- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the Shareholder appoints 2 proxies and the appointment

does not specify the proportion or number of the Shareholders' votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular Resolution and if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (ie. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the Resolution, the proxy must not vote on a show of hands; and

- determined that for the Meeting, a shareholder that is entitled to attend and vote at the Meeting may submit a direct vote; and

A Shareholder entitled to attend and vote at the Meeting may direct vote by:

- delivering prior to the Meeting a valid notice of their voting intention by means of a direct vote; or
- delivering a direct vote during the Meeting if participating online.

Direct voting prior to the Meeting

A Shareholder may deliver a direct vote by indicating on the Voting Form that they are casting their vote directly and then placing a mark in one of the boxes opposite each item of business on the Voting Form. All of the Shareholder's shares will be voted in accordance with such direction, unless the Shareholder indicates that their direction is:

- to vote only a portion of their votes on any item; or
- to cast their votes in different ways on any item, by inserting the number of shares in the appropriate box or boxes.

If a Shareholder indicates that they are lodging their votes directly and then does not mark any of the boxes on a given item, no direct vote will be recorded on that item.

If a Shareholder indicates that they are delivering their votes directly and then marks more than one box on an item, their vote on that item will be invalid. If a Shareholder inserts a number of shares in boxes on any item that in total exceeds the number of shares that the Shareholder holds as at the voting entitlement time, the Shareholder's vote on that item will be invalid, unless the Shareholder inserted the number of shares in one box only, in which case it will be taken to be valid for the total number of shares held at that time.

1 Financial Statements and Reports

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the Annual Report of the Company for the financial year ended 30 June 2022 together with the declaration of the Directors, the Directors' Report, the Remuneration Report and the Auditor's Report.

The Company will not provide a hard copy of the Annual Report to Shareholders unless specifically requested to do so. The Company's Annual Report is available on its website at <https://betmakers.com/future-vision/>

Shareholders will be given a reasonable opportunity to ask questions and make comments on the reports, and on the management of the Company, and to ask questions of the auditor.

2 Resolution 1 – Adoption of Remuneration Report

2.1 General

The Corporations Act requires that, at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and other Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the Annual Report. The Chair must allow a reasonable opportunity for its Shareholders to ask questions about or make comments on the Remuneration Report at the Annual General Meeting.

2.2 Voting consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at two consecutive annual general meetings, at least 25% of the votes cast on a resolution in respect of a remuneration report vote against the adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to a vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting. If a Spill Resolution is put to shareholders, all of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting each person whose election or re-election as a director of the company was approved will continue as a director of the company.

2.3 Previous voting results

At the Company's previous annual general meeting, the votes cast against the Remuneration Report considered at that annual general meeting were less than 25% of votes cast. Accordingly, a Spill Resolution is not required for this Annual General Meeting.

2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

Person appointed as proxy	Where directions are given on Voting Form	Where no directions are given on Voting Form
Key Management Personnel ¹	Vote as directed	Unable to vote ³
Chair ²	Vote as directed	Able to vote at discretion of proxy if expressly authorised to do so under the Voting Form ⁴
Other	Vote as directed	Able to vote at discretion of proxy

Notes:

¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of that Key Management Personnel.

² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of the Chair.

³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

The Voting Form notes that it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

3 Resolutions 2 and 3 – Re-Election of Additional Directors

3.1 General

Clause 15.10 of the Constitution requires that, if a person has been appointed as a Director by the Board as an addition to the existing Directors, that Director holds office until the conclusion of the Company's next annual general meeting following their appointment and is eligible for re-election at that meeting (but will not be taken into account in determining the number of directors who must retire by rotation).

Rebekah Giles was appointed as a Director by the Board under clause 15.10 of the Constitution on 8 February 2022. Anna Massion was appointed as a Director by the Board under clause 15.10 of the Constitution on 3 March 2022. Accordingly, each Director will retire as Director at the Meeting and, being eligible, will stand for re-election.

