During the AGM, the Chairman will aim to address as many of the more frequently raised Shareholder questions as reasonable. Please note that individual responses will not be sent to Shareholders.

ORDINARY BUSINESS

FINANCIAL STATEMENTS AND REPORTS

In accordance with the Company's Constitution, the business of the meeting will include receipt and consideration of the Company's Financial Statements, Directors' Report and Auditor's Report for the financial year ended 30 June 2022 (**Annual Report**). You may access the Annual Report by visiting the Company's website at www.amagroupltd.com/investor-centre.

Shareholders will be given a reasonable opportunity at the AGM to ask questions and make comments on the Annual Report.

The Company's auditor will be present to respond to any qualifying questions.

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

Background

Pursuant to Section 250R(2) of the Corporations Act, Directors must put to the AGM a Resolution to adopt the Company's Remuneration Report.

The FY22 Remuneration Report is included in the Company's Annual Report. You may access the Annual Report by visiting the Company's website at www.amagroupltd.com/investor-centre.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel including for the Directors of the Company.

Shareholders will be given a reasonable opportunity at the AGM to comment or raise questions in relation to the FY22 Remuneration Report.

The vote on this Resolution is advisory only and does not bind the Company. However, the Directors recognise the outcome of this Resolution as an indication of Shareholder sentiment in relation to the FY22 Remuneration Report.

Under the Corporations Act 2001, if 25% or more of votes that are cast at the meeting are voted against the adoption of the Remuneration Report at two consecutive AGM's, Shareholders will be

required to vote at the second of those AGMs on an additional resolution (a “**Spill Resolution**”) that a future meeting be held within 90 days of the Spill Resolution. At that further meeting, all of the Company’s Directors (other than any Managing Director) must go up for re-election.

Shareholders will recall that not more than 25% of the votes cast were cast against the ‘remuneration resolution’ at the 2021 AGM and therefore, there will be no requirement at this AGM for a Spill Resolution.

Board Recommendation and Voting Intention

Noting that each Director has a personal interest in their own remuneration as set out in the Remuneration Report, the Board recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote all available proxies in **FAVOUR** of this Resolution.

RESOLUTION 2 - ELECTION OF CAROLINE WALDRON AS A DIRECTOR

Background

Caroline Waldron was appointed as an independent Non-Executive Director on 1 March 2022. Caroline is also a member of the Audit and Risk Committee. Caroline’s formal training is in law, and she has been admitted to the Bar of England and Wales, and the courts of various jurisdictions including in Australia and New Zealand.

Caroline currently serves on the Boards of Resimac Group Limited and Genetic Signatures Limited.

Having regard to the ASX Corporate Governance Council published guidelines (4th edition), the Board considers that Caroline is an independent Director.

Board Recommendation and Voting Intention

The Board, other than Caroline Waldron, unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote all available proxies in **FAVOUR** of this Resolution.

RESOLUTION 3 - RE-ELECTION OF ANTHONY DAY AS A DIRECTOR

Background

Clause 15.3(a) of the Company’s Constitution states that one-third of the previously elected Directors must retire from office and may be eligible for re-election as a Director of the Company.

Anthony Day was appointed as an independent Non-Executive Director on 28 November 2018. Anthony is also Chair of the Board and a member of the Audit and Risk Committee and People Committee. Anthony has offered himself for re-election as a Director. Prior to submitting himself for re-election, Anthony has confirmed that he will have sufficient time to fulfil his duties as a Director of AMA Group.

With over 40 years in the insurance industry, Anthony has a breadth of experience in all areas of the insurance industry.

His most recent role, until October 2017, was as the Chief Executive Officer of Suncorp Group's Insurance Business. He brings to the Board leadership capability, business judgement and an intimate understanding of our key customers, Australasia's auto insurance companies.

Anthony has a 20-year track record of producing market-leading results in both growth and profitability, whilst delivering continuous improvement in operations. Anthony founded advisory business Elevate CEOs, which focusses on developing leadership and strategic skills of senior executives.

Having regard to the ASX Corporate Governance Council published guidelines (4th edition), the Board considers that Anthony is an independent Director.

Board Recommendation and Voting Intention

The Board, other than Anthony Day, unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote all available proxies in **FAVOUR** of this Resolution.

RESOLUTION 4 - RE-ELECTION OF NICOLE COOK AS A DIRECTOR

Background

Clause 15.3(a) of the Company's Constitution states that one-third of the previously elected Directors must retire from office and may be eligible for re-election as a Director of the Company.

