices of the Shares on ASX over the previous 12 months are \$0.585 (on 24 March 2022), \$0.155 (on 16 December 2021) and \$0.24 (on 23 September 2022) respectively.
- (iii) Mr Gibbs currently receives a salary of \$350,000 pa (inclusive of superannuation).

These Options are intended to provide an incentive to Mr Gibbs, as a director, to work towards improving the performance of the Company and its share price, which will benefit all the Shareholders.

Therefore, Resolution 9 seeks the approval of Shareholders to satisfy the requirement for shareholder approval under Listing Rule 10.11

Mr Gibbs, director of the Company, does not make a recommendation to Shareholders in relation to the resolution as he has a personal interest in the outcome of the resolution, being a related party who will receive a financial benefit if the resolution is passed.

The other directors recommend that the Shareholders vote to approve Resolution 9 on the basis that the Options will provide an incentive to Mr Gibbs to continue to work towards increasing the value of the Company, are consistent with market remuneration in companies of a similar size and nature, and are in the best interests of the Company, taking into account all of the effects and the opportunity cost to the Company including the dilutionary effect referred to above.

4. Resolution 10: Issue of placement shares to Mr Chris Gibbs

As announced on 9 December 2021 the Company was to issue 41,150,000 new Shares at an issue price of \$0.148 per share to raise \$6,090,200. 39,150,000 shares were issued to institutional and sophisticated investors and 2,000,000 shares were to be issued to Mr Chris Gibbs a director of the company on the same term and conditions subject to shareholder approval.

Shareholder approval is being sought for the issue of these Shares in accordance with the requirements of the ASX Listing Rules.

Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which give them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by shareholders.

unless it obtains the approval of its shareholders.

The Director Participation falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolution 10 seeks Shareholder approval for the Director Participation under and for the purposes of Listing Rule 10.11

Technical information required by Listing Rule 14.1A

If Resolutions 10 is passed, the Company will be able to proceed with the issue of the Placement Shares under the Director Participation within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and will raise additional funds which will be used in the manner as other funds raised under the Placement. As approval pursuant to Listing Rule 7.1 is not required for the issue of the Shares in respect of the Director Participation (because approval is being obtained under Listing Rule 10.11), the issue of the Shares will not use up any of the Company's 15% annual placement capacity.

If resolution 10 is not passed, the Company will not be able to proceed with the issue of the placement Shares to the Participating Director.

Technical information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolution 10:

Rule 10.13.1: Name of person:

The Placement Shares will be issued to the Participating Director (or his nominee), as he falls within the category set out in Listing Rule 10.11.1 as Mr Gibbs is a Director of the Company and is therefore a related party.

Rule 10.13.2: Nature of relationship:

Mr Gibbs is a Director of the Company and are therefore a related party under Listing Rule 10.11.1

Rule 10.13.3: Number of securities to be issued:

The maximum number of Placement Shares to be issued to:

- (a) 2,000,000 placement shares to Mr Gibbs (or his nominee)

The Placement Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.

Rule 10.13.4: Number of securities to be issued if partly paid:
Not applicable

Rule 10.13.5: Date by which the securities are to be issued:
The Placement Shares to be issued to the Participating Director will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated the Placement Shares will be issued on the same date.

Rule 10.13.6: Issue price of the securities and a statement of terms of issue:
The issue price of the Placement Shares to be issued to the Participating Directors will be \$0.148 per share, being the same issue price as Shares issued to other participants in the Placement. The Company will not receive any other consideration for the issue of the Placement Shares.

Rule 10.13.7: Intended use of the funds:
The purpose of the issue of the Placement Shares under the Director Participation is to raise capital, which the Company intends to use for exploration and working capital.

Rule 10.13.8: Intended to remunerate Directors:
The Placement Shares issued under the Director Participation are not intended to remunerate or incentivise the Director.

Rule 10.13.9: Summary of material terms:
The Shares are to be issued on the same terms and conditions as those issued to the other participants other than these shares required shareholder approval prior to them being issued as the participant is a Director of the Company.

Rule 10.13.10: A voting exclusion statement:
A Voting Exclusion Statement is included in Resolution 10 in the Notice of Annual General Meeting.

5. Resolution 11: Ratification of share placement on 25 August 2022

On 25 August 2022 the Company announced it had issued 48,275,863 new Shares at an issue price of \$0.29 per Share to institutional or sophisticated investors. The purpose of the issue was to advance the La Paz, and Halleck Creek Rare Earth projects and provide general working capital. 31,975,863 new shares were issued under Listing Rule 7.1 and 16,300,000 new shares under Listing Rule 7.1A which was approved by Shareholders at the annual general meeting held on 9 November 2021.

Canaccord Genuity (Australia) Limited was appointed as Lead Manager for the Capital Raising

Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12-month period.

Under Listing Rule 7.1A however an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The issue of the 48,275,863 shares does not fit within any of the exceptions and, as it has not yet been approved by shareholders, it effectively uses up part of the 25% limit in Listing Rule 7.1 and 7.1A reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 and 7.1A for the 12-month period following the date of issue of the 48,275,863 shares.

Listing Rule 7.4

ASX Listing Rule 7.4 permits an issue of shares that has been made without shareholder approval under Listing Rule 7.1 to be ratified by Shareholders.

If resolution 11 is passed, the Company will be able to utilise Listing Rule 7.1 for future issues of up to 15% of the expanded issued capital in the next 12-month period without having to convene a Shareholders meeting to seek Shareholders' approval of any such issues. The directors believe it is desirable to have the flexibility afforded to the Company to issue securities up to the maximum 15% allowable under Listing Rule 7.1. The directors recommend that Shareholders vote in favour of the resolution.

The Shares issued pursuant to the placement rank equally in all respects with all existing Shares previously issued by the Company.

Technical Information required by Listing Rule 14.1A

If resolution 11 is passed the 48,275,863 shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without shareholder approval over the 12 month period following the date of issue of the 48,275,863 shares.

If resolution is not passed the 48,275,863 shares will be included in calculating the Company's combined 25% limit in Listing Rule 7.1 and 7.1a, effectively decreasing the number of equity securities the Company can issue without shareholder approval over the 12 month period following the date of issue of the 48,275,863 shares.

Information required under Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 11:

Rule 7.5.1:

The persons to whom the 48,275,863 new Shares were issued were identified as experienced investors, sophisticated investors and professional investors under Sec 708 of the Corporations Act by Canaccord Genuity (Australia) Limited in consultation with the Company.

Rule 7.5.2: Number of securities issued:

48,275,863 fully paid ordinary Shares

Rule 7.5.3: Number of securities to be issued if partly paid:

Not applicable

Rule 7.5.4: Date or dates on when securities will be issued:

48,275,863 fully paid Shares have been issued on 25 August 2022.

Rule 7.5.5: Price of securities:

48,275,863 fully paid Shares have been issued at \$0.29

Rule 7.5.6: Purpose of the issue:

to raise funds to advance the La Paz and Halleck Creek Rare Earth Projects and for working capital.

Rule 7.5.7: Summary of agreement:

Not applicable.

Rule 7.5.8: A voting exclusion statement:

A voting exclusion statement is included in the Notice.

Recommendation

The Directors recommend that Shareholders vote in favour of Resolution 11.

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