Personal particulars for Rebekah Giles and Anna Massion are set out below.

The Board (other than Anna Massion, who has abstained from making a recommendation on Resolution 3 due to their personal interest) recommends that you vote in favour of Resolution 3.

Each Director currently intends to vote their respective shareholdings in favour of each Resolution.

4 Resolution 4 – Re-Election of Director – Nicholas Chan

4.1 General

Clause 15.6 of the Constitution requires that, if the Company has three or more Directors, one third of the Directors (except the Managing Director) (or if their number is not three or a multiple of three, then the number nearest but not exceeding one third) must retire at the Company's next annual general meeting. Clause 15.7 of the Constitution allows a Director who retires under clause 15.6 to be eligible for re-election at that meeting. Clause 15.6 of the Constitution further prescribes that the Director who has held their office as Director for the longest period of time is to retire and stand for re-election at the Meeting and, in the event that multiple persons became Directors on the same day, the Director to retire shall be determined by lot (unless otherwise agreed between themselves).

Mr Nicholas Chan was last re-elected by Shareholders at the 2020 annual general meeting. Given the tenure of the current Directors (other than the Managing Director) since each of their re-elections, Nicholas Chan has held office as Director for the longest period of time without re-election by Shareholders. Accordingly, Mr Chan will retire as Director at the Meeting and, being eligible, will stand for re-election.

Personal particulars for Mr Chan are set out below.

4.2 Mr Nicholas Chan

Nicholas (Nick) Chan has more than 30 years' experience in media and has held senior leadership and operational roles with leading Australian media companies.

Most recently, Nick was CEO of Bauer Media Australia and previously Group Chief Operating Officer at Seven West Media. Prior to this, Nick was CEO of Pacific Magazines, a subsidiary of Seven West Media, for 9 years. Nick joined Pacific Magazines from Text Media, where he was CEO and held a range of senior positions at ACP Publishing including Group Publisher and Chief Operating Officer.

Nick is a former Chairman of The Magazines Publishers of Australia and is currently consulting to several businesses in the digital, technology and marketing sectors.

4.3 Board Recommendation

The Board (other than Nicholas Chan who has abstained from making a recommendation on this Resolution due to their personal interest) recommends that you vote in favour of this Resolution. Each of the Directors currently intends to vote their respective shareholdings in favour of this Resolution.

5 Resolution 5 – Approval to Amend the Constitution

5.1 General

Under section 136(2) of the Corporations Act, a company can modify its constitution or a provision of its constitution by special resolution. Accordingly, the Company seeks Shareholder approval to amend its Constitution by Special Resolution of Shareholders as set out below.

5.2 Background

The Company's current Constitution contemplates general meetings being held at a physical location, or at two or more locations using technology to facilitate attendance by Shareholders (**Hybrid Meeting**).

Following recent changes to the Corporations Act, meetings of members may be held physically, as a Hybrid Meeting, or if expressly permitted by the entity's constitution, virtually (provided that members, as a whole, are given a reasonable opportunity to participate in the meeting).

The Company proposes to update its Constitution to permit the holding of wholly virtual general meetings (**Amended Constitution**). The Board is of the view that the proposed amendments will provide the Company greater flexibility and accessibility in the conduct of its general meetings, and will ensure that Shareholders can

continue to exercise their rights to participate in and vote at meetings in circumstances where wholly virtual meetings are beneficial and in the interests of Shareholders.

The proposed amendments will also incorporate recent changes to the Corporations Act regarding the making of offers in connection with employee share schemes under Part 7.12 of the Corporations Act. In particular, the proposed amendment will allow the Company to increase the 5% issue cap under the Corporations Act in respect of offers for monetary consideration under the Employee Incentive Plan to 10%.

Consequential provisions are included to provide clarity around procedural matters, including that 'online' attendees are treated as being present in the meeting and are counted for a quorum.