Nicole Cook was appointed as an independent Non-Executive Director on 1 December 2019. Nicole is also Chair of the People Committee. Nicole has offered herself for re-election as a Director. Prior to submitting herself for re-election, Nicole has confirmed that she will have sufficient time to fulfil her duties as a Director of AMA Group.

Nicole is an experienced executive and management consultant having spent most of her career in professional services roles in both established and start-up businesses, with a particular focus on the Human Resources sector.

Nicole is currently Executive Director and CEO of SBE Australia. Prior to that, as CEO of Jobs for NSW, Nicole focussed on driving innovation through growing Australian businesses in order to create jobs and skills of the future. In her role as Managing Director of innovative global outsourced recruitment and HR firm PeopleScout, she oversaw the delivery and growth of their solutions in the APAC region.

Nicole has over 20 years' experience growing scaling and transforming businesses, is a trusted management consultant, focuses on driving innovation through technology and has deep domain expertise in Human Resources, energy efficiency, supply chain and more.

Having regard to the ASX Corporate Governance Council published guidelines (4th edition), the Board considers that Nicole is an independent Director.

Board Recommendation and Voting Intention

The Board, other than Nicole Cook, unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote all available proxies in **FAVOUR** of this Resolution.

RESOLUTION 5 – ADOPTION OF AMA GROUP GENERAL EMPLOYEE SHARE PLAN

Background

This Resolution seeks Shareholder approval for the adoption of the AMA Group General Employee Share Plan (**GESP**) and for the issue of securities under the GESP in accordance with ASX Listing Rule 7.2 (Exception 13(b)).

The objective of the GESP is to attract, motivate and retain key employees. The Company considers that the adoption of the GESP and the future issue of securities under the GESP will provide selected employees with the opportunity to participate in the future growth of the Company.

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that an ASX-listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under ASX Listing Rule 7.2 (Exception 13(b)), Shareholders may approve the issue of securities under an employee incentive scheme as an exception to ASX Listing Rules 7.1 and 7.1A. If such approval is obtained, any securities granted under the GESP would not be counted towards the Company's capacity to issue securities under the applicable 15% issue limit. If Shareholder approval is not obtained any such Shares issued under the GESP would reduce the number of equity securities which the Company can issue without Shareholder approval under the limit imposed by ASX Listing Rule 7.1

Subject to Shareholder approval, this approval would continue for three years, at which time it must be renewed, or it will expire. For the avoidance of doubt, Exception 13(b) does not apply to Directors and their associates, who are deemed related parties of the Company, and issues to such persons will require separate approval under ASX Listing Rule 10.14.

The Board intends to make regular grants of securities under the GESP to selected employees excluding Senior Executives. Offers will be made at the discretion of the Board. The terms of the securities granted under the GESP will be determined by the Board at grant and may therefore vary over time. In the Board's opinion, Resolution 5 will assist the Company in managing its capital requirements efficiently by ensuring that the Company's issue limit is not diminished by issues under the GESP and capacity is available for capital management initiatives and acquisitions, if necessary and appropriate.

Specific Information required by ASX Listing Rule 7.2 (Exception 13(b))

As required by ASX Listing Rule 7.2 (Exception 13(b)), the following information is provided:

- (a) a summary of the key terms of the GESP is set out in Annexure A;
- (b) the Company issued 9,255,888 Shares on 28 March 2022 under the GESP, however this is the first time that Shareholder approval is being sought for the adoption of the GESP; and
- (c) the maximum number of equity securities proposed to be issued under the Plan (in addition to any other employee share schemes operated by the Company) will not exceed 5% of the issued share capital of the Company.

Board Recommendation and Voting Intention

The Board unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote all available proxies in **FAVOUR** of this Resolution.

BACKGROUND TO RESOLUTION 6 – GRANT OF PERFORMANCE RIGHTS TO GROUP CEO

The Company's LTI forms the long-term incentive component of remuneration for Senior Executives and Executive Directors. The LTI is designed to attract, motivate and retain key Senior Executives and Executive Directors and to align the interests of those key Senior Executives and Executive Directors with the interests of Shareholders by matching long-term rewards with the long-term performance of the Company.

Under the LTI, eligible participants are invited to receive Performance Rights in the Company which are subject to long-term performance-based vesting conditions. The number of Performance Rights allocated to each Plan participant is set by the Board based on individual circumstances and performance. Performance Rights are used because they create share price alignment between Company executives and Shareholders, but do not provide Plan participants

with the full benefits of share ownership (such as dividend and voting rights) until the Performance Rights vest and Shares are acquired.

The Board is responsible for administering the LTI in accordance with the rules of the Plan and the terms and conditions of the specific grants to participants in the LTI.

RESOLUTION 6 – GRANT OF FY23 PERFORMANCE RIGHTS TO GROUP CEO

Background

In September 2022, the Board approved the grant of Performance Rights, subject to Shareholder approval, to the Group CEO, Carl Bizon as part of his remuneration package for the 2023 financial year (FY23).

Shareholder approval is being sought to grant a maximum of 4,475,385 Performance Rights to the Group CEO, Carl Bizon. The Performance Rights will be granted under, and subject to, the AMA Performance Rights Plan (**Plan**) which governs the LTI.

Each Performance Right entitles the Group CEO to receive, upon vesting, one fully paid ordinary share in the Company (**Share**) (or a cash payment of equivalent value at the discretion of the Board), subject to the satisfaction of certain performance and service based vesting conditions (**Vesting Conditions**) described below. Shares allocated to the Group CEO on vesting of the Performance Rights will rank equally with other Shares.

Approvals sought

ASX Listing Rule 10.14 requires the Company to obtain Shareholder approval for the issue of securities to a Director under an employee incentive scheme. The Company wishes to have flexibility to satisfy Performance Rights by way of issuing new Shares or acquiring Shares on-market.

Accordingly, Shareholders are asked to approve the grant of 4,475,385 Performance Rights to the Group CEO under the Plan, on the terms and conditions set out below. Approval of this Resolution will also result in the Performance Rights granted to the Group CEO being included as an exception to the approval requirements of ASX Listing Rule 7.1. This means the Performance Rights granted to the Group CEO, and any other Shares issued pursuant to this approval, will not use up part of the 15% issue limit under ASX Listing Rule 7.1.

If approval is not obtained from Shareholders, the Board will consider whether to proceed with the grant, make the grant on different terms, or acquire Shares on-market (or make a cash payment in lieu of Shares) to satisfy vested Performance Rights.

Key terms of the Performance Rights

An overview of the key terms of the proposed grant of Performance Rights to the Group CEO under the FY23 LTI are summarised below. Please see Annexure B for a general summary of the Plan.

Term	Details
Number of Performance Rights	<p>Subject to Shareholder approval, 4,475,385 Performance Rights will be granted to the Group CEO and Executive Director of the Company, Carl Bizon.</p> <p>The number of Performance Rights to be granted has been calculated by dividing \$900,000 (being 100% of the Group CEO's current annual fixed remuneration) by \$0.2011 (the 20-day volume weighted average price (VWAP) of Shares traded on the ASX calculated up to and including 20 September 2022).</p>
Grant Date	<p>Subject to Shareholder approval, it is anticipated that the Company will grant the Performance Rights to the Group CEO as soon as practical after this AGM, and in any event within 12 months after the date of this AGM.</p>

Performance Rights

Each Performance Right is a right to receive one Share (or a cash payment of equivalent value), subject to satisfaction of the Vesting Conditions.

Performance Rights do not carry any dividend or voting rights, or in general, a right to participate in other corporate actions such as bonus issues.

Performance Rights are not transferable (except in limited circumstances or with the consent of the Board).

Vesting Conditions

The Performance Rights will only vest subject to achievement of:

- An absolute CAGR TSR performance condition (**Absolute TSR Condition**);
- A relative TSR performance condition (**Relative TSR Condition**); and
- the Group CEO's continued employment with the Company or a Group Company from the date the Performance Rights are granted until the date the Performance Rights vest.

50% of the Performance Rights are subject to the Absolute TSR Condition and 50% of the Performance Rights are subject to the Relative TSR Condition.

(1) Absolute TSR Condition (50% weighting)

50% of the Performance Rights will be subject to the Absolute TSR Condition.

TSR measures the growth in the price of shares (modified to account for capital adjustments where appropriate) together with the value of the dividends over the Performance Period (as defined below), assuming that all those dividends are re-invested into new shares.

Vesting (if any) of the Performance Rights subject to the Absolute TSR Condition will be determined with reference to the Company's CAGR TSR performance over the Performance Period, as follows:

Absolute CAGR TSR over the Performance Period	% of Performance Rights that vest*
Below 8%	Nil
8%	50%
12%	75%
15%	100%

*Straight line pro-rata vesting between each of these points.

Board Recommendation and Voting Intention

The Board, other than Carl Bizon, unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote all available proxies in **FAVOUR** of this Resolution.

RESOLUTION 7 – AMENDMENTS TO THE CONSTITUTION

Background

Under section 136(2) of the Corporations Act, a company can modify or repeal its constitution or a provision of its constitution by special resolution of shareholders. Accordingly, Resolution 7 requires

the approval of not less than 75% of the votes cast by the shareholders present or eligible to vote (in person, by proxy or corporate representative) in order to be passed.

Since the Constitution was last updated, there have been a number of developments in law and the Listing Rules, corporate governance principles, and general corporate and commercial practice for ASX-listed entities.

The Board recommends that the Constitution be amended to take these developments into account.

An electronic copy of the current Constitution is available on the Company's website at <https://amagroupltd.com/corporate-governance/>. An electronic copy of the Constitution showing the proposed amendments to the current Constitution (in mark-up) is available at <https://amagroupltd.com/corporate-governance/> or, alternatively, a copy can be obtained by emailing: companysecretary@amagroupltd.com.

It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Memorandum, however, a summary of the proposed material changes is set out below.

Summary of proposed changes

A summary of the material changes to the Constitution are outlined below.

Conduct of meetings – virtual and hybrid meetings (Clause 14 of proposed Constitution)

In light of the new *Corporations Amendment (Meetings and Documents) Act 2022 (Corporations Amendment Act)* that has recently come into effect in response to the restrictions associated with COVID 19, the proposed Constitution seeks to put in place rules and procedures to better support the Company's ability to conduct virtual or hybrid meetings and accommodate the use of technology during such meetings. To facilitate this, the amended Constitution seeks to implement measures that would address common issues that may arise with technology-assisted meetings, in particular, clarity around procedural matters including to ensure that 'online' attendees are treated as being present at the meeting and are counted for a quorum, and to confirm that the Directors may prescribe the detailed procedures by which meetings held with technological assistance may be conducted. Consistent with market practice, the Constitution is also being updated to clarify that the Board can change the venue for, postpone or cancel a general meeting, except in certain circumstances including where the meeting is called in accordance with a shareholder requisition.

Other changes relate to outlining the rights and responsibilities of the Chair of a general meeting, including the right of the Chair to deal with unruly behaviour or other issues that arise during a meeting of members, including to adjourn meetings.

The Board notes that virtual or hybrid meetings allow a larger number of Shareholders to participate in its general meetings, including its Annual General Meeting, and so increases transparency and inclusivity. However, it is noted that the Board will generally seek to hold physical, in-person AGMs where possible alongside virtual meetings.

The Board has no current intention to hold virtual-only meetings in the future unless it is required to do so by law, or it deems it necessary having regard to the health and safety of its Shareholders and employees. In these exceptional circumstances where only virtual meetings are able to be held, the Board will look to ensure that Shareholders are provided with the ability to participate and have their voices heard in the same capacity as physical meetings.

Direct voting (Clause 14.24 of proposed Constitution)

The Company's existing Constitution already facilitated direct voting (whereby Shareholders may lodge a vote directly with the Company by way of post, fax or other electronic means, without having to attend a meeting or appoint a proxy or representative). However certain amendments

have been made to clarify the effect of direct voting arrangements and to authorise the Directors to prescribe rules governing direct voting. Direct voting addresses deficiencies in existing voting procedures by facilitating greater voting participation and minimises the potential risks of a proxy vote not being cast.

Director Retirement by Rotation (Clause 15.3 of proposed Constitution)

The Company's current Constitution limits Directors (other than the Managing Director) from retaining office for more than 3 years or until the third annual general meeting following the Director's appointment in compliance with ASX Listing Rule 14.4.

Amendments are proposed to require the election of a Director at each annual general meeting and the amendments will also set out how the relevant Director for election will be determined to clarify compliance with the ASX Listing Rule requirements, which require that an entity hold an election of at least one Director at each annual general meeting.

Cancellation and postponement of a Meeting of Members (Clause 14.1 of proposed Constitution)

The Company's current Constitution contemplates that Directors may communicate to members the cancellation and postponement of a Meeting of Members by notice to all members.

Amendments are proposed to allow directors greater flexibility in how they may communicate the cancellation or postponement of meetings or advise a change of meeting venue. In particular, amendments are proposed to include provisions under which directors are specifically permitted to give notice to cancel, postpone or change the venue of a meeting by either: •

- publishing the relevant notice in a daily newspaper circulating in Australia;
- giving the relevant notice to ASX; or
- subject to the Corporations Act and Listing Rules, giving the notice in any other manner determined by the directors

Electronic signing (Clauses 14.26, 17.10, 20.1, 25.2 of proposed Constitution)

The Corporation Amendments Act expressly permits the electronic signing of documents and enables the acceptance of such electronically signed documents by companies. As a result, certain related and flow-on amendments are proposed to be made to the Constitution to facilitate electronic signing including:

- allowing minutes of meetings and circular resolutions to be signed electronically or physically;
- The insertion of provisions to expressly allow the Company to sign documents, share certificates or notices electronically; and
- The ability for a person to witness the use of the Company seal using electronic means.

Restricted Securities (Clause 3 of proposed Constitution)

On 1 December 2019, the ASX Listing Rules were amended to vary the regime applying to restricted securities. ASX Listing Rule 15.12 sets out provisions that a listed entity's constitution must include while the entity has restricted securities on issue. The proposed amendments to the Constitution contain the provisions required by ASX Listing Rule 15.12. This will allow the Company to issue restricted securities in the future should that be necessary.

Off-market transfers (Clause 8.1 of proposed Constitution)

ASX Listing Rule 8.14 provides that the Company may charge a "reasonable fee" for registering paper-based transfers, sometimes referred to "off-market transfers". Amendments are proposed to enable the Company to charge a reasonable fee when it is required to register off-market transfers from Shareholders. The fee is intended to represent the cost incurred by the Company in

upgrading its fraud detection practices specific to off-market transfers. Before charging any fee, the Company is required to notify the ASX of the fee to be charged and provide sufficient information to enable the ASX to assess the reasonableness of the proposed amount

Dividends (Clause 22 of proposed Constitution)

The Company's current Constitution dividend provisions were drafted before recent amendments to the Corporations Act rules regarding the payment of dividends. The proposed changes would allow the Board to not only determine payment of dividends, but to also determine the time and method of payment for dividends. References to declaring dividends will be removed, in favour of authorising dividends. The changes will also allow the Board to rescind its decision to pay dividends in certain circumstances, including in circumstances where they decide, before the payment date, that the Company's financial position no longer justifies the payment. The proposed amendments also clarify the Company's entitlement to directly credit dividends to an account held by it or its share registry in instances where a member has not nominated a valid bank account or, in cases where cheque is offered as a payment method, does not have a registered address to receive a payment. In such cases, the amount will be held in an account of the Company or its share registry for the member until a valid account is nominated. No interest will accrue on any amounts held

Furthermore, the Company can decide that any unclaimed monies be reinvested to purchase shares in the name of the member entitled to the unclaimed monies, and the Board may deal with any residual sum arising from reinvestment as it sees fit.

Notice provisions (Clause 25.2 of proposed Constitution)

The proposed amendments clarify that the Company may send notices to members by providing a URL link to any attachments by electronic means. This will enable the Company to satisfy its notice requirements when utilising modern day practices for the provision of notices. It will also enable the Company to not have to continue to incur costs by sending notices to those Shareholders who have moved address and have not updated the share registry with their new details.

Amendments to update references to ASX specific terms (Clause 1.1 of proposed Constitution)

Since the last amendment to the Company Constitution, Chi-X Australia Pty Ltd has also obtained a market license to operate a securities exchange in Australia and offer trading in ASX-quoted equities. Securities in listed entities can therefore also be quoted on both ASX and Chi-X. In order to cater for these changes and potential future developments, amendments to specific ASX terms (such as references to ASX Limited, Australian Settlement and Transfer Corporation Pty Ltd, ASTC Settlement Rules and ASTC Transfer) in the current Constitution are proposed to be updated to relevant equivalent references to clearing and settlement facilities as defined in the Corporations Act and flexibility is also being provided to allow more than three persons to be regarded as joint holders of a security, subject to the Listing Rules.

Important Note: If the Chairman of the Meeting is (or becomes) your proxy you can direct the Chairman to vote for or against or abstain from voting on Resolutions 1, 5 and 6 by marking the appropriate box in step 2.

If you are directly voting and you mark the **Abstain** box for an item, it will be treated as though no vote has been cast on that item and no vote will be counted in computing the required majority.
